One Great Day of Evangelism

Prayer Points

1

Pray for participating churches

Pray for your brother and sister churches taking part in One Great Day of Evangelism. Every participating church is listed on our One Great Day webpage. Lift them up by name, and ask the Lord to bless their efforts.

2

Pray for the lost people they will meet

Pray for the lost people our churches will encounter, engage with, and have the opportunity to share the gospel with. Ask that God would soften their hearts even now, so that they will be receptive to the gospel of Jesus Christ as it is proclaimed to them.

3

If your church is not participating, pray about joining

It is not too late. We are happy to pray with you, to provide evangelism grants, and to help you do something to reach your community for Christ on One Great Day of Evangelism.

> "We need to pray for the Lord to move in the hearts and lives of His people, and in the hearts and lives of those that we're going to engage with."
