(Adopted at Cape Girardeau, October 24, 1928)

ARTICLE I—Name

This body shall be called the Missouri Baptist General Association.

ARTICLE II—Object

The object of the Association shall be to extend the Kingdom of our Lord Jesus Christ, to provide a convenient means for the co-operation of the churches in their work and an efficient agency for their enlistment in Missions, Education and Benevolence.

ARTICLE III—Time and Place of Meeting

The General Association shall meet annually on Tuesday after the fourth Sunday in October at such hour and place as it may choose at the next preceding meeting.

ARTICLE IV—Membership

This Association shall be composed of accredited messengers and life members as follows:

Sec. 1. Any regular missionary Baptist church in sympathy with the objects of the Association and desiring to co-operate with the Association shall be entitled to one messenger and one additional messenger for every one hundred members or major fraction thereof above one hundred, provided that no church shall be entitled to more than fifteen messengers.

Sec. 2. Each Baptist District Association wishing to co-operate with the General Association shall be entitled to two messengers.

Sec. 3. Such persons as have hitherto been admitted as life members of this Association shall be accredited as members-at-large.

ARTICLE V

Rights of the Churches and of the General Association

Sec. 1. The relation between the General Association and the churches and associations shall be fraternal and co-operative. The General Association shall never exercise any authority over the churches nor do anything that would in any way interfere with

their complete autonomy and independence as New Treatment churches nor to limit the exercise of their freedom.

Sec. 2. The General Association shall always have the right to sit in judgment upon the qualification of its own members and may at any time decline to seat as a messenger any person who may be considered by the Association disqualified on personal grounds or by reason of the character or attitude of the church or association from which such messengers shall come.

ARTICLE VI—Officers

The officers of this Association shall be a Moderator, Assistant Moderator, Recording Secretary and Statistical Secretary, who shall be chosen at each annual meeting provided that the office of Recording Secretary and Statistical Secretary may be held by one and the same person if deemed best. They shall serve from the close of the annual meeting of the Association at which they are elected until the close of the next annual meeting of the Association, or until their successors are elected.

ARTICLE VII—Duties of Officers

Sec. 1. It shall be the duty of the Moderator to preside over the meetings of the Association, keep order, take the vote on all questions properly brought up and perform all other duties usually performed by a presiding officer.

Sec. 2. In the absence of the Moderator, or at his request, the Assistant Moderator shall serve as Moderator and perform all the duties of the office.

Sec. 3. It shall be the duty of the Secretary to keep correct minutes of all the proceedings of the meetings and prepare the same for publication. It shall be the duty of the Statistical Secretary to collect, digest, tabulate and present to the Association such statistics and data as will accurately convey to our people the work and standing of our denomination within our state and to perform such other work in the line of statistics as the Association and the Executive Board may from time to time require of him. Each of said secretaries may appoint such assistants to aid him in the performance of the duties of his office as he may desire.

Sec. 4. The officers of this Association shall be chosen by ballot, each messenger casting one ballot, a majority of the ballots cast being necessary for an election, provided, that when there is only one nomination the vote may be taken viva voce.

ARTICLE VIII—Executive Board

Sec. 1. Structure:

There shall be an executive board which shall be incorporated under the laws of Missouri under the corporate name of the Executive Board of the Missouri Baptist General Association, which shall have charge of the Missionary, Educational and Benevolent work of the Association, and which shall be composed as follows:

a. The Board shall consist of thirty members, of which at least one-third shall be women, provided that no church shall have more than one representative on the Board at any one time, and that no elected member of the Board shall be eligible to serve more than two successive terms. Any elected member who may serve two successive terms shall be eligible for re-election to the Board after the expiration of at least one year from the close of his second term. The Moderator and Assistant Moderator of the Missouri Baptist General Association shall be *ex officio* members of the Executive Board.

b. The Board shall be elected at the annual meeting of the Association. Those first elected shall divide themselves into three equal classes, one of which shall serve for one year, one for two years and one for three years.

c. After the first year ten members of the Board shall be elected at each annual meeting of the Association to serve for three years.

d. No salaried employee of this Board nor any employee of any institution fostered by this board shall be a member thereof.

It shall also elect a Treasurer who shall have custody of all the funds that may come into the possession of the Board; who shall disburse them only as directed by the Board for the purposes for which they were given; whose accounts shall be properly audited; and who shall give such bond as the Board shall require. The Treasurer of the Executive Board shall be the Treasurer of the General Association.

Sec. 3. Powers and Duties:

General:

b. The Board shall have full power and authority to act for the General Association in the interim of the sessions of the Association in any and all matters that may arise affecting the interests fostered by the General Association, provided, that this shall not be interpreted as authorizing the Board to reverse any action of the General Association or to do anything contrary to this Constitution or to accepted Baptist faith, polity and practice.

c. It shall present annually to the General Association a budget including both state and Southwide objects. This budget shall be presented to the district associations and churches for their consideration, approval and support. 7. After John 17 was read and prayer was offered by James F. Heaton, Jefferson City, the Association stood and sang "I Love Thy Kingdom Lord."

8. Dr. Thomas W. Croxton, First Baptist Church, Sedalia, brought the Introductory Message which was inspirational and challenging on the subject, "The Church of Jesus."

9. T. T. Holloway, Dallas, Texas, presented the report of the

AMERICAN BIBLE SOCIETY

The world must have the Bible.

1. Jesus Christ is the one hope of men and nations . . . and The Bible is the one primary source of knowledge of Christ.
2. In every missionary advance the Bible goes forward first.
3. The Bible itself is a missionary. It can go where the human missionary cannot go, stay when he must leave, and keep on working in a man's heart.

Giving the Bible to the world is a missionary task.

1. Every man must have the Bible in his own native language if the message of Christ is to speak effectively to his heart.
2. Someone must translate the Bible into his language, print it, and send it to him wherever he lives. Since most people in the world are too poor to pay the cost of books, someone must also give to help those who can pay only part of the cost and many who cannot pay at all.
3. The American Bible Society, supported by gifts, serves as that "someone." As a missionary organization, it aids in Bible translation, publishes the Scriptures without note or comment, and distributes them, without profit and usually below cost, for use in mission work throughout the world.

During 1946 the American Bible Society—

—distributed at home and abroad over 11 million volumes of Scriptures;

—sent to Japan more than 1/3 million Gospels and more than 1/3 million of the 2½ million New Testaments requested by Japanese Christian leaders;

—shipped to Germany over 1 million Scripture volumes and 205 tons of materials for a self-help plan by which the German people and the German Bible Societies will do the actual printing of at least 1 million full Bibles.

Southern Baptists can lead in providing ENOUGH Bibles for world needs NOW!

1. Hungry-hearted multitudes, especially in liberated countries, Germany and Japan, are eager for the Word of God. But it is a race against time. Their eagerness may not last indefinitely and opposing forces are actively at work.
2. The Bible is rationed throughout the world, as it has always been rationed in mission lands, because the supply is limited by gifts available.

3. In 1946, Southern Baptists gave $130,550 to the American Bible Society; total church gifts were $1,119,845. Increased gifts from Southern Baptists will help to provide *enough* Bibles *now* and will multiply their value by inspiring others to give more. Please send gifts to the Baptist state headquarters office, marked "for the American Bible Society."
4. A world-wide missionary advance, through increased Scripture distribution, waits! . . . Waits only for needed funds!

10. The Baptist Relief Center in New Orleans was discussed by Eugene Howard.

11. After singing the hymn "My Hope is Built" led by Lee Lewis the first session of Missouri Baptist General Association was dismissed by a word of prayer led by Earl Gooch of Ironton.

32. Dr. Homer L. Grice, Nashville, Tenn. gave an inspiring address on the work of the Sunday School Board.

REPORT OF BAPTIST SUNDAY SCHOOL BOARD

Fifty-six years ago, the Sunday School Board came into existence to fill a very definite need. The service the Board has rendered leaves no one in doubt as to the wisdom of beginning such a denominational agency.

The Board has had only four executive secretaries, and one of them, T. P. Bell, served only three years. Each seems to have been prepared of God for the period in which he served. Under these Secretaries the ministry of the Board has had such a marvelous

growth that at this hour it very vitally and helpfully affects every phase of our denominational life.

A Business Institution

It is well to keep in mind that the Sunday School Board is a business institution. In the words of Dr. I. J. Van Ness, we say, "It is well to be reminded constantly that we are dependent upon our business receipts for all that we do."

The last article of the resolutions of Dr. J. M. Frost (which resolutions constituted the germ from which the Sunday School Board was to spring), says, "That any profit accruing from said publications, after a liberal allowance for the conduct of its business, the Board of Managers shall appropriate as the Convention may order from time to time." The Board has faithfully executed this policy throughout its history.

Division of Business Management

Harold E. Ingraham is Business Manager. In September, Mr. Ingraham completed twenty-five years of service with the Sunday School Board. Most of that time was spent in the Sunday School Department.

Basic responsibility rests upon this division of the Board's work. This division must be successful if the other divisions do their work.

Division of Editorial Service

Dr. Clifton J. Allen is Editorial Secretary. This division is responsible for the preparation of all periodicals, books and other literature published by the Board.

Dr. Allen writes: "Beginning with this year, all the regular periodicals published by the Board have been copyrighted. The purpose in inaugurating this policy, which has been under consideration and in partial effect for many years, was not to restrict the proper use of the material in our publications, especially by our own constituency, but to protect it against indiscriminate or illegitimate use."

The Braille Baptist is a monthly publication carrying a condensed treatment of the Sunday School and Training Union lessons and excerpts of articles from other Board publications. Pastors are asked to send in the names of persons who wish to receive this magazine. It is without cost to the individual or to the church.

Division of Education and Promotion

Dr. J. O. Williams is secretary of this division. Following are the departments in this division: Sunday School, Training Union, Student Work, Church Music, Church Architecture, and the Department of Survey, Statistic and Information. In this division are also Church Library Service and Visual Education Service.

The Sunday School Department makes four free offers:

Lesson literature for new Sunday schools, first quarter,
Supplies for organization of new Extension Departments,
Equipment for organization of new Cradle Roll departments,
Equipment for organization of new Nursery departments.

Ridgecrest

More than 22,000 registered for the various conferences held at Ridgecrest this summer. Ridgecrest, with its teeming crowds at the many programs each year, is a source of increasing joy, but, at the same time, a source of increasing responsibility. The value of this assembly is called to our attention by its helpfulness to individual churches, associations, state organizations, and to our denominational life throughout the work of our convention.

In the Board's report to the Southern Baptist Convention last May, Dr. Holcomb said, "We have emphasized evangelism, enlistment through regular visitation, increased church attendance, improved Bible, teaching, stewardship, distinctive doctrines, world missions, godly living, spiritual worship, personal participation, and many other vital truths."

A denominational agency that emphasizes those things is worthy of our fullest and best support.

39. The report of the Missouri Baptist Foundation as given by L. G. Kelley was adopted.

MISSOURI BAPTIST FOUNDATION

The Missouri Baptist Foundation received its charter of incorporation on August 15, 1946. Its first Board of Trustees were elected by the Missouri Baptist General Association last October, consisting of the following brethren: Virgil Dent, Hannibal; J. A. Hemphill, Kennett; Forrest A. Lowry, St. Louis; V. W. Wilhite, Moberly; C. R. Blue, Bolivar; Ray F. Moseley, Kansas City; K. J. O'Banion, California; L. G. Kelley, Brookfield; and T. W. Medearis, Liberty.

The General Association voted also to turn over to the Missouri Baptist Foundation funds known as *"The Permanent Funds"* to the amount of $80,201.49 which were previously managed by a special committee. These funds are investd in good loans and securities and the income derived therefrom is usd according to the designations of donors or, if undesignated, according to the will of the General Association.

The Trustees organized by electing the following officers: Ray F. Moseley, President; K. J. O'Banion, Vice President; L. G. Kelley, Secretary; Charles F. Curry, Treasurer. T. W. Medearis was asked to become Acting Executive Secretary without salary until such time as a capable Executive Secretary could be employed, and agreed to serve temporarily.

The Board has had several meetings, and has with the utmost caution cared for the Foundation interests.

During the year the assets of the Foundation have been increased by some $36,921.31. Some wills have been made to the Foundation covering another $150,000. Other contracts are pending that should add a good many thousand dollars more to its assets, and some other inquiries have been made by our Baptist people whom the Lord has blessed with money. The State Board set up a fund of $3,000 to provide for the first year of operation of the Foundation. The Foundation Board asked the six affiliated institutions, which would chiefly profit by its activities, to share in its first year's support to the extent of $500 each. In response to this appeal Hannibal-LaGrange College sent checks totaling $500; Southwest Baptist College $500; William Jewell College $500; the Missouri Baptist Children's

Home $500. We greatly appreciate the cooperation of these four institutions.

During the year Southwest Baptist College Board voted to turn over its entire endowment to the Foundation to hold, invest, and manage for the College, and this will be done efficiently and without cost to the school as soon as the transfer is completed.

The auditor's report, which is attached hereto, will present a full picture of the present financial status of the Foundation.

Purpose and Plan of the Missouri Baptist Foundation

The story is long and tragical of denominational institutions which have grown rich in endowment and have finally drifted out of denominational control and have taken with them money given sacrifically by devoted followers of Christ for definite denominational ends. We trust that there is little present danger of this thing happening in Missouri, but it cannot happen in the case of money given to the Foundation, the earnings of which may be designated for any institution desired, but the principal remaining forever in the hands of the Missouri Baptist General Association through its Foundation.

God has given to some people the ability to make and accumulate money. It is a glorious Christian privilege to put a portion of that money to work in Baptist education, in the ministry of healing, in orphange or home for aged, in missions or otherwise even while living; and to remember these causes in will when life is over. The Missouri Baptist Foundation was set up for these specific purposes. The Executive Secretary will be most happy to advise and assist in any way possible with reference to annuity contracts, gifts, wills, etc., and we invite correspondence to that end.

Please note this paragraph from our "Articles of Agreement": "Article IV, (A) This association is formed for the purpose of serving any benevolent, charitable, educational, or missionary undertaking, institution or agency fostered by or having the official sanction of the Missouri Baptist General Association, such conjoined purposes to be executed simultaneously in the furtherance and development of benevolent, charitable, educational and missionary activities in, and for the benefit of, schools, hospitals, orphanages, homes for the aged, and other enterprises operated under the supervision of, or supported by, the Missouri Baptist General Association, and to such end may receive by bequest, devise, gift, purchase or lease, either absolutely or in trust, any property, real, personal or mixed, and to administer such property, to convey such property, to invest and reinvest the same, or the proceeds thereof, in such manner as in the judgment of the Trustees will best promote such objects."

It is our plan to secure a highly qualified man at once who will give himself to the work of Missouri Baptists as represented by the Missouri Baptist Foundation. We earnestly request the prayers and cooperation of all Missouri Baptists, and all our institutions, that the vast possibilities inherent in this work might be fully realized.

Respectfully submitted,

BOARD OF TRUSTEES

REPORT OF BAPTIST BOOK STORE, KANSAS CITY, MO.

It is with delight, joy and thanksgiving that we can report to you, Missouri Baptists, the largest volume of business in the history of the Book Store ministry in Missouri. This indicates the growing ministry of the Book Store to the churches and that is why we even have a Baptist Book Store. Missouri now stands in second place

for reaching its percentage goal of increase for 1947. You, pastors, leaders, workers, and Christian friends have made this possible. We do express our sincere appreciation to you for your continued loyalty, devotion and cooperation.

"Hats off to the past, coats off to the future" so said Dan Crawford.

The Ministry of the Book Store

To take our place in the denominational family as one of the agencies set up for service our program is many-fold.

(1) Practical ministry—to furnish the churches everything they need with which to work.

(2) A cultural ministry to provide uplifting reading.

(3) A spiritual ministry to supply and urge reading material that will make people Christian (evangelism), build Christian character, and further the cause of Christ in every way.

Specific ministries of the Store direct to the people—

(1) Service from the floor in both Stores, Kansas City, the State Store and St. Louis, the branch store serving St. Louis and St. Louis Association.

(2) The mail order business from Kansas City.

(3) The field ministry of exhibits at Conventions, Assemblies, Camps, Colleges and all meetings who desire such service.

(4) The Church Library work with a full time worker on the field serving the churches in establishing and training library work and worker.

(5) Special helps in all areas of Church Life. Supplying such needs as music, robes, song books, records, visual aids, electronics, church furniture, etc.

(6) Working with all the denominational agencies with year-round materials for the Sunday School, Training Union, Mission activities, Woman's Missionary Union, Vacation Bible School, Brotherhood, Student Union and every agency that Baptists foster.

(7) A special help to Preachers in securing the best books and supplies for their own personal use and ministry.

(8) To Workers—Officers, teachers, leaders and sponsors.

(9) And, the propagating of the BOOK OF BOOKS—the store is giving to distribute the Bible.

All earnings, if any, are missionary money. Your co-operation is solicited, your prayers and your patronage urged and appreciated.

49. Report on Stephens College was adopted as given by Dr. Roy Johnson.

REPORT ON STEPHENS COLLEGE

Since the last meeting of this Association a new president has been called to Stephens College. Dr. Homer P. Rainey, formerly president of Franklin College, of Bucknell University, and of the University of Texas, and for four years director of the American Youth Commission, has been appointed by the Board of Curators to succeed James M. Wood. Incidentally, but important in my judgment, is the fact that Dr. Rainey is also a Baptist minister. He assumed his active duties as president on June 3 of this year. The response of the faculty, the students, the alumnae, and the townspeople to Dr. Rainey's friendly personality, his ability as an educational leader, and his fine Christian spirit has been especially gratifying.

In instituting its search for the right candidate to succeed President Wood, the Board set up seven criteria, or qualities, which must be satisfied in the final selection of the new president. They drew up a kind of educational blue-print of the kind of person the college needed, and must have, as its new leader. First, he must believe in the basic importance of Christian education. He must also have had broad administrative experience; he must have the business ability and foresight to safeguard the financial interests of the institution; he must have a "functional philosophy" of education; he must be vitally interested in the student and the maximum development of student personality as the central objective of the college program; he must be committed to the values of general education at the junior college level rather than advanced specialized or professional training; and he must be a man of practical imagination and educational vision.

We believe that in Dr. Rainey we have a man who meets these qualifications in every respect. In his opening address to the faculty, he set forth very clearly his belief that religion is something to be *lived* as well as preached. "The distinction between 'pure' Christianity and 'applied' Christianity," he said, "is entirely a matter of action: 'Be ye *doers* of the word' . . . 'Faith without *works* is dead' . . . 'Not every one that saith unto me, Lord, Lord, shall enter into the Kingdom of Heaven, but he that *doeth the will* of my Father' . . . 'Whosoever heareth these sayings of mine and *doeth* them'

. . . To give real validity to our Christian faith it must be expressed in the acts of daily living."

President Rainey's regret is as genuine as mine, and yours, in his not being able to be present at this meeting and to greet you as a new co-worker in a great common cause. He is today attending a meeting of the National Advisory Board for Stephens College in Chicago, a meeting which was called not by Dr. Rainey himself but by the chairman of the Board. I bear to you his greetings and his pledge of service and loyalty in the great program of Christian education upon which the future of our nation and our world must depend.

Too much cannot be said in praise of the devoted leadership and tireless efforts of our former president, James Madison Wood. For thirty-five years he and his colleagues, with single-mindedness of purpose, have labored (often against great odds) to design and develop an educational program for young women that has won recognition and respect throughout the country. A firm foundation has been laid, and our task now is to build wisely and well on that foundation.

Almost coincident with the appointment of a new president, the Board of Curators announced the general outline of a new 25-year program of development and launched a nation-wide campaign for the purpose of implementing the new program with adequate material resources. The task ahead is to consolidate gains already made, continue the experimental and scientific attack on educational problems, strengthen and improve the effectiveness of the entire program, and provide appropriate material facilities for its operation.

Among the facilities needed, and envisioned as a part of the new development program, are a Hall of Religion and the Arts, classrooms and laboratories for the Home and Family Unit, a new health center and hospital, a new-type library and instructional building, a new Music Hall and auditorium, better faculty housing, and provision for other faculty needs such as salary stabilization and retirement fund. The Board has estimated the total needs of the program at $18,000,000, ten million of which should go into a general endowment reserve.

Enrolled in Stephens this year are 2,247 students, representing all the states in the Union and 12 foreign countries or territorial possessions. It is the present thought that enrollment capacity will be stabilized at approximately 2,400. The present appraised value of institutional property, as of May, 1947, is approximately $8,200,000. A part of this may be credited to gradual accretion of values; but, in great measure, it is the result of planned expansion and acquisition. In prospect for construction within the next two years are a new chapel, a new assembly hall, and possibly a new dormitory on the north campus. Building progress will depend, of course, on many conditioning factors.

In conclusion, let me reaffirm, on behalf of the College, its administration, its faculty, and its Board, our deepest faith in the value of the work which our Christian colleges are doing. No nation can long be strong unless it is built upon a sound moral and spiritual basis. We seek better ways of living; we seek a deeper understanding

of truth; we seek a richer and a fuller life. But the Great Teacher said unto us, "*I* am the way, the truth, and the life." I know of no better motto for a Christian college. Therein lies our charter for service. May the blessings of God rest upon the work of this Association, upon every church represented, and upon every laborer in the great vineyard of the Lord. May we be consecrated in spirit, good and acceptable workmen who need not to be afraid, and may all of our efforts redound to His glory.

50. Report on Home Missions as given by Paul Weber adopted.

HOME MISSIONS

The Home Mission Board is confronted with the gravest problem of all its glorious history. We realize that while we must not fail in our responsibility to the ends of the earth, we dare not neglect our Home Mission obligation. While our gospel must go to the ends of the earth, it must begin at our Jerusalem and Judea; for if we do not evangelize the foreigners that come to our shores and the unevangelized within our borders, they will certainly paganize us and seriously hinder us in carrying out the Great Commission. We are commissioned to preach the gospel to every creature in all the world.

Too few of our people realize how great our Home Mission Board responsibility and how varied the channels through which it moves. When the Home Mission Board was organized 102 years ago, there were only 7,325,000 people in the South. Of these, 4,525,000 were white and 2,800,000 Negro slaves. Now there are 42,000,000 people in the South, 27,000,000 of whom are native whites, 5,000,000 foreign born, 200,000 Indians, and 10,000,000 Negroes. In 1845 there were only 225,000 white Baptists in the South, today over 6,000,000. A recent report of Dr. J. B. Lawrence states that there are 62,000,000 people in the territory of the Southern Baptist Convention, 30,000,000 of whom are unchurched.

This number is more than twice our armed forces at the peak of the war. This great group would fill ten states with the population of Mississippi, six states with the population of Georgia, eight states with the population of Alabama, eleven states with the population of Florida, three states with the population of Texas, or twenty states with the population of New Mexico.

"This great group here in the homeland without Christ, not reached by any of our churches, Catholic, Protestant, or Baptist, numbers more than the entire population of Mexico, one-half the population of Brazil, and four times the population of Chile."

In recent years the Home Mission Board has added seven new departments and is now operating in twenty fields of service, touching every group in our homeland and reaching into every field of need. During the past year the Board employed 920 missionaries and reported 27,474 conversions with over two million tracts and pamphlets distributed.

As we look upon the pressing needs all about us we realize that

only Jesus the Great Physician can heal the world's wounds. We must answer His call. If we do not respond to the cry of the many who know not God; then in sheer self-defense we must meet the unprecedented needs of our homeland.

We lift our hearts to God in gratitude for His mercies and blessings with the realization that "prospects for the future for Home Missions are as bright as the promises of God and the faith of His people."

70. Report of the Radio Committee by Dr. T. W. Croxton, Sedalia.

71. Address, "Radio Commission," Dr. S. F. Lowe.

REPORT OF RADIO COMMITTEE

Your Radio Committee was appointed a year ago in the annual session at Springfield, Missouri. The purpose of the Committee, as we understand, was to make investigation in the field of radio and bring to the General Association what we regarded as the best course to pursue in the matter of a radio program which would best serve the interests of the Missouri Baptist General Association.

It is with regret that the Committee does not have something more definite to report at this session of the General Association. We have been gathering information, but we have discovered that this was a task of such magnitude that the work of the committee turned out to be slower than at first we expected. We can, however, indicate the direction in which we have been pointing and ask for the cooperation of Missouri Baptists in working out what we believe to be the best way open to us.

Your Committee has discussed at different times two courses of procedure. One was to make use of the existing radio stations in the state by buying up time for the presentation of a Baptist program. The other was to make the attempt to get F. M. (Frequency Modulation) stations established in the larger centers of population and by this means seek to cover the state with the Baptist message. The latter of these two courses has been considered the most effective. Several of the stations in the territory of the Southern Baptist Convention now have a Baptist Radio program over the established radio stations and are financed by setting up a stated amount in their annual budgets. The expense of these programs amounts to quite a sum, running into several thousand dollars. The establishment of FM stations in key cities involves quite an undertaking but we believe that, in the long run, this would be more generally satisfactory.

Your committee has had several meetings and conferences looking in the direction of getting a radio program going. One of our first meetings was held in Miami, Oklahoma, some months ago when our committee met with Dr. S. F. Lowe of the Southern Baptist Radio Commission and representatives of two other states namely, Arkansas and Oklahoma. It was thought at that time that Missouri Baptists might work out a joint plan with Arkansas and Oklahoma Baptists. As a result of this conference it was generally felt that each state should have a separate program.

Later meetings were held for the purpose of considering a Baptist state program and the best means of achieving this end. One meeting was held in connection with the State Evangelistic Conference in Sedalia back in February, when Dr. Lowe was again present and many pastors and laymen came together in a group.

Still another meeting was held in connection with the State Baptist Brotherhood Conference at Rolla last spring. At that time Rev. Alton Reed of Texas, who has had a great deal of experience in radio work and is Chairman of the Radio Committee of the Texas Baptist Convention, was invited to be present and confer with our Committee and speak before the men of the Baptist Brotherhood of the state. The chairman of your Committee was not in a position

to be present at this meeting but other members of the Committee were present and Brother Reed rendered a fine service in giving information about the Texas plan and otherwise giving the benefit of his wide experience in the radio field.

Your Committee has not been able to get together recently but there has been no change in the feeling as to the best method of approach to the task. We feel that if Missouri Baptists can succeed in getting FM stations set up in as many as five or six centers of population, we can very effectively cover the state with a Baptist message and otherwise get our Baptist interests well presented to the state. We have in mind such centers as Kansas City, St. Louis, Springfield, Joplin, St. Joseph and Jefferson City. If Baptist groups in these centers could form corporations for the establishment and operation of radio stations, we feel that this would be the best solution of the problem. This is the way Texas Baptists have chosen under the leadership of Rev. Alton Reed. Several cities in Texas have adopted this plan and Baptist laymen in these cities have formed corporations for the operation of such stations. We feel that Missouri Baptists should point in this direction and that such key centers as we have mentioned above, should work along this line.

We understand that the Baptists in at least two cities in Missouri have considered this plan, but, as yet, no definite action has been taken. We hope that all the cities mentioned will soon give serious attention to this important matter, and that, in the near future, there will be concerted action.

Your Committee feels that two steps should be taken in achieving the ends desired. One is the selection of a man who will devote at least two or three months time in building sentiment and organizing groups of men for the establishment of FM Radio Stations in the larger centers of population. The second is to make some provision for the amount of money necessary to finance such a plan of promotion. Both of these matters will necessarily have to come before the Executive Board for their consideration. This will be presented to the Executive Board at the earliest possible date.

72. Report on Temperance and Social Service was given by George Hammon, Mexico.

TEMPERANCE AND SOCIAL SERVICE REPORT—1947

Your committee on temperance and social service presents this report with most earnest and thoughtful consideration. It is our sincere judgment that this is one of the most important reports of our state convention. Certainly no aspect of life presents to Baptists

and all other Christians a mightier challenge than the social evils and sins of our day and age. We know we cannot overcome these evils in our own strength, but only in the strength of the Lord. Also, as Baptists we know that only through a new birth in Christ can the real solution of social and civic problems be achieved. A Christian world cannot be built out of unredeemed, unregenerated mankind. However, as followers of Christ we are commanded to "abhor evil" in all forms and to strive against wickedness. The church of Christ should preach the gospel, live the gospel and work for a better world.

The Liquor Traffic

We discuss first the liquor traffic in this report for we believe it is the greatest organized evil of our nation and a generous contributing factor to a dozen sinful allies. The record clearly indicates that intemperance is making tremendous progress in our country. The consumption of beverage liquors has increased more than 100 per cent in the past ten years.

Drunkenness increased more than 100 per cent in the last ten years. There are 750,000 alcoholics in the United States with 70,000 in Washington, D. C. alone.

Convictions within the courts due to drink have increased almost 100 per cent in the last ten years.

Saloons, taverns and package stores greatly out-number all the churches and schools of our land.

Liquor monopolies and consolidations have gained such strength as seem to dictate government policies.

The Dry Forces of America

The dry forces of America reveal a brighter picture. Within the borders of the Southern Baptist Convention are 1,339 counties, 630 of which have gained a dry status on either wine, beer, or whiskey or all three. Oklahoma is alone wholly dry, while Missouri, South Carolina, Arizona and California are wholly wet. All other states have some form of local option.

The battle is going to the dry forces in these days. Each election sees more counties becoming dry. The liquor crowd is on the defensive and if Southern Baptists and Missouri Baptists get down to a real program to fight the evils of liquor we can win this battle on every front by the help of God.

In the light of the above facts, your committee makes the following recommendations:

1. That our Baptist people of the state vote for candidates in all primary and general elections who will pledge their vote and influence to the cause of liquor control and prohibition. Demand that your candidate declare his colors in regard to this matter.

2. That all our Baptist associations throughout the state organize,

work and pray for the abolition of alcoholic beverages. Let us win the first step this year by gaining "home rule" in the state of Missouri.

3. That all our ministers and churches repeatedly inform our people concerning the evils of the liquor traffic.

4. That this convention condemn the undemocratic action of our state legislature in not permitting the people of Missouri last year the opportunity to vote on "home rule."

5. That this convention call upon all of its members to strictly observe the principle of total abstinance and live loyally by their church covenants which prohibits the sale and use of beverage liquors. Let Missouri Baptists clean up their churches and we will make a long stride toward prohibition.

6. That this convention commend the United Drys of Missouri for their splendid efforts and relentless opposition to the liquor traffic and that we urge all Baptists to give their active support and cooperation to this and related organizations.

Race Relations

The Social Service Commission of the Southern Baptist Convention presented statements which were unanimously adopted by the Convention, and the Committee on Race Relations presented a report which was adopted by the Convention, and your committee feels that the position of Missouri Baptists could not be stated in a better way than it is stated in the words of these two reports:

"These doctrines which must commend themselves to every conscience impel us to the observance of the following principles of conduct:

"1. We shall think of the Negro as a person and treat him accordingly.

"2. We shall continually strive as individuals to conquer all prejudice and eliminate from our speech terms of contempt and from our conduct actions of ill will.

"3. We shall teach our children that prejudice is unchristian and that good will and helpful deeds are the duty of every Christian toward all men of all races.

"4. We shall protest against injustice and indignities against Negroes, as we do in the case of people of our own race, whenever and wherever we meet them.

"5. We want the Negro to enjoy the rights granted to him under the Constitution of the United States, including the right to vote, to serve on juries, to receive justice in the courts, to be free from mob violence, to secure a just share of the benefits of educational and other funds, and to receive equal service for equal payment on public carriers and conveniences.

"6. We shall be just in our dealings with the Negro as an individual. Whenever he is in our employee we shall pay him an adequate wage and provide for him healthful working conditions.

"7. We shall strive to promote community good will between the races in every way possible.

"3. We shall actively cooperate with the Negro Baptists in the building up of their churches, the education of their ministers and the promotion of their missions and evangelistic programs."

No doubt some will be conscious of limitations in these proposals, but they are realistic, practical, and constitute a definite basis of conduct that must appeal to all as being an advance in the direction of basic human justice. As they are achieved, they will bear fruit in general improvement of racial attitudes and therefore of racial adjustments at all points of racial contact.

World Hunger

This committee feels it must say a few words about the exceedingly important subject of world hunger. Surely this constitutes one of the greatest needs of our hour, yet the American public has not been thoroughly informed concerning this matter. In a measure, your committee feels that our government is with-holding from the public many facts that should be ours. If nations of the world are starving, then as Christians we must say—let us feed them.

We recommend that Missouri Baptists give their full support to our government program of conservation of food and to our Southern Baptist relief program.

The Christian Home

A report on social service would not be complete without a few words on the Christian home. It is old news that the American home is slowly disintegrating because of immorality and divorce. The divorce courts of our nation seem to be about the only thing that can set new production records each month. It is our conviction that it is the Christian home that will save the American home, a Christian home with its foundation founded in the salvation of Jesus Christ and built with ideals and principles of His gospel. A home that reveres the name of God, looks to God in prayer, reads God's word and remembers that Sunday is the Lord's day and not just a part of the week-end.

Your committee wishes to commend the following for their splendid and helpful influence to the building of a Christian home.

1. The Sunday School Board for the new magazine, "Home Life."

2. The various magazines and papers of the secular press that have given space and talent to this problem and the many excellent books on marriage and the home.

3. The many pastors that have preached sermons and given lectures on marriage and the Christian home.

In turn your committee wishes to condemn the following:

1. The movies which are often a source of misguided information on marriage and the home, particularly making "romantic love" the ultimate in marriage.

2. The radio which has filled the American wife and home full

of romantic sob stories which are as rotten as the cheapest romantic literature of the news stands.

3. The divorce laws of our land. Generally speaking, in our country it is too easy to get a divorce. Some states, such as Nevada, have made divorce a lucrative business.

We make the following recommendations concerning the Christian home:

1. That Baptists reaffirm their allegiance to the teachings of God's words concerning marriage and the home and that we recognize by these teachings there is only one true reason for divorce, that is, adultery.

2. We suggest that our Sunday School Board through the Sunday School and Training Union approach this subject regularly so our Young People will have intelligent and applicable guidance concerning marriage and the home.

3. That our churches provide through their church libraries some of the excellent books recently prepared on this subject.

4. That our pastors try their best to counsel with young married people before and after marriage. Seeing the pastor before the lawyer has saved many marriages.

5. We likewise suggest our Baptist young people be cautious in the selection of a life's companion and to not be unequally yoked together with an unbeliever, even as God's word commands. Statistics readily reveal the divorce is greatest among: first, non-believers; second, half Christian homes; third, homes of inactive church members; fourth, occasionally but rarely, the active church attending Christian home.

Conclusion:

In conclusion, we recognize there are many other important subjects we could discuss and on which we could make recommendations. Surely the huge consumption of tobacco in the United States is alarming. Gambling is an ever threatening evil and industrial relations are a constant source of trouble. The question of world peace is yet to be solved. We reiterate that none of the above recommendations can be accomplished in our own strength, nor do we believe, if accomplished, they will bring in the Kingdom of God. We urge Missouri Baptists and Baptists everywhere "to preach the Word" in season and out of season to the salvation of men's souls.

SOUTHEAST MISSOURI BAPTIST FOUNDATION

Report of the Year Ending Sept. 30, 1947

The Southeast Missouri Baptist Foundation began its work in September 1939 with 30 pupils enrolled for Bible study. During these eight years we have been serving the students of Southeast Missouri State college and the Baptists of this section of the state. We are the only educational institution offering Bible study on a college level in all Southeast Missouri. Our service area includes 19 associations in 21 counties.

During the school year ending in August, 1947, our dean and teacher, Dr. Aubuchon, taught 317 students who enrolled for class work, 15 others audited courses, and 12 did correspondence study. This makes a total of 344 young men and women who studied the Bible and related subjects. Students in summer school came from 16 counties and represented 12 denominations.

The Foundation offers 30 hours in Bible study and related subjects. The work is fully accredited. A student may apply 10 hours of credits earned at the Foundation on a degree from State College. Credits transferred are given full value.

For the year ending September 30, 1947, the total expense for operating the Foundation was $10,946.58. A cost of $31.82 per student for Baptist to train 344 students. We receive $200.00 per month from our State mission board. The rest of the expense of operating the Foundation is born by churches and individuals of Southeast Missouri. Some of the churches put the Foundation in their budget. Others take special offerings periodically.

The students of the Foundation and the college maintain a noonday prayer meeting each day. The B.S.U. is a vital force on the campus. The Y.W.A. carries on a full program each year. All these organizations conduct their meetings at the Foundation building. Six young men students last year were Baptist preachers. Some of them were pastors of churches in the vicinity of Cape Girardeau.

The Foundation now has three employees. Dr. S. D. Aubuchon is the dean and teacher. Rev. Wade Cochran is the office secretary. Rev. Homer H. Bridges is the field representative. The Foundation

is free of debt, owns property valued at more than $14,000.00, and has a building fund of $13,178.07.

The Foundation is now operated by a board of control made up of pastors and representatives of the churches of Southeast Missouri through a board of trustees appointed by the board of control.

78. Report of Committee on Religious Literature and Publications adopted, Owen Sherril, Kennett.

REPORT OF COMMITTEE ON RELIGIOUS LITERATURE AND PUBLICATIONS

When Martin Luther threw his inkstand at the Devil, he acted more wisely than he knew. It is just what the Church must be doing all the time—throwing the inkstand at the Devil—the inkstand is symbolic of the printed page. The devil has with clear discernment of things turned the table and is vigorously throwing the inkstand at the church. We pass the newsstands and have the urge to follow the Ancient Ephesians in gathering the books of "Curious arts" and burn them. Much degrading literature has found its way into our Christian homes. We are no longer amazed to find literature in our Baptist homes which is peddled by those sects which distort the truth of God's Word. We find ourselves ready to rise with a pointed finger and a "Thou shalt not" read such literature. Thanks be to God that we can answer with a positive weapon—with our own good literature and publications.

We are indebted to our state and southwide publication agencies for their contribution of wholesome literature with which we might combat the poor literature which comes into the hands of our people. We commend our own state paper "The Word and Way" to our people. We appreciate the fine work of Editor Myers during the past year and congratulate the Executive Board on the selection of his successor Dr. H. H. McGinty. We are grateful for the fine literature coming from our Sunday School Board: "The Builder," "The Training Union Magazine," the "Baptist Student," the "Quarterly Review," the "Open Window," and now our new magazine "Home Life." Perhaps no greater innovation has been made during the past year than this magazine which is to fill an ever-increasing need in our program of combating undesirable literature in our homes. We are indebted to our Home Mission Board for "Home Missions" and our Foreign Mission Board for "The Commission." The Woman's Missionary Union provides us with "Royal Service," "The Window," "Ambassador Life," and "World Comrades." The Baptist Brotherhood publishes the "Brotherhood Journal." These available publications are of high quality and we may be certain will keep step with the ever-changing needs of our denomination.

Granted that we have now available for our people an abundance of good literature our next consideration is its distribution. We heartily endorse the "Budget Plan" whereby every church family will be placed on the mailing list of "The Word and Way," "The Commission," "Home Missions" and "Home Life." We urge the churches to seek the guidance of our Baptist Book stores and our church library worker, Miss Mildred Baker, in establishing and maintaining church libraries.

Even with literature available and distributed among our people we must yet encourage its use and digestion. Let us urge through the pulpit and the various organizations of our church the reading of our literature. Let us continue to put special emphasis upon the reading of God's Word. We must never let our people forget that the Bible is the guide book of life. Other literature must only supplement our basic book—the Bible. Let us encourage regular Bible reading by all our people. Let us warn our people of the dangers of mediocre and questionable literature, and give them a good safeguard by reading only literature published by or recommended by our denomination. As someone has said "civilization never rises above its literature," let us endeavor to lift our denominational life to the heights of our fine literature.

REPORT OF THE EXECUTIVE BOARD OF THE MISSOURI BAPTIST GENERAL ASSOCIATION

T. W. MEDEARIS, General Superintendent

Another year of Missouri Baptist history comes to a close with the 113th annual meeting of the Missouri Baptist General Association. We are profoundly grateful to God for His blessings upon us as a great denomination. With humility and joy we present this annual report, realizing that it is made possible only by the full and diligent cooperation of all our workers and of the pastors and people throughout the state, together with the leaders of our institutions.

Politically the year past has been full of uncertainty. The bitter years of fighting in World War II have given way to disappointing years of international suspicion and wrangling which bring us to the present with peace not yet negotiated, and with mounting fears of another cataclysm more terrible than any previous wars. Discouragement, hunger, cold, and sin hold millions in their cruel clutches in many nations around the earth. Communism and Romanism marshall their forces for political power and prestige on a hundred fronts by subtle intrigue little understood by most of us. Currency inflation which has wrought unbelievable havoc elsewhere becomes more threatening every day in our own country.

In the face of all these disquieting conditions we rejoice to see our work advancing throughout the entire state. Baptisms number 14,097 as against 12,406 last year; all departments of our work—Sunday School, Training Union, Student Union, Woman's Missionary Union, Brotherhood, whose reports are found elsewhere show marked advances; Cooperative Program receipts total $599,359.56, a gain of $80,878.54 over the same period last year. We have every reason to believe that by the end of the calendar year we will have passed the goal of $650,000. Multitudes of our churches are supporting heartily the Special $150,000 Building Fund Campaign and, with the full cooperation of all, we can yet bring this campaign to victory before the close of 1947. The tithing effort to reach 100,000 people in Missouri is taking like wildfire and we hope will result in a great host of permanent tithers. The colleges and benevolent institutions are functioning smoothly and well.

Change of Editors

We announce with regret the resignation of Editor L. A. Myers of the Word and Way, to become editor of the Baptist New Mexican. He left last Wednesday for his new home at Albuquerque, so as to attend the New Mexico State Convention now in session at Roswell. His work among us was highly satisfactory and our love and prayers follow him to his new field.

After a thorough canvass of possibilities your Board unanimously elected, upon the recommendation of the Word and Way Advisory Committee and of the Executive Committee, Dr. H. H. McGinty of Cape Girardeau as Editor to assume his duties as such on November 1, 1947. He has accepted, and is rapidly familiarizing himself with the editorial responsibilities. Dr. McGinty has been pastor of the First Baptist Church of Cape Girardeau for thirteen years and has done a monumental work. He holds the Ph. D. degree from Southern Seminary. He has held many posts of denominational responsibility, the last being that of Moderator of

the General Association. He comes in rich maturity and ripe scholarship and unquestioned orthodoxy to make his greatest contribution to the cause of Christ as Editor of our state paper. We bespeak for him the prayers and cooperation of all our folk.

Other Changes in Personnel

Several changes have occurred in the various offices. Miss Helen Heagerty resigned as Young People's Secretary in the W. M. U. Department and Miss Elizabeth Casebolt served for some months, resigning recently to go to Tower Grove Church for a special type of service. Mrs. Anna Lahey, Dorothylou Medearis, Betty Kyle Hamby, and Mrs. Paul Branstetter have gone from us.

During the year Denzil Albin has come to the Training Union Department as special field worker, and Fred Pulliam to the Sunday School Department to give his time to field promotion.

Our complete personnel:

General Superintendent—T. W. Medearis, Mrs. E. W. Hudson.

Word and Way—Editor H. H. McGinty, C. L. Bishop, Business Manager, Mrs. Eunice Simons, Mrs. Kathleen Brown.

W. M. U.—Mrs. C. M. Truex, Miss Eva Berry, Mrs. J. R. Simms, Miss Ethel McIndoo.

Sunday School—L. A. Foster, Fred Pulliam, Miss Geane A. Roop, Mrs. Helen Vaughn.

Training Union—Cecil P. Logan, Denzil Albin, Miss Dorothy Blankenship.

Student Union—Miss Estelle Slater, Interim Secretary.

Brotherhood—R. J. West, Mrs. Ruth Hinton.

Bookkeeping Department—Chas. R. Smith, Mrs. W. F. Logan, Miss Edythe Persel.

Senator W. C. Goodson

We were all shocked by the sudden death of Honorable W. C. Goodson of Macon on September 26. Brother Goodson was for ten years Moderator of the Missouri Baptist General Association, and held many positions of trust and responsibility among us. He was a member for several years of the Executive Committee of the Southern Baptist Convention. Missouri Baptists express their sympathy to the family, and consider themselves also bereaved in his going.

Ministers Retirement and Widows Supplemental Annuity Plan

757 of our Missouri preachers are in the Ministers Retirement Plan. All of them ought to be. 902 churches are cooperating. All of our churches ought to cooperate. Missouri stands third among the states of the South in number of participating pastors and fourth in number of participating churches in the Ministers Retirement Plan. This is a wonderful record.

199 of our preachers are also providing security for their wives and children by holding membership in the Widows Supplemental Annuity Plan. All married preachers should be in this program. The first widow to claim the benefits thus provided is Mrs. A. L. Browning whose husband died so unexpectedly on September 25, 1947, at the age of forty-four.

Let us remember that the Ministers Retirement Plan makes no provision for the wife if the husband dies before sixty-five (except to return to her what he paid into the Plan, with interest) nor after

he reaches sixty-five, unless he is willing to take a reduced annuity, and so indicates in his retirement papers. However, if he carries also the Widows Supplemental Annuity Plan, she will draw her "pension" as long as she lives regardless of the time of his death before 65. The widow's plan is not in force after his retirement.

Missouri Baptist Assembly—Hollister Hill

The second year's operation of "The Missouri Baptist Assembly" at Hollister Hill saw marked increases in every way. Eight weeks of special leadership training in the various groups and phases of our Baptist life were full of helpfulness. The Missouri Baptist Pastors and Brotherhood Retreat was largely attended and greatly enjoyed. Larger plans are being laid for the summer of 1948.

Many improvements were made to the buildings and grounds, and others are contemplated before the next season opens.

We recommend that the action of our Board in July, 1946, which was ratified by your vote a year ago, stand for another year, namely: "That we proffer title to this entire property, debt-free, with all its equipment, to the proper board of trustees, whether of the Executive Committee of the Southern Baptist Convention or to the Sunday School Board of the Southern Baptist Convention for a Western Assembly with the stipulation that it be used for the purposes indicated; and that if it be not so used it revert to our Missouri Board."

Sectional Assemblies

The three great sectional assemblies—Baptist Hill, Mt. Vernon; South Missouri, Van Buren; and North Missouri, Chillicothe—did excellent work this year. Our state forces contributed talent from the various departments for the programs, assisted in the advertising, and otherwise did what they could for the success of these most worth-while gatherings. In addition to these things a small amount of money is proposed in the new budget for each of them as an expression of interest on the part of the state at large in these assemblies.

The Baptist World Alliance

The Baptist World Alliance met in Copenhagen, Denmark, in July with some 5,000 messengers from all over the earth. It was a meeting which meant much to the struggling Baptist minorities in the Scandanavian countries and elsewhere in Europe and other portions of the earth where persecution of Baptists still persists.

Your General Superintendent wishes to express his appreciation of your generosity in sending him to this great Baptist gathering. The trip was full of inspiration to him and we hope will prove helpful in the prosecution of our great program in the days ahead. By authority of your Board he extended an invitation for the next meeting of the Alliance to be held in Kansas City. Missouri was honored in the election of one of its great pastors, Dr. C. O. Johnson, as President of the Alliance.

Missouri Baptist Historical Society

Annually we have called attention to the importance of the work of the Missouri Baptist Historical Society. Missouri Baptists are making history—they ought carefully to preserve the records of their activities and progress. Outstanding events in state, association, church ought to be publicized, and such publicity matter should be sent to the Historical Society to be kept. Anniversaries,

great honors bestowed on individuals among us, the passing of outstanding leaders, etc., all ought to be carefully recorded and preserved. For the preservation of our history and the eventual writing of books from this source material the Historical Society exists. We recommend that $250 be set aside for the work of the Society, and that our people send historical materials to it for preservation. See the Society's report elsewhere.

Pastoral Assistance

During the year we have assisted twenty-five weak and new churches in supporting their pastors. We rejoice to see these churches going "on their own" as they do from time to time and thus releasing funds to help others still more needy.

Church Building

We have allocated funds to help our smaller churches in much-needed building programs during the year. Twenty-four churches made application for a total of $34,550. Since the budget for this purpose was estimated to be $14,500, total allocations of $13,500 were made. Your Board wishes that it were possible to grant all the requests of this sort which come in, but, of course, it cannot go beyond the amount of money provided by the churches of Missouri for this purpose.

Negro Work

We have assisted in the work of Western Seminary for our colored brethren during the past year to the extent of $75 per month for the school year on the salary of the Bible Instructor, and six One Hundred Dollar scholarships for five select ministerial students and one young woman. We have also paid $75 per month on the salary of Dr. W. A. Scott, Superintendent of their Mission Work, who has done a highly commendable and constructive general work throughout the state. We recommend that this aid be continued for the new year and that February 8, 1948, be set aside for an offering by our churches for this worthy cause.

State Tuberculosis Sanatorium

We have maintained throughout the year a religious worker, Mrs. Lula White, at the State Tuberculosis Sanatorium at Mt. Vernon. She teaches twelve Sunday school classes, on week days, distributes religious tracts, and does personal work among the patients. Her work has been blessed with some conversions and many expressions of gratitude on the part of these patients. We believe that it should be continued.

$150,000 Campaign

The campaign for $150,000, to be divided equally among six interests in Missouri—the Hospital, the Children's Home, the Home for Aged, Southwest College, Hannibal-LaGrange College, and State Headquarters Building—has gone forward throughout the year under the direction of a committee consisting of the heads of the participating interests. Dr. A. S. Cutts was chosen to lead in the campaign, and has worked tirelessly and wisely among the churches and associations. His report is found elsewhere in the book of reports.

We cannot urge too strongly the full cooperation of every association and church and pastor in the state in bringing this

campaign to a successful conclusion before this calendar year ends. November 23 is the high day for pledges and offerings in the churches that have not already reached their goals.

Missouri Baptist Foundation

The Missouri Baptist Foundation secured its charter of incorporation on August 15, 1946. Throughout this year it has functioned efficiently. Its report, and the audit of its books, will be found elsewhere in the book of reports, and this document should be studied carefully by all our people.

Let us remember that the Missouri Baptist Foundation, 1023 Grand Avenue, Kansas City 6, Missouri, exists for the purpose of gathering funds for the endowment and support of all our Missouri Baptist institutions and interests; and of investing these funds safely and holding them perpetually under the control of the Missouri Baptist General Association, using only their earnings for the causes designated by the donors or as indicated by the General Association.

We would urge our Baptist people to make out their wills, and to set up annuity trusts, and to make direct donations through the Foundation, but designating the earnings to whatever interest they desire.

All communications should be directed to T. W. Medearis, Acting Executive Secretary, 1023 Grand Avenue, Kansas City 6, Missouri.

Relief and Rehabilitation

We wish to call particular attention of our churches everywhere to the fact that the Baptist World Alliance and our Southern Baptist Convention have set up agencies through which we can make our relief contributions of shoes, clothing, commodities, etc., through Baptist channels to our brethren and those who fall within the circle of their influence in the suffering nations of the world. Send such commodities by express or freight prepaid to the SOUTHERN BAPTIST RELIEF CENTER, 740 Esplanade Avenue, New Orleans 16, Louisiana. Send money to 1023 Grand Ave., Kansas City 6, designated "World Relief."

American Bible Society

We suggest that our churches put the American Bible Society into their budgets as they may deem advisable. This Society is not a Baptist organization but has done a great work in printing and distributing the Bible, without comment, around the world.

The Book Stores

We wish to express again our appreciation of the close cooperation of Mrs. Lorell Burns and her helpers at the Missouri Baptist Book Store, 1023 Grand Avenue, Kansas City, in all the work of Missouri Baptists. Let our people remember that this Store is on the second floor at the above address. They can well afford to take the elevator to see one of the prettiest Book Stores in the Southern Baptist Convention. Also in and for St. Louis the Sunday School Board maintains another excellent Store now presided over by Miss Jo Gwin and her helpers. It is hoped that our people in our largest city will make large use of its facilities.

Change of Headquarters Location

Attention is called to the fact that your Board recommended to this body last year as follows: "We recommend . . . that the report of the committee on location of Baptist Headquarters be adopted." The report referred to was that the Headquarters be moved to Jefferson City. The action of the Board stands, but the General Association deferred the vote on the matter for one year. This question should by all means be settled at this meeting, and we trust that every one of us will look upon this proposal as unselfishly as is humanly possible, and totally without sectional bias. Whatever will make for the most effective service to all our Baptist causes by the state organization should be the determining consideration in the thinking of all.

We must move our offices, whether in Kansas City, or out of Kansas City, because we cannot take care of our work much longer in the present crowded quarters. Additional space is imperatively needed.

If this body votes to remove to Jefferson City, then we recommend that current conditions be taken into consideration, and the time for the removal be left to the discretion of the Executive Board. It would probably take something like two years to complete a major move of this type as conditions are now without too much loss and strain upon our personnel. Of course, it would be understood that the move would be made as soon as conditions warrant, and might be made within a matter of months.

Special Campaign 1948

You will note in the report of the Cooperative Program Allocations Committee the proposal of a campaign for $100,000 in 1948 "for Student work in Columbia." We now have an option on a site very strategically situated adjacent to the State University, 154 feet on University Avenue by approximately 127 feet on Hitt Street, with a large frame home on it which is in good repair. The price of this property is $30,000. It is proposed to use the present property as a Student Center until funds are in hand to construct a new building which will not only care for B. S. U. activities, but will also provide adequately for a Chair of Bible so that our Baptist young people and others who desire may have access to biblical instruction under Baptist auspices. We recommend that your Board be authorized to purchase the property under option immediately and that it be paid for with money now on hand, which money is to be restored to the Board by the first funds that come in through the special campaign. We recommend further that the State Board be authorized to make necessary alterations in the present building for student needs and that this building be used until such time as funds are in hand or in sight for the construction of a new building.

Evangelism

Evangelism is basic in the life of our denomination. We must *win* souls before we teach, enlist, train them. During the year we have had three State Evangelists—Brethren M. M. Barnett, Ralph E. Maness, and R. W. Leazer—steadily working in this field. They have held meetings in churches large and small in every portion

of the state, and the Lord has blessed their labors with many professions of conversion, baptisms, and additions to the churches. I am sorry that we do not have the actual statistics at hand. It is hoped that we may very soon secure a strong evangelist to head up a new "Department of Evangelism," and that great emphasis may be laid on simultaneous associational revivals during the new year. Of course, every pastor, associational missionary, and evangelist among us should continue his perennial efforts along this line.

Pioneer and Rural Missions

We have four settled Pioneer Missionaries serving in large and needy areas in South Missouri—Newton Vance, Hollister; Henry Butts, Cherryville; Clarence Dowell, Bunker; and Chas. D. Manes, Potosi.

Pioneer Promotional Evangelist George Walker is constantly holding meetings in these territories to win the lost and help organize new churches where needed.

Rural Field Man Bruce Maples helps to direct this work and otherwise is busy in building our rural churches in all South Missouri.

Our pioneer work needs to be expanded to other places in South Missouri and to North Missouri.

The Home Mission Board has continued its cooperation with us in connection with our Rural Field Man in South Missouri, our Pioneer Promotional Evangelist, and the City Missionaries in Springfield and St. Joseph. We appreciate heartily this cooperation.

District and Divisional Missions

We have forty-nine District and Divisional Missionaries in Missouri and are assisting with the salaries of twenty-five of them. These men are busy in every phase of our Baptist life, and are performing a vastly important ministry. The tendency to break up divisions and groups into associational units is making greater demands than ever on state funds. Your Board is anxious to help in all quarters to the extent justified by the budget.

Recommendation for Fellowship Withdrawal

We recommend that fellowship be withdrawn from Cedar County Association, as such, on the ground that it has declared itself out of sympathy with the program and plans of the Missouri Baptist General Association and of the Southern Baptist Convention. It is specifically provided that any church in this association desiring to cooperate in the program of Missouri Baptists will be heartily welcomed to our fellowship, according to Article IV, Sec. 1, of the Constitution.

The Word and Way

Subscriptions to the Word and Way stand now at 29,074. This is nearly exactly one paper to every eleven members of our Missouri Baptist churches. Certainly we ought to double the subscription list during the next year. With the complete cooperation of all our pastors and churches this can easily be done. The best way to do it is for our churches to include the Word and Way in their budgets, sending it to every family represented in the church and dividing

the total amount involved by twelve, and making the payments monthly when the other bills of the church are paid.

The low rate of $1.20 per subscription through church budgets is less than the cost of producing the paper. Out of State Mission funds, therefore, we put $10,000 last year for the support of the paper. We are recommending $9,500 for this purpose for the new year. Let us remember that this is a real investment of the Lord's money in missionary activity and not merely a contribution to a denominational organ. Under the new Editor, Dr. H. H. McGinty, we are to have a Business Manager, Brother C. L. Bishop, who has had large experience in newspaper work and who will help us to effect various economies which we believe will help greatly in reducing the cost of getting the paper out.

We urge the full cooperation of every pastor and church in Missouri in using to the maximum our statewide medium of communication, the Word and Way.

Baptist Colleges

We repeat what was said in our report one year ago with reference to our Baptist colleges, hoping that these words will be read and pondered carefully by all our people.

"Every Baptist college in Missouri is crowded to the doors, and their facilities are strained to the utmost to care for the young men and women in attendance. Never have these institutions had so great an opportunity to make a very definite religious contribution to the life of a new and changed world as today. Baptist beliefs and ideals are as well suited to these new conditions as to any others, and we are depending on all trustees, administrators and faculty members to be true and zealous both with reference to the denomination, and the lives of these young folk.

One college generation—a period of four years, or less—will bring us again to the question of students, and of operational funds. We shall do well if in this "breathing spell" we formulate plans that will enable us to reach the last boy and girl in Missouri with the appeal of the Christian college, and to have facilities that will enable us to care for them when they do come.

Let us as Missouri Baptists never lose sight of the measure in which our colleges mold the life of the denomination. As our preachers and leaders go, so will go our churches."

Affiliating Institutions

The reports of the colleges and of the benevolent institutions will be found elsewhere in this Book of Reports and should be carefully studied by all our folk. Also sharing in the Cooperative Program funds of Missouri Baptists to the extent of $200 a month is Southeast Missouri Baptist Foundation at Cape Girardeau. This is the Chair of Bible where Dr. S. D. Aubuchon has made so fine a contribution to the young life of Southeast Missouri State College and that entire corner of Missouri.

Cooperative Program

Support of all our work in Missouri and throughout the South and to the ends of the earth continues to be gathered

chiefly through the Cooperative Program. More of our Churches are giving more money each year by this method than ever before. The laying by in store on every first day of the week of tithes and offerings by all our churches for all the work of all the institutions supported by Missouri Baptists is a plan that is scriptural and practicable. It not only provides a steady-flowing support to all the interests dear to our hearts, but also fixes definitely our stewardship habits and contributes toward the development of the highest Christian character.

We urge that our pastors and churches all familiarize themselves fully with the entire Cooperative Program plan in Missouri and throughout the South and that they give it their constant, earnest, and cordial support. These pertinent facts with reference to the Cooperative Program, southwide, will be of interest to all our people.

Some Pertinent Facts

S.B.C. Co-operative Program receipts Jan. 1 to Oct. 1, 1947..$3,786,422
S.B.C. Co-operative Program receipts Jan. 1. to Oct. 1, 1946..$3,410,126
Total receipts of S.B.C. Executive Commitee Jan. 1 to Oct. 1, 1947.....$5,715,114
Total Receipts S.B.C. Executive Committee Jan. 1 to Oct. 1, 1946 (including relief $2,307,179).....$7,485,569

The above figures indicate that the Southern Baptist Convention has received undesignated Co-operative Program contributions of $376,295.91 more than during the corresponding period last year. In addition, the Southern Baptist Convention Executive Committee has distributed to the worldwide causes of Southern Baptists $536,724.05 more than during the corresponding period of last year. This latter figure does not take into account more than two million dollars received in the special relief and rehabilitation offering in 1946.

These figures indicate that Southern Baptists are doing more through the regular channels of their giving than they did last year. However, they are doing less in terms of their total effort than during 1946.

Through depression and prosperity the Co-operative Program has demonstrated that it is the most effective means by which Southern Baptists may support all of their work. The Co-operative Program has grown in favor as is indicated by the fact that the undesignated Co-operative Program receipts, this year are the largest in Southern Baptist history.

The Southern Baptist Convention is falling short of its 1947 goal of $10,000,000. The same figure, however, has been adopted as the over-all goal for worldwide agencies in 1948. It is anticipated that the enlistment of one million Southern Baptist tithers for Christ will enable us to reach this goal in 1948.

The $10,000,000 goal for 1948 is to care for both the current (operating) and capital (buildings, equipment, endowment, etc.) needs of our worldwide boards and institutions. When this goal of the Southern Baptist Convention is reached, the tremendous needs of the various state agencies will be included in the proportion determined by the state conventions (general associations).

Every agency and individual is urged to continue the effort to maintain a million Southern Baptist tithers during 1948.

Every church is called upon to challenge its tithing members with a budget for 1948 which makes adequate provision not only for the local church program but for the missionary, educational, and benevolent ministries by which Baptists reach to the ends of the earth.

It is urged that every effort be made to increase the contributions in the churches and that the portion of the church budget to the Co-operative Program be enlarged. It is recommended that small churches contribute at least 25 per cent of their total gifts to the Co-operative Program; large churches give 50 per cent; and some exceptional churches give even more.

It is recommended that every church put on the Every-Member Canvass with an emphasis upon a pledge to tithe during 1948.

GOAL: $10,000,000 *for Worldwide Causes and*
1,000,000 *Southern Baptist Tithers for Christ.*

Provisional Report of Committee on Cooperative Program Allocations for 1948

The Committee on Cooperative Program Allocations for 1948, consisting of A. S. Day, Lloyd W. Collins, Mrs. Kenneth Glover, Mrs. T. W. McKee, James F. Heaton, J. E. Rains, and W. O. Stanley, makes the following report:

1. That the 1948 goal for the Cooperative Program be $725,000.

2. That the sum of $71,500 be set aside from the undesignated funds for the following purposes—

Administrative and General Promotion	$37,000
Ministers Retirement Plan	25,000
Word and Way	9,500

3. That the remaining $653,500 be distributable as follows: $326,750 (50%) to causes within the state and $326,750 (50%) to Southwide causes and that the Southwide funds be divided according to the plan of the Southern Baptist Convention.

4. That the $326,750 to be used within the state be distributed as follows:

State Missions	33%	$107,827.50
Ministerial & Missionary Education	3%	9,802.50
Missouri Baptist Foundation	2%	6,535.00
Church Building Fund	4%	13,070.00
Home for Aged Baptists	9%	29,407.50
Missouri Baptist Children's Home	9%	29,407.50
Missouri Baptist Hospital	7%	22,872.50
Hannibal-LaGrange College	10%	32,675.00
Southwest Baptist College	10%	32,675.00
William Jewell College	13%	42,477.50

5. That the Executive Board be instructed by the General Association to adopt a State Missions budget for 1948 which will

be flexible enough to allow whatever adjustments are necessary to prevent incurring debts on this work during the year. We further suggest the same procedure to the boards of all institutions.

6. We recommend also that the Missouri Baptist General Association promote a campaign for student work in Columbia during 1948, and that the goal be $100,000.

The Auditor's Report follows which covers the financial dealings of all our work and institutions. It will be of interest to all and should be studied carefully.

To the Executive Board,

Gentlemen:

We have examined the books and records of the State Missions Fund, Headquarters Building Fund, and Word and Way Fund of the Missouri Baptist General Association for the year ended September 30, 1947, and submit our comments together with the following statements:

Balance Sheet as of September 30, 1947.....Exhibit A

United States Government Bonds — Headquarters Building Fund as of September 30, 1947.....Schedule 4
Accounts Receivable—Word and Way as of September 30, 1947.....Schedule 5
Accounts Payable—Word and Way as of September 30, 1947.....Schedule 6

In the course of our examination we made extensive tests of transmittal letters in support of recorded receipts. All recorded receipts were traced to deposits in the bank and all cancelled checks paid by the bank were inspected. We also examined invoices in support of expenses to the extent we deemed necessary.

Cash in bank was reconciled with certificates received direct from the depositories and that on hand was verified by count.

The detail of accounts receivable for the State Missions Fund is shown on Schedule 2.

The United States government bonds shown as follows and listed in detail on Schedules 3 and 4 are stated at cost and were inspected at the Association's safety deposit box at the Commerce Trust Company.

State Missions Fund	$63,064.12
Headquarters Building Fund	55,000.00

There were no changes in the bonds held during the year and all interest received thereon had been accounted for.

Furniture and Fixtures of the State Missions Fund are stated on Exhibit A at cost less depreciation. During the year additional items amounting to $2,821.08 were purchased and depreciation of $625.08 was charged to expense. The balance of $1,400.00, shown in Exhibit A as Automobile—less depreciation, represents a trade-in value of $900.00 for the Hudson car and a $500.00 deposit on a new Pontiac. The purchase of the Pontiac was not completed until October, 1947, when the final payment was made. Depreciation of $413.25 on the Hudson was charged to expense.

Additions to the Hollister Hill Assembly property during the year consisted of the purchase of 33 lots for $244.00 at a delinquent tax sale. This purchase was approved by action of the Executive Board.

The operations of the Hollister Hill Assembly, as recorded on the Association's accounts at Kansas City, are reflected on Schedule 1 under appropriations. We were informed by Dr. Medearis that a bank account is maintained in the Security Bank of Branson where collections at the Hollister Hill Assembly are deposited and on which checks for supplies for Hollister Hill activities are drawn. We were further informed that the bank statements and records on this account were not available as of the date of our examination, but that an audit of the Hollister Hill account is to be made as soon as the records and accounts in question have been brought together. No charge for depreciation was made on the Hollister Hill property because of the extensive repairs made during the year. The Branson Bank account is not reflected in the Exhibits with this report.

A statement of the operations of the Word and Way is shown on Exhibit F. It will be observed that there was an operating loss of $10,322.41 for the year under review, which was reduced by the $10,000.00 appropriation from the State Missions Fund, resulting in a net loss of $322.41. A separate bank account is used for Word and Way funds. The accounts receivable and accounts payable for the Word and Way are listed on Schedules 5 and 6.

The Headquarters Building Fund equity increased as follows during the year:

Balance September 30, 1946	$56,317.59
Appropriations from State Missions Fund	10,000.00
Interest on United States Bonds	1,300.00
Designated cash receipts	87.19
Balance September 30, 1947	$67,704.78

This equity represents United States government bonds for $55,000.00 and the balance of $12,704.78 included in the bank account of the Missouri Baptist General Association.

The transactions of the several funds during the year are presented in Exhibits B, C, D, E, and F.

Appearing on Exhibit D is a balance at September 30, 1947, in special campaign for Permanent Building Fund of $31,228.45. We were informed that this represents the collections for the special campaign and that on completion of the campaign the Headquarters Building Fund is to receive one-sixth of the collections, with the balance going to the other five state institutions included in the campaign.

Insurance coverage as provided by insurance policies which we examined was as follows:

Fidelity Bond—blanket policy on officers and employees	$ 25,000.00
Public liability by auto	10/20,000.00
Property damage by auto	5,000.00
Fire and E.C. on contents of office	4,500.00
Fire and E.C. on Hollister Hill property—buildings	16,000.00
Fire and E. C. on Hollister Hill property—contents	2,200.00
Outside and inside burglary	250.00

Respectfully submitted,

For the Year Ended September 30, 1947

HANSEN, BRODIE & COMPANY

DWIGHT BUILDING
KANSAS CITY, MO.

To the Board of Trustees,
Missouri Baptist Foundation,
Kansas City, Missouri.

Gentlemen:

We have examined the records of the Missouri Baptist Foundation for the year ended September 30, 1947, and submit herewith our comments together with the following statements:

Balance Sheet as of September 30, 1947.....Exhibit A
Statement of Current Fund for the year ended September 30, 1947.....Exhibit B
Notes Receivable as of September 30, 1947.....Schedule 1
Stocks and Bonds Owned as of September 30, 1947....Schedule 2

History and Organization

Missouri Baptist Foundation was incorporated by pro forma decree on August 5, 1946, under the laws of the state of Missouri for the purpose of serving any benevolent, charitable, educational, or missionary undertaking, institution or agency fostered by or having the official sanction of the Missouri Baptist General Association. The Foundation has taken over the assets and activities of the Permanent Fund under the Missouri Baptist General Association.

The Foundation is governed by a Board of Trustees of nine members, with three members to be elected by the Missouri Baptist General Association at each annual session. Members of the Foundation and their successors shall each be a regular member of a missionary Baptist church which is in active co-operation with the Missouri Baptist General Association.

Comments

All cash receipts were traced to bank deposits and disbursements were verified by examination of checks issued, invoices or other data. Cash in banks was reconciled with certificates received direct from the depositaries.

On Exhibit A under Assets, Current Fund, are shown the following items:

Current Operating Fund.....$4,816.61
Trust Fund (for Investment)..... 7,774.81

The first item represents an account in the Traders Gate City National Bank and the second item, an account in the Commerce Trust Company.

It is our understanding that income and expense transactions of the Foundation are to be made through the Current Operating Fund and that loans and collections of principal on loans are to be made through the Trust Fund. As a matter of procedure we recom-

mend that all collections be deposited in the Current Operating Fund account and that transfers be made periodically to the Trust Fund account for the amount of principal collected on loans.

During the year under review the following changes occurred in Notes Receivable:

	Mary Gibbs Estate	Current Fund
Balance September 30, 1946	$2,000.00	$23,993.82
New Loans Made	None	None
	$2,000.00	$23,993.82
Collections During Year		4,103.54
Balance September 30, 1947	$2,000.00	$19,890.28

We inspected the foregoing investments and found them to be in agreement with the records of the Foundation.

Securities of the Mary Gibbs, Mt. Hope Church, and current funds, which are to be found listed on Schedule 2, were inspected at the Foundation's safety deposit box at the Commerce Trust Company. Interest due thereon was found to be have been accounted for.

The income from the Mary Gibbs Trust and the distribution thereof is as follows:

Dividends on Savings and Loan Stocks		$175.00
Interest on Notes Receivable		100.00
Interest on Government Bonds		333.75
		$608.75
Less—Collection Charges on Notes Receivable	$ 10.00	
Baptist Foundation Handling Charge 5%	29.94	39.94
		$568.81

Distributions—

District Missions of Lawrence County, Mo.	$100.00	
Women's Missionary Union, Lawrence County	50.00	
Missouri Baptist Foundation—Church Building and Loan Fund	104.70	
State Missions Fund	104.70	
Relief and Annuity Board for Benefit of Aged Baptist Ministers in Missouri	104.70	
Southwest Baptist College	104.71	$568.81

The foregoing distribution is in accordance with our understanding of the provisions of the trust.

The Mt. Hope church fund is held for the benefit of the church and the income for the year amounting to $14.37 less a handling fee of $1.00 was remitted to the church.

In February, 1947, the Foundation acquired a 280 acre farm valued at $32,000.00 near Charleston, Mississippi County, Missouri, from James P. and Maud S. Bridges. By accepting the farm the

Foundation agrees to pay an annuity of 5% of $32,000.00, amounting to $1,600.00 annually to James P. and Maud S. Bridges and the survivor of them, with the first payment due February 28, 1948.

A statement of income and expense of the Current Fund is presented on Exhibit B.

Of the income earned by the Mary Gibbs Trust, there has been transferred since 1936, a total of $1,948.09 to the Foundation (formerly the Permanent Fund) for a church building and loan fund.

Respectfully submitted,

WOMAN'S MISSIONARY UNION

MRS. C. M. TRUEX, *Secretary*

We are reporting in condensed form the report of the W.M.U. Department for the past year. A careful reading will reveal the progress made in the various departments of work. In practically every phase of work advancement has been made due to the faithful work of State, Divisional, Associational and Local workers.

Next year will mark the sixtieth anniversary of the Southern Woman's Missionary Union and our state will join others in an effort to reach the objectives adopted for this Commemoration *Year of 1943. One of the most heartening features is the fine co*operation given by the rank and file of the women and young people in W.M.U. organizations to every project promoted by the Union. Especially interested have we been in securing tithers, setting as our goal a 60 per cent increase over the number reported last year in Missouri. Thousands of our members have signed the Tithers Card and have also covenanted to pray daily for a world wide revival.

Meetings

Meetings held during the year have been largely attended and highly inspirational. The State meeting held in Music Hall of the Municipal Auditorium in Kansas City last April was one of the best ever held both in attendance and interest. The registration reached the high mark of 2,175 and the messages brought by Mrs. George R. Martin, Southwide W.M.U. President, Home and Foreign Missionaries, Pastors and State Wokers added greatly to the program.

The Divisional Meetings likewise were well attended with 6,448 registering. Each of the 23 Chairmen had planned well every detail and the hostess churches were gracious in the hospitality extended. The Young People's Banquets were an attractive feature with several thousand Auxiliary members present to enjoy an evening of music, good fellowship and missionary addresses.

Associational quarterly W.M.U. meetings have been of importance in promoting the plans for enlistment and information regarding the missionary program of our denomination. State Workers, home and foreign missionaries were speakers in many of these quarterly meetings throughout the year.

Camps and Assemblies

In the Baptist Hill, Southeast and North Missouri Assemblies Woman's Missionary Union made a definite contribution by providing teachers, conference leaders and missionary speakers. Creditable work was done in mission study and handcraft by Y.W.A's., G.A's., R.A's., and Sunbeams under the direction of capable leaders. Women enrolled in classes appreciated the teaching of Mrs. Clyde Hickerson, Mrs. F. B. Kinell, Mrs. O. R. Burnham and Miss Berry.

This year marked the launching of the first W.M.U. Leadership Conference at Hollister. The attendance was limited to State,

Divisional and Associational workers who spent the days in worthwhile conferences, devotional and inspirational periods, recreation and social fellowship. All present were enthusiastic in praise of the beautiful natural scenery of Hollister Hill and of the profit and helpfulness of the Conference.

The Young Woman's Auxiliary, Girl's Auxiliary and Royal Ambassador Camps held at Hollister in July were most successful. Miss Elizabeth Casebolt, State Young People's Secretary, planned and directed the Camps and was ably assisted by a fine corps of workers who taught mission study classes, conducted conferences, directed recreation and delivered challenging missionary messages.

Mr. Frank Richardson of Stetson University, who served as an R.A. worker during the summer assumed responsibility of the arrangement of the program and management of the R.A. Camp and is to be commended for the success of the Camp.

It was the good fortune of the W.M.U. Department to have the services of Miss Audrey Parker of Sedalia, a Senior this year at the W.M.U. Training School in Louisville, Kentucky, as a summer worker in Camps and Assemblies, and Mr. Richardson to help in R.A. Camps. From the day they began work June 1st until they left they were kept busy in the many Associational Camps held in various sections of the state.

For the past three summers a Young Men's Mission Conference has been held at Ridgecrest. The attendance is limited and each state is given a quota. Mr. Richardson chaperoned a group of seven outstanding R.A.'s from our state to the Ridgecrest Conference in August, and those selected to represent Missouri reported having had a wonderful time.

About forty young women chaperoned by Miss Elizabeth Casebolt and Miss Eva Berry enjoyed the Y.W.A. Camp at Ridgecrest in June. This year marked the 40th anniversary of the organization of Young Woman's Auxiliary and special features of this anniversary observance added charm and attractiveness to the program. Mrs. Josephine Riley Medlin and Mrs. Helen Heagerty Hunter, two former Young People's Secretaries from Missouri, served as Hostess and Recreational Director respectively during the Camp.

Field Work

Miss Eva Berry, W.M.U. Field Worker, has been tireless in her efforts to promote and strengthen every phase of the work. She has traveled unceasingly, visiting churches in most of the Associations organizing new Societies and Auxiliaries, helping in Mission Study Institutes, speaking at District Associations, conducting Method Institutes and Clinics and encouraging the workers by her devotion to the cause of missions and her desire to deepen the interest of every church member in the great missionary program of our State and Southern Baptist Convention.

Personnel Changes

Miss Helen Heagerty, who served so acceptably as State Young People's Secretary, was married in March to Rev. Thomas Hunter of Alabama, who had been serving as Chaplain with the U.S. forces in Korea. Her going created a vacancy which was later filled by the elec-

tion of Miss Elizabeth Casebolt, a student at the Training School, who assumed the duties of the office of Young People's Secretary May 1st. After several months of satisfactory service in the W.M.U. Department Miss Casebolt felt led of the Lord to accept a position as Director of Missionary Education in the Tower Grove Baptist Church of St. Louis, and began work there October 1st.

Upon removal from our state last year of Mrs. T. S. Medlin, State President of Missouri W.M.U., Mrs. F. B. Kinell, First Vice President, succeeded to the office to fill out the unexpired term of Mrs. Medlin. At the W.M.U. Convention in April, Mrs. Kinell was unanimously elected President. By her efficient and wise leadership, her consecration and loyalty to the whole program of Missouri Baptists she is measuring up to the responsibilities of the office in a fine way. Mrs. Bradley Allison of Kansas City, succeeded Mrs. Kinell as First Vice President and is proving to be an alert, capable Enlistment Chairman. After serving with loving devotion over a period of ten years as Training School Trustee, Mrs. G. N. Magruder tendered her resignation in April and this position was filled by the election of Mrs. James F. Heaton of Jefferson City, herself a graduate of this school which has made such a distinct contribution to denominational life in Missionary training of young women. Missouri is represented this school year by the following young women: Miss Ruth Rose, St. Louis, Miss Dorothy Ruth Milam, Kansas City, Miss Doris Lee Spicer, Polo, Miss Betty Ann Coulter, Excello, Miss Mary Eleanor Botts, Grandview, who are Juniors and Miss Audrey Parker, Sedalia, Miss Ann Rodenburg, Warrensburg, Miss Anna L. Cowan, Urich, Seniors.

Conclusion

The work of this department in the past decade, during which your present Executive Secretary has served, has shown a steady advancement which has been most gratifying. The loyal support to plans projected, loving service freely given by women in places of leadership and as followers, the interest and cooperation of Pastors, the efficient work of the W.M.U. office force and mutual good will and helpfulness of the co-laborers at State Headquarters, have contributed in large measure to the progress made through the years. In presenting this report the words of the Apostle Paul seem fitting, "I thank my God upon every remembrance of you, Always in every prayer of mine for you all, making request with joy for your fellowship in the Gospel from the first day until now."

Respectfully submitted,
MRS. C. M. TRUEX

September 30, 1946 to October 1, 1947

"That the Man of God may be perfect, thoroughly furnished unto all good works." II Tim. 3:17. Thus Paul's solemn charge to Timothy stressed the preeminence and profitableness of the inspired scriptures. During the past year it has been the earnest desire of your Sunday School Department to project throughout the state the greatest possible program of Bible study. May we sketch briefly the high points of the year's work.

Personnel

Brother Fred Pulliam closed his work with the Fifth Street Church, Hannibal, becoming associated with the Department June 1. Since that time he has given himself in tireless promotion of work on the field. Miss Roop has been constantly engaged in all phases of Sunday School field work throughout the year. Miss Betty Kyle, who this year became Mrs. Verdie Hamby, has borne an increasing burden of office promotion and detail. To these fellow workers I wish to extend my sincere appreciation for their matchless spirit of cooperation and their untiring efforts.

Field Promotion

This general caption is herewith applied to ten special events and phases of Sunday School work this year, together with a summary word indicating in each case the response.

1. THE STATE PLAN MEETING for Associational Sunday School Officers, Sedalia, Missouri, November 12. There were thirty-three associations represented in the meeting by 162 association leaders.

2. THE JANUARY 21 MASS MEETING was participated in by forty associations. There were 439 churches represented and a combined attendance of 5,960.

3. THE FEBRUARY PLAN MEETINGS IN THE CHURCHES. This program of visiting the churches was carried out by thirty-eight associations. Four associations were 100 per cent, going to every church for a plan meeting.

4. THE STATE SUNDAY SCHOOL CONVENTION, Jefferson City, May 29-30. Outstanding program personnel marked this Convention. There were thirty-nine associations represented with 459 Sunday School leaders registered from the state. The 1948 Convention will be May 5-7 in Springfield, Missouri.

5. THE HOLLISTER HILL STATE SUNDAY SCHOOL LEADERSHIP CAMP—August 4-8, showed a fine increase in attendance over the first year. One hundred sixty were registered as compared to one hundred twenty-five last year. Plans are being made for 300 leaders next year.

6. RIDGECREST—Groups of Sunday School leaders from Missouri attended both Sunday School weeks at Ridgecrest this summer. There were a total of 110. This is of great benefit to churches and associations in Missouri. We are always anxious to promote attendance at Ridgecrest.

7. *MISSOURI ASSEMBLIES*—The department assumed responsibility for places on the programs of all three assemblies. Attendance at all was the best yet.

8. ASSOCIATION WIDE AND INDIVIDUAL CHURCH SUNDAY SCHOOL CAMPAIGNS. This has been our greatest year yet. Fourteen such campaigns have been projected. Churches reached were approximately 135 and the approximate attendance 5,700. Over 170 individual workers had to be enlisted.

9. VACATION BIBLE SCHOOL PROMOTION. This was launched with a State Clinic at Boonville which drew 125 of the best Vacation Bible School leaders in the State. This was followed by a series of one-day conferences reaching 76 associations. Thirteen workers were used. The attendance at these meetings was approximately 1,706.

10. VACATION BIBLE SCHOOL SUMMER WORKERS. Twenty young people spent from two to ten weeks conducting Vacation Bible Schools in needy places of the state. This was the greatest program of this kind we have had. These fine young people conducted 82 schools, enrolling approximately 4,551. The department is proud of their work.

11. FOUR 100 PER CENT ASSOCIATIONS in Vacation Bible Schools

1. Reynolds County
2. Lawrence County
3. Lafayette County
4. Franklin County

With four 100 per cent Associations and 945 schools reported to date we again rejoice in another all-time record. Below is a brief statistical record of Vacation Bible Schools to date.

REPORT OF THE BAPTIST TRAINING UNION DEPARTMENT

CECIL P. LOGAN, *Secretary*

October 1, 1946 to September 30, 1947

It it with great pleasure that we submit to the Missouri Baptist General Association our second annual report as your State Training Union Secretary. The blessings and guidance of our Heavenly Father have gone with us as we have travelled our great state, and our Baptist constituency has been most gracious in their reception of our work.

Officially we began our work with you December 1, 1945. It is our desire to continue in the present relationship only so long as we are convinced that it is the Lord's will that we serve in this capacity, and only so long as we have the cooperation and support of the Missouri Baptist General Association. Our relationship with the General Superintendent, our co-workers in the other departments, our own departmental workers, the State Executive Board, has been most cordial and pleasant. We have never found a more loyal and cooperative group. We are most happy to be associated with this splendid group of Baptist co-laborers.

Again we can report to you a growing enthusiasm for the Training Union Program of our churches. Wherever we have gone in the state we have found our people becoming more and more concerned about the need for a trained church membership. Not only are our people concerned, but they are determined to do something about it. Consequently, new unions, and Training Unions, are being organized and others which have ceased to function are being revived. Our pastors and adults are taking a greater interest in the work. This trend among our adults will add a great impetus to the work.

The Workers in the Department

The following are full-time salaried workers in our department:

Rev. Cecil P. Logan, State Secretary, 1023 Grand Avenue, Kansas City 6, Missouri. Home address, 1215 North McCoy Street, Independence, Mo. Rev. Denzil Albin, Field Worker, 1023 Grand Avenue, Kansas City 6, Missouri. Home address, 729a St. Mary's Blvd., Jefferson City, Mo. Miss Dorothy Blankenship, Office Secretary, 1023 Grand Avenue, Kansas City 6, Missouri.

Brother Albin was added to our force in January. He has already rendered valuable service and has made it possible for us to extend the services of our department. When it is possible to add other workers to our staff we will be able to render more effective service and will be able to accept many more of the requests for engagements which come to our desk.

The following are our State Approved Workers: These individuals serve *without salary* from our department at the request of the State Secretary for whatever time they can give to the department. Churches using their services are expected to care for their expenses and furnish an honorarium.

Adult Worker, Miss Leta Lindsey, 2443 Northland Avenue, Overland 14, Mo. Because of her duties as school teacher, Miss Lindsey has been unable to give much time to the work.

Young Peoples' Worker, Mrs. Fred Neiger, 5922 Clemens, St. Louis 12, Mo. Because of ill health Mrs. Neiger has been unable to give much time to the work.

Intermediate Worker, Mrs. B. M. Bush, 417 E. Jackson, Mexico, Missouri. For a number of years Mrs. Bush has rendered very effective service.

Junior Worker, Mrs. T. J. Farris, 302 W. Kansas, Liberty, Missouri. Likewise Mrs. Farris has rendered valuable service for a number of years.

Story Hour Worker, Miss Furn Kelling left the state September 1 to enter Southwestern Seminary. At this writing we do not have a State Approved Story Hour Leader.

Summer Assemblies

Again at the invitation of the three regional assemblies, North Missouri, Baptist Hill, Van Buren, our department supplied workers for the Training Union work in each. Conference leaders for all phases of Training Union work were sent to these assemblies at the expense of our department. The assemblies provided room and meals for the leaders. Many good contacts for Training Union were made at the assemblies.

Chartered Bus Tour to Ridgecrest

Our department sponsored the annual Training Union Chartered Bus Tour to Ridgecrest, N. C., July 14-31, for the Southwide Training Union Assembly. July 17-23 was designated as Missouri Week. There were 64 individuals making the tour which included sight-seeing enroute as well as a 3-day tour of Washington, D. C. Ten of our young people dedicated themselves to full-time Christian service.

Training Union Leadership Week
Missouri Baptist Assembly, Hollister

The second annual Training Union Leadership Week was held August 11-15 at our Missouri Baptist Assembly, Hollister, Missouri. The week at Hollister was one of the highlights of our Training Union year. Mr. Leonard Wedel of the Sunday School Board, Miss Madge Ramsey and Mrs. Florence Baker of the Illinois Training Union Department, along with outstanding Missouri leaders constituted the program. There were 257 registered for the week—the largest registration for any week during the summer and the largest registration in the two years that the Assembly has been in operation. There were 44 life dedications. We believe that our departmental assemblies are one of our most effective means for promoting our work. Again we repeat our prediction of last year

that our Missouri Baptist Assembly is destined to become an important factor in the promotion of our work.

Annual State-Wide Associational Officers' Clinic

For the past several years, in connection with the State Convention, the State-Wide Clinic for Associational Officers has been held. This meeting is promoted jointly by the Training Union Department of the Baptist Sunday School Board and the State Training Union Department. The 1946 meeting was held, November 28, at the Third Baptist Church with 58 associations represented. The 1947 meeting will be help apart from the convention Friday, October 10, 1947, at the First Baptist church, Jefferson City, Missouri.

The Annual Convention

The 25th Annual State Training Union Convention met with the Third Baptist Church, St. Louis, Missouri, November 28-29, 1946. The total registration was 1,780—a new attendance record. There were 58 Associations represented in the attendance. Dr. J. D. Grey of New Orleans was our inspirational speaker, while Rev. Woodrow Harris of North Carolina was our song and devotional leader. The convention was one of the best that we have ever had.

The 1947 convention will be held in Kansas City, Missouri, November 27-28, with the Temple Baptist Church. The officers of our convention are: President, Mr. A. R. Black, 3813 Melba Place, St. Louis 20, Missouri; Vice President, Mr. Noel Breedon, 817 W. Broadway, Webb City, Missouri (now in school Shawnee, Oklahoma); Recording Secretary, Miss Helen Wriston, 1023 Grand, Kansas City 6, Missouri.

South-Wide Simultaneous One-Night Conferences

The South-wide Simultaneous Associational Mass Meetings were held December 6, 1946. In Missouri the attendance as reported to our office was 2,065 with 80 churches represented and 28 associations reporting. In the Southland 406 associations reported an attendance of 75,964 with 4,250 churches represented. The meetings this year will be held Monday night, December 8, 1947.

The 1948 Program

Theme: Follow Me

Aim: 1. To help us follow Christ daily in all the ways of life.
2. To help every church build a training program which honors Christ.

Scripture: "And he said unto all, If any man would come after me, let him deny himself, and take up his cross daily, and follow me," Luke 9:23 ASV.

Song: "When I Survey the Wondrous Cross"

Based upon the general theme; the monthly themes will be as follows:

January—"Are Ye Able?"
February—"Ye Shall Receive Power"
March—"Be Ye Therefore Perfect"
April—"Let Your Light So Shine"
May—"After This Manner Pray Ye"
June—"Learn of Me"
July—"Blessed Are the Peacemakers"
August—"I Will Make You Fishers of Men"
September—"I Will Build My Church"
October—"Compel Them to Come In"
November—"Beware of Covetousness"
December—"So Send I You"

We have set for ourselves the following goals toward which we propose to work during 1948:

REPORT OF THE BROTHERHOOD DEPARTMENT

R. J. WEST, *Secretary*

It is with pleasure that we submit the report of the Brotherhood Department to the Missouri Baptist General Association. The year just closed has been a most encouraging one. There is a growing enthusiasm for and a greater support of this Department of the work that has as its aim the undergirding of the whole program of the church and denomination. Deepest appreciation is expressed for the tireless effort of office secretary, Ruth Revelle Hinton. We have also enjoyed the wise and constructive leadership of General Superintendent Medearis, and the finest cooperation from every department and worker in our General Association. State President, Grant Davis; Vice-President, Curtis Tindel; and Secretary-Treasurer, J. W. Farris, have been most helpful, as have been the divisional, associational, and local officers and the great host of missionaries, pastors, and laymen throughout the State.

Organizations

The twenty-three divisions in the state have set up an organization with a president, vice-president, and pastor-advisor in each division.

Sixty-three of the eighty-four associations have the associational organization. Twenty of these have come into effect during the past year.

One hundred local Brotherhoods have been organized the past twelve months. Today there is an average of one Brotherhood to every six of the 1740 churches in Missouri.

State Convention

The First Annual State Brotherhood Convention was held with the First Baptist Church, Rolla, March 6-7, with a registration of 500 from 43 associations and 21 divisions.

Divisional Conferences

The Divisional Conferences (Statewide) have just been concluded. Promotional and enlargment plans were formulated.

Assemblies

Pastors' Retreat and Brotherhood Week at Hollister was attended by about 200 pastors and laymen, and proved to be one of the finest experiences of the year.

The Department cooperated in the Baptist Hill, North Missouri, and South Missouri Assemblies.

Objectives Promoted in 1947

Five general objectives have been promoted throughout the year: Personal Soul-winning, Proper observance of the Lord's Day, Layman's Revivals, Cooperative Program, New organizations.

The special objective of securing 100,000 tithers in Missouri has and shall continue to receive the whole-hearted support of the Department.

1948 Activities

SOUTHWIDE:
Brotherhood Conferences, Ridgecrest, August 5-11
Layman's Day, Sunday, October 10

STATE:
State Convention, Springfield, March 11-12
Divisional Conferences, September 20-October 20
State Conference, October 25

1948 Objectives

First—EVANGELISM

The primary task of every Christian and of every Christian church is to win souls to Christ. This must remain the top item in the program of activities of all Brotherhoods.

By Evangelism we mean primarily personal soul-winning; men witnessing for Christ upon every appropriate occasion. We mean the closest cooperation with the pastor in all special evangelistic efforts of the church. We mean also prayer meetings in homes where there are lost men. In other words, we propose that during 1948 we go all out in witnessing for the purpose of winning lost men to Christ.

Second—STEWARDSHIP

Next year will undoubtedly be the most active and most productive in the field of stewardship in the history of Southern Baptists.

We propose that we cooperate vigorously in the great special effort of the Southern Baptist Convention to enlist Southern Baptists in a much larger financial support of all the work of the denomination.

It will be the purpose of the Brotherhoods to undertake to enlist the men of our churches in the continuous practice of tithing through their churches for all of the causes of the Kingdom of God. In this special stewardship effort we will undertake to enlist men also in a reasonable contribution of their time and their talents, believing that stewardship includes the entire personality—all that a man is, all that he has, and everything he can do.

Third—MAN-AND-BOY MOVEMENT

The southwide offices have been impressed with the principle and progress of the movement initiated by the Dallas, Texas, Associational Brotherhood, the purpose of which is to take boys off the streets and bring them under the influence of our Sunday Schools. We believe there are unlimited spiritual possibilities in this movement, and we propose that it be accepted as a challenge for our Brotherhoods throughout the Southern Baptist Convention during 1948.

Fourth—CHURCH AND DENOMINATIONAL PUBLICITY

As Southern Baptists, we have not engaged in the fields of advertising and publicity to any appreciable extent.

We are proposing that during 1948 we step up our church and denominational advertising to a point of appeal comparable

to that which is being made in the commercial world. We understand that this will call for very large advertising budgets, but we are convinced that no better investment of our Lord's money could be made than by placing His Gospel and the blessings and benefits of His churches before the masses of our people. This effort will contemplate the use of the radio, newspapers, billboards, and all other legitimate mediums of advertising.

In addition to the general objectives and the whole program of our great denomination, there will be special state, divisional, associational, and local objectives that the Department will promote and cooperate in.

DEPARTMENT OF STUDENT WORK

ESTELLE SLATER, *Secretary*

Purpose

The purpose of the Baptist Student Union is to promote spiritual development of students through Christian comradeship, Bible study, prayer, church membership, denominational loyalty, and Kingdom advancement. The B.S.U. makes Christianity collegiate, college life Christian, spirituality pre-eminent, student fellowship happy, and student Christianity maximum.

Changes in Personnel

Miss Lucille Carter, city-wide secretary for St. Louis, is the only student secretary who remains from last year's staff. Mrs. Jessie Burrall Eubank has returned to Columbia as Director of Student Work there. Miss Lillian Farley has replaced Miss Bette Anne Moore at Springfield, and Miss Glenna Blain has replaced Miss Ruth Lucas at Warrensburg. Just now there are vacancies in Kansas City and on the William Jewell campus.

Dick Wallace, state B.S.U. president, served as state secretary from September 10 until October 31, 1946. Miss Estelle Slater took over the duties of state secretary in June, 1947, and will continue until January first, at which time she will resume her studies at Southwestern Seminary, Fort Worth.

State Convention

The 1946 convention met October 18-20 in the Euclid Baptist Church, St. Louis. Dick Wallace was reelected state president for 1946-47.

The 1947 convention met October 10-12 in the First Baptist Church at Columbia. This annual convention means much in the lives of our Baptist college students.

Ridgecrest

About sixty college students attended the 1947 Student Week at Ridgecrest. There was a chartered bus for the Missouri students in addition to several private cars that made the trip. Again this year a number of our students made decisions and dedications.

Student Week at Hollister

This is the first time that the Missouri Baptist Student Union has ever had a week all to itself at any one of the summer assemblies of Missouri. During the week of June 30 through July 4 approximately fifty people attended the first Student Week at our new state Baptist camp on beautiful Hollister Hill. It was a week filled with inspiration, information, and fellowship. We are hoping for an even greater week next summer.

The Annual Seminar

For a number of years it has been the custom for the local B.S.U. presidents of Missouri and the state B.S.U. council to meet sometime during the year for the planning and for the discussion of the B.S.U. work for the coming year. For 1947 this seminar was held during Student Week at Hollister.

New Groups

During the summer new Baptist Student Unions have been started at the Missouri School of Mines, Rolla, and at the Draughon's Business College, Springfield. Plans are under way to get work started on several other campuses in the very near future.

MISSOURI BAPTIST FOUNDATION

The Missouri Baptist Foundation received its charter of incorporation on August 15, 1946. Its first Board of Trustees wes elected by the Missouri Baptist General Association last October, consisting of the following brethren: Virgil Dent, Hannibal; J. A. Hemphill, Kennett; Forrest A. Lowry, St. Louis; V. W. Wilhite, Moberly; C. R. Blue, Bolivar; Ray F. Moseley, Kansas City; K. J. O'Banion, California; L. G. Kelley, Brookfield; and T. W. Medearis, Liberty.

The General Association voted also to turn over to the Missouri Baptist Foundation funds known as "The Permanent Funds" to the amount of $80,201.49 which were previously managed by a special committee. These funds are invested in good loans and securities and the income derived therefrom is used according to the designations of donors or, if undesignated, according to the will of the General Association.

The Trustees organized by electing the following officers: Ray F. Moseley, President; K. J. O'Banion, Vice President; L. G. Kelley, Secretary; Charles F. Curry, Treasurer. T. W. Medearis was asked to become Acting Executive Secretary without salary until such time as a capable Executive Secretary could be employed, and agreed to serve temporarily.

The Board has had several meetings, and has with the utmost caution, cared for the Foundation interests.

During the year the assets of the Foundation have been increased

by some $36,921.31. Some wills have been made to the Foundation covering perhaps another $150,000. Other contracts are pending that should add a good many thousand dollars more to its assets, and some other inquiries have been made by our Baptist people whom the Lord has blessed with money.

The State Board set up a fund of $3,000 to provide for the first year of operation of the Foundation. The Foundation Board asked the six affiliated institutions, which would chiefly profit by its activities, to share in its first year's support to the extent of $500 each. In response to this appeal Hannibal-LaGrange College sent checks totaling $500; Southwest Baptist College $500; William Jewell College $500; the Missouri Baptist Children's Home $500. We greatly appreciate the cooperation of these four institutions.

During the year Southwest Baptist College Board voted to turn over its entire endowment to the Foundation to hold, invest, and manage for the College, and this will be done efficiently and without cost to the school as soon as the transfer is completed.

The auditor's report, which is attached hereto, will present a full picture of the present financial status of the Foundation.

Purpose and Plan of the Missouri Baptist Foundation

The story is long and tragical of denominational institutions which have grown rich in endowment and have finally drifted out of denominational control and have taken with them money given sacrificially by devoted followers of Christ for definite denominational ends. We trust that there is little present danger of this thing's happening in Missouri, but it cannot happen in the case of money given to the Foundation, the earnings of which may be designated for any institution desired, but the principal remaining forever in the hands of the Missouri Baptist General Association through its Foundation.

God has given to some people the ability to make and accumulate money. It is a glorious Christian privilege to put a portion of that money to work in Baptist education, in the ministry of healing, in orphanage or home for aged, in missions or otherwise even while living; and to remember these causes in will when life is over. The Missouri Baptist Foundation was set up for these specific purposes. The Executive Secretary will be most happy to advise and assist in any way possible with reference to annuity contracts, gifts, wills, etc., and we invite correspondence to that end.

Please note this paragraph from our "Articles of Agreement:" "Article IV, (A) This association is formed for the purpose of serving any benevolent, charitable, educational, or missionary undertaking, institution or agency fostered by or having the official sanction of the Missouri Baptist General Association, such conjoined purposes to be executed simultaneously in the furtherance and development of benevolent, charitable, educational and missionary activities in, and for the benefit of, schools, hospitals, orphanages, homes for the aged, and other enterprises operated under the supervision of, or supported by, the Missouri Baptist General Association, and to such end may receive by bequest, devise, gift, purchase or

lease, either absolutely or in trust, any property, real, personal or mixed, and to administer such property, to convey such property, to invest and reinvest the same, or the proceeds thereof, in such manner as in the judgment of the Trustees will best promote such objects."

It is our plan to secure a highly qualified man at once who will give himself to the work of Missouri Baptists as represented by the *Missouri Baptist Foundation.* We earnestly request the prayers and cooperation of all Missouri Baptists, and all our institutions, that the vast possibilities inherent in this work might be fully realized.

Respectfully submitted,

BOARD OF TRUSTEES
By RAY F. MOSELEY, *President*

SPECIAL $150,000 CAMPAIGN

The Special $150,000 Campaign has a financial and a spiritual objective.

The financial objective is to provide *$150,000 for six of our* Baptist interests. These interests are the Home for Aged Baptists, Missouri Baptist Children's Home, Missouri Baptist Hospital, Southwest Baptist College, Hannibal-La Grange College and Baptist Headquarters Building, which will share equally in the receipts of the Campaign. To date, approximately *$35,000 has been contributed* by 470 churches of 77 associations. These figures indicate that the majority of our churches are yet to participate in the Campaign. The information that I have received from our pastors upon attending the meeting of the district associations, and from correspondence gives me strong reasons to believe that the goal of *$150,000* will be reached during the next three months. The Special Campaign Committee composed of Dr. T. W. Medearis, Dr. S. H. Jones, Dr. A. E. Prince, Dr. D. J. Scott, Mr. E. E. Blake, and Mr. C. E. Copeland, has designated Sunday, November 23, as Special Offering Sunday and fraternally urge its observance by our churches that have not contributed to the Campaign.

The spiritual objective is to leave a deposit of good-will in the churches for our denominational interests. I believe that the manner in which the Campaign is conducted is strengthening the bonds of unity between our churches and our denominational interests. The Campaign is the means of giving to our churches much information of these institutions and of the services they perform. I believe that more of our people will love our institutions more devotedly and support them more loyally because of the Special Campaign.

The urgent needs of our institutions make the demand that we reach our goal of $150,000 before January 1, 1948. We must not fail the homeless children, the sick, the aged, and the college youth. Victory is ours if we will contribute to the Campaign funds.

ALLEN S. CUTTS
Director of Special Campaign

REPORT OF WILLIAM JEWELL COLLEGE

WALTER POPE BINNS, *President*

The College opened the fall term of 1947-48 with an enrollment of 829, the largest in its history. The Summer School of 1947 was also the largest in the history of the College, with more than 300 enrolled.

Of the 829 students enrolled for the fall term, 615 are men and 214 are women. For the first time, the Sophomore Class is slightly larger than the Freshman Class. This is due to the fact that the large number of second year men enrolled this year made it necessary for us to limit the number of freshmen. We had reached the limit of students who could be accommodated. In our student body are 395 men who served in World War II.

We have 636 students from Missouri, 38 from Kansas, 26 from Illinois, 17 from New York, 10 from Colorado, 10 from Connecticut, 10 from Massachusetts, 9 from California, and smaller numbers from each of twenty-six other states and from three foreign countries.

Four hundred and thirty-two of these students are Baptists, 104 are Methodists, 75 are Disciples of Christ, 58 are Presbyterians, 26 are Catholics. Various other denominations are represented by smaller numbers.

Faculty Changes

John B. Moore succeeds C. O. Van Dyké as Professor of Economics. Professor Moore will be head of the Department of Social Sciences which combines the two departments, Economics and Political Science, and Sociology.

Miss Georgia Bessie Bowman succeeds P. Caspar Harvey as Director of Forensics and will also be Instructor in Journalism. Prof. Harvey will devote his whole time to his work as Director of Public Relations, Alumni Secretary, and Professor of English.

Elman Morrow is employed as Associate Professor of Physics succeeding D. V. LaFrenz, who becomes Associate Professor of Mathematics.

Wilbur Bruner returns from a leave of absence at the United States Naval Academy to resume his work as Professor in the Department of Modern Languages. He succeeds Mrs. J. J. Bowman, who retires after several years of faithful service.

J. E. Bradshaw succeeds R. E. Bowles as Head of the Department of Physical Education and Director of Athletics. Mr. Bradshaw will be head coach of football.

Richard Harp is Assistant Director of Athletics and head coach of basketball.

Miss Kay Weisenberger is employed as Instructor in Physical Education for Women.

Miss Jane Wegert succeeds John Anderson White as Instructor in Biology.

Permanent Improvements

Jewell Hall

Remodeling and renovation of Jewell Hall, the main recitation building, has progressed to the point where visitors can envision the remodeled building which will preserve all the classic and historical architecture of the famous structure. Mr. W. D. Johnson, president of the Board of Trustees, gave $80,000 to modernize Jewell Hall and make it fire resistant. It appears now that the total cost will greatly exceed this figure.

Heating Plant

Nearing completion is a new heating plant and complete new heating system of all of the buildings on the campus, constructed at a cost of $150,000. The old heating plant had been patched and repaired until it was beyond the point of further usefulness. The new plant has been moved to a new location between Brown Gymnasium and New Ely Dormitory in accordance with the over-all campus plan made by Hare and Hare, Kansas City landscape architects.

Melrose Dormitory for Women

One of the most attractive improvements on the campus is the redecoration and re-equipping of Melrose Hall for women.

The former Colonial type birch furniture placed in Melrose in 1946 is replaced with Colonial type hard maple furniture in a school brown tone. Each room has entirely new equipment consisting of twin beds with inner-spring mattresses, two study tables, two dressers and mirrors, two study chairs, one lounge chair, and one night table.

Walls of each floor are refinished in a different pastel shade. The first floor is done in rose, the second in blue and the third in green. New linoleum is laid on the floors of all rooms and hallways.

The cost to the college of this improvement was $25,000.

Library

The library stacks have been enlarged to accommodate 25,000 more volumes. The Spurgeon Collection is now housed at the south end of the mezzanine and separated from the main collection by partition.

Athletic Field

The athletic field is equipped with new bleachers to seat 4000 spectators. New lighting equipment makes night football possible for the first time.

Other Improvements

In new Ely Dormitory for men the lobby has been redecorated. During the past year the dining hall was redecorated and the floor covered with asphalt tile.

The chapel is equipped with new book racks and a new set of hymn books.

The refinishing of the basketball court in Brown Gymnasium makes this one of the finest courts in this section of the country. Locker rooms and squad rooms on the lower floor of the gymnasium have been renovated and rearranged.

Religious Focus Week

In March Dr. Frank H. Leavell, Director of Student Work of the Sunday School board of the Southern Baptist Convention, brought to the campus twenty leaders who participated in a week's program of Christian work among the students. The entire faculty and student-body joined in the program of religious discussion and activity. The visitors were welcomed into every class-room on the campus where the regular class period was given over to religious discussion. The program was so successful that the administration, faculty and students have decided to repeat it this College year.

Report of the Dean of the College

LEONARD A. DUCE

During the year several important changes were made in the curriculum. The first is the new program of the Physical Education Department. As in the past, William Jewell College will participate fully in inter-collegiate sports—football, basketball, track, baseball, tennis, and golf—and under the leadership of Mr. Bradshaw and Mr. Harp, the department will seek to maintain and enlarge the reputation of the College in this area of athletics. There will also be a well integrated intramural program, affording all the students the opportunity to participate in the sports of their choice. The most significant feature, however, will be an enlarged and more varied schedule of courses in Physical Education, For the first time, it will be possible for men to earn a major and for women to earn a minor in this department. The courses will be based on the principle that practices and procedures in the field of physical education should have a scientific foundation. Among the courses to be offered are Introduction to Physical Education, History and Principles of Physical Education, Methods and Techniques of Coaching, Professional Activities, Safety Education and First Aid, Rules and Officiating, Community Recreation, Swimming, Camping and Youth Leadership, and The Physical Education Curriculum. Most of these courses will be open to both men and women. Six hours of physical education will be required of all students for graduation, to be taken during the freshman and sophomore years.

The second addition to the curriculum is a new course in Elementary Russian which will be taught by Dr. Paul McCarty. The importance of Russia and its culture in the contemporary scene is sufficient justification for this new course, which will be restricted to students who have already shown a high degree of proficiency in modern languages.

The third change in the curriculum consists of three courses in Persuasive Speech which will form an academic background for Forensics, of which Miss Georgia Bessie Bowman is the new director. Miss Bowman will also teach three courses in Journalism, one each term. In the past these have been two hour courses; they will now carry four hours credit. Practical experience in journalism for students in these courses will be available in connection with student publications.

During the summer, Miss Alma Hunt, Dean of Women, continued her graduate study in Columbia University, New York City.

Dr. Wallace Hilton, Professor of Physics, spent the summer teaching and pursuing graduate study at the University of Arkansas, Fayetteville, Arkansas.

Mrs. Louis Nelson, Instructor in Psychology, spent the summer at the University of Minnesota working toward her Master's degree.

Dr. H. I. Hester and Dr. L. W. Cleland of the Department of Religion, and Mr. Joe Amery, Jr., Enrollment Director, served on the faculties of Baptist Summer Assemblies in various parts of the country.

Report on Religious Activities

H. I. HESTER

Since the new year has just opened this report will of necessity be more of a statement of plans than a record of achievements.

It will be of interest to note some facts concerning the religious life of the students for this year. Classified according to denominational affiliation they are as follows:

Baptist, Members or Preference	432
Methodist, Members or Preference	104
Christian, Members or Preference	75
Presbyterian, Members or Preference	58
Catholic, Members or Preference	26
Latter-Day Saints, Members or Preference	19
Episcopal, Members or Preference	12
Jewish, Members or Preference	8
Congregational, Members or Preference	8
Christian, Members or Preference	8
Lutheran, Members or Preference	5
Others	54
None	28

The number of ministerial and missionary students is large. There are 102 men and about 40 women in this group. It may be noted that this number alone is larger than the enrollment of some of the Baptist Seminaries in the United States. These students measure up well in scholarship and have a vital part in the life on the campus. This group of men meets regularly each week for lectures and discussions relating to their work.

The religious organizations among the students have made a good start for the year. B.S.U. activities for the year are under the direction of J. D. Farmer. Miss Betty Stone, Pres. of Y.W.A., is optimistic over the program of this group for the year.

The young women preparing themselves for Christian work as a vocation are organized into a group which has regular meetings for discussion of matters relating to their work.

We have this year a rather large number of young people who plan to go to some foreign land to serve as missionaries. Dr. and Mrs. F. M. Derwacter give valuable assistance to this group.

The worship services of the entire student body held in the chapel on Tuesdays, Wednesdays and Thursdays are impressive and effective. The 600 new hymn books purchased during the summer

make it possible for every student to have part in the singing of hymns and the reading of the Scriptures. We consider these chapel services the very heart of student life on the campus.

The number of students enrolled in the Department of Bible is unusually large. In the elective courses as well as in the course required for graduation there are large numbers of laymen and women as well as ministerial students enrolled.

It will be recalled that we had special Religious Emphasis Week held on the campus last year. This special week involved a tremendous amount of planning and work but was of very great value to the life of the students. We are planning therefore to have another such week during the winter of this year.

There is a fine spirit of cooperation between the college family and the churches of Liberty. Students attend regularly the services in these churches and are cordially received by the church people. The pastors of these churches are frequent visitors to the campus and are most helpful in all their relations to our students and teachers.

Report of the Business Manager

J. E. DAVIS

The school year of 1946-47 is one of marked improvement in the facilities of William Jewell College to serve its clientel.

Melrose Hall, the girls' Dormitory of William Jewell College has been completely redecorated and refurnished with colonial maple furniture. The floors have been covered with linoleum and venetian blinds installed in all rooms.

The furniture formerly in Melrose Hall has been refinished and is being used in the other dormitories.

The lobby in New Ely has been refinished and plans are now being made for refinishing and redecorating the entire building during the coming year.

Work on Jewell Hall is progressing and is expected to be completed about December 1st. Work on the steam plant as well as that on Jewell Hall was delayed for two months by the strike in that building trades. In spite of this the new radiation has been installed in Marston Hall and New Ely Hall. Steam lines have been nearing completion so we hope to have it ready by the time the heating season is on.

Sleeping quarters for eighteen men have been set up in the Gymnasium and forty-two men are accommodated in Old Ely.

Our greatest difficulty at present is in securing class room space for all departments. This will be eliminated when Jewell Hall is again occupied.

The department of Physical Education has been expanded and the Gymnasium floors have been refinished. Also steel bleachers with a seating capacity of 3,750 have been installed on the football field. Flood lights are now being erected making night games possible. This should add to the attendance and create an additional interest on the part of the public toward William Jewell College.

The increased enrollment has led to excessive crowding in the Library so that it will be necessary to remodel and enlarge this building in the very near future. I hope that the friends of the college will contribute liberally to this activity.

REPORT OF SOUTHWEST BAPTIST COLLEGE

Southwest Baptist College is now experiencing what we believe to be its greatest opportunity and its greatest responsibility. The unprecedented demand which is being made upon colleges in these times as well as the very difficult and changing financial conditions make the administration of college affairs exceedingly trying. However, Southwest is carrying on in a very satisfactory manner; and this report reflects continued progress along all lines.

Enrollment

The enrollment at the close of the second week of the current session included 109 sophomores, 211 freshmen, 19 academy, 17 specials, 19 special music, 106 veterans, 100 ministers, 19 missionary volunteers. This is almost exactly the same total number that we had last year; however, we have a larger proportion of regular college students and a very small number of special students. This is to our advantage, of course. It is hard to estimate the number of students who might have been enrolled if we had been able to accommodate them.

The enrollment for the 1947 summer term reached a total of 435, and we graduated 33 at the close of the summer term which brought the total number of graduates for the year to 121.

Financial Matters

According to custom, a complete audit of the operation of the College covering an itemized statement of receipts and expenditures for the fiscal year ending July 31 has been filed at the Kansas City office. This report reflects a favorable operating balance for the

year and reveals the fact that a considerable amount of money has been invested in improvements while all operating expenses have been met promptly.

With a full enrollment and the Cooperative Program receipts being maintained on a high level, the College should have a satisfactory financial status for the current session. We must not forget, however, that our rates are comparatively low, having been increased only slightly during the past few years and that living costs, particularly the cost of food and other supplies, are at an all time high and are constantly rising. What the outcome will be, we are not able to predict, but surely we cannot be very complacent. It shall be our policy to operate just as economically as possible consistent with good services, and we believe that we shall come through in good condition.

Building Fund

Our building fund which was maintained while we were constructing the Memorial Hall, heating plant, and kitchen has been closed out and the remaining obligation on the building program has been transferred to the general fund. We are pleased to report that all the obligations on the new buildings have been paid, and that we have remaining a bank note on which the balance due is only $33,800 which remains to be paid. The total investment in new construction and equipment over the past two years has been in excess of $190,000, and those who are in position to judge such matters feel that we have received unusually high value for all the money invested. We are depending upon the special campaign which is now in progress and nearing completion to provide us with funds for the payment of a large portion of this balance, and we believe that we can complete the payment on our own resources by the end of the current school session, providing the special campaign meets its objective.

It will be remembered that the College made a special appeal to the General Association relative to this matter in 1946. We hereby record our thanks for the consideration which was given to that appeal and for our share of the receipts of the special campaign, whatever that share may be.

We are contemplating no new building efforts in the near future except the Alumni Fine Arts Building which is to be financed by a special campaign promoted by and among the Alumni. This project has already made a start and should develop rapidly within the next year.

Board Vacancies

Complying with the provisions of our constitution and the practices of the General Association, our Board of Trustees has submitted to the nominating committee of the General Association a list of nominees to fill vacancies on the Board.

Re-statement of Policy

Southwest Baptist College begs leave to restate herewith in

part its policy of cooperation with the General Association. We recognize that the Missouri Baptist General Association owns and controls Southwest Baptist College, and we have no desire that it should be otherwise. We recognize that our Board of Trustees and the administration of the College are obligated to carry out the wishes of the General Association so far as possible in all matters. We recognize that we are not at liberty to formulate far reaching plans and project financial campaigns which would not be in harmony with the purposes and programs of the General Association. We recognize, moreover, that we are under obligation at all times to be true to Baptist principles and doctrines in all our program of teaching and administration. It is our belief that the only justification for the existence of a Baptist college is that it maintains and promotes Christian ideals and principles as accepted and taught by our Baptist churches. We make our request for continued support from the churches of Missouri on the basis of our past record and our promise to maintain these principles. We invite constructive criticism and suggestions, and we depend upon the prayerful support of our loyal Baptist constituency.

Respectfully submitted,

S. H. JONES, *President*
Southwest Baptist College

HANNIBAL-LAGRANGE COLLEGE REPORT

The Board of Trustees, the staff, the faculty, and students of Hannibal-LaGrange College send Christian greetings to the messengers of the Missouri Baptist General Association assembled in the one hundred thirteenth annual session in Moberly, Missouri, October 28-30, 1947. We are deeply grateful to all Missouri Baptists for their loyal support of the college. It has been our steadfast purpose at all times, and with one accord, to prove ourselves worthy of your confidence and support.

One year ago, our campus was hushed by the shadow of a great bereavement, caused by the homegoing of Mrs. A. E. Prince, the wife of our President. We greet you again from the lingering shadows of another great bereavement, caused by the homegoing of the President of our Board of Trustees, the Honorable Walter C. Goodson. Senator Goodson was a member of the Board of Trustees of Hannibal-LaGrange College for more than a quarter of a century, and for the past ten years has been president of the Board of Control and of the Board of Trustees of Hannibal-LaGrange College. He has also served the Baptist denomination, both State-wide, and South-wide for many years, and in various ways. We have suffered a great loss in his homegoing.

We want our fellow Baptists throughout Missouri to know of our unfeigned gratitude for their loyal support of Hannibal-LaGrange College. The college received during the past fiscal year the sum of $27,786.13 from the Co-operative Program, and $5,858.33 from gifts and pledges. The total net income of the college for the year ending June 30, 1947 was $88,894.55, an increase of $39,000.00

over the preceding year. Owing to the high cost of living, and necessary increases in salaries and repairs and improvements, the total operating expense for the past year amounted to $74,051.15 which is an increase of $18,225.68 over the preceding year.

We are happy to report that we have now an enrollment of 275 regular full-time students, and approximately 100 special students. The enrollment of special students is not completed as yet. This is the largest enrollment for any fall session as far back as we have any record. The lack of space has prevented the college from accepting other students. The college was forced to discontinue student enlistment six months before the opening in September. Ten states and one territory are represented by the full-time students now enrolled in Hannibal-LaGrange College. Thirteen religious denominations are represented in the student body.

Hannibal-LaGrange College has a stronger faculty than is usually found in colleges of this type. No teacher is employed until his credentials are approved by the Committee on Accredited Schools and Colleges of the University of Missouri. During the past year we have lost two very fine members of our faculty—Dr. Edwin G. Beck and Professor Randall Shields. Dr. Beck had taught biological science in Hannibal-LaGrange College for five years and left us to do research work in the University of Georgia. Professor Shields came to our campus in 1941, and has been with us ever since that time, except the time he spent in military service. He is interested in nuclear chemistry and had an opportunity to go to Oak Ridge, Tennessee, where he could do further study in this field while working toward his Doctor's degree in science. We regret to lose these fine teachers, but we are glad that the opportunity they wanted has come to them. Both of them stated that if they were going to continue in the teaching field they would certainly remain with Hannibal-LaGrange College.

Professor Joseph F. Noynaert has been selected to succeed Dr. Beck, and Mrs. Mildred Potter Drebenstedt has taken the place vacated by Professor Shields. Because of the increase in enrollment it has been necessary to add additional teachers. Dr. E. C. Christoferson has been secured to teach social sciences, and Miss Goldie Pitney has been secured as assistant teacher in the commercial department. We welcome these new teachers and appreciate the fine work they are doing. No other changes have been made in the faculty of the college during the past year.

There have been some additions to our college staff during the past year. Rev. W. M. Wigger resigned as missionary of the Hannibal District on June 1 to accept a position as Director of Public Relations for Hannibal-LaGrange College. He is rendering a very fine work in this field. Rev. A. J. Johnson, pastor for the last two years of Tenth Avenue Baptist Church, Tampa, Florida, has again joined the staff of Hannibal-LaGrange College as College Evangelist. He served for almost two years as college evangelist before going to Florida. Since his return he has been engaged in revival meetings part of the time and has also assisted in our financial campaign. Rev. Orval Hammon has recently accepted the call of the South Side Baptist Church, Hannibal, and will work part-time for the college. Rev. J. L. Pickett whose appointment as college evangelist was announced in our report one year ago still

continues with the college. All of these men are available to hold evangelistic meetings. Hannibal-LaGrange College believes in evangelism and seeks by the employment of evangelists to emphasize the importance of soul-winning. Some of our faculty members and all of our ministerial students and missionary volunteers also give considerable time to soul-winning.

Hannibal-LaGrange College requested, one year ago, that the Missouri Baptist General Association take steps to provide additional buildings on our campus. A resolution from the Board of Trustees of Hannibal-LaGrange College was presented, requesting that Missouri Baptists grant the college the privilege of a State-wide campaign in 1947. The resolution stated that Missouri Baptists have never conducted a building campaign for Hannibal-LaGrange College, nor permitted the college to conduct such a campaign. The request made last year for a special State-wide campaign was not granted. The Missouri Baptist General Association voted instead to conduct a campaign for $150,000.00, to be divided among five institutions and a headquarters building. Hannibal-LaGrange College has loyally supported the special campaign for $150,000.00. The Missouri Baptist General Association voted one year ago to allow Hannibal-LaGrange College the privilege of conducting a campaign of personal solicitation. In order not to interfere with the State-wide campaign for $150,000.00, the college has stayed out of the field and has made but very little effort to solicit funds. The college respectfully requests the prayerful consideration of Missouri Baptists to the needs of this institution. A loyal group of Baptists are making great sacrifices to try to hold the line for our Baptist cause in Northeast Missouri. The welfare of our Baptist work in that territory requires the maintenance of an adequate educational institution.

The college places much emphasis on religion. The following organizations are found on the campus at Hannibal-LaGrange College: Baptist Student Union, College Y.W.A., and Ministerial Alliance. Early morning prayer meetings and noon-day prayer meetings are maintained daily. A mid-week prayer service is held each Wednesday evning, on the campus, with both faculty members and students participating. The college is loyal to "the faith once delivered to the saints." We reaffirm our statement which was made in other annual reports to Missouri Baptists that the highest moral standards are maintained on the campus of Hannibal-LaGrange College. No student is allowed to indulge on this campus in drinking, profanity, smoking, card playing, dancing, or any other evils too prevalent in other schools. We hold that our so-called Christian colleges should be definitely and positively Christian in every respect. All prospective students are told about the high ideals of the college before they are permitted to enroll, and they are required to sign a pledge to observe the regulations before enrollment. Any student who fails to observe these regulations is promptly expelled.

With gratitude to God for His abundant mercy to us and with deep and abiding appreciation of the unfailing support of Missouri Baptists, we pledge ourselves to carry on faithfully in this task which has been committed to us.

ANNUAL REPORT MISSOURI BAPTIST HOSPITAL

Fiscal Year Ending June 30, 1947

As you study the statistics given below you will note that the fiscal year which ended June thirtieth, is the eighth consecutive year during which your hospital has rendered the greatest amount of service in its history.

138,223 days of hospital service was rendered, 11,859 patients were admitted, 6,360 surgical operations were performed, and 1,210 babies were born. Free service in the amount of $28,784.63 was rendered. (This does not include services rendered by our doctors which would amount to approximately $30,000).

The many physical improvements we have been able to make in our buildings and equipment have enabled us to greatly raise the quality of our service.

A personnel department, under the capable direction of Mrs. Bee Graham Buck, was opened in February. Employment practices have been standardized, a job analysis completed, and a job evaluation is now being made.

We were able to fill vacancies in key positions by persons already in our employ:

Upon the resignation of Miss Clara M. Miller, superintendent of nurses, Miss Ella Mae Gerhold, formerly director of education, accepted the greater responsibilities of superintendent of nurses; Miss Rosemary A. Kennedy, formerly our assistant dietitian, became our chief dietitian when Miss Lois Mae Scripter resigned from that position in May; and when Mrs. Phyllis Schulz resigned as our Record Librarian, Mrs. Alice Mantey who had been an assistant in that department accepted the position of head of the Medical Record Department.

Our Women's Auxiliary Board rendered an outstanding service during the year: More than $1,000 in cash contributions for the purchase of linens and linen articles were received; a beautiful new spinet piano was purchased for our nurses' home; 6,501 hours of service were given in our gauze room; a new electric sewing machine was purchased for the gauze room; Bibles were supplied for all beds; several hundred convalescent and sympathy cards were sent; and many acts of kindness too numerous to mention were performed. Baptist women all over the state prepared and sent us 129 barrels of fruits and vegetables.

All together it has been a good year—God has been very good to those of us who work here: the service we have been permitted to render, the friends we have made, the great privilege of working in a Christian institution of healing, and the joy of having performed our tasks to the very best of our ability.

C. E. COPELAND, *Superintendent*

ANNUAL REPORT MISSOURI BAPTIST CHILDREN'S HOME

Pattonville, Missouri

First of all we would express our deep gratitude to our Heavenly Father for His mercies and manifold blessings upon the children and those who labor to carry forward this work.

The health of the children has been average. Our two polio victims of last year show steady improvement. Jimmy Moore started back to school and has resumed normal living, walking with his sticks. Wayne O'Brien is still a patient at the Hospital but is improving. The Polio Foundation has borne all expenses of treatments for these two, and it deserves the generous support of our people for this wonderful work being done with afflicted children. We would again express gratitude to our Missouri Baptist Hospital for their services in illness and also in preventive measures.

Children cared for during the year 179
Children admitted during the year..... 50
Children dismissed during the year..... 31
Now in foster homes—we are still responsible.. 60

The children attend Pattonville schools which are in walking distance. Kindergarten, Grade and Junior-Senior High. They receive a fair share of school honors and participate in all activities, earning honor awards and school letters. Some were chosen to sing in the County Chorus at Kiel Auditorium, and because of their musical training in our Home, participated in musical activities in school. The older girls and boys participated in the program of our Southern Baptist Convention, and served as ushers and pages. We have two students in Hannibal-Lagrange Baptist College.

The children and staff attend Fee Fee Baptist church, help support it and participate in all of its activities. The older boys and girls are trained to serve as secretaries and help with the music in departments, sing in the choir and play for departments. The Educational Building is no doubt our greatest need, as the crowded conditions in the church building hinder the training program. The church is 67 years old and has only the basement space for the elementary departments. We have a great missions opportunity in the children. We believe the church membership could be increased until it would absorb the children and we would have leaders, if we had this building. We ask that you pray for this need to be met without undue delay. Our pledge of $10,000 for this building has been paid in full.

The 56th Annual Strawberry Festival set a new record. Approximately 4,000 people attended, receipts $1652.20 net.

April 1, 1946 marked the Sixtieth Anniversary of service to dependent children. Many generous gifts received from individuals dedicated to build a Memorial Cottage, total receipts $15418.30.

A Memorial Gift Fund has been established and dedicated to Building Fund. This grew out of the many gifts coming to us in memory of deceased persons sent in lieu of flowers. A Memorial Booklet is sent to the family of the deceased.

Building plans to meet present and future needs are on file awaiting the day when building may be undertaken. Plans are to extend the service to an additional 100 children. We have two groups of children now who need cottage homes. Our present buildings were erected 40 years ago. A program of repairs and general maintenance is necessary, and for improvements of property and grounds.

The cost of food has advanced, milk has advanced to more than $500 per month. The canned fruits and vegetables and other foods sent to the Home help to keep down our cash expenditures for food. We have raised hogs and gardens to this end.

We urge our churches to send us the Birthday Offerings as authorized by our State Plan of work. We furnish Birthday Greeting Cards and glass birthday banks for your use, and Birthday envelopes. *The Messenger* is mailed to 30,000 each month—we want to send this to every Baptist family in the State.

Recreational and social needs of the children are met through a program which includes previewed moving pictures in our Home, socials and playground activities. Friends have given valuable playground equipment, bicycles, roller skates, pony, etc. The children enjoy many cultural and educational advantages because of our nearness to St. Louis and the many courtesies offered them. They attend the church associational meetings, rallies, and are guests of various churches from time to time.

Our Outdoor Assembly Center draws large gatherings and many have visited the Home for the first time in this way. We urge our Baptist people to use this beautiful spot for inspirational meetings, Retreats, or picnics and see our Home.

We are mindful of the privilege and great opportunity and responsibility of this work, and constantly strive to be worthy of the trust as faithful stewards.

Respectfully submitted,

Edgar E. Blake, Superintendent

SUGGESTED ANNUAL REPORT THE HOME FOR AGED BAPTISTS

The Lord has safely guided us through another year for which we are indeed thankful and truly grateful. We realize more fully than ever that without Him we can do nothing, and that it is only in and through Him that we are able to carry on and continue this marvelous work of love.

We have done quite a bit of inside painting and repair work, but we have not been able to do what was so greatly needed due largely to the fact that we have been unable to get materials and workmen. Our Board has voted to proceed with this work and also the completion of the top story as soon as materials and workmen may be had. We feel quite sure that what we receive from the $150,000.00 Campaign that is now in progress added to what we now have will enable us to complete this top story. We will have an additional cost in the way of replacement work this year of $3,000.00 to $4,000.00 due to heating pipes, pressure pump, etc. having to be replaced and realigned.

Our help situation remains about the same as it has been the past few years, which means that we find it exceedingly difficult to secure efficient help.

We still have our two herds of cattle, the Guernsey Herd for dairy purposes, and the Milking Shorthorn Herd which serves as a dual purpose herd. The Guernseys furnish our dairy foundation,

and the Shorthorns furnish beef and supplement the milk supply. After a year or more of experience with the Shorthorns we feel that we have made no mistake in changing from the Whiteface to Milking Shorthorns, for they supplement our milk supply nicely.

We also have the herd of pure bred Duroc Hogs which supply us with abundance of pork, lard, etc.; and a nice flock of White Wyandotte hens which keeps us in fresh eggs. We also have a nice flock of some 450 young chickens. This flock will furnish us with fryers and a nice bunch of pullets for the winter.

The churches and different groups throughout the State have been very thoughtful and generous in sending in canned fruit and vegetables, so much so that we have been quite well supplied in that respect. In fact, our large Home family has been well provided and cared for the past year both materially and spiritually.

Visiting churches and different groups have rendered good religious services each Sunday afternoon and sometimes two or three times per week. We have Sunday School and preaching service every Sunday in our large spacious Chapel in the main building where all may attend, and prayer meeting twice a week; so the spiritual needs of our Home family also are well provided for here in the Home.

During the year we have cared for some eighty-two different individuals. Patients are admitted without money and without price. We do not receive boarding patients at all. If applicant chances to have a little property, he or she turns it into the Home, and we feel rightly so; but there is no entrance fee whatsoever. We receive patients in all sorts of physical conditions. Many come on crutches, some are carried in on stretchers, wheel chairs, etc.; but we do not receive mental or cancerous patients. Of course, we would much prefer patients who can take care of themselves; but we do not bar those who are helpless. In fact, they need the care worse than the others. However, we are quite limited as to the number of helpless cases we can accommodate. About one-third of our number are helpless wheel chair and bed patients, so much so that many have to be fed and cared for just like babies. Our death rate has been comparatively small during the year for which we are indeed thankful. There have been only fifteen deaths in the Home family during the past year.

We have been able to close another year with all debts paid and a balance in the treasury at the close of our fiscal year of $1,517.08. The expense for the year was $34,753.12. We received $20,358.42 through the Cooperative Program undesignated which is approximately $14,000.00 less than our operating expenses for the year. We are glad to report, however, that the difference was made up by special gifts and offerings by individuals, churches, Sunday School classes, etc. During the year the Anniversary Offering has been started which we feel in time will prove quite helpful to the Home. We would like to see the plan in operation in every church in the State. If your church has not adopted the plan, write for particulars.

Our Contractor has not been able to get the furnace installed to date, but the new boiler has been shipped; so we are hopeful that the job will be completed now within a few weeks.

We are beginning to realize on Wills made to the Home which is proving very helpful indeed. We would urge all friends to remember the Home in their Wills.

THE 1947 MINUTES OF THE MISSOURI MINISTERS' CONFERENCE MEETING AT MOBERLY, MISSOURI, OCTOBER 27 AND 28, 1947

Monday Afternoon

The meeting was called to order by the President, J. V. Carlisle, at 2:15 P. M. in the auditorium of the First Baptist Church in Moberly, Missouri. Brother Victor Connelly was at the piano and Brother W. D. Lawes led the singing. After the singing of the hymns, "Higher Ground" and "Love Divine," and a prayer by Pastor Hicks of Flat River the following program was carried out:

"Vital Doctrines in The Book of Acts," was discussed by Dr. Bradley Allison.

The hymn, "Wonderful Words of Life," was sung by the congregation.

"Effective Evangelism in The Book of Acts" was discussed by Dr. M. M. Barnett. In this first message of a series of two, Dr. Barnett centered the discussion around the evangelism of the Apostle Peter.

The following committees were appointed by the President:

1. Nominating Committee: James F. Heaton, Arthur H. Hicks, Glenn A. Irons.
2. Resolutions Committee: Ralph E. Williams, W. L. Watson, R. J. White.

After singing the hymn, "On Christ The Solid Rock," Dr. W. W. Adams, President of Central Seminary of Kansas City, spoke on the subject, "The Mission of Jesus," after which the conference adjourned to meet with the State Brotherhood Meeting at the evening hour.

Tuesday Morning

The meeting was opened at 9:30 A. M. with Dr. Glenn Farr at the organ, Victor Connelly at the piano and W. D. Lawes directing the singing.

"Effective Evangelism in The Book of Acts" was discussed by Dr. M. M. Barnett. In this second address Dr. Barnett centered his thoughts around the evangelism of the Apostle Paul.

"Prophetic Preaching for Today's World" was presented by Dr. Edward A. McDowell, Southern Seminary, Louisville, Ky.

During a brief business session the Nominating Committee and the Committee on Resolutions made their report. The reports will appear at the close of these proceedings. An offering was taken, totalling $54.18.

"The Message of Jesus" was the concluding address delivered by Dr. C. Oscar Johnson after which the conference adjourned to meet with the annual session of the Missouri Baptist General Association meeting in Moberly.

REPORT OF THE RESOLUTIONS COMMITTEE

We, the pastors of the Baptist Churches of Missouri, express our appreciation to the Baptist Churches of Moberly for their genuine hospitality and splendid arrangements for our meetings and comfort, and to our officers and program committee for a well balanced program, and to our speakers for spirit filled addresses.

We express our appreciation to the Moberly Monitor-Index for the splendid publicity they have given the Baptists now meeting in Moberly.

In these days of uncertainity it is important that the Missouri Baptist pastors continue in the faith of our fathers, keeping ever before our churches the cardinal doctrines of the New Testament.

Among the cardinal doctrines is the one of stewardship of life; and we urge our pastors to continue the campaign of tithing, because of the spiritual blessings that come to the individual and

to the cause of Christ; that our churches be led to continue faithfully the progress that has been made this year in the winning of the lost to Christ.

We, as pastors, resolve to be exemplary in our refusal to patronize places of business which sell intoxicating beverages; also, we resolve to lead our people in the fight against all forms of evil and to always exalt Christ.

Respectfully submitted by your committee:

RALPH E. WILLIAMS, Chairman
W. L. WATSON
ROBERT J. WHITE

REPORT OF THE NOMINATING COMMITTEE

President, J. V. Carlisle
Vice-President, E. A. Fordehase

Your Committee:

JAMES F. HEATON, Chairman

NOTE: May we suggest that in the preparation of the Church Letters that Clerks be very careful to record the name of every ordained Baptist Minister holding membership in the respective Church and give his address and "classification" as suggested at the opening of this list.

Those Ministers whom we know to still be in the Armed Forces as "Chaplains" have been carried on this list, giving the last address known to us.

Please notify the Secretary, Earl Harding, Warrensburg, Mo. if you know of names omitted and also see that the Church Letter from your Church contains the names and addresses of such persons.

Clerk's Comment: Stone County Association churches are in a bad way, especially in keeping and reporting accurate records. It is observed that their membership figures do not "balance." Other items are incompletely reported. We have a new missionary and a new clerk. We pledge ourselves to teach the churches how to keep and report records. We pledge ourselves to present a true and accurate report next year.—John B. Rollins, Clerk, Stone County Baptist Association.

*No authentic statistics.

NOTE: For the years 1917, 1918, 1919, and 1920, the statistics were compiled in the Headquarters Office at Kansas City. The report above records only the money sent by the churches to the Kansas City office, hence a much lower figure is given as compared to other years.

NOTE: In 1921, the present method of gathering statistics was adopted, viz., the statistical secretary of the General Association makes up the statistical tables from the church letters as sent in by the church clerks to the clerk of the district association who in turn forwards a church letter from each of the churches to the statistical secretary of the General Association.
