

Leadership Development

What do you want your leaders to be doing?

- Love God
- Love Others
- Make Disciples

Leadership Development

Lead by Example

People will believe what is important by seeing you do it!

Show-up Consistently

Starting with the Right People
Traits: faithful, focused, responsive,

proven themselves in the context

Leadership Development

Develop them as they are serving.

It is mosaic and takes a community!

Know where you are going.

You have to have a clear picture of a disciple in the context they are serving that is intentionally growing in character and skills.

It is relational and intentional in process.

"Leadership when it works is highly relational." Calvin Miller
