CONSTITUTION
of the
Missouri Baptist General Association

Article I—Name

This body shall be called the Missouri Baptist General Association.

Article II—Object

The object of the Association shall be to extend the Kingdom of our Lord Jesus Christ, to provide a convenient means for cooperation of the churches in their work and an efficient agency for their enlistment in Missions, Education and Benevolence.

Article III—Time and Place of Meeting

The General Association shall meet annually on Tuesday after the fourth Sunday in October at such hour and place as it may choose at the next preceding meeting.

Article IV—Membership

This Association shall be composed of accredited messengers as follows:

Section. 1. Any regular missionary Baptist Church in sympathy with the objects of the Association and desiring to cooperate with the Association shall be entitled to one messenger and one additional messenger for every one hundred members or fraction thereof above one hundred, provided that no church shall be entitled to have more than fifteen messengers.

Section. 2. Each Baptist District Association wishing to cooperate with the General Association shall be entitled to two messengers.

Article V

Relationship between Churches and General Association

Sec. 1. The relation between the General Association and the churches and associations shall be fraternal and cooperative. The General Association shall never exercise any authority over the churches nor do anything that would in any way interfere with their complete autonomy and independence as New Testament churches nor to limit the exercise of their freedom.

Sec. 2. The General Association shall always have the right to sit in judgment upon the qualification of its own members and may at any time decline to seat as a messenger any person who may be considered by the association disqualified on personal grounds or by reason of the character or attitude of the church or association from which such messengers shall come.

Article VI—Officers

The officers of this Association shall be a Moderator, Assistant Moderator, Recording Secretary and Statistical Secretary, who shall be chosen at each annual meeting provided that the office of Recording Secretary and Statistical Secretary may be held by one and the same person if deemed best. They shall serve from the close of the annual meeting of the Association at which they are elected until the close of the next annual meeting of the Association, or until their successors are elected. The Moderator may serve two years. He may be eligible to serve again after another or others have occupied the same position.

Article VII—Duties of Officers

Sec. 1. It shall be the duty of the Moderator to preside over the meetings of the Association, keep order, take the vote on all questions properly brought up and perform all other duties usually performed by a presiding officer.

Sec. 2. In the absence of the Moderator, or at his request, the Assistant Moderator shall serve as Moderator and perform all the duties of the office.

Sec. 3. It shall be the duty of the Secretary to keep correct minutes of all the proceedings of the meetings and prepare the same for publication. It shall be the duty of the Statistical Secretary to collect, digest, tabulate and present to the Association such statistics and data as will accurately convey to Missouri Baptists the work, and standing of the denomination within the state and to perform such other work in the line of statistics as the Association and the Executive Board may from

time to time require of him. Each of said secretaries may appoint such assistants to aid him in the performance of the duties of his office as he may desire.

Sec. 4. The officers of this Association shall be chosen by ballot, each messenger casting one ballot, a majority of the ballots cast being necessary for an election, provided, that when there is only one nomination the vote may be taken viva voce.

Article VIII—Executive Board

Sec. 1. Structure:

There shall be an executive board which shall be incorporated under the laws of Missouri under the corporate name of the Executive Board of the Missouri Baptist General Association, and shall have charge of the Missionary, Educational, and Benevolent work of the Association, and which shall be composed as follows:

a. The Board shall consist of fifty-one elected members. The Moderator and the Assistant Moderator of the General Association shall be ex-officio members with a voice but without vote. The term of each elected member shall be three years. One-third shall be elected in each annual session of the Association provided that at the annual session at which this revised Constitution is adopted, seventeen members shall be elected for a term of one year, seventeen members for a term of two years, and seventeen members for a term of three years. No church shall have more than one elected member on the Board at any one time, nor shall any member who has served two successive terms be eligible for re-election, until after the expiration of one Association year from the close of the second term in which he has served, and an unexpired term shall be construed as a whole term.

b. No salaried employee of this Board nor any employee of any institution fostered by this Board (or wife or husband of such employee) shall be a member thereof.

c. If a member shall miss two consecutive meetings without, in the judgment of the Board, a good and acceptable reason, his position on the Board shall be declared vacant.

d. Vacancies occurring in the Board during the year shall be filled by the Board until the next annual meeting of the Association.

Sec. 2. Organization:

The Board shall elect a Chairman, Vice-Chairman, and Recording Secretary who shall serve without pay. It shall also elect a Treasurer, who may be the Executive Secretary, who shall have custody of all the funds that may come into the possession of the Board; who shall disperse them only as directed by the Board for the purposes for which they were given; whose accounts shall be properly audited; and who shall give such bond as the Board shall require. The Treasurer of the Executive Board shall be the Treasurer of the General Association.

Sec. 3. Powers and Duties:

General

a. The Board shall determine the times and places of its meetings; adopt all necessary regulations for the conduct of its business; appoint such committees as it may deem wise, and shall report annually in writing to the General Association.

b. RECOMMENDATIONS OF THE ROYAL AMBASSADOR JOINT COMMITTEE TO THE MISSOURI BAPTIST GENERAL ASSOCIATION CONCERNING THE PURPOSE OF RA JOINT COMMITTEES; THE FUTURE PROMOTION OF ROYAL AMBASSADOR WORK ON A STATE LEVEL; AND THE FUTURE PROMOTION OF ROYAL AMBASSADOR WORK ON THE LOCAL AND ASSOCIATIONAL LEVELS.

(1.) The committee wishes to re-emphasize that the purpose for which it was appointed was to draw up recommendation for use in state-wide promotion of Royal Ambassador work. This the committee has done in close cooperation with the leaders in the Woman's Missionary Union and Brotherhood Departments. Although some difficulties have arisen in some associations and churches over the authority and functions of the joint-committee on these levels, the State Royal Ambassador Joint-Committee wishes to remind the committees on these levels that the authority for existence rests in the church and associations and that the purpose of the committees is simply to bring about the joint-promotion of Royal Ambassador work by both the Brotherhood and the Woman's Missionary Union.

(2.) The committee recommends to the Missouri Baptist General Association that the services of the State Royal Ambassador Joint-Committee be terminated on September 30, 1958.

The committee wishes also to recommend to the State Brotherhood Convention that a Royal Ambassador Promotion Committee be elected at its meeting in May, 1958, to assume responsibilities of state-wide Royal Ambassador planning on October 1, 1958.

(3.) The committee wishes to make these recommendations to all persons concerned with the future promotion of Royal Ambassador work on the local and associational levels:

(a) That sometime within the coming year every church and association which has a Brotherhood transfer complete responsibility to the men's organization except in cases where it is obvious that such action would be unwise.

(b) That in church and associations which have no Brotherhood organization the Woman's Missionary Union assume full responsibility for promotion of the work and the enlistment of Royal Ambassador leadership as in the past, but working toward the time when the men will take full responsibility for the organization.

(c) That in churches and associations

which have no Brotherhood organization, the Woman's Missionary Union and the Royal Ambassador leadership make arrangements for reporting membership and activities directly to the associational and state Brotherhood offices since Woman's Missionary Union makes no provision for Royal Ambassador reports in its record system.

(d) That every church and association assume a direct interest in the Royal Ambassador work and see that the boys in the organization have adequate leadership, regardless of whether it is sponsored by the Brotherhood or by Woman's Missionary Union, and that as soon as possible the entire leadership of the organization be taken by the Brotherhood.

To the Executive Board
Missouri Baptist General Association

I have examined the general balance sheet of the MISSOURI BAPTIST GENERAL ASSOCIATION, Jefferson City, Missouri, as of September 30, 1957, which includes

State Missions Fund
Word and Way Fund
Missouri Baptist Press Fund
Hollister Hill Assembly Fund
New Missions Advance and Reserve Fund

and relative statements of income, expense and general fund reserves for the fiscal year then ended. The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

The valuation of the following Properties and Intangibles was determined in prior years by the Executive Board of the MISSOURI BAPTIST GENERAL ASSOCIATION:

Chair of Bible Building, Cape Girardeau, Missouri
Springfield Student Center Property
Warrensburg Student Center Property
Hollister Hill Assembly Property
Goodwill of Word and Way

No independent investigation as to the basis of these valuations has been made and no documents were on file referring thereto.

In my opinion, subject to the preceding qualification and attached comments, the accompanying Balance Sheets and Statements of Income and Expense and Capital Reserves present fairly the position of the MISSOURI BAPTIST GENERAL ASSOCIATION at September 30, 1957, and the results of its operation for the fiscal year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

To the Executive Board
Missouri Baptist Foundation

I have examined the Balance Sheets of the General Fund, Trust and Agency Funds of the MISSOURI BAPTIST FOUNDATION, a Missouri Corporation, as of September 30, 1957, and the relative statements of income and receipts and disbursements of the various funds for the fiscal year then ended. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion, the accompanying Balance Sheets, Income and statements of receipts and disbursements present fairly the position of the MISSOURI BAPTIST FOUNDATION at September 30, 1957, and the results of its financial transactions for the year then ended, in conformity with generally accepted accounting principles, applied on a basis consistent with that of the preceding year.

October 25, 1957

Certified Public Accountant

AUDITOR'S COMMENT

ASSETS

The comparative summary that follows incorporates the assets of the General Fund and all other trust and agency funds and compares the assets of the entire MISSOURI BAPTIST FOUNDATION at September 30, 1957, with those of the prior year.

	September 30, 1957	1956	Increase
Cash on Hand and in Bank	$ 24,479.57	$ 34,110.99	$ (9,631.42)
Notes Receivable	199,214.59	170,261.65	28,952.94
Stocks and Bonds	953,209.27	368,741.66	584,467.61
Equipment Net and Other	989.48	1,150.77	(161.29)
TOTAL ASSETS	$1,177,892.91	$ 574,265.07	$ 603,627.84

The increase in net assets is the result of:

(1) Receipts of new gifts and trust funds in the amount of $577,173.40.

(2) Bank loan (on behalf of Missouri Baptist General Association) in the amount of $30,000.00.

(3) Distribution of prior year earnings less reinvestment of earnings in the amount of $3,545.56.

TOTAL CASH ON HAND AND IN BANK—$24,479.57

Cash in bank aggregating $23,368.24 at September 30, 1957, was verified by the depositary, and cash on hand of $1,111.33 was counted at the time of the examination.

Although the examination did not extend to a detailed check of all cash and other bookkeeping entries throughout the year, numerous vouchers and entries were scrutinized by me in connection therewith. To the extent that such vouchers and entries were examined and based on information and explanations obtained from the Executive Secretary, and employees of the Foundation, the accounts were found to be in order.

NOTES RECEIVABLE—$199,214.59

The notes represent monthly or semiannual installment type real estate mortgage loans. All loans were confirmed by direct correspondence with the debtors, and replies received indicated that the amounts are correctly stated. New loans made during this fiscal year amounted to $42,500.00. All new loans granted were approved by the Board of Trustees.

STOCKS AND BONDS—$953,209.27

All securities owned at September 30, 1957, were examined. Stocks and bonds acquired by purchase are carried at cost, while those received as gifts are valued at amounts agreed upon by the donor and the Board of Trustees at the time of receipts. However, the stocks belonging to the Missouri Baptist Children's Home were revalued to reflect the market value as of July 31, 1955, in compliance with the request of the Children's Home Board of Managers.

REPORT OF THE EXECUTIVE BOARD OF THE MISSOURI BAPTIST GENERAL ASSOCIATION

EARL HARDING, Executive Secretary

The Executive Board brings you an excellent report concerning the work of Missouri Baptists. Our churches are increasing their support for world missions through the Cooperative Program. A Cooperative Program goal of $2,500,000 is recommended for the year 1958. If every church will increase its percentage two to five per cent of the total budget to world missions through the Cooperative Program through 1964, much will be done to meet the needs in Missouri and around the world.

During the past associational year $1,853,151.91 has been received for world missions through the Cooperative Program and $750,985.78 through designated gifts for special causes. This is $217,273.79 increase in Cooperative Program gifts and $18,733.80 increase in designated gifts over 1956.

During the year 1957 the staff under the direction of the Executive Secretary at the Missouri Baptist Building has been organized into two sections—the administrative section and the departmental section. The section of administration is composed of the Missouri Baptist Press; Offices of Promotion and Publicity; Missions; Stewardship and Church Finance; Survey; Work with Negroes; and *The Word and Way*. Our seven departments promote the work of Evangelism, Brotherhood, Music Ministries, Sunday School, Student Work, Training Union, and Woman's Missionary Union.

We are grateful for the fine work that is being done by the Missouri Baptist Foundation under the leadership of Harry L. Cameron. More than $580,000 has been invested with the Foundation by one of our institutions during the past year.

Believing that we should attempt great things for God, the Executive Board recommends the following Cooperative Program goal and allocations for 1958:

WE RECOMMEND:

1. That all Missouri percentages be revised and adjusted year to year as the need arises.

*2. The capital needs items shall be accumulated only from the month by month excess of the amount needed to reach the minimum goal of $2,110,000.

**3. The bond issue for the Kansas City Hospital shall be a preferred item.

4. That the Children's Home Board give serious consideration to putting greater emphasis upon the Birthday Offering through the Sunday Schools of Missouri, and that they consider discontinuing the special Thanksgiving Offering at the earliest possible time.

5. That $9,000 be allocated to the Christian Civic Foundation of Missouri from the 1958 State Mission Offering. We further recommend that this item be reduced from year to year as our churches assume greater support in the overall finances of the Christian Civic Foundation.

6. That we allocate $2,000 out of the special State Mission Offering for 1958 for Protestants and Other Americans United for the Separation of Church and State

7. That we set aside $25,000 from the State Mission Offering for the Windermere Baptist Camp.

8. That the Board be instructed to review the budget in the mid-year meeting of the Board and make any necessary adjustments in accordance with good business procedure.

NEW ASSEMBLY GROUNDS

A committee of the Executive Board working with the Executive Secretary has completed the purchase of a 600 acre tract of land with 22 modern buildings as a nucleus for a great central assembly on the Lake of the Ozarks near Roach, Missouri. The assembly is reported to be one of the most beautiful spots in this section of the country. No doubt this will mean much to all Missouri Baptists in the years to come. It is hoped that the camp will be open next season and part of our leadership work will be conducted here.

RELIEF AND ANNUITY BOARD

In its 39 years of service to Southern Baptists, the Relief and Annuity Board has paid out in relief and retirement benefits close to $24½ million. During 1956 alone, these benefits totaled $1,946,654.83—received by approximately 4,600 retired ministers and denominational employees, and widows. Of this number, 1,474 were on the relief rolls.

New certificates issued during the year totaled 1,885, and at the close of 1956, there were nearly 19,000 Southern Baptists enrolled in all the plans of the Board, with over 18,000 churches cooperating.

The total of funds belonging to members of the various plans at the end of 1956 amounted to approximately $42 million.

Regional Promotion

A regional program of promotion employing field representatives was launched in November and December. In this new program, the field representative works cooperatively with the Relief and Annuity Board and the state conventions to enlist new members in the various retirement plans of the Board. At the present time 16 states are being served through this field work. R. C. Miller, Box 901, Miami, Oklahoma, is the field representative in Missouri and Oklahoma.

Age Security Plan for the Minister

In the latter part of 1956, a letter was written to ministers paying on the $4,000 maximum in one of the basic retirement plans advising them

of the opportuniy to supplement their present plan by adding the Age Security Plan. They were encouraged to pay 5% dues on what they make above $4,000. The church matches their dues in this two-way program. There is no maximum or minimum salary basis in the Age Security Plan, however, and the pastor and church may pay dues on his whole salary or only a portion of it.

Savings Annuity Plan

Increased promotion of the Savings Annuity Plan begun during the year is still bringing gratifying results. Money that is placed with the Board through this Plan earns 3% interest compounded semi-annually. The savings may be drawn out in a lump sum or used to purchase a retirement annuity, bringing a monthly income to the member until his death.

World Missions Conference in one association	

We attended and addressed the conference on survey in Atlanta, Georgia, last January and in the same week attended the meeting of the Advance Program committee. We attended also in January the conference on Schools of Missions in Biloxi, Mississippi. We attended in February the meetings of all the state Superintendents of Missions in our convention and all the Superintendents were in attendance.

We have conferred with two associations and arranged for them to form a unit of service with one Superintendent of Missions and they are now so functioning. We have conducted Church Finance Clinics in six associations for the Office of Stewardship and Church Finance.

THE 30,000 MOVEMENT

We have been promoting the 30,000 Movement in our state and in Iowa and at the end of August we had forty-one new churches and mission stations which is one above the proportionate number we should have according to our goal of sixty for the year. We have made a survey on a population basis of our state showing a need of four hundred additional churches and mission stations in Missouri and nearly seven hundred in Iowa.

PERSONNEL

It is a pleasure and a joy to have Everett Bryant associated with us in this Office of Missions and doing good work in conserving missions efforts out over the state. He has been able to save a number of our churches from anti-mission leadership.

We appreciate the constant and diligent efforts of our office secretary, Miss Carol Sanders.

SURVEY

We are almost constantly engaged in surveys of our state and consultations with our Superintendents of Missions in the various associations and units in an endeavor to locate needs and to direct adjustments. Brother Billy Hargrove, who has headed the Office of Survey for some months now, has worked very closely with us and has invited us several times to assist him in surveys in various parts of the state. He has given this office the benefit of any information and advice we need about new mission needs wherever he has found them.

SCHOOLS OF MISSIONS

Up to the close of September seven associations in the state have been engaged in Simultaneous Schools of Missions and eighteen more are scheduled to be conducting such campaigns before January 1, 1958.

It is a joy and a privilege to work together with all other personnel in state missions work under the leadership of Dr. Earl Harding, our capable and devoted Executive Secretary.

ASSOCIATIONAL MISSIONS

This office is happy to be associated with our Superintendents of Associational Missions over the state in kingdom service. We are happy to assist new Superintendents of Missions who are coming to the work for the first time with materials and with assistance in arranging programs and calendars and any sort of assistance we can give that will help them to make a good start. We hold ourselves always ready to work with our Associational Superintendents in any of their problems and opportunities where we can help.

RETREAT FOR SUPERINTENDENTS OF MISSIONS AND MODERATORS

Once each year in December it is our privilege to have fellowship with our Moderators and Superintendents of Missions at the annual retreat in Jefferson City and we are looking forward to a good program December 17-20 this year.

EXHIBIT III

MISSOURI BAPTIST PRESS

WALTER R. HERRINGTON
Manager

At the 1954 meeting of the Missouri Baptist General Association the Missouri Baptist Press was officially designated as a department of work. The Press was originally established for the purpose of printing the *Word and Way*. We now deliver to the mailing room of the *Word and Way* each week in excess of 54,000 copies. This makes up about threefourths of the work of the Press. We believe we produce one of the finest looking papers in all the Southern Baptist Convention.

We have one of the most modern printing plants in the state. It was our privilege this year to be able to print the associational minute books for many of our associations, as well as for associations in many of the states of the Southern Baptist Convention. Altogether we printed over 35,000 copies of 1956 Minute Books. We do practically all the printing for the departments at the Missouri Baptist Building. With our facilities and staff we are now in a position to help many of our churches, associations, and institutions in meeting their printing needs.

During the past year we worked over 18,500 man hours. We have used over 115 tons of paper and over 3,000 pounds of ink.

It will be of interest to some to know that Missouri Baptist Press uses more pounds of paper and ink than any other press in Jefferson City except one, and the local newspaper.

We are happy to note that each year an ever-increasing number are using our service. It is not the purpose of the Missouri Baptist Press to be a profit making institution; but rather to supply Missouri Baptists with the very best in printed publicity that we might use every means at our disposal to proclaim that, "Jesus is the Christ." We believe that the printed page can be a great force for good in the spreading of the Gospel message.

OFFICE OF PROMOTION AND PUBLICITY

LLOYD W. COLLINS, Director

The work of the Office of Promotion and Publicity which began in February 1956 and, in full operation during the entire 1956-57 Convention year, is described in the following summary:

1. This office promotes all phases of the total program of Missouri and Southern Baptists.
2. Maintains constant contact with publicity media of the state—newspapers, radio, TV, etc. Operates the official News agency of Missouri Baptist General Association under the designation, Missouri Baptist News (MBN), with more than 4,500 copies of official news releases per year.
3. Prepares, produces, and distributes nearly 700,000 pamphlets, brochures, publicity pieces, tracts, posters, and letters per year.
4. Originates and distributes Cooperative Program, State Missions, Calendar of Activities and other general promotional materials.
5. Prepares, edits, distributes Missouri Baptist statistics, Book of Reports, and the Missouri Baptist Annual.
6. Gives regular and constant assistance to offices and departments of Missouri Baptist work in preparation of brochures, tracts, packets, programs, posters, department papers, etc.
7. Handles the distribution of more than a million tracts—evangelism, missions, stewardship, etc.—per year.
8. Prepares and manages the large Missouri Baptist Exhibit at the Missouri State Fair where more than a half million people attended over a period of nine days. More than 20,000 persons went through the Exhibit this year besides many scores of thousands who received tracts outside the Exhibit and saw Missouri Baptist publicity.
9. Directs denominational representation at various meetings, especially the 82 annual meetings of associations — schedules, personnel, etc. In this connection, the Office of Promotion prepares the special annual packet distributed personally at the 82 associations to every person attending—about 18,000 packets involving the preparation ,assembly, and distribution of 150,000 pieces of promotional materials (including two booklets requiring a digest of 30,000 words of reports).
10. Directs exhibit of Missouri Baptist work at the annual meeting of Missouri Baptists; prepares, edits, distributes the Convention Daily newspaper; supervises several preliminary Convention arrangements and Convention press relations.

11. Prepares the "Missions in Missouri" section of the *Word and Way* each week (200 pages per year), which actually amounts to at least 300,000 reader-pages per week (15,000,000 reader-pages per year) of integrated promotion. Prepares the entire State Missions issue of the *Word and Way*.
12. Director assists in denominational conferences, clinics, stewardship revivals, evangelistic campaigns, and other types of meetings. Preaching and speaking engagements number around 275 per year.

EXHIBIT V

OFFICE OF STEWARDSHIP AND CHURCH FINANCE

W. H. ALLISON, Director

We are pleased to present the following report for the year 1956-57.

Much attention has been given to the New Forward Program of Church Finance. Since our last report we attended a Five Day Conference at Nashville pertaining to this program. This was the last of a series of three conferences on the same subject.

During January and February we attended and participated in Ten Divisional Forward Program of Church Finance Conferences.

Since this program is new in our midst it was necessary to prepare much of our own promotion materials such as; Suggested Agenda for Church Clinics. Missouri Baptist Giving Record. robotype letters to all pastors in associations where clinics are to be held, robotype letters to pastors in surrounding associations, printed invitations to leaders of finance in churches where clinics were to be held, enrollment cards for clinicians, letters to twenty-one associational superintendents proposing "demonstration" churches, articles for the Word and Way, materials for the special issue of the Word and Way of August 1, 1957, church finance evaluation sheet and church finance five year program.

Besides these we arranged for the faculty for thirty-nine Ten Hour Church Finance Clinics with a total attendance of more than three thousand. We also participated in most of these clinics. We are grateful to some of the other offices and departments here in the Baptist Building for their help in promoting this valuable program.

During the year our efforts in evangelism have resulted in twenty-eight baptisms, fourteen additions by letter and one hundred twenty-three new tithers.

We are deeply grateful for the privilege of conducting seventeen Associational-wide Simultaneous Stewardship Revivals. There were two hundred eighty-four churches participating in these with a total attendance of 89,651, thirty-one conversions, eleven baptisms and 2.567 new tithers.

We are indeed grateful for the privilege of serving our Lord with Missouri Baptists under the direction of our efficient and spirit-led Executive Secretary, Dr. Earl Harding.

Goals for the future:

1. An increase each year in each church of two to five percent of the total budget through the Cooperative Program for World Missions until a minimum of 30 per cent is reached.
2. More of our churches adopting and using the percentage budget.
3. An increased number of churches adopting and using the Forward Program of Church Finance.
4. To help churches with their fund raising problems for new buildings.
5. To continue the promotion and conducting of Simultaneous Weekend Stewardship Revivals.
6. To continue the production of helpful materials for the promotion of Stewardship and Church Finance throughout the state.
7. Continued cooperation with the State Board, every office and department of the Missouri Baptist General Association and the Southern Baptist Convention.

EXHIBIT VI

OFFICE OF SURVEY

BILLY T. HARGROVE
Director (Resigned)

The Director of the Office of Survey since January 1, 1957, Billy T. Hargrove, resigned effective November 15 to take up Survey work with the Southern Baptist Home Mission Board. His excellent work in Missouri is well known and is recognized by Southern Baptist leaders as outstanding in this important specialized field.

The work of the Office of Survey will be carried on now by the Office of Missions pending further developments in the work of survey.

A 7-month report shows—

62 local church field surveys organized and supervised

19 mission field surveys directed (during these surveys: 97 professions of faith, 41 letters, 60 rededications, 7 for special service)

134 speaking engagements, 28 associational conferences, 4 revivals, 2 associational Simultaneous Revival Crusades, 2 Stewardship Revivals.

Local Church Field Survey Program

PURPOSE:

1. Assist churches in discovering their possibilities.
2. Evaluate their efficiency.
3. Strengthen their organizations.
4. Plan new methods for reaching their potential in Kingdom service.

AIMS:

1. To discover the field.
2. To uncover and portray the possibilities so as to challenge the church.
3. To renew the love, personal pride, allegiance and loyalty of the members of their church.
4. To awaken the church to its fuller responsibilities.
5. To challenge the people to rise to the demands of their revealed opportunities.

RESULTS:

This program will produce good and lasting results in every phase of the life and the work of the church. The results will show up in Sunday School, Training Union, Woman's Missionary Union, Brotherhood, the music program, church records, visitation, community influence, evangelism and soul-winning, buildings and equipment, stewardship and missions, and a happier and more fruitful ministry.

EXHIBIT VII

OFFICE OF WORD AND WAY

H. H. McGINTY
Editor

The *Word and Way* has been the official journal of the Missouri Baptist General Association since January 1, 1946. The paper was founded in 1895 by Dr. S. M. Brown, and it was from his family that it was purchased by Missouri Baptists.

The primary function of the paper is to portray the unfolding story of Missouri Baptist work at home and, through its affiliation with the Southern Baptist Convention, around the world. Through various newsgathering media, it is possible to secure information on the progress of this work, and it is a summary of this story which the paper tells from week to week.

In addition, the paper also prints articles of inspirational and devotional nature, along with discussions of current questions and issues.

The editorial page undertakes to keep in review all important matters relating to Missouri Baptist churches and their members and to summarize and analyze the subjects and questions as they move into positions of importance. The overall purpose is that Missouri Baptists may be a well informed group of Christians, intelligently aware of what their denomination is doing and planning to do. This is an intriguing story, and it promises to be more and more so.

The present circulation is approximately 55,000. If the homes into which the paper goes each week were grouped together, they would comprise a city of approximately 220,000 people. Our purpose is to continue to increase its circulation with the goal that the Missouri Baptist paper shall go into every Baptist home.

There is only one way in which this can be done, and that is for each church to assume the responsibility for the circulation in its membership. This means that the church votes to send the paper to the homes of the people and provides an allocation in the budget or in some other way to defray the nominal cost, which is only $.12 per month for each subscriber. The payments can be made monthly so that there is no burden anywhere. This money is an investment in information about all the work and is a seed planted that brings forth more fruit. It is proven again and again that the paper more than pays its own way financially, to say nothing about its importance as a medium of information, inspiration, and unification.

The present personnel consists of an editor, an editorial assistant, a circulation assistant, and four mailing room employees. As individuals and as a staff, they are dedicated to the purpose of producing the best publication possible within the area of its possibilities.

OFFICE OF WORK WITH NEGROS

D. B. HOSKINS
Director

SCHOOLS

This year just closed has seen a marked increase in growth in this office of work with Negroes.

This year we had five Seminary Extension Centers in operation, with more than 200 students enrolled. This work was carried on in cooperation with Western Baptist Seminary of Kansas City. The schools were conducted in St. Louis, Kennett, Sikeston, Poplar Bluff and Caruthersville. Courses were offered in Bible, Preparation and Delivery of Sermons, English and Speech. Lay people followed courses offered by our Sunday School Board. Two of these centers had integrated student bodies.

CAMPS

Two highly successful youth camps were promoted by the Cape Girardeau Association and the North Missouri District Inter-Racial Federation. Over two hundred Negro youths were enrolled in these camps.

CHAIR OF BIBLE—LINCOLN UNIVERSITY

In October of 1956 the Chair of Bible and BSU program was begun at Lincoln University in Jefferson City. This program is co-sponsored by the Home Mission Board of the Southern Baptist Convention, Missouri Baptist General Association and the Missionary Baptist State Convention of Missouri. Each participating group is bearing a proportionate financial share of this great undertaking.

Rev. B. Daniel Clater, A.B., M.Ed., B.D., was called to lead this work among the 1067 students at Lincoln, 600 of whom are Baptist.

Two courses were offered in Bible and a very effective BSU program was put in operation. Rev. Clater has done a most excellent job in laying the foundation for a far-reaching program that will reach eventually into every District Association and local Baptist church in Missouri.

WESTERN BAPTIST SEMINARY

Help was again extended in the promotion of Western Baptist Seminary of Kansas City. We furnished them with a Teacher-Missionary, Dr. Tolbert Welch. Under his able ministry, the ministers and religious workers of Western received invaluable training. Dr. Welch also conducted Extension classes for residents of the Kansas City area.

Supplementation of $787 was given on another faculty member's salary. Eleven scholarships were given to students at Western and the majority of our associations allowed time at their annual meetings for a representative of the school to speak and receive an offering for its support.

Western Baptist Seminary fills a very great need for Missouri, Kansas and Iowa. The Trustee Board has given whole-hearted support to the office of Work with Negroes. This school deserves our prayers and financial support.

NEWSPAPER "TOGETHER"

Beginning in May of 1957 this office issued the first edition of the monthly publication "TOGETHER."

The title of this newspaper is descriptive of its purpose. It is to be used to promote the work of this office and of the Negro Baptist conventions of Missouri. It is sent to every pastor, missionary and moderator of the state, both Negro and white, and to many others whose work is connected with this office such as the WMU associational presidents and inter-racial councils.

INSTITUTES

Twenty-five institutes were conducted last year by this office with an attendance of more than two thousand. These institutes covered every phase of the work with Negroes and greatly contributed to a better understanding between our Baptist peoples.

SUMMER WORKER PROGRAM

This year for the first time this office participated in our Home Mission Board Summer Worker Program. We were blessed by having a young Negro Seminary Student from American Baptist Theological Seminary, Nashville, Tenn., Rev. Negil L. McPherson, to be our worker in the Southeast Missouri District, Rev. G. L. Gladney, Moderator.

FOUNDATION OF STATE JOINT COMMITTEE

This year marked the beginning of the State Joint Committee of Negro and white Baptists to promote all the work done together in Missouri.

This committee met in Jefferson City in August and elected Dr. Victor Wells as Chairman and Mrs. Nell Pauley as Secretary. Meetings will be held from time to time as the need arises to counsel with the Director of Work with Negroes.

SOUTHEAST MISSOURI INTER-RACIAL INSTITUTE

In February of this year the annual Southeast Missouri Inter-Racial Institute was held in Poplar Bluff. There were more than 300 in attendance at the day and evening sessions.

This program has done much in recent years to bring a closer fellowship between the Baptists of Missouri. The leaders and lay people are to be congratulated for their fine cooperation.

THE FUTURE

In this department, as in all others, we need the help of every Baptist if our Lord's commission is to be accomplished. We covet your prayers as we try to bring about a better understanding between our Negro brethren and ourselves.

This divisional set-up for promotion is really doing wonders under the leadership of H. V. Windsor, Promotional Vice-president, and his divisional chairmen. Already we see a marked advance in the whole Brotherhood structure in the state.

SOME MARKS OF PROGRESS

In addition to the new impetus which has come from the setting up of the divisional organization, we have had the encouragement and help of the four Pastors and the four Superintendents of Missions which were elected to advise and counsel with the men. Then added to these advancements, the men over the state have a better understanding of the purpose, organization and work of the Brotherhood because of the new "Guide for the Missouri Baptist Brotherhood Convention" which was adopted at the last State Convention meeting and widely distributed throughout the state.

We registered 600 men at the annual meeting *in Kansas City last May. We had 275 men* from Missouri who attended and registered at the first National Conference for Baptist Men which met in Oklahoma City September 18-20, 1957. We had all but one of our state convention officers present along with nine out of 11 Divisional Promotional Chairmen present. We had 208 at our Missouri Breakfast Friday morning with Dr. Earl Harding delivering the inspirational message. There was a total of 6,128 men at the conference.

Since our last report, we have seen 68 new Brotherhoods organized, 7 Brotherhoods revived, and reorganized, 12 Associational Brotherhood Clinics conducted, 8 Associational and District Brotherhood Retreats, 10 Brotherhood-sponsored revivals and 4 Man and Boy Movement Awards.

SOME THINGS FOR THE FUTURE

1. MERIT and ACHIEVEMENT AWARDS: We have just received fresh off the press two beautiful certificates for Brotherhood work in Missouri. One of them is for any man who will complete the book, "Brotherhood Guidebook," or the book, "A Million Men for Christ," or any other recognized Southern Baptist study course book that might apply to men and their church. The book to be taught by the Pastor and the award made to each one making a passing grade. Then we have a beautiful certificate which may be issued to a Baptist man for outstand-

ing service in the local church. the Association or in the state.

2. We want 1,000 men to attend the twelfth Annual Brotherhood Convention at Hannibal, Missouri, May 1-2, 1958.
3. We would hope and pray that every church Brotherhood and every Associational Brotherhood would complete their full list of officers.
4. THE FIRST STATE-WIDE BROTHERHOOD AND ROYAL AMBASSADOR LEADERSHIP CAMP which may be held at beautiful CAMP WINDERMERE, October 2-4, 1958. We hope that we can have at least 100 men in attendance at this camp.

–ROYAL AMBASSADOR WORK–

Royal Ambassador Leadership Training Program

The Royal Ambassador Basic Leadership Course, developed in 1956, has now been taught twenty-four times in Missouri, twenty-one of which were in the period covered by this report. The course has now been taught in nineteen associations with approximately 750 persons attending at least one-half of the required time. One hundred-seventy have now received the certificates for completion of all requirements of the course.

Royal Ambassador Standard Leadership Course

The Standard Leadership Course has been developed for use in Missouri pending completion of the course now being developed by the Brotherhood Commission offices in Memphis, Tennessee.

The Missouri Standard Course was taught for the first time in May at the State Leadership Camp. Three of the eight men who attended have received certificates for completion of all requirements. They are: Rev. Howard Lewis, Deepwater; Mr. Donald Bradley, St. Louis; and Rev. L. A. Greene, Springfield.

Royal Ambassador Leadership Camp

At the 1957 State Leadership Camp May 16-18 held at Knob Noster State Park there were thirty-six in attendance for Basic and Standard Leadership Course, conferences in handcraft, recreation, water safety, first aid, conservation and mission study from the Bible.

STATE ROYAL AMBASSADOR CAMPS

This is the third year in succession that attendance at State Royal Ambassador Camps has decreased. The Royal Ambassador office personnel is continuing to study the situation to discover the causes. In light of the growth in membership and the advancement of the program in other phases it does not seem logical that state camp attendance would continually grow smaller. It is hoped that the possible change of location of the camps to Camp Windermere in 1958 will reverse the trend.

STATE ROYAL AMBASSADOR CONGRESS

The success of the State Royal Ambassador Congress continues to be a source of amazement to many. The third congress was held in Sedalia April 19-20. Following the experience of 1956 when almost 1800 attended it was the decision of the planning committee that attendance be limited to 1000 since the auditorium in Sedalia would seat only that many. So, the requirement was made that only those who had passed at least the rank of Page would be allowed to attend. The total attendance: 1,060. Fifteen chapters received special awards for having 100 per cent attendance. The award for the farthest distance travelled to attend went to the boys from First Baptist Church, Sikeston. The award to the largest attendance (17 members) went to the Intermediate chapter from First Baptist Church, Cabool.

GOALS FOR 1957-58

1. Organize 100 new Royal Ambassador chapters during the year.
2. Lead every association in having an elected Royal Ambassador leader to direct the work on the associational level.
3. Organize and lead 25 associations to have functioning Royal Ambassador Conclaves with regular quarterly meetings.
4. Have 1500 in attendance at the State Royal Ambassador Congress in Springfield, April 4-5, 1958.
5. Have 100 Juniors and 100 Intermediates at the State Royal Ambassador Camps. We hope to have these camps at Camp Windermere, June 16-21 and June 23-28, 1958.
6. Have at least 300 from Missouri to attend the convention-wide Royal Ambassador Congress in Fort Worth, Texas, August 12-14, 1958.
7. Have at least 75 counselors and associational Royal Ambassador leaders in attendance at the state Leadership Camp, October 2, 3, and 4, 1958.
8. Have the Royal Ambassador Basic Leadership Course taught by approved teachers in 50 per cent of the associations where it has not been taught before.

We covet your prayers and patience.

EXHIBIT X

DEPARTMENT OF CHURCH MUSIC

DALE BRUBAKER
Secretary

This department came into being in June, 1950. The seven years of work in church music ministry have brought advances in several ways. More people see the need for improvement. Recognition of need brings desire. Desire fosters investigation and study. Study provides knowledge, vision and training. These have led in many areas to the adoption of plans and methods that make possible an effective ministry to the entire congregation through music.

Grateful as we are for every good work, these improvements must be multiplied many times before a desirable goal is attained in the statewide picture. More churches have been and still more are seeking music workers. There is still an insufficient number of people in training to meet the need.

The Church Music Ministry presents a splendid opportunity to those seeking a life work. We urge pastors and all church leaders to place this challenging vocation before young people. God will call them and they will respond if and when we enable them to understand needs and possibilities.

CHURCH MUSIC SCHOOLS

With the great problem of training music workers comes the inevitable question, How? It is certain that much of the work done through music must be done by local people in the local church. Some of these people can attend associational, statewide or conventionwide church music conferences. Yet experience has proved that if large numbers of people are to be reached, information or instruction must be taken *where the people are.* The Church Music School held in and conducted by the local church can be the answer in many instances. Many churches have already seized upon this opportunity. More need to study the possibilities. Using the church music training texts the average musician can be quite helpful in teaching others. It will be even more helpful if those planning to teach in local schools will attend conferences where teachers are taught how to teach.

Plan a local Church Music School. Write this Department for help.

Growth of the work in other areas and demands on time for other activities have made it possible to work personally in just a few associational church music schools. However, a number of associations have held schools using local or other outside talent. This department is prepared at any time to assist with plans, and to help enlist workers to conduct training schools. There is even a plan whereby this department can underwrite the expense of such projects. Write for details concerning this plan.

STATE-WIDE CHURCH MUSIC CONFERENCES

Three Youth Church Music Conferences were held during the summer months, one at each of our Baptist colleges. The ninth annual Music Leadership Week was held at Hollister. The conference theme in each case was, "Word of God Across the Ages," based on the hymn bearing that title. In each conference there was a conference choir and a conference orchestra. The highlight of the week's work in each case was the worship service through instrumental music, scripture and song on the last evening of the conference.

At Hollister, Mr. R. Paul Green, Fort Worth, directed the choir. The orchestra was directed by Mr. Joe E. Proctor, Raytown, Mo. Other out-of-state faculty members were Dr. Charles A. McGlon, Louisville, and Miss Nettie Lou Crowder.

In the Youth Church Music Conferences faculty personnel was made up of music instructors in the colleges and selected ministers of music from varied areas of the state. At William Jewell College, Gene Phelps directed the choir; Edward Lakin, the orchestra. In the conference at Southwest Baptist College, W. L. Hooper was the choir director and Don Marlow conducted the orchestra. Mrs. Walter Clark directed the choir at Hannibal and Rev. W. E. Sutterfield the orchestra.

Classes and conferences covering every phase of church music work were offered in these conferences. There was a variety of choice in some instances. Interest and cooperation were excellent. The quality of work on the part of faculty and conferees was very high.

ASSOCIATIONAL WORK

Plans are well under way in associational organization. An all-out effort is being made to discover and train people in every association who will promote church music ministry throughout the association. The preparation meeting for this effort was held in Jefferson City. Selected music workers received training in conducting planning meetings in associations. Most of these will be held the first two weeks in November. This should strengthen the work of the association and help every church in the area.

THE CHURCH MUSIC MANUAL

The Church Music Manual by Dr. W. Hines Sims is our newest church music training course textbook. It is the blueprint for an effective church music ministry in any church, regardless of the size of its membership. It is the result of many years' study and research.

EVERY PASTOR IS URGED TO STUDY IT, TEACH IT, FOLLOW IT.

It will open the door to a new day in church music ministry for many churches.

SERVICES AVAILABLE

This department is a part of the Missouri Baptist Mission Program. Every church in the state association has a part in providing for its needs. In turn, every church is entitled to any service available through it. Use it! Write concerning your music needs and problems. We'll do our best to be helpful.

DEPARTMENT OF EVANGELISM

EUGENE T. PRATT
Secretary

The 1957 state-wide Evangelistic Conference registered 916 and was one of the best. The new Secretary of Evangelism came to the office January 15, 1957. On the associational level emphasis is now being placed on an annual simultaneous revival, an annual clinic on evangelism and the starting of new preaching points. A ten-point program of evangelism for the church is being suggested for 1958. It includes participation in Soul Winning Commitment Day, January 5, 1958, a current religious census, two revivals, a mission revival, a training school in evangelism, use of all of the organizations of the church in evangelism, weekly soul winning visitation, the pastor in attendance at the state Evangelistic Conference, a new members' class, and preparation for the nation-wide crusade in 1959. The motto for 1958 is "Every Baptist a Personal Soul Winner."

In 1958 Missouri Baptists must carefully prepare for the first year of the Baptist Jubilee Advance program. In 1959 Baptist groups in this country and in Canada will have as their motto, "Evangelism Through Cooperative Witness." Our objective will be to get the Gospel to every lost person in this nation. The program for the first year of the Jubilee Advance includes:

1. December 31, 1958—Watch night service built around our 1959 evangelistic objective.
2. A nation-wide simultaneous crusade:—Churches south of the Missouri River March 15-29 and north of the River April 12-26.
3. An evangelistic mission to college and university campuses.

EXHIBIT XII

MISSOURI BAPTIST FOUNDATION

HARRY L. CAMERON
Executive Secretary

We express our gratitude to God for his many blessings as we bring the report of the Missouri Baptist Foundation. The Foundation is a service institution dedicated to the task of undergirding, building and making more secure the institutions, agencies and activities of the denomination supported or approved by the Missouri Baptist General Association. Since the Foundation seeks to give support to all our work, it is the prayer of the trustees that Missouri Baptists will seek to acquaint every church member with it by promoting its work through the church and the association.

Your Foundation, chartered August 15, 1946, by the Missouri Baptist General Association, is serving Hannibal-LaGrange, Southwest, and William Jewell Colleges, the Children's Home, Home for the Aged and the Hospitals in addition to the Cooperative Program including State, Home, and Foreign Missions.

The present value of the securities held by the Foundation is now in excess of $1,128,000.00. These reserves are invested after careful study and competent counsel by your Board of eight Trustees. We encourage Baptists everywhere to take advantage of the glorious Christian privilege of putting a portion of God's blessings to work for Him by making a Will, establishing a trust annuity, or making a gift to the Foundation to support our colleges, hospitals, the Home for the Aged, Children's Home, or the cause of missions, State, Home, and Foreign.

Four of our institutions have all their endowments administered by the Foundation and we urge all of our institutions to place their endowments in the Foundation. During the past year, a number of wills and annuity contracts have been executed in favor of the Foundation. This, alone, represents several thousand dollars and their worth will be realized by Missouri Baptists in the years ahead. Trusts, annuities, and endowments which have been established with the Foundation in the past year amount to approximately $580,000.00.

The full audit of the Foundation books will be found in the minutes of the Missouri Baptist

General Association. The approximately $1,156,-100.00 in assets shown on the books is not all that Missouri Baptists possess through their Foundation. There are two farms and two residence properties which have been deeded to the Foundation which are Baptist property, but because life estates have been retained by the donors, the value of these is not placed on our books. No value can be placed on our books concerning the more than one hundred fifty wills which we have on file which have been made out to our Missouri Baptist institutions. Certainly they represent many thousands of dollars in assets to the future of Missouri Baptists' program.

We deeply appreciate the cooperation, loyalty and friendship of our Baptist people throughout our state. In all humility we pay tribute to the continual guidance of Him whose presence is felt in a very real way as we go about the task of undergirding our institutions and agencies to the end that the message of Christ may be sent, with strength, to the end of the earth. Missouri Baptists are on the march for the cause of Christ, and we have a great responsibility. Your Missouri Baptist Foundation stands ready to serve you.

DEPARTMENT OF STUDENT WORK

ELGIN LEE
Secretary

Missouri Baptists are attempting to minister to the spiritual needs of 8600 Baptist college students in an effort to conserve them for Christian leadership. The Baptist Student Union seeks to make college life Christian by encouraging every Baptist student to be actively enlisted in church membership. We seek to do these things through the following media.

The following 16 directors of student activity supervise the work of the 24 active Baptist Student Union councils on the campuses in our state: Miss Shirley Forsen, S.W.B.C., Bolivar; Dr. and Mrs. Thomas S. Messer, S.E.M.S., Cape Girardeau; Dr. Fred E. Neiger, M.U., Columbia; Miss LaVeta Ligon, H-LG, Hannibal; Miss Anderine Farmer, Kansas City; Dr. John C. Fox, N.E.M.S., Kirksville; Miss Betsy Ann Morgan, W.J.C., Liberty; Rev. Donald Evans, N.W.M.S., Maryville; Dr. Cilfford Ingle and Rev. Hayward Barnett, Springfield; Rev. Robert H. Craft, St. Louis; Dr. and Mrs. Curtis A. Hutcherson, C.M.S.C., Warrensburg; Rev. B. Daniel Clater, L.U., Jefferson City and Mr. Bill Thomas, M.S.M., Rolla.

Elected to head the State B.S.U. Council for 1957-58 were Russell Keeling, S.M.S., President; Geneva Billings, C.M.S.C., Vice President; Johanna Osborn, S.E.M.S., Enlistment Chairman; Bob Vegiard, K.C.U., Devotional Chairman; Geneva Metzger, M.U., Social Chairman; Walter Rinehart, M.S.M., Christian Citizenship; John Graham, N.E.M.S., Ridgecrest and Glorieta Representative; Betty Shaefer, H-LG, Secretary; Jerry Webb, S.W.B.C., Music Director; Paul Smith, W.U., Pianist; Dr. David Moore, W.J.C., Faculty advisor and Rev. Ernest Waite, Warrensburg, Pastor Advisor.

This year, $4636.27 was sacrificially given by Missouri's Baptist college students: to assist with Hawaiian student missions, B.S.U. work among Negro students and to send the following 14 summer student missionaries: Bessie St. Clair, H.T.C., to Hawaii; Rosanne Osborne, S.W.B.C., to Old Mexico; Nancy DuBois, W.J.C., to New Mexico; Marlene Smith, S.W.B.C., to Oklahoma; Boyd Eversole, C.M.S.C., and John Graham, N.E.M.S., to Alaska; Jane Cooper, S.E.M.S., Geneva Metzger, M.U., Ruth Ann Perine, H-LG, and Russell Segner, K.C.Jr.C., to Washington-Oregon; and Ed. Damer, W.J.C., Bob Richardson, W.J.C., Bedonna Gutshall, N.E.M.S., and Beverly Yackey, H.T.C, in Missouri.

During the past year ,student meetings were well attended. Last November, the State B.S.U. Convention at the Glenstone Baptist Church in Springfield registered 762. One hundred seven attended the Thanksgiving International Retreat at Drury College in Springfield. In December, the World Missions Congress attracted 143 Missourians. Eight of our directors attended a seminar in Kentucky in March. At our Spring Retreat, 330 officers from 22 campuses were registered. Forty-three students and directors, including a 25-voice choir, attended Ridgecrest in June. In July, 9 directors studied in Nashville and 62 students attended Glorieta's student week.

The most important future state BSU meetings and events are: State Student Convention, Third Baptist Church, St. Louis, November 1-3; Mo.-Kansas International Retreat, St. Louis, November 28-30; Student Night at Christmas, December 29; B.S.U. Spring Retreat, Lake Ozark, May 2-4; Ridgecrest Student Week, June 5-11; BAPTIST YOUTH WORLD CONFERENCE, Toronto, Canada, June 27-July 2; Glorieta Student Week, August 21-27; Off-to-College Day, August 24 and Join-the-Church Day, September 21.

SOUTHEAST MISSOURI STATE COLLEGE

Cape Girardeau, Dr. Thomas S. Messer, Director
Mrs. Thomas S. Messer, Associate

This has been an eventful year for us in many ways. For the third consecutive year the Baptist

Student Union has achieved First Magnitude, B.S.U.'s highest award. A total of 294 students took courses in Bible. Of this number, 186 were college students and 108 were seminary extension students. Seventy of these were ministerial students. Two seminary extension students received the Certificate in Pastoral Training. Students gave $1000 to missions, including $300 for the Lottie Moon Christmas Offering. For the second year B.S.U. produced "Spirit of B.S.U.," a weekly devotional broadcast heard over two southeast Missouri stations. Three students served as staff members at Ridgecrest ,while another served at Glorieta. Three students served as summer missionaries, two of whom were sent by the Home Mission Board. As the new school session opens we will have at least 9 graduates attending four of our Baptist theological seminaries. On September 20, the new organ for Fluhrer Memorial Chapel was dedicated, and a sacred concert was presented. The organ is a gift of Mrs. Charles F. Fluhrer of Cape Girardeau. Other activities include a daily chapel service, an active Y.W.A. organization, and a Ministerial Association.

CENTRAL MISSOURI STATE COLLEGE

Warrensburg
Dr. Curtis A. Hutcherson, Director
Mrs. Curtis A. Hutcherson, Associate

During the year 464 regular college students enrolled in the Bible classes and received full college credit. Other activities included: sermons preached, 61; special talks and addresses, 13; study courses taught, 6; B.S.U. Retreats and Conventions attended by both the director and associate, 6, which included Glorieta Student Retreat and the World Missions Congress, the Southern Baptist Convention and the associate attended the Directors' Workshop in Nashville.

The need for classroom and assembly space has become critical. Each term during the year it was necessary to close one or more of the Bible classes due to lack of space. The college administration is preparing for 1000 freshmen for the fall term. Judging by past proportion, this will mean that around 250 of these students will be Baptist and that in all probability the number of Baptist and Baptist preference students will exceed 700. The average for this year was 489. Again and again the assembly space was crowded to capacity for Vespers and other B.S.U. meetings. These situations indicate the immediate need for a larger classroom and an adequate chapel.

The B.S.U. program experienced a year of splendid growth and challenging activity. The revival teams were in great demand and numerous other services of various types were conducted by the students. From our campus 9 attended Glorieta Student Retreat, 45 the State B.S.U. Convention and 21 the World Missions Congress. Perhaps the crowning events of the year were the mission offering of $1060 and the Campus Spring Retreat with the theme, "Christ—and My Future."

MISSOURI UNIVERSITY, Columbia

Dr. Fred E. Neiger, Director

More students than ever before enrolled for credit in Bible courses for the year 1956-57. Last fall there were 130, this spring 145, and this summer 55, making a total of 330 for the two regular semesters and the summer session. There has been an increasing interest in these courses on the part of students of other faith. This increase of interest is encouraging because there is on the campus another institution for the teaching of Bible courses. It recently celebrated its 60th anniversary. These courses, as ours, are fully accredited by the University of Missouri, which will accept 14 hours of Bible toward a degree.

The student activities program has been encouraging also. There has been an increase in attendance in every phase of the work. One very encouraging fact is the large number of freshman enlisted this year. They have given all of us added zest and we look forward to next fall with great anticipation.

Our missions offering was the largest ever—a total of $1067.42. This is divided 50% Summer Missions, 30% Lottie Moon, 20% Annie Armstrong.

SOUTHWEST MISSOURI STATE

Springfield, Dr. Clifford Ingle, Director
Rev. Hayward Barnett, Associate

With gratitude to God for his blessings and to Missouri Baptists for their vision and financial assistance, we have seen the realization of a dream—a new and adequate Baptist Student Building in Springfield. On March 31, 1957, the new building was dedicated. Dr. G. Kearnie Keegan brought the dedicatory address. Because of the building, our Baptist position has been greatly enhanced in Springfield. Several out-of-state guests to our center have expressed the opinion that it is one of the most aesthetically beautiful, adequate, and best located Student Centers in the Southern Baptist Convention. The building has two floors which include: chapel-classroom (seating capacity 167), select library, two lounge and reception areas, complete cafeteria and dining area, recreational facilities, music room, prayer chapel, offices, workroom and the Greene County Superintendent of Missions' office (paid for by Greene County Baptists).

This past school year, 571 students have enrolled in Bible courses. Sixty-three pastors and other Christian workers have been enrolled in Seminary Extension courses.

There are five active B.S.U.'s in Springfield, including those in the two high schools. The number of students indicating a Baptist preference in the 3 colleges is 1100. Of this number, only about 700 are Southern Baptist. Of the seven hundred, 300 are members of local churches or commute daily. Each Baptist student union has either a daily or weekly devotional service. An average of 75 students attend these meetings. Ten week-end revival teams were sent out this year. Other extension projects were a monthly devotional service at the county rest farm, purchase of foreign language Bibles for distribution to International students and special music provided when requested. Springfield's B.S.U.'s cooperated with the State and Southwide Student Departments in being represented at the Southwide Assemblies with 15 students, the State B.S.U. Convention with 85 students, the Student World Missions Congress with 8 students and the State Spring Retreat with 30 students. About 30 students are planning to enter a church-related vocation.

* * * * * *

We are thankful that we have had a minimum of turnover in our personnel. Rev. Wilmer K. Calvin resigned to become pastor of the Queen City Baptist Church and Miss Betsy Ann Morgan took a leave of absence to continue her education at Union Theological Seminary in New York. On September 2, Mr. Bill Thomas at M.S.M., Rolla, and Rev. Donald Evans at N.W.M.S., Maryville, assumed their duties as directors of student activity.

Our immediate future plans include: employing an associate student director at Columbia, employing a professor of Bible at Kirksville and establishing Baptist Student Centers at Kirksville and Rolla.

On behalf of our college students and workers, I wish to thank Missouri Baptists for making it possible for us to help prepare tomorrow's leaders. We earnestly covet your prayers for this vital group in our denominational life.

EXHIBIT XIV

DEPARTMENT OF SUNDAY SCHOOL

ARTHUR R. HICKS
Secretary

More than 400,000 Missouri Baptists are coming to see that the Sunday School is the most effective tool at hand with which to build churches. Last year's reported enrolment was 332,800. we anxiously await the results of this year's efforts.

The ministry and influence of our department's work we feel is felt in three broad areas—(1) the enlisting of every member of every available family in Bible study, (2) helping our churches enlist and train enough workers to do the job, (3) showing the churches how to use the Sunday school to further every phase of the work of the church.

The demands upon our department's time and energies are great, but we thank God for the opportunity to serve Him and are grateful for the confidence, cooperation, and support of our people over the state.

While the importance of Sunday School work cannot for a moment be over-emphasized, we know that Missouri Baptists will make greater gains as we work together strengthening every phase of our total work. Again this year, therefore, it is a privilege to pledge to our Executive Secretary, to our State Board, and to all other departments of our work our continued cooperation and support with reference to the total program of Missouri Baptists.

Department Personnel

We are pleased indeed to number four this year in our department instead of three. The steady expansion of our Sunday School work has indicated for some time the need of another full-time denominational Sunday School worker. Since this department's last annual report, therefore, our Executive Board called Rev. Chester A. Holley to serve as an associate to the department secretary. Brother Holley, coming to us from the pastorate of First Baptist Church, Richland, Missouri, holds both theological and religious education degrees from Southwestern Seminary at Fort Worth. He began his service with our department on July 1, 1957.

Henry Arthur Selves continues his valuable service as a full-time worker in the field.

Miss Wanda Blumhost is our valued and effective office secretary.

We are happy to list here the following state-approved and qualified workers, ordained and lay, who with others not named are sacrificially and nobly assisting our department in Sunday School work of every type: Mrs. J. F. Ballak, Clayton; Mrs. H. L. Bruns, St. Louis; Miss Beulah Jenkins, Kansas City; Mrs. Marvin Moore, Kansas City; Mrs. Gordon Goodier, St. Louis; Mrs. Dale Wardlaw, Springfield; Mrs. Lowell Bowen, St. Joseph; Mrs. Ira Keeney, St. Louis; Mrs. Robert Prescott, Springfield; Mrs. Percy Herring, Hayti; Mrs. Fred Doehring, Holt Summit; Mrs. C. M. Allen, Kansas City; Mrs. H. J. Carlson, Flat River; Mrs. J. H. Boswell, Springfield; Mrs. A. R Hicks, Jefferson City; Mrs. D. R. Warfield, St. Louis; Mrs. Wilma McCoy, St. Louis; Mrs. Roy Stevens, Kansas City; Mrs. Effie Armstrong, Springfield; Mrs. Walter Rusk, Joplin; Mrs. W. F. McGibney, St. Louis; Mrs. Frank

Keeney, St. Louis; Mrs. George Lamb, Springfield; Mrs. L. A. Drennon, Springfield; Mrs. Lawrence Holzschuh, Vandalia; Mrs. A. B. Christian, Mt. Vernon; Mrs. Jesse Cunningham, Lamar; Charles Whaley, Stover; Fred Pulliam, Fulton; Harry Owen, Kansas City; Mrs. O. C. Marsh, St. Louis; Joe Cyrus, Jr., Lake Ozark; J. R. Black, Fulton; Allard Garren, Kansas City; Bob Shrimpton, Clayton; Frank Branson, Ferguson; George Patterson, St. Louis; J. W. Fisher, St. Louis. It is a genuine pleasure to be associated with these and others who give occasional assistance in our Sunday School work.

Field and Office Activities

We list a number of the outstanding activities of the year followed in each case by a brief statement:

1. Associational Enlargement Campaigns and Central Worker Training Clinics.—Our department led in the promotion of and participation in 28 association-wide campaigns and clinics. Four hundred and thirty-five churches participated and enrolled a total of 6,423 workers. Few, if any, states are matching Missouri's record in these activities.

2. Sunday School Leadership Week at Hollister.—A very profitable week was held this year—an excellent spirit and an outstanding faculty. Enrollment, however, did not come up to last year's record enrollment.

3. State Sunday School Plan Meeting.—The ninth annual state-wide Sunday School Plan Meeting was held in Jefferson City on September 5. Sixty-four associations were represnted. The total enrollment was 233.

4. Vacation Bible School Promotion.— (1) State V.B.S. Clinic. This annual event was held in Jefferson City in February. Nine hundred and eighty-four workers enrolled from 78 associations. Both of these figures were new records for this event.

(4) Student-led Vacation Bible Schools. Twenty-three students worked this year under our supervision conducting schools in needy places. They worked a total of 1,526 days and conducted 126 schools. They enrolled 5,757 in these schools. A total of $1,457.66 in mission offerings were received, most of which was designated for the Cooperative Program. Five of the 23 students came from the Home Mission Board.

5. Summer Assemblies.—Our department personnel participated in Baptist Hill, Hollister Hill, South Missouri, East Missouri, Ridgecrest, and Glorieta.

6. Out-of-State Engagements.—The department secretary participated in 3 such activities during the year.

(1) Served as evangelist in an 8-day revival campaign in Baltimore, Maryland.

(2) Toured East Texas in a series of Sunday School Training Clinics.

(3) Served as a director in a Convention-wide Sunday School Clinic in Louisville, Kentucky.

7. Training Course Awards.—During the first 11 months of the present Sunday School year (October 1, 1956 to August 30, 1957) Sunday School workers in Missouri earned 43,383 awards (39,530 same period last year)—a gain of 3,853. These awards were earned by 832 churches from 76 associations.

8. Associational Sunday School Rallies.—The personnel of our department participated in 7 such meetings. There were 556 workers present from 64 churches.

9. Annual Associational Meetings.—Our department personnel represented our State work in 6 associations.

These include—One-night training clinics in churches and associations; speaking engagements at colleges, retreats, homecomings, etc.; stewardship revivals, pulpit supplies; worker commencement programs; enlargement campaigns; and training schools.

11. Office Promotion.—Again this year thousands of pieces of mail have gone out from our office in our promotion of our total Sunday School program.

EXHIBIT XV

DEPARTMENT OF TRAINING UNION

H. T. COPELAND
Secretary

We are happy to know that each year more churches are reporting new Training Unions organized. This is the result of more leaders feeling the worth of a Training Union enough to see that one is organized. We have more and more associational leaders giving encouragement to leaders in the churches. The work will be strengthened and expand more as we deepen our conviction on the need for better informed and trained members.

We have made a big step forward this year by the coming of Reverend John A. Crutchfield to the department as associate in charge of associational promotion. Our office secretary, Miss Wanda Simmons, is now giving full time to the Training Union Department. Several qualified workers have helped us during the year with Central Leadership Schools and Enlargement Campaigns. Those helping us regularly are Mrs. Harold St. Gemme, Nursery, Columbia; Mrs. J. H. Boswell, Beginner, Springfield; Mrs. Harry T. Copeland, Junior, Jefferson City; Mrs. A. R. Black, Intermediate, Kansas City, and Mrs. C. D. Renshaw. Young People, St. Joseph.

The associational officer's planning meetings were in five sections of the state under the direction of Mr. Harvey T. Gibson, director of administration, Training Union Department, Nashville. There were 47 associations represented and 235 present. We met at Monett, Chillicothe, Bowling Green, Rolla and Jackson.

This year we had the largest number of "M" Night meetings ever reported. There were 77 associations with 31,509 present from 1158 churches.

Our thirty-fifth annual Training Union Convention met with the Tower Grove Baptist Church, St. Louis, April 18 and 19. There were 740 present from 125 churches with 41 pastors and 39 Training Union directors. Our attendance wasn't as good as it should have been. There were several conflicts with the date. We hope this will be corrected at the next convention. Our guest speaker was Dr. Sterling Price, Abilene, Texas, Three were present from Nashville: Mr. Harvey T. Gibson. Miss LaVerne Ashby, and Miss Nora Padgett.

Youth Night was sponsored by 32 associations with an attendance of 3536 from 356 churches and 216 pastors present.

We had another big week at Hollister this year August 5-9. There were 250 registered from 25 associations and 55 churches.

In getting ready for all of our campaigns we have gone several weeks ahead of time to make plans with pastors and directors. Both of us have participated in several one night Training Union meetings in local churches and associational meetings.

Brother Crutchfield and I both attended the Southern Baptist Convention. He attended Ridgecrest, I attended Glorieta and both of us were on the faculty. Our department was represented at Van Buren and Baptist Hill. We have participated in two out-of-state Enlargement Campaigns.

We have assisted the following associations in either Central Schools or Enlargement Campaigns this year. They are: Barton, Bethel, Charleston, Concord, Dixon, Franklin Co., Harmony, Lamine, Miller, Monroe, Phelps Co., St. Joseph and St. Louis. We have participated in some individual church campaigns where time permitted. The awards issued this year have been over 32,000.

The theme for 1958 is "Our Baptist Heritage." We look forward to a great year.

DEPARTMENT OF W.M.U.

HILDA BEGGS
Secretary

The Watchword for Woman's Missionary Union during the past year has been "For the earth shall be filled with the knowledge of the glory of the Lord as the waters cover the sea." Habakkuk 2:14.

Our year began last October with three weeks of Leadership Conferences. Along with providing conferences for all WMU officers, we had conferences for RA counselors and Brotherhood officers. We are grateful to Mr. Willis Griffin and Rev. W. P. Arnold for their untiring help during the three weeks. We reached over 5,000 adults in our 24 meetings.

During the month of March Miss Ashley White directed our 3 YWA Houseparties which were held at Southwest, William Jewell and Hannibal-LaGrange Colleges. We reached 583 girls with an Anniversary offering of $243.95. The YWA 50th Anniversary was observed in each Houseparty.

Our annual WMU Convention was deeply saddened by the death of Mrs. Helen Adams Stacy and Mrs. Forrest Scrivner enroute to the convention. Due to this untimely tragedy the spirit of the convention seemed more serious and more effective as we felt the power of God in "Labouring Together with Him." The meeting was held at Third Baptist Church in St. Louis on April 3-6. The theme "To Know Christ—to Make Him Known" was followed throughout the program with eleven missionary speakers. The attendance included over 1500 delegates and visitors. Mrs. R. L. Crozier, our state WMU president, presided over each session.

Summer months allow our emphasis to be placed on camps and assemblies. The department furnished leaders for 3 regional assemblies at Van Buren, Mt. Vernon and Northeast Missouri. We, also, provided a full-time worker for associational GA and YWA camps. Miss Doris Blattner, student at Southwestern Seminary this year, was our summer worker.

In our 3 State Youth Camps held at Hollister we had the following attendance—Intermediate GA, 167; Junior GA, 86; and YWA week end, 60; making a total of 313. At our Annual WMU Conference at Hollister and Hannibal College we had a total attendance of 334.

The following figures give us a total picture of our WMU Offerings for Missouri. State Missions Offering, $23,735.37; Annie Armstrong Offering, $79,705.95; and Lottie Moon Christmas Offering, $184,191.94.

Through our state WMU office during the year, we mimeographed 210,500 sheets of paper, mailed 58,314 letters, and filled 7,609 individual orders. Including all letters, orders and bulk mailings, we sent out 71,223 pieces of mail.

We would like to express our appreciation to our many co-workers throughout the state for their prayers and interest in the Lord's work.

MISSOURI BAPTIST CHILDREN'S HOME

EDGAR E. BLAKE, Superintendent

Your Children's Home ended the year 1956-57 with record numbers of children served in every phase of its program. The record shows that we as Missouri Baptists were serving 288 children on September 30, 1957. It also shows that 392 children were served during the year for a gain of 39 over the previous year. Our services are going mostly to boys and girls in the older age group. The Home placed 35 children in adoptive homes during the year and formally completed adoption proceedings on 21 others. Our Home is humbly grateful to God and to Missouri Baptists for the continued support and encouragement it has received this past year.

All of these figures show Child-Care Advance among Missouri Baptists. This care is made possible through three main channels: The Cooperative Program, the Thanksgiving Offering, and the Birthday Offering. Amounts received during the past year were as follows: Cooperative Program — $43,458.33, Thanksgiving Offering — $64,375.00, Birthday Offering—$25,475.00. The budget for operating the Home has naturally increased as the program has grown. The total budget for last year was $218,800.00.

It is hopefully anticipated that the New Birthday Program will play a more important role than ever before in helping us meet our budget and continue this advance in our ministry to children. The New Birthday Offering Program is designed to benefit the church and its members as well as the children whom we serve. All of the materials being used are new in design, color, and function, and are sent on order to our churches free and postpaid.

For the third year in succession we are pursuing the "Koina-Meal" plan of Thanksgiving Offering as authorized by Missouri Baptist General Association. Once again the churches have received the "Koina-Meal" banks at the annual

association meetings. The Thanksgiving Offering means much in helping to balance the budget. The amount we have placed in our budget for the coming year is $70,000.00. We hope every church will help us meet this goal.

It is the policy of the Home to admit children on the basis of their need. Children of any age are eligible for admission providing this agency is equipped to meet their needs. Children are discharged from the Home when they reach the age of twenty-one or at any time prior to that when the child no longer needs the services of the Home or when another plan can be made that more nearly meets the needs of that individual child. Beginning this year the Home provides the means by which eligible young people under care may attend the first two years of college. An arrangement has been worked out with our two junior colleges so that our high school graduates may go on to college tuition free. Their room and board is provided by the Children's Home. Five of our fine young people have entered our Missouri Baptist colleges under this plan this fall.

Other advances include: (1) The employment of a school teacher at the Home on a full-time basis who gives instruction to children who need help. This schooling in no way replaces but supplements their work in Pattonville Public Schools. (2) The bringing of a Director of Cottage Life onto the staff. This person coordinates the work and home life in all of the cottages on the campus. (3) The possession of a second 40-acre farm. This land is in the Missouri River bottoms and in addition to having a modernized farm home caring for six teenage boys, it has a full 40 acres in corn. This farm is operated in conjunction with our other farm where the livestock is raised.

The 66th Annual Strawberry Festival was a grand success with some 5500 friends coming to devour strawberries, ice cream and cake. Among those who came were folks representing 13 states other than Missouri and 1800 first-time visitors.

The monthly publication, the "Messenger," is reaching out to more and more folks each year. All of our church leaders and Baptist families should be on the mailing list. We want our Baptist people and friends informed about the Home and our total program of Child-Care.

God bless you for all your support—and remember—this agency stands ready to serve any child in *your* community who needs the help the Home has to offer.

BAPTIST MEMORIAL HOSPITAL

GOLDMAN S. DRURY

The Board of Trustees let the contract for the immediate construction of the nine (9) story shell; to finish A and B floors of the superstructure and to finish the first four floors (150 beds) of the superstructure. At Cornerstone Laying Ceremonies on September 22, Dr. W. Douglas Hudgins, Vice-President of the Southern Baptist Convention, and Dr. Earl Harding, Executive Secretary of the Missouri Baptist General Association, expressed the joy of all our churches and individual laymen in the building of this great hospital, along with Southern Baptists' Midwestern Seminary in Kansas City.

Real estate values, including 23½ acre site, preconstruction costs, plans, evacuation, foundation and construction of A and B floors, total $1,123,316.67. The new contract with Swenson Construction Company is $1,505,392.00. Work has begun. The Board has set aside $300,000 for Case and Cabinet Work, Group I Equipment in Surgery, O.B., Delivery, X-Ray, Clinical Lab, Recovery, Dietary, et cetera, and all Group II and III Equipment (beds, etc.) for four floors of patient rooms. Missouri Baptists will have a hospital investment of $2,977,754.67 with completion of this contract for a 150 bed facility.

For the future, there are five (5) unfinished floors in the shell of the nine (9) story superstructure. Each such floor of 33 beds may be finished under option with Swenson Construction Company for $75,281.00 per floor. What a glorious opportunity for our great Baptist laymen, many of whom could complete and dedicate a whole floor as a memorial. May we plead with individual Baptists for full payment of old pledges, and ask those who have not pledged to do so soon. Our financial load is heavy—we need your help. Returns on Baptist dollars put into Baptist Memorial Hospital will pay big Baptist dividends.

Baptist Memorial Hospital is owned and controlled by Missouri Baptists, who are investing $1,500,000 in the new phase of the hospital's construction (includes $300,000 plus in pledges of Baptist churches in the Kansas City area).

Present assets of Baptist Memorial Hospital (Cash, Investments, Pledges Receivable, Real Estate, Equipment) total $2,935,491.18. This is a gain in total assets since August 31, 1956 of $1,650,623.62.

HANNIBAL-LaGRANGE COLLEGE

L. A. FOSTER
President

Enrollment for the academic year 1956-57 totaled 339 without duplications. Of this number 315 were enrolled in the long session. There were 57 ministerial students and approximately 40 young women preparing for full-time church or denominational service. There were 86 in the 1957 graduating class.

The 1957-58 Fall Semester opened with 274 enrolled. Enrollment for the academic year beginning June 1, 1957, through the fall semester totaled 310, compared with 309 for the same period last year.

Faculty and Staff Changes

The college has recently employed Mr. Olen Gene Bradshaw, who will work in the commerce department. Mr. Bradshaw, a fine young layman, holds a master's degree in business. Mr. Harold Momberg, who headed the biology department, has resigned to complete his work toward a Ph.D. His successor, Professor W. E. R. Hopper of Illinois, came September first. Mr. Hopper holds a master of science degree. Rev. I. Newton Vance joined the staff last September as manager of Crouch Hall, the new dormitory for men. Mr. Richard Berry of Mississippi will come in mid-year as professor of physics.

Religious Features

Shortly after the opening of the fall session, special revival services were conducted by Rev. Nelson Reagan of the Calvary Baptist Church in St. Louis. Under the direction of Miss LaVeta Ligon, director of student activities, eleven week end revivals were conducted. Forty-two student leaders participated in a total of 43 services with an aggregate attendance of 4,257 or an average of 99 each. The teams traveled 2,390 miles.

The annual Religious Focus Week December 3-7 was sponsored by the Student Department of the Sunday School Board under the leadership of Mr. W. Howard Bramlette, Jr. The Focus Week team consisted of Miss Jane Ray Bean, associate, Student Department; Mrs. Frank H. Leavell, lecturer on the Christian Home; Rev. Robert L. Harris, Southern Baptist missionary to Peru; Miss Jo Alice Jones, youth director; Mr. Joseph R. Coleman, architect; Dr. David O. Moore, Bible professor at William Jewell College; and Dr. W. Jack Wilson, pastor. It would be hard to imagine a finer team than the one assembled by Mr. Bramlette.

The Baptist Student Union under the sponsorship of Miss LaVeta Ligon and the presidency of Kenneth Ragsdale achieved First Magnitude this year.

Some 35 churches within 100 miles of Hannibal were served by student pastors. In addition, our students rendered special programs in the churches and a number of music students served as music directors in churches of the area.

Special Events

The fifteenth annual Booster Banquet reached 620 in attendance, with funds for the dinner totaling $8,514.68. Dr. James L. Sullivan, executive secretary of the Sunday School Board, Nashville, Tennessee, was our guest speaker. The college was host to the Y.W.A. Houseparty March 29-31. This program under the direction of Miss Ashley White, youth secretary for the W.M.U. Department of Missouri, reached a registration of 229.

The annual Buddy Day and Hannibal High Day, programs designed to bring visiting high school seniors to the campus, reached a total of 264.

For the fourth year the college entertained the state music camp for young people under the direction of Mr. Dale Brubaker, secretary of the Missouri Baptist Department of Church Music. Fifty-four were enrolled.

The college was also host to a "World Missions Conference" under the direction of Rev. Bruce Maples of Jefferson City. Seventy-four pastors and church leaders attended.

Crouch Memorial Hall for Men

Crouch Memorial Hall for Men was begun in March, 1956, and completed in late November. The lower floor of the building was put into operation the first semester of this year. Part of the second floor was ready for use the second semester. The task of furnishing all the rooms ready for use this fall is just being completed. The total cost including all furnishings was $100,000. The building houses 70 students and provides space for the manager and his wife.

Other Improvements

A five-year program of major and minor capital improvements is just being completed. This enterprise involving faculty housing, campus roadway, new heating equipment for the administration building, a new and modern sewer system, a new six-inch water line service as well as a new dormitory for men, has involved an outlay of $314,500. The total indebtedness remaining on this project is approximately $112,650.

New Charter

The spring meeting of the Board of Trustees May 20 marked the unanimous adoption of a new charter for Hannibal-LaGrange College by the Trustees. This event was the culmination of

work begun some two years ago. Under the new charter, the Missouri Baptist General Association will nominate and elect the Trustees of the college as well as exercise full control of the institution.

Our 100th Year

We are deeply grateful to the Baptist churches of Missouri for their assistance which makes continued progress possible. Our paramount need at present is a library and science building as well as additional space for girls. Under the program of advance which Missouri Baptists have adopted for their schools, these needs will surely soon be met.

This fall we are beginning our centennial year, the college having been organized March 12, 1858. We are proud to present to Missouri Baptists a century of denominational service.

HOME FOR AGED BAPTISTS

JOHN H. BURNEY
Superintendent

The past year has presented its difficulties and trials; but the Lord has been mindful of us, and through all of our experiences He has proven Himself to be a God of Love. When we have asked we have received, and our Father knows how to give good things to them that ask Him. To Him be all the praise and all the glory.

The work of the Home is truly a work of charity. Those who were destitute and alone, without funds and without a place to call home, have entered our doors. In addition to receiving physical care, they have found peace and contentment, and have received the spiritual blessings that come when all are of one mind and one accord in the Lord. Most of our people have passed four score years, and most of them have been Baptists more than fifty years. They now wait patiently upon the Lord as He ministers to their needs through Missouri Baptists.

Every person in the Home has come by application of the Baptist church of which he or she is a member. People are received only from the standpoint of individual need. Because of a long waiting list we must screen our applicants carefully and admit only those who are truly in need and are worthy of the good Home Baptists are providing. There are no financial requirements; but if an applicant chances to have property of any sort it must be turned over to the Home, for we feel if Baptists are to care for a person through old age, then Baptists ought to have that person's property, if there is any. During the year 24 people were admitted to the Home. The Death Angel called on us 23 times during the year.

The Home has been filled to capacity throughout the year, and we have had a constant waiting list. The average number cared for each day has been ninety-nine. We now have one hundred, and there is not a vacant bed left in the building. There are approximately forty who must use wheel chairs, and about twenty-five are classified bed patients. Our most pressing need is more rooms to accommodate those who need our care. We are currently in a building program which includes a superintendent's home, the conversion of two frame buildings into homes for nurses, a fire alarm system, fire doors, fire escapes, etc., which will enable us to care for about twelve more old people. Looking into the future it is our hope and prayer that Baptists will be able to do some major building to meet the growing demands upon our Home. As soon as the present work is paid for a new building fund will be started for that purpose.

Although food, clothing, and shelter are essential, the Home's greatest benefit lies in its spiritual ministry. Our people have had Sunday school and preaching services, prayer meetings, and many religious programs put on by visiting church groups. In addition the ladies have had their WMS programs, given of their meager means to world missions, and prayed regularly for our Baptist missionaries. Rev. R. L. Shell, our Minister of Public Relations, has been kept busy during the year. In addition to his work here at the Home, he has been called upon to hold revivals, supply pulpits, help in stewardship meetings, schools of missions, and various other activities throughout the state.

The farm program has been carried on as usual. The registered Guernseys and the registered Milking Shorthorns, numbering about sixty head, have supplied our tables with milk, butter, and beef; and the Durocs have supplied the pork. A flock of 200 laying hens has provided eggs. Everything possible is being done to keep operating costs to a minimum.

About half of the Home's support comes through the Cooperative Program. Income from the endowment, receipts from applicants, the anniversary offering, and contributions from churches and individuals who want to help in a special way make up the rest needed to care on the work. A total staff of thirty-two employes cares for the approximately 100 aged and helpless men and women. The total expense for the year was $86,901.65, and $5,756.22 was spent for needed improvements and equipment, making a total expenditure of $92,657.87 in the ministry to our aged.

As we look to the future we covet an interest in your prayers that those of us who labor for you here at the Home may always strive to make it what the Lord wants it to be.

MISSOURI BAPTIST HOSPITAL

C. E. COPELAND
Administrator

At this time last year we were in the midst of a $1,000,000 campaign to raise funds for a new home for our student nurses and a new surgical unit, and were confident that by this time definite plans for our new construction would be almost complete. However, as you have followed the progress of this construction project, through HOSPITAL NEWS and other media, you have been aware of the ever-increasing sentiment that an entirely new hospital should be built at a new location, and on June 6, 1957, the Board of Managers authorized the Executive Committee to select a site and execute an earnest money contract for the purchase of desirable property.

Numerous tracts of land were investigated and at this time an earnest money contract for the purchase of twenty acres of land at Clayton and Lindbergh is pending. The problems incident to plans for development on the present site and/or for relocation of the entire hospital have characterized our year's work and in many ways have influenced our activities.

Progress seems slow to many who do not know all the "spade" work necessary in the relocation and construction of an institution which for 73 years has served multitudes in the heart of a great industrial community, an institution which has grown from one hospital bed in the home of a physician to a 525 bed general hospital with replacement assets totaling $12,500,000.

One of the big accomplishments during our year which closed June thirtieth was the opening of a post-operative recovery room on June first. Surgical patients are taken to the Recovery Room immediately after surgery where a staff of graduate nurses, trained especially in the care of post-operative patients, minister to their needs until the effects of anesthesia are past.

On June twelfth we were advised that we had been approved for a three year residency training program in Internal Medicine. This approval widens our scope of advanced education for physicians.

A comprehensive employees' relations program was inaugurated which seeks to acquaint all employees with the whole program of the hospital and with the department heads responsible for the 19 departments of service.

At the invitation of the administration the American Red Cross trained a class of 17 Gray Ladies for service at MISSOURI BAPTIST HOSPITAL. In three months (April-June) these fine women gave over 1250 hours of service—largely in escorting patients between their rooms and the various diagnostic and therapeutic departments.

The statistics we present here are indicative of our activities during the last fiscal year (July 1, 1956-June 30, 1957), and we believe will help give you a picture of the magnitude of our service.

WILLIAM JEWELL COLLEGE

WALTER POPE BINNS

The enrollment of 751 students on the opening week of school along with the increased number in the summer school indicates that the total enrollment for the year will equal the 902 of last year. We have the usual number of 175 ministerial students and those committed to full time religious service. While the great majority of our students are Missouri Baptists, the following countries are represented in the student body: Nigeria, Canada, Hong Kong, Jamaica, (British West Indies), Japan, Shanghai, Jordan and Isarel.

NEW TRAINING FOR MINISTERS

The Ministerial Association looks forward to its best year of achievement because the College has employed the Rev. He will be able to give special extra curricular training to the ministerial students who are now pastors and educational directors and leaders of church music.

Dr. Edson had served as part time dean but Dr. Powers will give his full time to the deanship.

TENNIS COURTS

The College is now completing construction of four new modern tennis courts that will be in use in early November. The land has been graded for eight courts but only four will be completed at this time.

Religious Literature and Publications

Dan Bryson
Howard G. Judah

Someone long ago wrote, "We are what we read." Certainly we are the products in our thinking of what we have absorbed from others plus our own contribution. If the membership of our churches are to be an informed people as well as inspired people there must be cultivated the desire to read and to read the right kind of literature. The desire does not come about by accident but must be cultivated and the time to begin is in our homes. The time to train the next generation is NOW.

To quote from another writer: "Of the making of books there is no end." But we might ask ourselves what kind of books? In every home there are many kinds of books and periodicals. Some are trash, some filthy and obscene, and most always there is a dearth of religious literature. The church's business is to provide literature that will inform, inspire and bring forth the best in God's people. But the church cannot stop with the bringing forth of this material, but must get this literature into the homes. This is to be done through our programs of visitation and Extension departments.

The *Home Life* is one of many publications that is produced by the Sunday School Board of our convention but it is one of our best to provide good reading and also provide a basis for the family altars we need in all our homes.

It is not enough to pray for missions, both home and foreign, but we must offer a prayer that is based on the needs of our fields and personal knowledge about our missionaries. We therefore recommend to the ladies of our missionary societies that they include the *Commission* and the *Home Missions* in their subscription list of good periodicals. Every Baptist church ought to use Baptist Sunday School and Training Union literature. We make no apologies for this because we have some of the best writers in our nation and the printing work is above reproach. Many leaders of other denominations have been quoted as saying that our Vacation Bible School material is second to none. We therefore recommend to every church in our state that they not only conduct a Vacation Bible School but they use our own denominational material for this school.

All Christians are appalled at what they see on the news stands of our neighborhood store. The moral sensitiveness of our people is shocked at what they see and hear being offered by the publishing houses of America. It is not enough to offer well phrased resolutions, or to preach stirring sermons against the printing of sensuous and Godless literature. We must counteract this material by offering something better, and by appealing to the conscience of people called Christian.

Your Committee urges the Baptists of Missouri to support, both in state and the national legislatures, any bills introduced that will limit or prohibit the publication and distribution of such unfit literature.

We recommend the distribution of our state paper, *The Word and Way,* financed through the church budget. We have a good paper, with a Christian gentleman and scholar as editor. Our church members need the information that comes to them through this source. We, your committee, urge every Baptist church in our state to make plans now for the inclusion in the budget of this splendid state publication, *The Word and Way.*

Southern Baptist Radio-TV Commission

P.O. Box 12157,
Fort Worth, Texas

A year and a half ago Southern Baptists' television program, THIS IS THE ANSWER was released to the American public.

To date there are 23 different episodes of THIS IS THE ANSWER traveling the circuit of television stations. A total of 170 different stations has carried the telecast into 1,160,000 homes reaching 87 per cent of the nation's viewing audience.

With the number of people reached by stations telecasting the program the second and third times, it is estimated conservatively that our denomination has sent into American homes 138 million messages of the Gospel.

The cost of the first year's work in television, plus all the preparation that preceded it, was approximately $450,000. A sizeable figure to be sure, but looking at what has been obtained for this investment in the Gospel message brings us to a startling fact.

By adding up the commercial value of the time given free by the television stations (as a public service) for THIS IS THE ANSWER—what it would have cost us if we had purchased the time—we find that it has almost exactly equalled our expenditure. THIS IS THE ANSWER has received free time amounting to a value of approximately $450,000.

This $450,000 cost has enabled us to send directly to viewers some 138,000 million mes-

sages of the Christian Gospel. This means that TO SEND ONE MESSAGE TO A FAMILY OF THREE . . .IT COSTS . . .ONE CENT!

Actually, for only *one-third of a cent per person* your Radio-Television agency is presenting an appealing, winning, half-hour message of Christianity to those who need it most.

BAPTIST HOUR–OTHER PROGRAMS

At the same time, THE BAPTIST HOUR on radio, continues its world-wide success by reaching out over more than 450 stations in this country and abroad, to a listening audience estimated at 30 million.

Other radio programs which are being used by a steadily increasing number of stations in several states include: *Moral Side of the News, International Sunday School Lesson,* Chapel Upstairs, (devotional), and *Great Hymns* by the Baptist Hour Choir.

All programs are offered without cost to any station which will carry them, or to any pastor who can use them in his local ministry.

The RCA Baptist Hour Choir's new high fidelity record, by RCA, is now available and will prove of invaluable service to any church or pastor. It is a compilation of 12 great hymns as well as "My Lord, What a Morning" and "The Beatitudes." It is a long-play record (33⅓).

THE BEAM

THE BEAM, the Commission's monthly magazine has now reached a circulation in excess of 20,000 and continues to grow. It is a periodical in which THE BAPTIST HOUR sermons are reprinted for even wider distribution, and which carries news of religious radio and television in many denominations.

THE FUTURE

The future of the Radio and Television Commission is brighter than it has ever been. The 1957 Southern Baptist Convention voted to give this agency a total of one million dollars in capital needs funds during the five year period, 1959-1963, for use in TV film production and distribution.

We thank God for the way He has blessed the spread of the gospel through these modern means of communciations, radio and television.

Listed below are the stations and time period in Missouri where you can hear the *Baptist Hour This Is the Answer,* the *International Sunday School Lesson,* and *Moral Sides of the News*:

The Home Mission Board Report

A summary of the work done by missionaries of the Home Mission Board of the Southern Baptist Convention indicates a total of 1,664, of which 450 were summer student workers, or 1,214 regular missionaries. Conversions reported by the missionaries numbered 39,458, and the number added to the churches was 36,931. There were 729 new missions started and 296 new churches constituted. Professions of faith reported by chaplains were 11,074.

The Home Mission Board received from the Advance Section of the Cooperative Program for 1956–$802,569.88. These funds went for the promotion of the work of the Board.

The history of the Home Mission Board has been completed by Dr. J. B. Lawrence and is being printed by the Broadman Press of the Sunday School Board. Every Baptist should purchase a copy as soon as they are available.

In the field of District Missions, the Home Mission Board ministers to Chinese, the deaf, French, Italians, Indians, Japanese, Russians, Spanish speaking people and other isolated and neglected groups

Through Rescue Missions and Good Will Centers, as well as through missions and churches, home missionaries seek to win the lost to Christ.

The Department of Cooperative Missions conducts conferences in cooperation with state convention forces and promotes city missions, rural church work, maintains missions, western and pioneer missions, a service to broken homes and juvenile delinquents, a ministry to military personnel, a trailer camp ministry and provides a correspondence Bible course.

In Negro work, evangelism and Jewish work the Board extends its ministry to millions of people.

Other ministries of the Board includes Alaska, Cuba, Panama and Canal Zone, migrants, summer student workers and western missions.

The Annie Armtsrong Offering as of June 30, 1957, amounted to $1,541,796.10. This is an increase of $156,886.63 over last year's offering.

The Home Mission Board has a worker living in Canada who will work with the Baptist forces in Canada seeking to implement the Baptist program. A full-time worker has been employed for Juvenile Delinquent and Broken Home ministry.

Next year will be the fourth and last year in the Conquest for Christ Program. The year 1958 will be given to an emphasis on City Missions, the Rural Church Program, and Missionary Education.

Your continued prayers are requested for the work and worker of your Home Mission Board.

Temperance and Christian Life Committee

Bradley Allison

Herman E. Wooten, Chairman

Paul Ramsay, in his book on "Basic Christian Ethics" states in his opening sentence, "The first thing to be said concerning Christian Ethics is that it can not be separated from its religious foundations." Many others will concur with this very meaningful statement. The basic and fundamental doctrines of our faith must be evident in Christian action. Too long man has tried to divorce religion from the other areas of human relations.

Today, as never before, the individual Christian and the Christian Church must promote morality in human relations. The areas deserving the attention and prayers of the Church today are too numerous for all to be listed in this report. However, there are six areas important enough to claim our undivided attention. We shall list them, but briefly.

First, Marriage and the family. The problems of divorce and the broken home are the plague of America today.

Second, Crime and Delinquency—this problem has become so great that it is unsafe to be out on the streets of our major cities at night.

Third, Industrial Relations — the economic structure of our nation and the future of the churches depend upon Christian principles in this area.

Four, Race Relations—deserves our best thinking and most ardent prayers.

Fifth, Beverage Alcohol and Gambling. Mr. Lisle Ramsey will speak on this subject following this report.

Sixth, National and World Issues—"We must work while it is yet day, for the night cometh when no man can work."

Therefore, we make the following recommendations:

1. That Missouri Baptists call upon the churches and pastors to take a positive stand in the matters of divorce and home stability.
2. That we give our generous support to Christian Civic Foundation of Missouri and Protestants and Other Americans United for the Seperation of Church and State.
3. That we investigate the possibility of using our right of initiative under the Missouri Constitution for the securing of a local option law.
4. That we, as Missouri Baptists, strive to have the Spirit of Christ in the realm of Race Relations and National and International problems.

EXHIBIT XXVIII

Foreign Missions Report

J. Edwin Hewlett

Accelerated advance in world missions characterized 1956. One hundred twenty-one missionaries were appointed for service overseas. This represented the largest number of appointments ever made in a year of the Foreign Mission Board's history. At the close of the year there were 1,113 missionaries under appointment.

Southern Baptists now project work in 38 countries. Our largest work is established in Brazil, Nigeria, and Japan.

Entry has been made during the past year to new areas. Work has begun in Kenya and Tanganyika in East Africa. Our first missionaries have been placed in East Pakistan where more than 40,000,000 people live.

Work has been strengthened in many countries where beginnings have been made. Southern Rhodesia, the Gold Coast, Peru, Venezuela, In-

donesia, and other mission areas have seen much advance.

Significant new projects have been launched. The most outstanding in 1956 was the opening of Hong Kong Baptist College, where in the doorway of Red China a remarkable educational opportunity is found. Medical work has been strengthened especially in the construction of hospitals at Guadalajara, Mexico, and Kediri, Indonesia. Medical missionaries in the Near East made a profound impression upon the entire area by their humanitarian service in days of crisis.

Evangelism has gone forward in 1956 with heartening results. A city-wide crusade was conducted in Hong Kong. Approximately 75,000 people heard the gospel, and more than 2,500 made decisions for Christ. Simultaneous evangelistic efforts have been launched in Mexico and other lands with excellent results.

Plans have already been laid for large-scale evangelistic efforts in 1957 in Japan, Formosa, and other lands.

Strides were made in 1956 in a development of Sunday schools and other religious education responsibilties in the churches. Visits to the mission fields by outstanding leaders from the home base both for evangelism and in the field of religious education have done much to stimulate progress.

Throughout the Southern Baptist Convention has come a real upsurge of missionary conviction. The launching of World Missions Year has been a significant expression of the determination of Southern Baptists to press forward in a world task. World missions conferences have been conducted in a number of states, and a Southwide Student World Missions Conference in Nashville at the end of the year proved to be one of the most vital meetings in many years.

A new high peak has been reached in the number of volunteers for mission service. In churches, colleges, seminaries, and in meetings of conventions and assemblies all through the year, hundreds of young people have dedicated themselves to go wherever God may lead. There are more young people now in touch with the Foreign Mission Board looking toward service abroad than ever before.

It has been an outstanding feature in the appointment of missionaries that so many have come from places of responsible leadership in pastorates, schools, and medical service. They have turned aside from opportunities that might challenge them at home and have surrendered to go to meet larger needs on mission fields.

Southern Baptists have demonstrated their determination to advance in a worldwide ministry through increased giving.

The total income of the Foreign Mission Board for 1956 was $12,733,681. The significance of this figure is indicated by the fact that in 1952 the total income of the Foreign Mission Board was $8,032,967.

Southern Baptists gave to foreign missions through the Cooperative Program in 1956 the sum of $6,207,809. Of this amount, the sum of $2,407,709 represented the Advance Section of the Cooperative Program. This means that after the Southwide Cooperative Program budget was reached, 75 per cent of all funds came to the Foreign Mission Board. The Southwide budget was reached early in October. This money made advance possible all over the world in urgent measures which otherwise could not have been taken.

Determination of Southern Baptists to advance in world missions has also been demonstrated by the growth of the Lottie Moon Christmas Offering. In 1956 this offering amounted to approximately $4,700,000.

The Lottie Moon Christmas Offering represents a gift not only of money but of mission study, prayer, and life dedication.

It is our objective to appoint a minimum of 130 missionaries in 1957. We pray it may be possible to appoint even a larger number. It is our purpose to have under appointment well before the close of 1963 a minmum of 1,750 missionaries.

RECOMMENDATIONS

In view of increased personnel and resources needed to realize the Advance Program goal of at least 1,750 foreign missionaries under appointment by 1965, we recommend (1) that every Southern Baptist church be asked to renew her commitment to become a recruiting station for missionary volunteers, and (2) seek to increase her gifts to world missions through the Cooperative Program for next year at least 2 per cent over last year's total church budget.

EXHIBIT XXIX

Missouri Baptist Historical Society

The Missouri Baptist Historical Society was organized October 24, 1885. At that time only one other state in the Southern Baptist Convention, Virginia, had a Society. Among those who were instrumental in its organization were certain brethren who had come from Virginia and thus were familiar with the Society in that state. From the start the Missouri Society had able leadership and soon became an important institution in the Baptist life of Missouri. It is worthy of note that this Society has continued to live and serve, while those in several other states have languished and finally died. The Archives of the Society were placed in the Library building of

William Jewell College where they have since remained. A number of faculty members have given much time to the Society through the years and the College has furnished without any cost to the Society fireproof quarters for those Archives.

This collection of historical materials is a large and a very valuable one, containing books, minutes, manuscripts, records, pictures, and many other priceless articles of historical interest. Under the direction of the custodian, Miss Opal Carlin, these are all properly organized and catalogued. We are pleased to report that many interested friends in Missouri and elsewhere are using these materials frequently.

We urge our people to send to the Society all the articles of interest which should be preserved. There are thousands of such records which should be preserved but which will perish if not placed in these Archives.

The officers of the Missouri Baptist Historical Society are: H. I. Hester, president; Walter Pope Binns, vice-president; U. R. Pugh, secretary; David O. Moore, treasurer; Miss Opal Carlin, custodian; J. E. Davis, auditor.

REPORT OF THE TREASURER OF THE HISTORICAL SOCIETY

As of October 1, 1956, we have a balance of $1,282.15 in a savings account in the First National Bank of Liberty, Missouri.

In addition to this we have a U.S. Government Bond of $100.00 held in the same bank.

*No authentic statistics.

NOTE: For the years 1917, 1918, 1919, and 1920, the statistics were compiled in the Headquarters Office at Kansas City. The report above records only the money sent by the churches to the Kansas City office, hence a much lower figure is given as compared to other years.

NOTE: In 1921, the present method of gathering statistics was adopted, viz., the statistical secretary of the General Association makes up the statistical tables from the church letters as sent in by the church clerks to the clerk of the district association who in turn forwards a church letter from each of the churches to the statistical secretary of the General Association.
