

HELP YOUR CHURCH

with LifeWay's Church Assistance Package

While many church leaders are eager to resume in-person ministry as safer-at-home guidelines are eased, they are also continuing to feel the effects of the disruption caused by the coronavirus crisis. Churches are trying to make sure they're able to keep going, even as they begin to imagine what ministry will look like in the months ahead.

LifeWay wants to help your church sustain ministry and support discipleship during this time. That's why we've created the Church Assistance Package.
