# Values

- Understand that values are defined basically by your behavior; or behavior shows your values.

- List your personal values.
- How did you behave this past year?
- Look at your checkbook, entertainment, time spent, people, places visited.
- What values do we see in Jesus ?

# Jesus and Values

- How do we see Jesus behaving in Scripture?
- What did He value?
- What were some of His consistent behavioral patterns?

# Context and Values

- Context plays a role.
- Personal values in combination with context help us to clarify common ground and lead to transformation.

# Organizing the Types of Values

- Core
- Permission to Play
- Aspirational
- Accidental
- What are questions you can ask to determine your values? Remember these are not doctrinal statements, we don't behave inerrantly.
