Constitution of The Missouri Baptist Convention

Article I — Name

This body shall be called the "Missouri Baptist Convention" (hereafter Convention).

Article II — Statement of Purpose

Missouri Baptists—serving together to grow Great Commission churches for the glory of God.

Article III — Time and Place of Meeting

The Convention shall meet annually during October or November at such time and place as the Convention or, in case of emergency, the Executive Board may decide.

Article IV – Membership

This Convention shall consist of messengers named by affiliated churches under the following conditions:

Section 1. Any Southern Baptist church singly aligned with the Convention and desiring to cooperate with the Convention in her program of single alignment with the Southern Baptist Convention and any Baptist church meeting the qualifications stated in Section 2 shall be entitled to one messenger for every one hundred members or fraction thereof, provided that no church shall be entitled to have more than fifteen messengers.

Section 2. In accordance with the agreement in the year 1919, Missouri Baptists shall continue in fellowship with the multiple aligned churches who were affiliated with the Missouri Baptist Convention as of 1961.

Section 3. Should the seating of any messenger or messengers from any church applying for membership in the Convention be challenged, the matter shall be referred to the credentials committee. The committee shall report to the Convention at the next session after the challenge and, if the committee's ruling is appealed, the Convention shall make the final decision about the challenged messenger or messengers.

Section 4. Nothing in this article shall be construed to prohibit cooperation with the Convention by those Baptist churches with racial, ethnic, or cultural relations or other organizations, conventions, associations and affiliations so long as no part of those relations is contrary to this Convention's Constitution, Bylaws and Business and Financial Plan and do not violate accepted Southern Baptist faith, polity and practice.

Article V – Relationship Between the Convention and Churches and Associations

Section 1. The doctrinal guidelines for this Convention and its work shall be the Baptist Faith and Message as adopted by the Southern Baptist Convention on June 14, 2000, understanding that any Southern Baptist church affiliated with the Convention has the right to affirm any historic Baptist confession of faith.

Section 2. The relation between the Convention and the churches and associations shall be fraternal and cooperative. The Convention shall never exercise any authority over the churches or do anything that would in any way interfere with their complete autonomy and independence as New Testament churches to limit the exercise of their freedom.

Section 3. The Convention shall always have the right to sit in judgment upon the qualification of its own members and may at any time decline to accept or continue cooperation with a church or to seat as a messenger any person who may be considered by the Convention disqualified on personal grounds or by reason of the character or attitude of the church from which such messenger or messengers shall come.

Article VI – Officers

Section 1. The officers of the Convention shall be president, first vice-president, second vice-president and recording secretary. These officers shall be chosen at each annual meeting. Officers shall serve from the close of the annual meeting of the Convention at which they were elected until the close of the next annual meeting of the Convention except, however, that the recording secretary shall be responsible for the preparation of minutes of the annual meeting at which he functioned.

Section 2. The president of the Convention may be elected for only two consecutive terms of office and shall not be eligible for reelection until one year has elapsed from the time a successor assumes the office.

Section 3. Each officer shall be a member of a church affiliated with this Convention. No salaried employee (nor a spouse of such salaried employee) of the Executive Board or of an agency owned or controlled by this Convention or to which the Convention makes direct appropriations and no person receiving supplemental aid from the Convention (nor a spouse of such person) shall be eligible to be an officer.

Section 4. Candidates for offices of this Convention shall be nominated from the floor, and officers shall be elected by ballots, cast by registered messengers at the annual meeting, provided, however, that a majority of votes cast is required for election to any office and provided further, that the vote may be taken via voice if there is only one nominee for any office. If a runoff election is necessary, only the names of the two persons receiving the most votes on the first ballot shall appear on the second ballot.

Article VII – Duties of Officers

Section 1. Duties of the president shall include presiding over the meetings of the Convention, keeping order, taking the vote on all questions properly brought up, and performing all other duties usually performed by a presiding officer.

Section 2. In case of the inability of the president to serve, the order of succession shall be first vice-president, second vice-president, and recording secretary. The president may request the first or the second vice-president to preside at any session or part thereof of the annual meeting.

Section 3. Duties of the recording secretary shall include keeping correct minutes of all the proceedings of Convention meetings and preparing minutes for publication. Assisted by the Executive Board's administrative staff, the recording secretary

shall arrange for such statistics and data necessary for faithfully and accurately reporting the Convention's work to be collected, digested, tabulated and printed in the Convention's Annual as supplements to the Convention's minutes or printed in the Book of Reports available to messengers at each annual meeting. The recording secretary may appoint such assistants necessary to perform duties of the office at Convention meetings.

Section 4. Convention officers shall serve as ex officio members of the Executive Board with all rights of members. The president shall serve as an ex officio member without vote of all Convention committees, provided however, that the president shall not serve on the Convention Nominating Committee.

Article VIII – Executive Board

Section 1. The corporate powers of the Convention shall be reposed in the Executive Board of the Convention. The Board shall be incorporated under the laws of the State of Missouri and shall be responsible for the faithful observance of all legal requirements. This Board shall have charge of the missionary, educational, and benevolent work of the Convention.

Section 2.

a. The Executive Board shall be composed of Convention officers as at large members and three members from each of eight areas of the state, as defined in the Bylaws, which has a resident membership of affiliated churches of at least 16,000. For each additional 10,000 resident members or major fraction thereof above the basic 16,000, one additional board member will be chosen, up to, but not to exceed, a total of nine Board members from each area. Each church in the area shall be invited to present names of prospective Board members to the area representatives of the Convention Nominating Committee no later than July 10, in the manner specified in the Bylaws.

b. Board members shall be elected to three-year terms, approximately one third of the members from each area being elected each year. Terms shall begin at the close of the annual meeting at which elected or as provided in Article VIII, Section 2, d. All terms shall expire as scheduled. An area member may serve two successive three-year terms, but may be eligible for re-election after two years have transpired, provided, however, that one elected to a term expiring within one year may be eligible for two successive three-year terms. An area member who has not served two successive three-year terms may be eligible for re-election after one year has transpired. Only one person from an affiliated church may serve as an area member at a given time on the Board. An area member who moves out of the area, but within the State, may remain on the Board for the remainder of the current Convention year.

c. The Board shall declare vacant any position from which a member has been absent for two consecutive regular meetings of the full Board without an acceptable reason formally submitted to the Board chairman.

d. If a vacancy on the Board occurs between annual meetings of the Convention, the chairman of the Board shall promptly notify the chairman of the Convention Nominating Committee, and the Nominating Committee shall, within sixty days, from the list for that area offered by the last committee, fill the position until the next annual meeting of the Convention.

e. No salaried employee (nor a spouse of such salaried employee) of the Executive Board or of any agency owned or controlled by this Convention or to which the Convention makes direct appropriations shall be eligible for membership on the Board during the period of employment.

Section 3.

a. The Convention officers shall serve as officers of the Board without pay as follows: the president as chairman, the first vice president as first vice chairman, the second vice president as second vice chairman and the recording secretary as secretary. The Board shall adopt all regulations necessary for the conduct of its business; appoint such committees as it or the Convention may deem wise; and report annually to the Convention. The Board may from time to time report its work to Convention constituents in ways calculated to inform them.

b. The Board shall have full power and authority to act for the Convention between annual meetings of the Convention in any and all matters pertaining to the Conventions business; but the Board shall not have power to reverse any action of the Convention, to do anything contrary to this Convention's Constitution, Bylaws, and Business and Financial Plan, or to violate accepted Baptist faith, polity, and practice.

c. The Board shall present to the Convention in its annual meeting a Cooperative Program allocations budget for the succeeding calendar year, including both Convention and Southern Baptist Convention objects, for the Convention's consideration and adoption. All undesignated contributions to this Convention shall be faithfully distributed among the objects included in the budget upon the basis of the percentage or amount fixed for each object, and distribution shall be made in accordance with the Convention's Business and Financial Plan.

d. The Board shall elect and determine the compensation of an executive director, who shall have general supervision of all work directed by the Board. The Board shall employ and determine the compensation of other persons necessary for directing the Board's work.

e. The Board shall, consistent with Article IX, have general oversight over all educational and benevolent agencies owned, operated, or maintained in whole or in part by the Convention. It shall keep itself fully informed as to the conditions and the needs of all agencies, approve arrangements for all campaigns for funds, and conduct a continual campaign for enlightenment as to the claims and the needs of these agencies.

f. The treasurer of the Board shall be the executive director, who shall receive, maintain custody over, and disburse all funds as directed by the Convention or the Board. The treasurer shall maintain proper financial records, which shall be properly audited. The Board shall provide for bonding the treasurer adequately to protect the Convention's and the Board's interests.

Article IX – Agencies

Section 1. This Convention shall own, operate, or in covenant relationship contribute to such educational, benevolent,

or other agencies approved by the Convention.

Section 2. All charters and charter changes shall be approved by the Convention upon recommendation by the Executive Board.

Section 3. The Convention shall elect or approve members of the governing board of each agency. Each board shall have full authority over the internal operation of the agency but shall be required to make a report of its operation and financial condition to the annual meeting of the Convention in accordance with the Business and Financial Plan.

Section 4. Before an agency can borrow money for which the Convention is responsible, it shall secure formal approval in writing of the Executive Board.

Article X – Committees

Section 1. The Committee on Convention Committees consisting of eight persons—one from each area—shall be appointed by the president not fewer than ninety days prior to the annual meeting of the Convention. The names of committee members shall be published in the official news journal of the Missouri Baptist Convention. This committee shall nominate all standing committees of the Convention, except the Nominating Committee, according to provisions of Convention Bylaws.

Section 2. The Nominating Committee shall consist of twenty-four members, serving terms of three years each, eight of whom shall be nominated by the president in consultation with other Convention officers and elected by the Convention at each annual meeting. Terms shall begin at the close of the annual meeting at which elected, or as otherwise provided in this Section. Three members from each of the eight geographical areas shall make up the committee. One half of the committee shall be lay persons and one half ministers. This committee shall nominate persons to serve on the Executive Board, on the governing board of each agency, and on each commission. The area representatives on the Nominating Committee shall be responsible for inviting nominations from the churches for the Executive Board. The committee shall be guided by such rules and procedures as the Convention may adopt from time to time. The Nominating Committee shall declare vacant any position from which a member has been absent for two consecutive meetings without an acceptable reason or any position occupied by a member who moves out of the geographical area from which elected. The Convention president shall appoint a person to fill such vacancies until the next annual meeting of the Convention, at which time the position shall be filled for the remainder of the term.

Section 3. The Tellers Committee, consisting of an adequate number of members to carry out the tasks, shall be appointed by the president not fewer than thirty (30) days prior to the annual meeting of the Convention. This committee shall assist the presiding officer, as needed, with the taking of all votes by voice, hand and standing or ballot, collecting the ballots, tabulating the results, and announcing results to the presiding officer.

Section 4. The Convention shall have such other committees as authorized by the Bylaws.

Article XI – Amendments

This Constitution may be amended at any regular meeting by two-thirds of the messengers voting, provided that the text of the proposed amendment shall have been presented to the previous annual meeting, and provided further, that Article V shall not be subject to any amendment that would violate the principle that it embodies. Any proposed amendment to this Constitution shall, upon introduction and being seconded, stand referred to the Committee on Continuing Review, as established in the Bylaws of the Convention, for examination and hearing on such amendment and a report and recommendation to the Convention at its next annual meeting.

Each original motion presented as miscellaneous business shall be duplicated or visually projected as information to messengers before it can be debated.
   b. Each resolution shall be referred to the Committee on Resolutions for review and revision, and this committee shall make a report on each properly introduced resolution not later than the last day of the annual meeting.
   c. The text of a constitutional amendment proposed for action at the following annual meeting may be presented at any miscellaneous business session.
   d. The Committee on Continuing Review may publicize a proposed amendment to Convention Bylaws or the Business and Financial Plan at least thirty days prior to the annual meeting and such amendment shall be printed in the Book of Reports or in the first day bulletin of the Convention, but any amendment to these Bylaws or the Business and Financial Plan proposed by a messenger shall be introduced as miscellaneous business not later than the day preceding the final day of the annual meeting.
6. The Convention shall elect Executive Board members not later than the day preceding the final day of the annual meeting in order to facilitate the organization of the new Board.
7. Election of officers shall be by ballot; provided, however,

that, if there is only one nomination to a particular office, the Convention may designate the recording secretary or someone else to cast the Convention's unanimous ballot. There may be only one nominating speech, not to exceed three minutes, for each nominee. The president shall be elected not later than the first full day of the annual meeting, provided, however, that a runoff may be held the following day. Officers shall serve from the end of one annual meeting through the next annual meeting.

8. No personal appeal for funds shall be made at any session. No collection shall be taken for any cause at any session except by a special order approved by an affirmative vote of two thirds of all messengers voting.
9. No material may be distributed on the floor of the Convention, except material that pertains to business to come before the Convention, and that is identified by the name of the messenger, or agency or Executive Board program personnel distributing said material, or such materials that have been approved by the Executive Board.
10. The quorum for conducting business during the annual meeting of the Convention shall be a minimum of twenty percent (20%) of those duly registered and seated messengers.

   d. Reporting at the annual meeting following election with three-year terms for members:
      (1) Committee on Continuing Review, consisting of six members, two of whom shall be elected each year on the final day; it shall review Convention operations and shall recommend for Convention action such revisions of the Constitution, Bylaws, or Business and Financial Plan as it determines necessary. Any amendment to the Missouri Baptist Convention Constitution proposed during the annual sessions shall upon introduction and being seconded, stand referred to this committee for examination and hearing on such amendment and a report and recommendation to the Convention at its next annual meeting.       (2) Committee on Order of Business, consisting of six members, two of whom are elected each year on the final day; and the officers of the Convention; it shall prepare the program for the annual meeting; present for adoption; at the first session an agenda for the annual meeting; and set time for special orders.
      (3) Credentials Committee, consisting of six persons, at least two of whom shall be elected each year on the final day of the annual meeting.
         A. The Credentials Committee shall be a standing committee. Initially, two members shall serve a term of one year, two shall serve a term of two years and two

members shall serve a term of three years. Thereafter, members shall serve three year terms.

B. This committee shall review and make recommendation upon all questions which may arise regarding membership of churches or enrollment concerning the credentials of messengers.

C. The committee shall be guided by such rules and procedures as the convention may adopt from time to time.

D. Should the cooperation of any church in the convention be challenged or questioned the committee shall notify the church and seek the church's reply. Upon completing such investigation as the committee deems appropriate the committee shall issue its recommendation and promptly notify the challenged or questioned church. Such recommendation shall be presented to the messengers at the next business session of the annual meeting.

E. Should the enrollment of any messenger at the annual meeting of the convention be challenged or questioned the committee shall notify the messenger(s) and, if reasonable, notify their church and seek their respective replies. Upon completing such investigation as the committee deems appropriate the committee shall issue its recommendation and promptly notify the challenged or questioned messenger(s) and, if reasonable, their church. Such recommendation shall be presented to the messengers at the next business session of the annual meeting.

2. The Convention may create such special committees as it considers necessary, fix the number of members and the duration of each special committee's life, and define its assignments.
3. Should a vacancy occur between annual meetings, the president, in consultation with the other Convention officers, shall appoint a person to fill the vacancy. If the vacancy is for a term extending beyond the next annual meeting, the appointment shall be temporary and the Committee on Convention Committees shall nominate a person to complete the term.

Christian Higher Education: A Statement Of Purpose

Adopted by the Missouri Baptist Convention, 1976
MBC Annual, pp. 92-94, 1976

A Biblical and Theological Foundation

A program of higher education which is viewed as a viable part of the Christian mission must have a sound Biblical and theological foundation. There are three Biblical doctrines which undergird and interpret Christian higher education: creation, fall and redemption. These basic Christian convictions underscore two major truths: that God, as creator, redeemer and sustainer of life in the universe is actively involved in his creation; and that his interest extends to the whole of his creation. The subject matter for education is life itself, in its wholeness. Thus, Christian education proceeds without fear into whatever knowledge may come. For the ultimate meaning of that knowledge is the meaning which it has in God.

Proceeding from the Christian view of creation, fall and redemption, the following reasons are listed in answer to the question, "Why should the Missouri Baptist Convention sponsor and support institutions of higher learning?"

1. All truth is of God, and Jesus Christ is the integrating center of all truth.
2. The Christian college has as its purpose the discovery, preservation and transmission of truth.
3. The churches need ministerial and lay leadership who have been broadly educated from the perspective of the Christian world view and who have learned to think in Christian categories.
4. In dealing with education one is dealing with more than education. The Christian college has the responsibility for transmitting particular ethical and moral values as reflected in the Scriptures.
5. The Christian college is different from other ventures in higher education because of its presuppositions about the nature of truth, the nature of God, and the nature and destiny of man.
6. Based upon the above-stated presuppositions, the discovery and teaching of truth by the Christian college becomes an essential part of the Christian mission to go and bear witness to the truth.
7. The world needs the witness of the Christian college, where education is seen in the light of faith and where faith is looked at in the light of education.

***Baptist Colleges and the Missouri Baptist Convention:* Laborers Together With God**

At the center of a healthy relationship between colleges and the Convention lies the recognition that a college and a church are not identical in their purposes, methods of approach, composition of membership and internal administration. By means of complementary roles, each contributes to the Christian mission

in the world. In their covenant relationship, there are basic, reasonable responses each may expect from the other.

What can the Convention expect from the colleges?:

1. A clear statement of its Christian purpose which is reflected in the administration, in the teaching, in the curriculum, and in the activities of campus life.
2. A comprehensive liberal arts curriculum which includes courses of study in the Bible, Christian ethics, church history, and related subjects, providing an opportunity for a deeper understanding of the Christian faith.
3. An academically qualified faculty who have a personal commitment to the Christian faith and who have an appreciation for the Christian heritage of the college.
4. Campus activities which include chapel worship services, periods of special religious emphasis and a variety of programs designed to nurture the spiritual lives of students.
5. An administration which brings distinctive Christian insights to the problems of college teaching and governance.
6. A genuine effort to recruit and to educate concerned persons who will devote their lives to the services of the church through specialized ministries.
7. A sensitivity by administration and trustees to the purpose of the Missouri Baptist Convention.

What can the colleges expect from the Convention?:

1. Encouragement for the college to develop the highest possible teaching standards.
2. Cooperation with the college administration in the selection of trustees who are capable and committed to Christian higher education.
3. The most complete and generous financial support of which it is capable.
4. Support for the trustees in maintaining academic freedom and responsibility.
5. Effective interpretation to the churches of the purpose of the Convention and the colleges in Christian higher education, and the fostering of understanding and a sense of partnership between the colleges and the Convention.
6. The periodic re-examination of the Convention's aims and objectives in Christian higher education.
7. Guidance from the Executive Board of the Missouri Baptist Convention in the development and funding of professional or new degree programs of Christian Higher Education.

The funding of colleges by Baptists for the education of the ministry was an admission of the need for a liberal arts education which a church was not equipped to offer. Missouri Baptists want their schools to be sound academically, fully accredited, aware of the need to place Christian emphasis at the center of educational life, and responsive through trustees to the wishes of the Convention. True education is the wrestling of the mind with the ultimate issues of existence, and in that sense is an essentially religious undertaking. Given the doctrine of creation, fall and redemption, it is altogether fitting and necessary that Baptists provide colleges where young people can explore the world of ever-expanding knowledge under the guidance of committed Christian teachers.

17. President Sawyer announced that the program would operate on continuity of agenda. Time slots may be different if the program runs ahead or behind. There may be a need to call for the order of the day when the Annual Sermon is scheduled because it has to be in the second session.

18. President Sawyer announced that a special offering for the partnership mission work of the Missouri Baptist Convention would be taken on Tuesday evening if approved by the MBC on Tuesday.

19. President Sawyer stated that those who had resolutions to introduce should give them to the recording secretary by the end of the session. The titles would be read on Tuesday morning. Only registered messengers may submit resolutions according to MBC Bylaws, Article III, 5.b. Resolutions previously mailed to the committee must also be submitted by registered messengers and given to the recording secretary by the end of this session. Resolutions should be typed, if possible, and should contain the name(s) and address(es) of person(s) submitting the resolution and the church from which persons are messengers. The Resolutions Committee would meet on Tuesday afternoon. Messengers were invited to speak to resolutions at that time.

20. Special music was provided by the music ministry of First Baptist Church, Wentzville, under the direction of Grant Jessen.

21. Missouri Baptist Convention executive director, David E. Clippard, brought the executive director's address. After recognizing Missouri Baptist Convention staff members present, Clippard noted that we were commemorating 200 years of Missouri Baptist history and gave a brief history of the beginnings of Old Bethel. He encouraged those present to visit the Old Bethel Site before leaving the Cape Girardeau area.

Clippard read from Numbers 13 as his message text. He then used an illustration of hundreds of power company trucks

going to assist Katrina victims. Clippard said the power company folks believed those people should not live one more day without light. Do we have the same conviction that the people of this land should not live one more day without light? Why do we exist? For missions. We are autonomous churches that cooperate together for missions.

Referring again to the Scripture and comparing it to the situation today, Clippard said the enemy is real. He went on to give some statistics and illustrations regarding plans to defeat and occupy America. He said the enemy is real; the threat is real; the mission is clear; the need is clear. We have to call out the called. We have giants today. The way we will ultimately win the battle is one heart at a time. Clippard told of some individuals in Missouri – some heroes of today – who were making a difference. A clip from the movie "Facing the Giants" was shown. At the clip's conclusion, Clippard said, "Missouri Baptists, my family, I think we have more to give," and then led in prayer.

22. President Ralph Sawyer asked First Vice President Mike Green to preside over the remainder of the session.

23. Grant Jessen, minister of music, First Baptist Church, Wentzville, led the congregation in singing and then provided special music.

24. Ralph Sawyer, pastor, First Baptist Church, Wentzville, brought the president's address. Sawyer expressed appreciation to the Convention and his church family for allowing him to serve as president this year. Sawyer talked about Southern Baptists in Missouri being united – believing in the fundamentals of the faith; giving to the Cooperative Program that is the lifeline to missions; sharing concerns about our culture; and sharing concerns about Windermere trees being cut down and sold.

Ralph Sawyer read Matthew 9:35-37. Sawyer noted the Convention theme "Renewing our Passion." He said that Jesus didn't care if people were rich or poor. Sawyer stressed that if we are going to make a difference, we are going to have to have the passion Jesus has – be passionate about people; be passionate about the priority. He talked about reaching the next generation and engaging the culture (but not marrying the culture). In closing, Sawyer presented a video clip about the "Evangelism Linebacker."

25. Floyd Smith, a U.S. Army veteran from Fellowship Baptist Church, Cape Girardeau, gave the benediction. The Convention recessed until Tuesday morning.

Our Country – Psalm 33:12

26. President Ralph Sawyer called the session to order at 8:30 a.m. following pre-session music provided by Lynwood Baptist Church, Cape Girardeau.

27. U.S. Army veteran and two-time cancer survivor Jerry Hahs, Trinity Baptist Church, St. Mary, gave the invocation.

28. Gary Belcher, minister of music, Lynwood Baptist Church, Cape Girardeau, led the congregation in singing.

29. President Sawyer called for a time of prayer for the Foster family. Word had been received that Executive Board staff member Gene Foster's mother had passed away.

30. President Sawyer introduced Tony Preston, assistant professor of Pastoral Leadership, Midwestern Baptist Theological Seminary, who would bring Bible Study/Theme Interpretation through Wednesday morning.

Dr. Preston said that the theme subject is intriguing and somewhat overwhelming – to help us understand how passion for the commission to carry the gospel to everyone on the earth is to be renewed. He read from Romans 1 and 9 and II Corinthians. He talked about God calling, calling, calling that what was lost – Oh, Jerusalem – that is passion. The love of God poured out in us and sets the boundaries for us. God's own love that enlivens a dead soul; God's own passion that sets our hearts aflame.

31. President Sawyer stated that time did not allow for representatives from the SBC institutions and entities to come to the platform, however, they had booths in the exhibit areas. He encouraged messengers and visitors to visit the booths.

32. New workers to the state since the last annual meeting were asked to go to a table to register and receive a gift. A copy of Frontiers: The Story of Missouri Baptists was presented to each new worker.

34. Rick Seaton, pastor, FBC, Kahoka, and chairman of the MBC Credentials Committee introduced the other members of the committee, expressed appreciation to them and to his wife Stacey for their work on this committee. He explained their work began in January, they had contacted approximately 30 churches, and they desired to faithfully and graciously carry out the work of the committee. Seaton then gave the following report from the Credentials Committee and moved its adoption:

It is the determination of the Credentials Committee that the following autonomous congregations have taken official church action such that each no longer meet the qualifications to continue cooperation with the convention as described in the Missouri Baptist Convention Constitution and Bylaws. These churches have been notified and given ample opportunity to affirm their desire to cooperate with the convention in her program of single alignment. Since these churches have communicated no desire to take such action, the Credentials Committee recommends that any representative from the following list of churches not be seated as messengers at this or any annual convention until their congregation takes the appropriate and necessary action to demonstrate a desire to cooperate with the Missouri Baptist Convention in her program of single alignment with the Southern Baptist Convention.

These churches are:

1. Chandler Baptist Church, Liberty
2. Cornerstone Baptist Church, Columbia
3. Cornerstone Baptist Church, Lee's Summit
4. First Baptist Church, Cape Girardeau
5. First Baptist Church, Hamilton
6. First Baptist Church, Independence
7. First Baptist Church, Jefferson City
8. First Baptist Church, Lee's Summit

15. Olive Branch Baptist Church, Sedalia
16. Rock Falls Baptist Church, Orrick
17. Third Baptist Church, St. Louis
18. University Heights Baptist Church, Springfield
19. Winnwood Baptist Church, Kansas City

Warren Hoffman, pastor, Third Baptist Church St. Louis, asked to speak to the body. Hoffman said that at Third Baptist Church they also have a passion for Christ and love the Church. He stated that they hoped that the Missouri Baptist Convention would continue to pray for them as they continue to pray for the Convention as we work to advance the cause of Christ in this state.

There was no other discussion. A vote was taken by raised ballot. The motion carried and the Credentials Committee report was adopted.

Rick Seaton requested that any messengers from churches on the above list turn in their ballots at the registration table and remain and worship with us.

35. Jeff Purvis, pastor, Westport Church, St. Louis, and chairman of the Committee on Convention Committees, gave a partial report of the committee and moved that the following be elected to the Committee on Convention Preacher to report on Wednesday: Wayne Isgriggs, FBC, Lincoln (M), chairman; Benny Gard, FBC, Houston (M); and Cheryl Weldon, Faith Baptist Church, Marshall (L). A vote was taken by raised ballots. The motion carried.

36. Roger Moran, layman, FBC, Troy, and chairman of the Nominating Committee, brought the Nominating Committee report. He introduced and expressed appreciation for subcommittee chairmen Kerry Messer, Dennis Redmon, and William Vail. Moran noted that the MBC Nominating Committee is made of 24 people, one-half minister and one-half lay persons, three from each of the eight regions, eight are elected each year for three year terms. Moran stated that the Committee had taken its work seriously; and explained that one of the challenges is to find people to serve on the Boards. Moran encouraged more Missouri Baptists to participate in the work of the Nominating Committee.

Roger Moran called attention to the report of the MBC Nominating Committee printed in the Daily Business Update, noting that the Term Expiring under Southwest Baptist University should read 2011 rather than 2009, and moved adoption of the entire report. (See Exhibit II.)

President Ralph Sawyer asked if there were any nominations from the floor.

Mitchell Jackson, Miner Baptist Church, Sikeston, commented that some of the Nominating Committee members felt disenfranchised. Jackson went on to say that the Executive Board is the organization that decides how Cooperative Program (CP) money is spent and Executive Board members should represent churches that give to CP -- give at least as much as the average MBC church. Mitchell Jackson nominated to the MBC Executive Board Gerald Davidson, FBC, Arnold, whose church gives 8.5 percent to CP in the place of Ralph Sawyer, whose church gives 2.5 percent to CP.

Roger Moran responded that Gerald Davidson was nominated through the subcommittee and considered at the July meeting of the MBC Nominating Committee and that vote was lost in subcommittee and lost again when substituted in the full meeting of the Nominating Committee. Moran noted that Gerald Davidson had served 20 years on the Board of Hannibal-LaGrange College and was currently serving on the Board of Missouri Baptist College and has served the Convention in various other ways. Moran stated the need to spread things around.

President Ralph Sawyer relinquished the chair to First Vice President Mike Green. It was stated that the motion before the body was to strike the name of Ralph Sawyer from nominees to the Executive Board and insert the name of Gerald Davidson. No second required.

Ben Chapman, messenger, FBC, Adrian, spoke in favor of the motion. He said that Roger Moran just mentioned the need to involve more people, yet we are taking a sitting president and placing him on the Executive Board. Chapman commented that he saw a lot of familiar names on the list.

The chair noted that time had expired for discussion of this matter.

Doug Austin, messenger, Lynwood Baptist Church, Cape Girardeau, moved that time be extended by 10 minutes. The motion received a second. A vote was taken by raised ballots (two-thirds majority needed). The motion carried.

Cindy Province, messenger, FBC, Harvester, spoke against the motion. She affirmed the work of the Nominating Committee and the slate presented by the Committee, and urged the adoption of the full slate.

Darren Casper, messenger, The Journey, spoke in favor of the motion. He stated that Gerald Davidson had served Missouri Baptists well and is an example to younger churches of leading in CP giving and in Convention leadership.

Tom Willoughby, messenger, FBC, El Dorado Springs, stated that he was a member of the Executive Board and of the Nominating Committee. He noted that there were a few members of the Nominating Committee who were not at all in agreement with the proposed slate. Willoughby said he believed there was a need to move in a direction of increasing CP giving and of electing people who are leading the way.

Michael Knight, messenger, FBC, Viburnum, also a member of the Nominating Committee, said there was only one negative vote in the last Committee meeting. He commented that the issue of what a church gives or does not give to CP may be a matter of your opinion, but does not qualify or disqualify an individual for service in the MBC. It is not a policy. Knight said, if that is what you want, then let's make that a policy.

Gary Barkley, messenger, Pisgah Baptist Church, Excelsior Springs, called for the question. The motion to end debate received a second.

Gerald Davidson, FBC, Arnold, asked for a personal privilege. Davidson said he was not interested in dividing the Convention. He said he would be speaking later and did not want any sour grapes. He noted that removing his name would solve part of the problem, and said that he would greatly appreciate if his name would be removed.

The chair noted that the original report from the Nominating Committee was now on the floor for debate.

Cindy Province, FBC, Harvester, called for the question. The motion to end debate received a second. A vote was taken by raised ballots (two-thirds majority needed). The motion to end debate carried.

A vote was taken on the MBC Nominating Committee report as printed in the Daily Business Update by raised ballot. The motion carried. (See Exhibit II.)

37. President Ralph Sawyer resumed the Chair and presented the following as his nominees to the MBC Nominating Committee:

Bruce McCoy (M), Canaan, St. Louis was nominated to serve as chairman for 2007.

A motion was made and seconded to approve the nominations as presented.

Mitchell Jackson, messenger, Miner Baptist Church, Sikeston, said that he had a question about one of the nominees. He noted an ongoing problem between our Executive Director and Roger Moran. Jackson then said, "never mind" as he realized Roger Moran was not up for election.

A vote was taken by raised ballots and the motion carried.

38. Executive Director David Clippard called attention to Executive Board staff reports in the Book of Reports (See Exhibit VII), and introduced the MBC Staff report which was given in a video presentation. He stated that each church would receive a DVD of the report.

39. Executive Director David Clippard recognized MBC Executive Board staff member Dorothy Nichols who had completed 25 years of service to the MBC during 2006. Mrs. Nichols was presented with a bouquet of flowers.

41. Gary Taylor, pastor, FBC, O'Fallon, and chairman of the Legal Task Force, presented the Task Force report which was given through a video presentation. Taylor noted that we were spending a lot of money, "but if we asked you if you would pay $3 million for Windermere, I believe you would do it." He encouraged messengers when they went home to be in contact with the trustees of the breakaway agencies and implore them to come back to the MBC. Taylor also challenged messengers to be a part of the Agency Restoration Fund. Gary Taylor moved the adoption of the Legal Task Force report. A vote was taken by raised ballot. The motion carried.

42. President Ralph Sawyer noted that it was time for the Executive Board Report and Recommendations and stated that he had asked Jay Scribner, chairman of the Executive Board's Administrative Committee to bring the report and recommendations.

Executive Board member Jay Scribner called attention to the report and recommendations from the Executive Board found in the Book of Reports and the Daily Bulletin Update (See Exhibit I) and moved the adoption of the Executive Board report and recommendations in their entirety.

A vote was taken by raised ballot. The motion carried.

43. Gary Belcher, minister of music, Lynwood Baptist Church, led the congregation in singing.

44. President Sawyer announced that time had come for the introduction of miscellaneous business. were to have a second and were to be printed in the Wednesday Daily Business Update. The Order of Business Committee was asked to determine when the motions would be considered.

Jay Scribner, messenger, FBC, Branson, nominated Mike Green, pastor of Calvary Baptist Church, Republic. There were no other nominations. A motion was made and seconded that nominations cease. The motion carried

Jason Rogers, MBC Recording Secretary, cast the unanimous ballot of the Convention and Mike Green was elected president of the Missouri Baptist Convention.

56. It was announced that Mrs. Adrian (Joyce) Rogers was to bring greetings to the Convention, but she must have been detained.

57. Mrs. Gerald (Verlena) Davidson, brought special music through a piano solo medley featuring "How Great Thou Art."

58. Upon arrival of Mrs. Adrian (Joyce) Rogers, President Ralph Sawyer introduced her to the body and expressed how much we have appreciated Dr. Adrian Rogers and his wife Joyce.

Mrs. Rogers brought greetings and expressed her thanks for being invited to speak at the ladies luncheon. Mrs. Rogers said she knew many of those present had prayed for her. She said, God is very good and I am honored to be here in the state of Missouri. God Bless You All.

59. Gerald Davidson, pastor emeritus of First Baptist Church, Arnold, brought the annual sermon. The alternate was John Greever, pastor of First Baptist Church, Fenton.

Gerald Davidson read from Luke 14 and then said there were some things that were heavy on his heart. He said that Missouri Baptists need to know the truth and need to talk about some things so we can get them right. Davidson commented that he would like to hear a hearty "Amen," but was a lot more interested in God looking down and saying, "well done."

Davidson talked about Project 1000 and its efforts to get 1000 people out to vote and stand for the inerrant and infallible Word of God. It was successful. Davidson said, but it is time that Project 1000 (Missouri Baptist Layman's Association) retired. He said that Missouri Baptists do not need a political organization to dictate and to build kings and tear down leadership. Davidson went on to talk about how the Convention staff has been moving in the direction of missions, evangelism, soul winning, and church outreach like never before. We do not need the struggle that we once had.

Looking to Luke 14, Davidson asked, what is the value of a soul? We must become soul conscious. We will never see the value of a soul until we see it through the eyes of the Father. We need

to join our hearts together and be soul conscious and reach the world. Missouri Baptist Convention, let's stop bickering. Missouri Baptist Layman's Association, I love you, but stop thinking you are the king builders. I think we can trust Missouri Baptists to do what is good and Godly. Davidson said, David Clippard, you are the Executive Director, keep us on track. Missouri Baptists, get behind him and support him. Executive Board, you represent Missouri Baptists 360 days out of the year. Don't try to micromanage our Executive Director. That's not your job. David Clippard is answerable to the Executive Board, but you don't have to look over his shoulder all the time. Executive Board, you are answerable to this body. Davidson concluded with a challenge to join our hearts and bodies to reach people for Jesus Christ.

60. Don Lax, U.S. Air Force Veteran, FBC, Marble Hill, gave the benediction. Glenn Niswonger, U.S. Army Veteran, FBC, Jackson, was scheduled to bring the benediction, but was unable to attend due to his wife's health. The Convention recessed until Tuesday afternoon.

64. Tony Preston, assistant professor of Pastoral Leadership, Midwestern Baptist Theological Seminary, continued with Bible Study/Theme Interpretation. Using Mark 8, 9, and 10, Preston gave illustrations of passion – being overwhelmed with the presence of God. He also talked about how passion gets blunted – flickers. One sign passion is blunted is if God doesn't act the way we think he should act or doesn't do what we think he should do. Preston said, we must realize that we, too, must take up the cross to receive a crown.

65. First Vice President Mike Green, pastor, Calvary Baptist Church, Republic, led in a memorial service in remembrance of those ministers who had been called home during the past year. (See Exhibit IV.)

Parliamentarian Michael Whitehead noted that a motion to reconsider can be made if seconded by a messenger who voted for the report.

73. Denver & the Mile High Orchestra led the congregation in singing and provided special music.

74. Ken Freeman, evangelist from San Antonio Texas, brought the session's keynote message. He read from Luke 10, 15, and Matthew 9. Freeman said, when you see what Jesus sees, you will feel what Jesus feels. Freeman noted that in Luke 10:30 the good Samaritan was the only one who saw what Jesus saw.

Ken Freeman told about his life and how he came to salvation 37 years ago. He said you are one choice away from a different life. As Freeman continued telling about his life, he mentioned that he tells someone about Jesus every day. He said that being a Christian was the best thing in the world.

Reading from Matthew 9, Freeman noted that Jesus socialized, He visualized, He sympathized, He evangelized, He organized, He felt great compassion. Freeman challenged those present to start seeing through Jesus' eyes. See what He sees and pray for passion again.

75. Daren Ford, representing the U.S. Navy gave the benediction. The Convention recessed until Tuesday evening.

Executive Director David Clippard and MBC President Ralph Sawyer signed a partnership agreement with El Salvador (See Exhibit I, Recommendation 8, and Item #42. It was noted that MBC representatives would be going to

El Salvador in January to sign the agreement at the El Salvador convention. Norm Howell noted that the El Salvador flag had been added to the partnership flags displayed on the platform. Prayer was voiced by Mauricio Vargas in both languages.

80. Norm Howell, partnership missions specialist, Missouri Baptist Convention, presented a DVD about El Salvador and gave the MBC Partnership Missions Report through a power point presentation.

81. Denver & the Mile High Orchestra provided special music as an offering was taken for MBC partnership missions. (Total offering received was $9,795.27.)

82. Following a procession of flags and appointees, the International Mission Board (IMB) of the Southern Baptist Convention conducted a Missionary Appointment Service. Speakers included Jerry Rankin, president, IMB; Frank Page, president, Southern Baptist Convention; and John Floyd, chairman, IMB Board of Trustees.

83. Bob Adams, FBC, Jackson, representing the U.S. Navy, gave the benediction.

84. The convention recessed until Wednesday morning.

Our Culture – Matthew 5:13-16

85. President Ralph Sawyer called the session to order at 8:30 a.m. following pre-session music provided by Joel Engle.

86. Wayne Helderman, Burfordville Baptist Church, representing the Army National Guard, gave the invocation. President Ralph Sawyer called for special prayer for Wayne and his family. Wayne had lost his mother this week.

87. Joel Engle, led the congregation in singing.

88. Tony Preston, assistant professor of Pastoral Leadership, Midwestern Baptist Theological Seminary, continued with Bible Study/Theme Interpretation. Using John 21 as a text, he talked about Jesus' mission to renew and restore the falling and the fainting – renewing the passion of the Apostles. He restores us by insisting that we recognize where we are. The disciples did not recognize Jesus until they had obeyed him. Jesus asked, do you love me? Jesus asked three questions and received three denials.

Have you lost your passion? HE knows where it is. HE knows what happened. HE knew it was going to happen. HE knows what to do about it. Have the heart of Jesus – communicate with Him. He renews and restores us by not giving up on us. What He has begun He finishes. Take courage my brother, take courage.

89. Jim Matthews, pastor, Cape County Cowboy Church, Jackson, and chairman of the Committee on Enrollment, reported that there were 1,162 messengers and 388 visitors had registered for a total of 1,550, representing 469 churches

90. President Sawyer announced that the time had come for election of First Vice President. Jim McNeil, messenger, Tower Grove Baptist Church, nominated Dr. Bruce McCoy, pastor of Canaan Baptist Church, St. Louis. There were no other nominations. A motion was made and seconded that nominations cease. A vote was taken by raised ballot. The motion carried. MBC Recording Secretary Jason Rogers cast the unanimous ballot of the convention for Bruce McCoy and Bruce McCoy was elected First Vice president of the MBC.

91. Dr. C. Pat Taylor, president, Southwest Baptist University, Bolivar, gave the University's report. (See Exhibit VIII.) Dr. Taylor presented a video report and told how the University, which was beginning its 129th year, was getting better. He talked about how Southwest Baptist University was mission driven, he told of its core values, and reported a 26 percent increase in the freshman class enrollment this year. Pat Taylor said, thank you Missouri Baptists for all you do to help make us a success. The report was adopted by a show of raised ballots.

92. Bob Kenison, president, Missouri Baptist Children's Home, presented the Home's report to the Convention. (See Exhibit VIII.) He attempted to show the video, "All I want for Christmas is a family," but experienced technical difficulties. Kenison called attention to the Children's Home report in the Book of Reports and invited messengers and visitors to visit the Children's Home booth.

At Bob Kenison's invitation, Executive Director David Clippard spoke regarding homes for foster care and the pioneer efforts of Second Baptist Springfield where families in the church who take in children are supported by Sunday School classes and other groups, helping them in any way they can – financial, time, child care, gifts, etc.

Bob Kenison concluded by stating that every child has a right to have a family. At Missouri Baptist Children's Home they have workers who will go in to help a family, even if the ideal is not there – they go where children are at risk. MBCH does not place a child except in a Christian home. The report was adopted by a show of raised ballots.

93. David Daughenbaugh, chairman of the Missouri Baptist Historical Commission brought the Commission's report. (See Exhibit VIII.) Daughenbaugh said, you are sitting on the first international mission field in the U.S. – 200 years ago. He expressed thanks and appreciation for what had been done for Old Bethel restoration. Daughenbaugh recognized Steve Strom a local historian whose hobby it was to reconstruct old buildings and presented him with a framed certificate on behalf of the Missouri Baptist Convention and the MBC Historical Commission for his expertise in rebuilding the Old Bethel Church. Daughenbaugh also recognized his fellow commissioner, Melvin Gateley, for his zeal for getting the project done and his high standard of commitment to the project, and presented him with a certificate of appreciation.

David Daughenbaugh introduced Dr. John Marshall, pastor, Second Baptist Church, Springfield who has been a key person in the Old Bethel restoration project. Second Baptist, Springfield made a monetary donation to purchase the logs for Old Bethel. Daughenbaugh presented John Marshall an Old Bethel T-Shirt.

94. Dr. John Marshall, pastor, Second Baptist Church, Springfield, gave some historical background regarding the Old Bethel Church. He used a power point presentation to give the history of Old Bethel from then to now. Marshall asked messengers and visitors to encourage their churches to give a little

to help in this reconstruction project. He said, Happy Birthday Missouri Baptists, you are 200 years old and doing well.

95. President Sawyer stated that the time had come for discussion of miscellaneous business and called attention to the motions printed in the Daily Business Update with the recommendations from the Committee on Order of Business.

96. David Tolliver, chairman, MBC Committee on Order of Business, noted that a motion referred is not a motion lost. A report will be made at the next Annual Meeting. Tolliver presented the Committee's report of motions to be referred and the motions considered to be out of order.

The Committee on Order of Business recommends that the following be referred to the MBC Executive Board:

Motion submitted by:

Jeff White, messenger, South Creek Church, Springfield

That at the December 2006 Executive Board meeting of the Missouri Baptist Convention, that the President of the Executive Board appoint a committee of at least five people to study the theological soundness of all relationships the Missouri Baptist Convention has with non-political para-church organizations; and that they use as a guide the Bible, the 2000 version of the Baptist Faith and Message, and any applicable resolutions passed by the Missouri Baptist Convention or the Southern Baptist Convention; and that the committee report its finding to the Executive Board and its President for possible action, no later than its July 2007 Executive Board meeting.

Reason for the motion: I have in my possession a print-out from the website of a particular para-church organization that currently has a relationship with the Missouri Baptist Convention. And on this print-out is evidence which indicates this organization's leader might be sympathetic with the false doctrine of universalism, namely that everyone, even atheists have a relationship with God. Another SBC pastor and I met face to face with the leader of this organization and the answers to the theological questions we asked him were not satisfactorily answered. Also, the writings of this organization's leader, are extremely weak theologically, and do not seem to affirm in practice the sufficiency of Scripture. Since these doctrinal issues deal with fundamentals of the faith, these concerns alone justify the need for a theological investigation by a committee. If it is possible for one of our partnerships to be theologically off-tract, then there could be others as well.

Motion submitted by:

Bruce Tegg, FBC, Lemay

Whereas, we are instructed in Scripture, "As we have therefore opportunity, let us o good unto all men, especially unto them who are of the household of faith." Galatians 6:10; and whereas, we are also instructed in Scripture, "Moreover it is required in stewards, that a man be found faithful." 1 Corinthians 4:2; and whereas, holding meetings or conducting business of the Missouri Baptist Convention at or with cult or pagan aligned entities neither prefers the household of faith, nor is faithful stewardship of our resources; it is moved that, beginning in January 1, 2008:

To the maximum extent possible, primary and preferred consideration shall be given to entities aligned with the Missouri Baptist Convention and/or the Southern Baptist Convention when planning, sponsoring, catering, teaching, or hosting Missouri Baptist Convention meetings, conventions, training, festivals, revivals, conferences, retreats, concerts, or other similar assemblies.

Secondary consideration shall be given only to entities who, although not formally aligned with the Southern Baptist Convention, support basic Biblical and Christian doctrines, i.e. Authority of the Scriptures, Deity of Christ, The Trinity, God the Father, The Holy Spirit, Salvation, and Hell.

As a last choice, to the minimum extent necessary, consideration of non-aligned, non-Biblical entities shall be made only after all possible primary and secondary entities have been researched and found unable to provide the needed space, services, and/or provisions.

Note 1: Although an aligned entity may not qualify for an event with 4,000 people in one place, it is still to be given primary and preferred consideration for any events or parts of events that would otherwise fit within the ability of that aligned entity.

Example: The MBC wants to hold a convention of 4,000 people at a certain church. The church may be too small for the main meeting event but able to handle all the other meetings and sessions. The MBC would be required to hold as many meetings at that church as possible and then they would be able to hold the main meetings at another site that would have enough room. Just because the church is too small for the main event does not exclude it from consideration if it can hold other parts of the event.

Note 2: When space at an aligned educational or similar institution is being considered, the Missouri Baptist Convention will schedule around the institution's calendar so as to not exclude an otherwise qualified educational site.

Note 3: Aligned entities include but are not limited to: Universities, Churches, Camps, Seminaries, Colleges, Retreat Centers, Schools, Day Cares, Family Life Centers, and Amusement Parks.

Motion submitted by:

Don Amelung, messenger, Second Baptist Church, Bowling Green

That this Convention begin to help our brothers in Detroit evangelize their city.

Motion submitted by:

David Daughenbaugh, messenger,
Cornerstone Baptist Church, Lamar

That no money be gifted to a non-MBC Board, agency or institution for a non-emergency cause; and that a line item be added known as "Ministry Enhancement" from which such gifts be made, thereby allowing our Reserves to become and full the intended function.

The Committee on Order of Business recommends that the following be referred to the MBC Executive Board and the MBC Committee on Continuing Review:

Motion submitted by:

Keith Vawter, messenger, FBC, Mansfield

That The MBC Constitution Article VIII Executive Board Section 2 A. be amended by striking the words "July 10" and replacing them with "the end of the last day of business at the annual meeting prior to the year in which they will be nominated to serve, according to the manner specified in thy Bylaws.

The new paragraph would then read: Each church in the area shall be invited to present names of prospective Board members to the area representatives of the Convention Nominating Committee no later than the end of the last day of business at the annual meeting prior to the year in which they will be nominated to serve, according to the manner specified in the bylaws.

If approved, this action will take effect beginning in the year 2008 for those who would be nominated to be gin serving in 2009. This would give the committee members more adequate time to research the nominees.

Motion submitted by:

Keith Vawter, messenger, FBC, Mansfield

That the Bylaws of the Missouri Baptist Convention Article VII Boards and Agencies of the Convention, 4, be amended by replacing the entire paragraph with these words, "No person will be eligible to serve on more than one of the commissions or boards of the MBC at a time."

This will eliminate any problems concerning conflicts of interest as well as making rule #11 of the MBC Nominating Committee Rules and Procedures an acceptable statement.

Motion submitted by:

Keith Vawter, messenger, FBC, Mansfield

That the MBC Executive Board Bylaws Article II Executive Board 2, be amended by replacing the last sentence with these words, "Each church in an area shall be invited to present names of prospective members to the area representatives of the Nominating Committee of the Missouri Baptist Convention no later than the end of the last day of business at the annual meeting prior to the year in which they will be nominated to serve, in the manner specified in the Bylaws of the Missouri Baptist Convention.

This is necessitated by the proposed change in Article VIII Executive Board Section 2A of the MBC Constitution

The Committee on Order of Business recommends that the following be referred to the MBC Committee on Continuing Review:

Motion submitted by:

Keith Vawter, messenger, FBC, Mansfield

That the MBC Nominating Committee Rules and Procedures #12 be amended by replacing the current paragraph with these words, "Each church is limited to no more than two persons serving on any board, committee, or elected position of the MBC simultaneously, with no church having two persons on the same board or committee.

The Committee on Order of Business considers the following motion to be out of order because of undefined terms. The intent of this motion is encompassed in another motion submitted by David Daughenbaugh:

Motion submitted by:

Robert Hutchinson, Messenger, Faith Baptist Church, Harrisonville

That the Missouri Baptist Convention give any extra funds that might be available for Christian higher education only to MBC affiliated schools.

The Committee on Order of Business considers the following motion to be out of order. The Convention spoke to this issue when they adopted the Legal Task Force Report.

Motion submitted by:

Larry Roberts, messenger, FBC, Grain Valley

That the Executive Board of the Missouri Baptist Convention should stop spending God's money on a lawsuit against the five so-called renegade agencies. That they follow God's Word and not the way of the world. That they start using the services of these agencies. That they through prayer and under the guidance of the Holy Spirit find a way to reconcile their differences. All this is so God can start using the Missouri Baptist Convention to reach the people of Missouri for Christ in a mighty way. For God has a hard time using a rebellious people.

97. Robert Hutchinson, Faith, Harrisonville, stated that the terms of the motion he had made were pretty well defined and that the Daughenbaugh motion did not cover his motion. Hutchinson asked that the out of order ruling be overturned. The motion received a second.

Parliamentarian James Freeman noted that the Committee on Order of Business has made a recommendation, but the chair has not yet ruled.

President Ralph Sawyer stated that he was ruling as the Committee on Order of Business had recommended.

Robert Hutchinson, Faith, Harrisonville, moved that the ruling of the chair be overturned. The motion was seconded.

Hutchinson spoke to the motion. He said that we know the Executive Board recommended we support a non-MBC school, we gave our word when we adopted the Executive Board report. Hutchinson stated that the Convention had also made a pledge to our MBC schools in a statement Christian Higher Education: A Statement of Purpose. In Item 3 of What can the colleges expect from the Convention, it says the most complete and generous financial support of which it is capable. If we are able to give nearly a quarter of a million dollars to Midwestern, a non-MBC affiliated school, can we say we are giving out best to our MBC-affiliated schools. Will we keep our work to our MBC affiliated schools?

David Tolliver stated the debate was not on the merits of the issue, only overturning the ruling of the chair.

Loren Hutchinson, Wornall Road Baptist Church, said that as he looked at the reasoning for ruling the motion out of order, he thinks everyone understands what extra funds. The Executive Board voted to give a certain amount of money to Midwestern that must be extra funds. Hutchinson said he thought the Convention was capable of deciding where they want to spend their money.

Cindy Province, Messenger, FBC, Harvester, stated she was chair of the committee to study the relationship with Midwestern and affirm the existing colleges. She said that Midwestern was not in competition and felt they needed the support of the MBC.

David Daughenbaugh asked that his motion be withdrawn with the understanding that work is being done on the problems it addresses.

President Ralph Sawyer ruled that David Daughenbaugh could withdraw his motion.

A motion was made and seconded to end debate.

Milton Baumgardner, messenger, FBC, Monroe City, asked for clarification and received confirmation that the motion is out of order and if the body does not overrule the chair, the motion goes away.

A vote was taken on the motion to end debate by raised ballots. The motion carried.

Parliamentarian Michael Whitehead stated that the question is whether to sustain the ruling of the chair. A yes vote would sustain the chair. A no vote would overturn the chair's ruling. A vote was taken by raised ballots. The ruling of the chair was sustained.

98. David Tolliver, chairman of the Committee on Order of Business, called attention to the motions the Committee would now bring the to the floor.

Motions to be Considered:

Motion submitted by:

Robert Collins, messenger, Plaza Heights Baptist Church, Blue Springs

That the Missouri Baptist Convention begin an annual rotation that would include the following cities: St. Louis (2008), Kansas City (2009), Springfield/Branson (2010); that this would be a permanent rotation beyond the year 2010.

Robert Collins spoke to the motion. He said that he had not intended this to be punitive in any way. It has to do with stewardship primarily. Our MBC personnel travel quite a bit for all of our conventions. We are already committed through 2009. These three locations will give us consistence. There has been a shortage of rooms here and I would prefer to vote on this after we get out of Cape Girardeau, but we must begin negotiation again in January.

Doug Austin, messenger, Lynwood, Cape Girardeau, made a motion to amend the motion on the floor to add Cape Girardeau for 2011. The motion received a second.

Eric Shrum, messenger, FBC, Advance, spoke in favor of the amendment stating that the original motion does not serve Missouri as a whole.

Chris Brandt, messenger, Solid Rock, Boonville, spoke against the amendment. She stated that she heard everyone's heart and she would like to see the convention held in the Columbia area, but she understands the stewardship issues. If we add Cape Girardeau, what about the folks up north?

Bruce Tegg, messenger, FBC, Lemay, spoke in favor of adding Cape Girardeau and others as well. He noted his motion, which was referred to the Executive Board, would consider a vast array of possibilities.

Robert Collins commented that St. Joseph had asked to host the Convention, we have met in Joplin and in Columbia. There is an established criteria to host the Convention and we are going to continue to face this problem – it is not on the basis that we don't want to go there.

President Ralph Sawyer noted that time had expired for discussion on this issue.

Milton Baumgardner, messenger, FBC, Monroe City, made a motion to extend time five minutes. The motion received a second. A vote was taken by raised ballots. The motion to extend time carried.

Phil Bray, messenger, FBC, Puxico, called for the question on the amendment. The motion received a second. A vote was taken on the motion to end debate by raised ballot. The motion carried.

A vote was taken on the amendment to add Cape Girardeau to the rotation. A vote by raised ballots was too close to call. A ballot vote was taken. (See Item #109.)

99. President Ralph Sawyer called for the next motion. David Tolliver read the motion submitted by Frank Whitney.

Motion submitted by:

Frank Whitney, messenger, Union Hill Baptist Church, Holts Summit

That this convention pass an extension of the MBC nominating committee's rules and procedures policy to include policy #16 which would state: No nominating committee member or member of his/her immediate family is eligible to serve on any board of the MBC, or of any of its agencies, concurrent with their nominating committee term, or to be nominated to any board for the year immediately following their nominating committee term.

Frank Whitney spoke to the motion. He said that the motion was to allow us to be more inclusive. If you want people to take ownership, the more people we need to get involved on Boards and Committees.

Tim Abanathy, messenger, FBC, Portageville, said that this year he received a call regarding being nominated and explained that he already served on the Children's Home Board. He asked that consideration be given to grandfathering in those who have already been elected to these positions.

Jesse Barnhart, messenger, FBC, Mayview, asked if this wouldn't be contrary to the Constitution and Bylaws that allow a person to serve two terms in a row.

Parliamentarian James Freeman said that in general individuals are allowed to serve two terms, under Roberts Rules a nominating committee member can serve on a Board; but stated that he did not fully understand Jesse Barnhart's question.

Jesse Barnhart said his question was if a person can serve two consecutive terms on a Board or in an office, that this says they are not eligible.

James Freeman responded that this does not conflict because it does not constrict them to committee membership – only to a Board or office.

President Ralph Sawyer stated that the time for discussion on this issue had expired.

Brad Haines, messenger, FBC, Grandview, made a motion to extend time four minutes. The motion received a second. A vote was taken by raised ballots. The motion failed. Time was not extended.

A vote was taken on the motion submitted by Frank Whitney by raised ballots. The motion failed.

100. Attention was called to the next motion submitted by Keith Vawter.

Motion submitted by:

Keith Vawter, messenger, FBC, Mansfield

That the MBC Nominating Committee Rules and Procedures #13 be amended by replacing the paragraph with these words, "Any person nominated to serve on any board or commission of the Missouri Baptist convention be from a local church that is supportive of the Southern Baptist Convention, Missouri Baptist Convention, and Local Association as evidenced by that church contributing at least 7% of their undesignated receipts to the above mention mission causes annually.

There was no discussion because time for discussion had expired. A vote was taken by raised ballots. The motion failed.

101. Ron Marsh, messenger, FBC, Otterville, stated that the motion to extend time was unclear and moved that time be extended by 15 minutes to consider the motions and to consider the resolutions. The motion received a second. A vote was taken by raised ballots. The motion carried.

102. Charlie Wolfe, messenger, Concord Baptist Church, Jefferson City, and chairman of the MBC Committee on Resolutions presented the committee's report assisted by other members of the committee. He expressed thanks for the opportunity to serve and thanked the other committee members for their service. (See Exhibit V.)

103. A resolutions committee member presented Resolution #1 on Sufficiency of Scripture in a Therapeutic Culture and moved its adoption.

Tom Willoughby, messenger, FBC, El Dorado Springs, spoke in favor of the resolution and expressed appreciation to Joe Ulveling for the direction he has brought to the Missouri Baptist Convention to strengthen families. A vote was taken by raised ballots. The motion carried. (See Exhibit V.)

104. Resolutions Committee member Rodney Albert, Hallsville, presented Resolution #2 on Opposition to Amendment 2 and moved its adoption.

Ron Marsh, FBC, Otterville, spoke in support of the resolution and thanked those who have been responsible for helping to educate Missouri Baptists.

A vote was taken by raised ballots. The motion carried. (See Exhibit V.)

105. A resolutions committee member presented Resolution #3 on Recovering a Biblical Maintenance of Church Membership and moved its adoption. A vote was taken by raised ballots. The motion carried. (See Exhibit V.)

106. Resolutions Committee member Cliff Day, Chaffee, presented Resolution #4 on Wal-Mart's Pro-Homosexual Support and moved its adoption.

Elmer McCully, FBC, LaPlata, stated that he was in support of the resolution but the language was too weak. He said that verbally informing them was not good enough – the local manager isn't responsible. The corporation has put them in a difficult situation.

107. President Ralph Sawyer stated that Senator Jim Talent had arrived and he would entertain a motion to suspend time. A motion was made and seconded to suspend time. A vote was taken by raised ballots. The motion to suspend time carried.

108. U.S. Senator Jim Talent brought greetings to the Convention. He said that he was grateful for what God has done through Missouri Baptists and as a believer he was delighted to see that Missouri Baptists were working for a better society. Talent stated that he was grateful for the work of Missouri Baptists in opposition to Amendment 2. Talent stated that he believed cloning human beings and destroying them is wrong and we certainly don't want to put that in our Constitution. Talent said he also appreciated the work Missouri Baptists did on the marriage amendment – for marriage between a man and a woman. Talent commented that the people, not the courts decide the direction of our culture. Continue to do what you do. Thank you for the opportunity to be here. God bless you all.

109. President Ralph Sawyer announced the results of the ballot vote (See Item #98) to amend the motion to include Cape Girardeau. There were 363 votes for the amendment and 356 against the amendment. The amendment to include Cape Girardeau carried.

Jimmy Johnson, messenger, Catron Baptist Church, asked why not hold the Convention in Jefferson City each year.

Doug Austin, Lynwood Baptist Church, Cape Girardeau, asked if the question before the body was a vote on the motion as amended to include Cape Girardeau.

President Sawyer stated that was correct and called for a vote on the motion as amended by raised ballots. The vote was too close to call and President Sawyer asked messengers to take out ballot #2.

Robert Collins, Plaza Heights, Blue Springs, and maker of the original motion, said that unless it was out of order, he would respectfully like to withdraw his motion. The motion to withdraw received a second. A vote was taken on allowing Robert Collins to withdraw his motion by raised ballots. The motion carried.

110. President Sawyer announced that the report of the Resolutions Committee would resume. Resolution #4 on Wal-Mart's Pro-Homosexual Support was on the floor for consideration. (See Item # 106)

Brad Haines, FBC, Grandview, spoke against the resolution because it was too weak – they only understand money coming through the door. He stated that we need to be direct in this resolution and insert a financial boycott of Wal-Mart.

Jim Thompson, messenger, Pleasant Grove, Bucklin, commented that the resolution was weak, but he did know that 1-800-walmart gets you in to people who can make decisions.

Chris Brandt, messenger, Solid Rock, Boonville, made a motion to amend the resolution by adding, let it finally be resolved to not shop at Wal-Mart. The motion received a second.

Daron Caswell, messenger, Immanuel, Hannibal, asked, why stop here. There are other corporations that do the same thing.

Glen Golden, FBC, Iberia, asked how many came in a Ford. He said Ford is doing the same thing, and Proctor & Gamble, etc. etc. We could make a list and if we are going to do it for one, we do it for all. Golden noted that the local Wal-Mart supports his church's ministry.

John Wenberg, messenger, Garden Baptist Church, agreed that if we are going to take a stand, we need to take all. Let them know we are willing to take our dollars elsewhere.

Rodney Albert, Hallsville, spoke against the amendment. Albert said that an economic boycott is premature – we need to open a channel. This resolution has language they will understand. We think the strong voice of Missouri Baptists gives opportunity. We have to start somewhere.

Cliff Day, FBC, Chaffee, said it is hard to distinguish between our local Wal-Mart and corporate Wal-Mart. The resolution was designed to address the policies of the corporation.

Jim Cogdill, messenger, Lynwood Baptist Church, Cape Girardeau, called for the question. The motion to end debate received a second. A vote was taken by raised ballots and the motion to end debate carried.

A vote was taken on the amendment to add the resolve to not shop at Wal-Mart by raised ballots. The amendment failed.

The resolution as printed was back on the floor.

Brett Kennedy, messenger, Green Valley Baptist Church, said that his family has had a Ford dealership for 30 years and runs a Christian company. Kennedy said he was just a small member, but we are commissioned to evangelize – should we boycott? If we want to reach them, we need to love them and share the Good News and win them to the Lord instead of creating a barrier.

David Daughenbaugh, Cornerstone, Lamar, moved to extend time for seven minutes. The motion received a second. A vote was taken by raised ballots. The motion carried.

David Daughenbaugh moved the question. The motion received a second. A vote was taken by raised ballots. The motion to end debate carried.

A vote was taken on Resolution #4 by raised ballots. The motion carried. (See Exhibit V.)

111. Gary Barkley, messenger, Pisgah Baptist Church, Excelsior Springs moved the adoption of the report of the Resolutions Committee in its entirety. The motion received a second. There was no discussion. A vote was taken by raised ballots. The entire report of the Resolutions Committee was adopted. (Exhibit V.)

112. A vote was taken to adopt the Order of Business Committee report in whole by raised ballots. The motion carried.

115. President Sawyer announced that the time had come for the election of second vice president. Robert Collins, messenger, Plaza Heights Baptist Church, Blue Springs, nominated Jim Cogdill, director of missions, Cape Girardeau Baptist Association. There were no other nominations. A motion was made and seconded that nominations cease. A vote was taken by raised ballots and the motion carried. Recording Secretary Jason Rogers cast the unanimous ballot of the Convention for Jim Cogdill and Jim Cogdill was elected second vice president.

116. President Sawyer announced that the time had come for the election of Recording Secretary. Cindy Province, messenger, First Baptist Church, Harvester, nominated Lisa Albert, member, Hallsville Baptist Church. There were no other nominations. A motion was made and seconded that nominations cease. A vote was taken by raised ballots and the motion carried. Recording Secretary Jason Rogers cast the unanimous ballot of the Convention for Lisa Albert and Lisa Albert was elected Recording Secretary.

117. Lorraine Powers, president, Missouri Woman's Missionary Union (WMU) reported to the Convention. (See Exhibit VII.) Powers said Colossians 1:10 is the verse this year. This is what the Convention is about – Missions – and WMU is ALL ABOUT MISSIONS. WMU has a strategy of church-based learning experiences and personal opportunities to serve in "hands on" mission opportunities. WMU strives to educate and involve youth, children, preschool and adults and to engage them in the cause of Christian Missions. The report was adopted by raised ballots.

118. Wayne Isgriggs, pastor, First Baptist Church, Lincoln, and chairman of the Committee on Convention Preacher, expressed appreciation to the other members of the Committee – Benny Gard and Cheryl Weldon. Isgriggs presented the Committee's report and moved that it be adopted: That Rodney Albert preach the annual sermon at the 2007 annual meeting at Tan-Tar-A, Osage Beach, and that Scott Hill, pastor, First Baptist Church, Osceola, be the alternate. A vote was taken by raised ballot. The motion carried.

119. Jeff Purvis, pastor, Westport Church and chairman of the MBC Committee on Convention Committees expressed appreciation to the other members of the committee. Purvis presented the Committee's report (printed below) and moved adoption of the entire report as printed.

Resolutions Committee Report To The Convention

The Committee on Resolutions of the 172nd Annual Session (2006) of the Missouri Baptist Convention submits this Report to the Convention.

RESOLUTIONS RECOMMENDED FOR ADOPTION

The Committee on Resolutions recommends that the Convention adopt the following resolutions:

Resolution No. 1: On the Sufficiency of Scripture in a Therapeutic Culture

WHEREAS, Missouri Baptists are committed to the authority, sufficiency, and relevance of the Bible (Psalm 19:7-11; Luke 16:30-31; 2 Timothy 3:15-17; 2 Peter 1:3-4); and

WHEREAS, the Bible teaches that our Lord and Savior, Jesus Christ, is the "Wonderful Counselor" (Isaiah 9:6) who is all-sufficient (2 Corinthians 9:8; Colossians 2:9-10); and

WHEREAS, the Bible teaches that human beings are created in the image of God—made by Him, like Him, and for Him (Genesis 1:27-28)—and that because of sinful rebellion against the Creator, our entire being suffers from sin's corruption (Genesis 3:6-19; Ecclesiastes 9:3; Romans 1-3); and

WHEREAS, all aspects of our lives—including our spiritual, moral, and psychological conditions—are to be informed and governed by the application of and obedience to Holy Scripture (1 Corinthians 10:31); and

WHEREAS, in this therapeutic culture, physicians and counselors often ignore human sin and its effects, neglect our most fundamental human and spiritual needs, and therefore, misunderstand our condition, mistreat our problems, and sometimes unintentionally do more harm than good; and

WHEREAS, an uncritical acceptance of the therapeutic culture too often has infected our pulpits, ministries, and counseling (Colossians 2:8); and

WHEREAS, our churches often have neglected our God-ordained responsibility for the care and cure of souls, becoming practically ineffective, both marginalizing ourselves from the culture and being marginalized by the mental health establishment;

NOW THEREFORE BE IT RESOLVED, that the messengers to the Missouri Baptist Convention meeting in Cape Girardeau, Missouri, October 30-November 1, 2006, affirm Christian counseling that relies upon the Word of God rather than man-centered theories that are rooted in a defective understanding of human nature (John 17:17); and

BE IT FURTHER RESOLVED, that we affirm there are real conditions which warrant legitimate medical treatment; However, we reject the assumptions of the therapeutic culture that offers only a pharmacological solution for every human problem; and

BE IT FURTHER RESOLVED, that we affirm any method worthy of the name "Christian counseling" must address the root of our problems and reveal the crux of God's solution—the redemptive work of Christ and the sanctifying power of the Holy Spirit through the Word of God, by which the depths of sin and the fullness of grace are made known (Hebrews 4:12-16); and

BE IT FINALLY RESOLVED, that we call on all Missouri Baptists and our churches to reclaim practical biblical wisdom, Christ-centered counseling, and the restorative ministry of the care and cure of souls.

Resolution No. 2: On Opposition to Amendment 2

WHEREAS, Missourians are being asked to amend the State Constitution by approving Amendment 2 on November 7, 2006; and

WHEREAS, Amendment 2 is deceptive, pretending to ban human cloning when it really protects cloning human embryos; and

WHEREAS, Amendment 2 is a flagrant assault against the sanctity of human life, legalizing both the killing of human embryos created by the cloning process of somatic cell nuclear transfer, the same process used to clone Dolly the Sheep; and

WHEREAS, Amendment 2 will radically alter the State Constitution, potentially repealing or modifying over 45 different sections, 3 of which are contained in the Bill of Rights; and

WHEREAS, Amendment 2 authorizes public funds for embryonic stem cell research and precludes the legislature or any state official from restricting, reducing or overseeing these funds; and

WHEREAS, Amendment 2 allows payment to women for egg harvesting, making economically stressed women especially vulnerable to exploitation and health risks; and

WHEREAS, Amendment 2 will distract from ethical and already effective research using adult stem cells;

NOW THEREFORE BE IT RESOLVED, that we, the messengers to the 172nd Annual Session of the Missouri Baptist Convention meeting in Cape Girardeau, Missouri, October 30 – November 1, 2006, express our absolute and unwavering opposition to Amendment 2; and

BE IT FURTHER RESOLVED, that we encourage all Missouri Baptists to participate in the Day of Fasting and Prayer on November 5, calling on God to deliver our State from this moral evil; and

BE IT FINALLY RESOLVED, that we encourage all Missouri Baptists to renew their efforts in convincing others of the truth regarding Amendment 2.

Resolution No. 3: On Recovering a Biblical Maintenance of Church Membership

WHEREAS, the Missouri Baptist Convention 2005 Annual Church Profile reveals that though we have a total of 592,902 members, we run an average of 187,654 people in worship attendance which includes non-members such as children, guests, and visitors; and

WHEREAS, the continual reporting of inflated membership numbers creates a distorted picture of ministry, can breed integrity problems, and perpetuates a misunderstanding of the nature and significance of membership in the local church; and

WHEREAS, a faithful New Testament church that maintains Biblical membership standards will experience a broader more

effective Gospel witness (John 17:18-21; Acts 2:41-47; Acts 5:11-14; Romans 12:3-13; Ephesians 4:1-16); and

WHEREAS, the church is described as a family, a flock, a body, and a temple, all of which point to the importance of mutual love, support, accountability, and interdependency among the saints (Acts 20:28; 1 John 3:1; 1 Timothy 3:15; 1 Corinthians 12: Ephesians 2:19-22), and

WHEREAS, the children of God live under God's clear command to remain faithful participants in corporate worship and ministry (1 Corinthians 12:25-27; Ephesians 4:7-16; Hebrews 10:24-25); and

WHEREAS, Christ described the unfortunate reality that there are many who lack saving faith though they profess to possess it (Matthew 7:21-23, 13:1-30, 36-43), and the Apostle John cautioned that often those who leave us were never apart of us (1 John 2:19); and

WHEREAS, those who lack obedience in this area of corporate worship and ministry, which breeds a life of sin in other areas, dishonor the name of Jesus Christ and His church; and

WHEREAS, Christ spoke of the loving effort required in recovering sheep that stray (Matthew 18:12-14); and

WHEREAS, Scripture marks out a process we are obligated to follow in the removal of those who prove to be false professors or unrepentant in their disobedience (Matthew 18:15-20; 1 Corinthians 5; Galatians 6:1-5; 2 Thessalonians 3:14-15; 1 Timothy 5:19-22; James 5:19-20); and

WHEREAS, we are to conduct our ministry in accordance with God's wisdom and not man's (1 Corinthians 3:9-23; Galatians 1:10-11; 2 Timothy 3-4:1-8); and

WHEREAS, historically, Baptists have remained committed to this message of Scripture in our efforts to maintain a regenerate church membership;

NOW THEREFORE BE IT RESOLVED, that we, the messengers to the 172nd Annual Session of the Missouri Baptist Convention meeting in Cape Girardeau, Missouri, October 30 – November 1, 2006, call upon our denominational servants, pastors, and church members to seek wisdom and instruction prayerfully from God's Holy Word regarding this issue; and

BE IT FURTHER RESOLVED, that we encourage open dialogue to arrive at a greater understanding of the cause, resolution, and future prevention of inflated membership roles; and

BE IT FURTHER RESOLVED, that we, like Israel who called upon Ezra to be courageous and act (Ezra 10), call upon our pastors to take Biblical action and lead us with integrity back to an obedient posture regarding this issue; and

BE IT FINALLY RESOLVED that we call upon God for His grace and mercy in light of our failure as well as His strength and wisdom as we embark upon this corrective journey.

Resolution No. 4: On Wal-Mart's Pro-Homosexual Support

WHEREAS, Missouri Baptist's have long supported and believed in the Biblical teaching of the sanctity of marriage being between one man and one woman, and have supported the constitutional ban on homosexual marriage,

WHEREAS, throughout all of mankind's history, homosexual lifestyles have been viewed culturally as immoral, indecent and unacceptable, with over 70% of Missourians recently voting in favor of the marriage amendment; and

WHEREAS, Wal-Mart is a business which targets medium to small communities with advertising and sales, with a mission statement that reads, "To give ordinary folk the chance to buy the same thing as rich people."

WHEREAS, Wal-Mart in August of 2006 asked and received permission to join the National Gay and Lesbian Chamber of Commerce, pledging to give them $25,000.00 annually, and fund two conferences scheduled by the NGLCC, as part of what the NGLCC stated was, "part of the company's ongoing commitment to advancing diversity (homosexuality) among all of its associates, supplier and customer bases."

WHEREAS, Wal-Mart sponsors training events aimed at defeating a constitutional ban on homosexual marriage, such as Boise State University's lesbian and gay diversity week whose theme was "How to defeat a constitutional ban on homosexual marriage," and other events with the same theme.

NOW THEREFORE BE IT RESOLVED, that we, the messengers of the 2006 annual meeting of the Missouri Baptist Convention, call upon our denominational leadership, pastors, and church members to inform Wal-Mart of our Biblical beliefs on marriage, and our support of the constitutional ban on homosexual marriage, and our encouragement that Wal-Mart reconsider their policy which offends so many customers; and

BE IT FINALLY RESOLVED that we encourage the 2,100 Missouri Baptist churches and their members to exercise moral stewardship regarding the businesses they patronize.

Resolution No. 5: In Support of Pregnancy Resource Centers

WHEREAS, in the state of Missouri, thousands of women each year, including some members of Missouri Baptist churches, experience unplanned pregnancies and are inclined to terminate those pregnancies through abortion; and

WHEREAS, Scripture clearly teaches that human life is created in the image of God and that abortion is the destruction of innocent human life; and

WHEREAS, under current federal and state law, women in Missouri have a limited right to choose to end their pregnancy through abortion, and cultural attempts to normalize and encourage abortion continue to increase in number and strength; and

WHEREAS, few churches in Missouri are intentionally, actively, and directly engaged in ministry to women facing unplanned pregnancies, to encourage them to choose life for their babies, and to introduce them to the gospel of Christ; and

WHEREAS, there are many inter-denominational and evangelical pregnancy resource centers located in the state of Missouri who provide direct ministry to women facing unplanned pregnancies, including free pregnancy tests and ultrasound examinations, counseling, STD testing and treatment, prenatal care, parenting education, post-abortion counseling, abstinence education, and presentation of the gospel; and

WHEREAS, contact with a pregnancy resource center is often

the only contact a woman with an unplanned pregnancy has with the gospel of Christ before deciding to have an abortion; and

WHEREAS, the work of pregnancy resource centers is expensive, and depends upon support from businesses, individuals, and churches who affirm the sanctity of human life;

NOW THEREFORE BE IT RESOLVED, that the messengers to the Missouri Baptist Convention meeting in Cape Girardeau, Missouri, October 30 – November 1, 2006, support and encourage the work of pregnancy resource centers; and

BE IT FURTHER RESOLVED, that we encourage Missouri Baptist churches to partner with a pregnancy resource center in their area to assist that center in providing valuable, life-affirming, life-changing, and evangelistic services to women facing unplanned or difficult pregnancies; and

BE IT FURTHER RESOLVED, that such assistance should include prayer, volunteer work, and direct financial assistance from Missouri Baptist churches and their members; and

BE IT FINALLY RESOLVED, that we encourage all Missouri Baptists to commit themselves to prayer and work to bring an end to abortion.

Resolution No. 6: On Covenant Marriage

WHEREAS, the family is the first institution established by God (Genesis 2:18-25; Ephesians 5:22-33) and is ordained by God as the basic unit of society (Genesis 1:26-31); and

WHEREAS, marriage is a scared covenant intended by God to be a lifelong fruitful relationship between one man and one woman (Matthew 19:4-9; Romans 7:2); and

WHEREAS, marriage is honorable and is the only context for appropriate sexual expression according to Biblical standards (Hebrews 13:4); and

WHEREAS, increasingly, the institution of marriage is being attacked from many directions; and

WHEREAS, the breakup of marriages has lasting and devastating consequences for children as well as adults; and

WHEREAS, the disintegration of marriage has tragic implications for the future of our churches and our nations; and

WHEREAS, many state governments are becoming supportive of the covenant marriage movement; and

WHEREAS, LifeWay Church Resources has developed materials for husbands and wives to renew their marriage covenants; and

WHEREAS, many of our Missouri Baptist Convention messengers, entities and churches are active in interested in the covenant marriage movement;

NOW THEREFORE BE IT RESOLVED, that the messengers to the Missouri Baptist Convention meeting in Cape Girardeau, Missouri, October 30-November 1, 2006, affirm the covenant marriage movement; and

BE IT FURTHER RESOLVED, that we encourage all Missouri Baptists to commit themselves to the Biblical principles expressed by the covenant marriage movement; and

BE IT FINALLY RESOLVED that we urge Missouri Baptist churches to consider emphasizing and encouraging covenant marriage ceremonies.

Resolution No. 7: On Support and Appreciation for Bivocational Pastors

WHEREAS, these ministers steadfastly fulfill their God-given calling to the Lord's church in addition to the duties of non-church employment and family activities; and

WHEREAS, the Kingdom efforts of the churches of our SBC and our MBC could not be accomplished by those in fully-compensated ministry alone;

NOW THEREFORE BE IT RESOLVED, that the messengers to the Missouri Baptist Convention meeting in Cape Girardeau, Missouri, November 1, 2006, give thanks to God for the Kingdom service of our bivocational pastors; and

BE IT FURTHER RESOLVED, that we express our gratitude to these ministers and their families for their enormous contribution to the Kingdom of the Lord Jesus Christ; and

Cooperative Program

David Tolliver

Through the Cooperative Program of Missions (CP), Missouri Baptists support:

- More than 10,500 missionaries around the world
- 5,100 North American Mission Board (NAMB) missionaries starting 1,700 new SBC churches last year
- 5,400 International Mission Board (IMB) missionaries currently serving more than 1,200 people groups (our IMB believes that we could take the gospel to every people group in the world by 2010 if we can field and financially support an additional 3,000 missionary units)
- More than 15,000 seminary students in 6 world class seminaries. One of those seminaries is located in Kansas City, Missouri
- Two Missouri Baptist colleges
- The Missouri Baptist Children's Home
- Missions and ministry all over Missouri
- 61 new church starts this year alone
- And a MBC staff of more than 70 dedicated souls serving Missouri Baptists in evangelism, church planting, Sunday School/Discipleship, partnership missions, family ministries, student ministry, disaster relief, women's ministry, men ministry, hunger relief and much more

The last twelve months have come together to form a pivotal year—a veritable roller coaster ride of ups and downs for the Cooperative Program (CP). After the CP posting moderate gains in the last three years, there was a slight downside in this last church year. The MBC received approximately 16.2 million dollars for missions and ministry through the CP—which is about $200,000 less than the previous year. Studies have revealed to us that the average CP giving by MBC churches has declined by more than 7% in the last twenty years. However, the upside is that Missouri Baptists are coming to understand the impact of the decline and the importance of a return to significant CP giving. Specifically, the MBC Executive Board has begun to take encouraging steps to address this trend. In their April 2006 meeting, The MBC Executive Board voted to affirm entire report of the SBC Ad Hoc Cooperative Program Committee including strong encouragements about the CP giving of those who will lead us in the future.

The best investment you will ever make is the investment of God's money in missions and ministry through the Cooperative Program.

Biblical Stewardship

MBC Specialist: Spencer Hutson

Biblical Stewardship affirms that God is the owner of all that we are and have as individuals. We are accountable to God and accept the responsibility for the management of the gifts and resources entrusted to us. This is the foundation for the Biblical Stewardship area of work in Missouri Baptist Convention life.

The alliance between the MBC and Crown Financial Ministries is now official, and is for one year. This alliance allows us to greatly multiply the area of Biblical Stewardship; particularly in the area of personal money management. Pastor's Luncheons in regions throughout the state have been used to promote the "Journey to True Financial Freedom" seminars. These seminars have already begun and more are scheduled for the fall.

Needs provided for to date by the MBC Biblical Stewardship team:

- Resources for pastors and church leaders have been made available through traditional means as well as through the web site.
- Conferences, seminars, workshops and consultations on money management and church budgeting have been conducted in over 25% of our associations.
- Assisted church planters in site selection, budget preparation, capital fund raising and building plans.
- Participated in our Romania partnership by providing Biblical Stewardship materials and leading conferences for pastors throughout the country.
- Over 20 on-site church visits to assist in the planning of building facilities, remodeling, and acquiring land.
- Consulted with 17 churches regarding Stewardship issues and capital funds.
- Leadership provided at 3 events that included conferencing on money management.
- 16,000 pieces of material sent to assist in our partnership with the state of Colorado.
- Sample packets of available materials sent to all MBC churches with order forms.
- Over 27,000 pieces of requested material sent to 44 churches.

There were 100+ new participants added to the church annuity plan.

Partnership Missions

MBC Specialist: Norm Howell

2006 has been a wonderful year for Missouri Baptist Partnership Missions. Our churches have expanded their reach and influence around the world. Missouri Baptists are continuing to partner in Romania, Turkey, and Colorado. Over 40 teams have gone to Romania, 12 or more teams have gone to Turkey, and well over 30 teams have gone to Colorado. The teams have been involved in a wide variety of ministries such as revivals, VBS, medical missions, sports evangelism, street witnessing, discipleship and even some building projects. The reports continue to roll in with regard to the hundreds of professions of faith, rededications, church plants and lives touched through medical help and other ministries. In the inner city Denver, CO project alone, there were over 300 Missouri Baptist Youth along with their adult leaders involved in this work during July.

This year Partnership Missions has focused much attention on training and equipping mission leaders in our state. One of the highlights of the year was a mission's training conference that drew well over 120 leaders from all over Missouri. In April, a team of 12 Missouri Baptists took part in a "Vision Trip" to Colorado searching for opportunities for their churches to become involved in the Colorado partnership.

The Missouri Missions Offering has been a blessing to Partnership Missions by helping purchase Bibles, tracts, and other ministry resources in English, Spanish, Romanian and Turkish. Missouri Baptists are working hard to be an example of an Acts 1:8 State Convention.

The Partnership Missions office is also working with NAMB in areas of Literacy such as English as a Second Language (ESL). In January an ESL team went to Romania to train and teach ESL. A number of professions of faith were made during that trip and there are plans being made for another. Marietta Dennis has trained a number of Missouri Baptist leaders in ESL. If you are interested contact Marietta at mandmd@sbcglobal.net or phone 1-417-877-0713.

Evangelism

Director of Evangelism: Bob Caldwell

The State Evangelism Conference, January 23-24 at Ridgecrest Baptist Church, Springfield had over 1,300 registered participants. God moved among the hearts of the people in an awesome way.

We had the privilege to partner with 69 churches and several associations in their evangelistic efforts (materials, training, finances, events, etc.). In North America, baptisms have decreased in our Southern Baptist Convention. In Missouri we have remained at the approximate 13,600 level for the last three years. This is an area of burden.

In the inner cities of Houston, TX, St. Louis, and Denver, CO we had 897 Missouri Baptist high school and university students sharing Jesus. They came from 43 Missouri Baptist churches. By God using their lives they were a part of seeing many people commit their life to Christ. Currently, a list of over 700 students who have indicated a call of God on their life for vocational ministry is being prayed over and on-going contact maintained. In five years, many of these students will be serving as pastors and staff in our Missouri churches.

We had another exciting year under the MBC tent at the State Fair. Many different types of gifts were used to share Jesus, including

face painting, singing, clowning, and making salvation bracelets. We had the privilege to see scores of individuals receive Jesus.

HeartCall is a strategic personal evangelism ministry focused on women. We will have another HeartCall conference, with hopes of strengthening our ability to multiply the amount of personal evangelism across our state.

Personal Evangelism and Spiritual Awakening

MBC Specialist: Ron Barker

Presently developing a tool to help Missouri pastors create an evangelistic environment in their churches. Five "Missouri Matters" workshops have been conducted which are designed to help pastors and church leaders transition their church into the 21 Century. The response of the pastors who have participated in these has been very positive.

Hosted and organized the first Preaching Conference with Drs. Jim Shaddix, Roy Fish and Monte Shinkle. The second Preaching Conference is scheduled for Nov 27, 28 at FBC Arnold. Drs. Jimmy Draper, Jim Henry and Pastor Kenny Qualls will be speaking. The theme is "Preaching for Changed Lives."

A special focus is now being given to help churches win souls and get them down the aisle and into the baptistery. Soon to be released is a doctrinal brochure titled: Baptism, the Act of Obedience - The Time of Celebration. This will address questions for both the new believers and the church regarding Baptism and ways the church can celebrate baptism.

Getting to know the heart of Missouri I have spoken in many churches, thirteen associations. We have led numerous conferences on witnessing with college leadership groups, resort ministry teams and churches. Spoke to the "Chaplains of Missouri" four times.

Organizing a Missouri "prayer ministry team" to work with the personal evangelism specialist to carry out the vision of starting or strengthening a prayer ministry in the local church. Prayer is a significant key to perhaps seeing a sovereign movement of God once more in our land.

A bi-weekly e-newsletter focusing on prayer and spiritual awakening can be subscribed to by writing Mrs. Betty Benz at bbenz@mobaptist.org. For additional help, contact Dr Ron Barker at rbarker@mobaptist.org or call him at 1-800- 736-6227 ext. 651.

Church Planting

MBC Specialist: Jerry Field

The church planting efforts of the Missouri Baptist Churches in 2005 resulted in 61 new congregations in the Missouri Baptist Convention. The goal for 2006 is 100 new congregations. New congregations planted thus far in 2006 include inner city congregations, rural congregations, suburban congregations, cowboy congregations as well as several non-English speaking congregations. The Hmong Fellowship of Noel means that Missouri Baptists now worship in 29 different languages each week.

Our work continues to focus on recruiting and developing sponsoring congregations, recruiting and developing church planters, and identifying segments of the population that no one is reaching with the Gospel. Every new church plant has at least one sponsoring, mentor church and many have multiple sponsoring/ mentoring churches.

For information on the church planting opportunities in Missouri, please contact Jerry Field at 1-800-736-6227 ext 610 or via email at jfield@mobaptist.org.

Men's Missions and Ministry

MBC Specialist: Danny Decker

It has been an exciting year in Men's ministry. Missouri Baptists have responded to disasters and have reached out in ministry changing lives for the Kingdom of God. Missouri Disaster Relief (DR) has 1400 trained volunteers ready to serve, and more are needed. The Missouri Mass Care Feeding Unit served disaster victims and rescue workers from August 31, 2005 up to and until February 4, 2006. Totals for this response from all Missouri units are: 1,000,000 meals prepared, 5,700 showers, and 2,500 loads of laundry. Chainsaw crew and chaplains also provided much needed ministry to many people affected by Hurricane Katrina. Now there is a great need to help in clean-up and rebuilding. If you would like to help in rebuilding projects call the lay leader of Baptist Builders, Leighton Clemons at 1-816-806-2635. Our DR Teams also responded quickly and effectively after the spring tornadoes that hit St. Mary's and Caruthersville.

Eight-hundred-twenty-five RA boys and their adult leaders attended RA Congress in February. There were 20 decisions recorded, 13 were for salvation.

Fifteen boys' teams and 16 girl's teams took part in this year's Hoop Fest. A team from each tournament was chosen for a mission trip to Mexico.

One hundred twenty-three men from 24 churches attended the "Be the Man" conference held at Summit Woods Baptist Church in Lee's Summit. Danny Singleton from First Baptist, Woodstock, Georgia was the keynote speaker and we are still hearing wonderful reports of how the Lord used this event in the lives of our men.

Forty-five chaplains from across the state met in February for training and fellowship.

One hundred sixty-eight people attended the Cowboy Family Bible Camp, which was an event cosponsored by MBC and Cape County Cowboy Church. The purpose was for fellowship and it laid the ground work for more missions activity.

A trail ride was cosponsored by MBC and Oak Grove Baptist Church, Salem with 33 riders. The day was closed with a barbecue and a Bluegrass Gospel singing.

WMU/Women's Missions and Ministry

MBC Specialist: Vivian McCaughan

The 2006 Missouri WMU Annual Meeting was held at Forest Park Baptist Church, Joplin, with the theme "Mission Footprints: The Impact of a Christ Follower."

Over 400 women and men were in attendance at the annual meeting. Hannibal LaGrange College will be the location for the 2007 combined MBC WMU and Women's Ministry Celebration.

2006 GA "Missions Bootcamp" Retreats continued to draw girls and their leaders from across Missouri. These GA Retreats were held in six different locations last April with over 1,100 girls and their leaders in attendance.

The MBC Women's Ministry Leadership Team has been organized with point persons in each of the MBC's eight regions. Over 250 women have been trained in Women Reaching Women. Combined WMU and Women' Ministry leaders met July 27-28, 2006, making strategic plans for reaching women in Missouri for Jesus Christ.

Hispanic Women met at Laclede Baptist Association Camp in August 2006. They are lead by Dora Narvaez. SISTERS WHO CARE is the ministry of MBC's African American Women. Ethnic Women's Leadership is coordinated by Mrs. Kay Ahn in the Southwest Region of Missouri.

Missouri Acteen Activators traveled to Puerto Rico on a mission trip in July 2006. The girls helped with Backyard Bible clubs, youth activities and even did some painting. MBC's "Extreme Acteens" Retreat is calendared for November 10-12, 2006, with five hundred girls and leaders coming to experience missions. Sarah Riley, one of FBC Jackson's Acteens, was honored in 2006 with the distinction of being a National Acteen Panelist. Two other Missouri Acteens were given the honor of National Top Teen.

Missouri WMU continues to be the missions education catalyst for ages preschool through senior adult.

Church & Family Equipping Team

Jim Austin, Associate Executive Director & Church & Family Equipping Team Leader

Family Ministry

MBC Specialist: Joe Ulveling

This year has been a rewarding year. Seventeen marriage enrichment events were held at various locations around the state with 438 couples in attendance. Some of these events were held at individual churches and others were regional or associational-wide events. We have reports of many marriages that were saved and strengthened for God's glory!

We have had the privilege of assisting fourteen churches with parenting materials and videos for small group study. Many of these churches checked out resources from the family ministries library, so as to be able to use cutting edge material without incurring the cost.

This was our third year to partner with Jubilee Conferences for the senior adult conference in Branson, and there were over 2,200 in attendance. Several decisions were made to accept Christ.

The state singles retreat was moved to a new location this year and overwhelming—the response was very positive for the location and retreat. We had 103 in attendance this year, and we hope to raise the attendance significantly for this quality event.

Our minister's, their wives and families are a huge asset in our state. Through the generous giving to the Missouri Missions Offering, we are able to make an investment in our minister's families. We hosted a Minister's Juggling Act retreat in the spring with 20 couples attending. We had a great time and many positive comments were received from those who went. We also had the privilege of partnering with the Smalley Relationship Center and Purpose Driven Ministries to provide a national quality minister's and wives couples retreat right here in our own state. This event was held in the fall in Branson and was a huge success for all who attended w/ approx. 2,800 in attendance. The family ministries team wants to help encourage our pastors and their families.

Student Ministries

MBC Specialist: Matt Kearns

This year's follow-up to Super Summer 2005 was Re: Connect, which was a one-night event in four different cities: Cape Girardeau, St. Louis, Springfield, and Kansas City. This was a night of fellowship, worship, and teaching. There were 720 students registered for the four events along with 225 adult youth pastors/lay leaders and 38 staff members. Currently, we have a record of 15 professions of faith.

The Engage leadership development training program was March 31—April 1 at Hannibal LaGrange College. One hundred twenty youth leaders/lay leaders were registered from 45 different churches.

This year's Super Summer theme was "You." The design was to turn students' focus onto HIM. There were 700 students registered, along with another 120 youth/lay leaders and 137 staff and program members.

We continue to follow up with this event and currently we have a record of 29 professions of faith, 48 students who renewed their commitment to Christ and eight students who have committed to vocational ministry. Another highlight was the connection with 120 youth pastors/lay leaders from across the state through the Engage leadership development training.

Overall, there was a 29% increase in student attendance from 2005 to 2006, a 54% increase in youth leader attendance from 2005 to 2006, and a 28% increase in total involvement.

The Executive Board Staff of the MBC has been reshaped in the area of student work. All student ministry that is aimed at ages 12 to 25 have now been pulled together in one Student Ministries Group lead by Matt Kearns. This includes Student Evangelism, Sunday School and Collegiate Ministries.

Central Missouri State University BSU

Campus Director: Jason Allen

This past year has been one of great excitement for us at CMSU as we have seen God continue to develop in students a heart for those far from God. We began the year training nearly 30 people to personally share their faith with others. Over the course of the year we have trained nearly 60 people to share their faith. It has been tremendous to see students actively reaching out to their friends and peers on campus. We were able to see over 1,200 personal conversations about the gospel

this year (this does not include evangelistic events and it only measures the conversations of those who are leaders in our ministry).

- Number of student conversions: 10
- Number of student baptisms: 4
- Number of students involved in local churches: 125

We were able to see nearly 90 students involved in small group Bible studies on campus this year with no less than 25 non-Christian students involved in these groups. Through this we have been able to train and equip students in the context of community. Students found these groups, which are all student led, a great place to introduce friends to Christ.

We continue to ask the question, "How will we reach the 7,000 traditional students on and around our campus without Christ." These students are the most strategic segment of our campus to reach and grow and are largely unchurched. This has ultimately led to growth of the Campus Church Network at CMSU which will begin this fall. Our goal is to plant "house" churches that will live missionally on our campus with the goal of reaching and growing more students. We have begun with the DNA for two campus churches with the goal of multiplying these into a vast reaching network in our community.

We're excited about the prospects for this upcoming year. We are looking forward to seeing what God will do in and through students this year as they seek to live for Jesus on our campus. Thank you for your continued prayerful support.

Southeast Missouri State University BSU

Campus Director: Bob Houchins

The BSU moved from its long standing home to a new location in August 2005. The move was designed to accelerate ministry to the campus and allow for growth. The impact was immediate as we pushed the pedal to the metal and began to see God open many doors of opportunity for us. The move to 917 Bellevue gave us more access to students living in the area just off campus, athletes and to the tailgate area for home football games.

Thanks to the help of area churches a free lunch ministry made it possible to begin a ministry with the women's basketball team. This ministry created many new friendships and opportunities to share Christ throughout the year. The lunch ministry also proved to be an important means for meeting other new students and sharing the Gospel each week in our new home.

One of our interns, Kevin Pollock who is a Army National Guardsman, was deployed to Louisiana to help with relief work for Hurricane Katrina. His efforts to keep us informed prompted 18 students to commit to go over fall break to Louisiana to assist with relief efforts. These students worked tirelessly to clean homes, cook and serve meals along with sharing the love of Christ with others. Three people committed their lives to Christ where we ministered.

Evangelism and Missions is a vital part of our ministry here at Southeast and this year we did plenty of both. The BSU was involved in 4 mission trips with a total of 48 students going to share and serve Christ in Louisiana, Florida, Turkey and China. From those experiences we saw 12 professions of faith and many of our students lives changed. The BSU sponsored several evangelism events on the campus including a basketball tournament where over 100 people heard the Gospel and Southeast Blitz a one day servant evangelism effort designed to cause Christ to be the focal point of conversations throughout the day. In one day the students of the BSU gave out 4000 ice cream bars, 10 cases of bottled water, washed 50 cars, did 70+ loads of laundry, cut hair for 24 students and hosted a concert for over 400. But the real highlight was the conversations which opened to door for sharing Christ then and for weeks to come.

Students also gave $2000 this year for Summer Missions support while raising another $12,000 for overseas mission trips. The BSU had 19 students commit to serve this summer on short term or full summer mission experiences with MBC, NAMB and IMB.

Springfield BSU

Campus Director: Dean Finley

ON MISSION — ON CAMPUS: The students involved in the Springfield BSU lead the way in missions by helping with disaster relief in the city of New Orleans. During fall break a team from Missouri State University (MSU) and a team from Ozarks Technical College (OTC) worked in the Katrina Disaster Relief areas. Students also spent a week on mission working with the Colorado State University BSU during spring break. Over 30 students spent five days ministering to people and cleaning up the storm debris in the Nixa and Battlefield area just south of Springfield. Furthermore, two student teams visited northern and southern Turkey for two weeks at the end of the spring semester working on college campuses and the Pisidian Project. More than a dozen students spent the summer ministering some where in North American missions. All of this while ministering to their own campuses via Bible studies, noonday luncheons, concerts and other events. Over 1,800 people received a gospel presentation via BSU Pics throughout the school year. Many local churches participate in the ministry of the local BSU, and over 1000 students are involved in local church ministry in someway. The full spectrum of BSU mission work of being on campus is summarized in a revised and updated web site (www.springfieldbsu.org).

Truman State University BSU

Campus Director: Gene Austin

An exciting tone was set for the year when over 100 people attended the ground breaking ceremony for our new building. The work on the building is progressing and we look forward to our Grand Opening Oct. 21, 2006. Serving the campus in Jesus' name continues to be a major theme with over 1500 students and faculty personally served over the course of the year through various projects. Our students were also active in missions with over 100 taking part in missions work. These efforts allowed us to have many spiritual conversations. Five of these led to students becoming followers of Jesus while we continue building relationships with 30 more. Many of these students have also been in local churches as they continue on their spiritual journey.

Selecting new student leaders is always an exciting time and this year we welcomed 20 new students to student staff. This

brings our total student staff to 50 with seven student interns. Our planning meeting for the 06-07 school year was one of our best as the students looked forward to expanded ministry when the new facility opens. The excitement fueled by these additional opportunities to share Christ's love and become more devoted to Him has our students eager to start the new school year.

Mizzou BSU

Campus Director: Jerry Carmichael

The BSU had a year full of dedicated ministry to the 26,000 plus students who attend MU. It was a year full of weekly gatherings where biblical truths are presented in relevant & creative ways with the goal of practical application in student's lives. Each week we welcomed over 125 students to consider the claims of Christ, and the relevance of scripture and we saw over 222 students come through our doors for the first time. It was a year full of spiritual growth. Weekly we provided opportunities for over 100 our students to be a part of caring small groups that injected scripture into everyday life issues. It was a year full of personal missions and ministry. Whether it was collecting supplies locally for abused and neglected children, or canned goods for our Associational Food Pantry; whether it was serving with 42 others in Gulf Shores, Mississippi assisting with Katrina clean-up, or raising over $7000.00 to assist our students and students all over Missouri to serve Christ through summer mission opportunities here in Missouri and around the world. It was a year full of decisions and choices; big ones and small ones, right ones and wrong ones, ones that changed the weekend's plans and ones that changed eternity. Every semester, every week, almost every day, we are about helping students to consider wisely the challenge that Joshua put forth in Joshua 24:15 - "...choose for yourselves this day whom you will serve..."

International Student Ministries

MBC Specialist: Ed Moncada

There were 55 internationals converted and 21 baptized. We estimate 1500 internationals touched by our ministries and 250 going to our churches.

Around 220 of our churches are networking with our International Student Ministries to help touch the lives of some 10,500 international students studying in our state.

About 400 church volunteers helped in serving meals, teach English as a second language, retreats, and host family programs.

Over 500 goodie sacks and 500 bottled waters were given out to welcome new international students.

9000 tracts in all shapes, topics and languages were distributed in outreach events and displays.

800 Bibles, tracts, books, in 25 different languages were distributed.

7 training conferences and mini seminars took place with 550 in attendance.

Our students that we have reached this year are answering the call. They are now becoming leaders both here and abroad. They are growing in Christ all over our Nation and around the Globe. Due to the sensitivity of this topic and for protection of these that have converted we cannot list any specifics. Know that our students are out to change their Nations for Christ. Ask me sometime of those specifics I will gladly share with you.

Worship

MBC Specialist: John Francis

2005 and 2006 have demonstrated the hunger that God's people in Missouri have for worship. The resignation of Bill Shiflett as Worship Specialist left a large void to fill. In June 2006, John Francis accepted the call as Worship Specialist for the Missouri Baptist Convention. His vision for the coming year is to establish an initiative that invests in future worship leaders beginning with our children, while continuing to equip other 'lead worshippers' in bringing Missouri Baptists to a revitalized sense of awe in the glory of our Lord. During the interim period from Shiflett to Francis; Tanya (Franks) McMillan did a fine job of coordinating The Annual Worship Leadership Conference with over 150 worship leaders in attendance last September. The Handbell Workshop will require more space for next year's event. Having well-known directors in our Instrumental Workshop led to a wonderful time of praise and education for Baptist instrumentalists to further lead in praise. Our free Weekly Worship E-gram has over 600 recipients currently, heralding resources, announcements and devotional readings for all our subscribing worship leaders.

Sunday School/Discipleship

MBC Specialists: Bruce Morrison
Mike Cooper
Sondi Scroggins

In the fall of 2005, the Sunday School/Discipleship Team (SSD) facilitated and resourced 8 regional training schools with over 2,200 leaders trained from 456 churches and 57 associations. The Five Star Church Strategy continues to be well received across the state. Since the launch of the Five Star Church Strategy (March 2004), over 356 churches and 37 associations have been introduced to the strategy. Twenty+ churches have voted to participate in the strategy with many others considering the strategy for implementation. Our theme for 2006 is "Go for the Goal: Effective Evangelism Through The Sunday School and Effective Teaching In The Sunday School". A promotion packet was sent to every association with the offer to conduct a training clinic for the association as their schedule would allow. We have completed seven "Reaching-Teaching" clinics with four more scheduled through 2006. Conducted over 90 individual age-graded Sunday School and discipleship consultations with local church leaders. In November 2005 at the Baptist Building, 49 association leaders participated in the advanced Associational VBS Directors training. The 2006 VBS state tour trained 279 leaders from 53 associations. Additionally, 45 summer missionaries were trained in the 2006 VBS model. Of the 273 participants at State Children's Bible Drills, representing 89 churches and 49 associations, there were 158 State Winners and 57 State Winner Superior drillers. There were 15 association Sunday School and discipleship training directors equipped through clinics, and individual consultations. The first year of a five-year Association Youth Camp Curriculum was produced, published, and distributed to each association. Conducted one Thy Kingdom Come consultation and another has

been scheduled for the fall of 2006. Twenty preschool/children's ministry modules were developed and assembled; seventeen have been distributed to church plants. The SSD Team continues to develop resources for association and local church leaders. We will have a continued emphasis on our MBC web presence with articles, policy manuals, and other resources developed by team members. Mike Cooper is the new State Discipleship Director and will bring a renewed emphasis to the discipleship process for our Team. Discipleship ministry will be emphasized in the Five Star Church Strategy as an equal partner with Sunday School as we upgrade the strategy to make it more user friendly for the local church.

Ministerial Services

MBC Specialist: George Roach

Over 395 ministers filed resumes with the Ministerial Services office this year and over 300 churches were provided with resumes for staff or pastoral positions. Through the Ministers Assistance Fund, financial support was provided to ten individuals. Financial assistance for counseling services was provided to three ministry families. Ministerial Services office has 25 individuals trained to serve in the Transitional Pastor Ministry. The Ministerial Services office is aided by a state-wide task force who helps to review and coordinate all work. Rev George Roach began duties as Ministerial Services Specialist in May 2006. Particular focus is being given to the ministry needs of our bi-vocational ministers.

Technology Group

MBC Media Specialist: David Ellis

Areas of work related to this group include Print Graphics, Technology, Media, and Web Site. Supervision is also given to Joanna Perkins, Archivist, Missouri Baptist Historical Commission.

Print Graphics

MBC Specialist: Jim Thorne

During 2006, the print graphics specialist and print/web graphics intern provided graphics design services to support MBC staff in promoting their ministries, events and training opportunities. Although the focus was on print graphics, design services for other media were also provided, including logos, signs, multimedia presentations and web graphics.

Josh Crawford, print/web intern, left in May to begin a full-time graphics career at Modern Litho Print (one of MBC's preferred print vendors). Sandra Owen began working as an intern in June. She is a graphics student at Lincoln University.

Highlight projects included the *Heartline Magazine* (Spring and Fall issues), *Annual Book of Reports & Statistics, Book of Reports,* MMO promotion packet, Annual Meeting support materials and *Daily Bulletin,* and promotion materials and ads for the Old Bethel restoration project.

Technology

MBC Specialist: Jody Burkett

This report comes from Technology Specialist and the ACP & Directory Ministry Assistant and on some projects the Technology Group Leader.

We are actively working to provide a technology base that will service the needs of our MBC Churches. Our desire is make as many resources as possible immediately (24/7/365) available to our MBC pastors, lay-people, and DOMs.

We have completed wiring of the Baptist Building for new network wiring. We have spent time working through several issues beyond our control in an attempt to provide wireless coverage to the entire building and should be complete in July. Staff has attended the ACP national training meeting in Nashville. We have produced reports for Pathway's "CP Report issue." We have

created and run a multitude of various reports for the MBC *Annual Book of Reports,* and:

- Continued normal operations which include:
- Setup of equipment, email, passwords etc. for new employees
- Assisted in setup of equipment for MBC staff
- Software and hardware maintenance for MBC staff
- Support in running various data queries to produce reports for staff
- Support in helping with different mailing requests for staff
- Updating of the MBC databases
- Support and assistance related to the MBC Email Newsletters

We also started to beta test the new online registration for the 2006 MBC Annual Meeting and fix remaining issues related to it.

Media

MBC Media Technician: Chris Rhodes

Video—Our media staff has been very busy this year with an effort to make the money spent on media to be done in-house to lower overhead rather than the former pattern of outsourcing media reports. Media staff completed full in house production of MMO promotional video content as well as Super Summer promotional, event video coverage, and follow up video productions. Video taped a Family Ministry event to be produced and packaged in house to aid in multiplication of staff efforts.

Audio—Specified and procured a full sound system flexible enough to serve the smallest of events up to and including the MBC annual meeting as well as everything in between. With the next three or four annual meetings being entirely produced by our staff added to the seven or eight events per year every year that need a sound system and technical skills, this too will lead to long term savings when compared to outsourcing these productions.

Additionally, there are hundreds of smaller AV projects throughout the year including production of five weekly Pathway commentaries for Bott Radio, all in house meetings and events, and management of the libraries both media and book resources.

Web Site

MBC Specialist/Webmaster: Kari Wiens

Web staff has had a busy year. Staff is now managing eight different web sites all under the auspices of MBC. Recent and ongoing activities include:

The maintenance of the MBC main site; support and training for all web sites in conjunction with ACS our service provider.

Completion of the design for a new multi-cultural church planting site to join our three regional church planting sites (St. Louis, Kansas City and Springfield) to be used for the purpose of training and recruiting church planters in our state.

We are also targeting improvements to the MBC website to be complete by end of August.

We are implementing a new website workflow process. This is a self policing method—similar to that of a news paper production—to improve the quality of information on the website and online calendar as well as aiding navigation through improved robust searchable content.

We are also working to have bios with pictures for our specialists posted so they may easily be downloaded and printed by our churches and used in promotional materials.

Given the onward march of technology, and after three good years on the current design we are planning a full rebuild of the MBC home page. By end of year, we will be ready to launch an updated and improved web site that will be easier to navigate as well as have a more progressive look and feel. This is being done in an effort to make as many resources as possible, immediately available, to our MBC Churches.

Missouri Baptist Historical Commission

Archivist: Joanna Perkins

As Missouri Baptists mark our bicentennial year, the Missouri Baptist Historical Commission (MBHC) continues in its efforts to assist churches in remembering their history, and in preserving the history of Missouri Baptists. We have updated our webpage (www.baptistparchments.org) to provide more resources and information for churches and individuals. We continue to provide special recognitions to churches marking significant anniversaries.

The majority of the Commission's efforts in the past year have been on the rebuilding of the Old Bethel Baptist Church at Jackson, Missouri. This was the first non-Catholic church/meeting house west of the Mississippi River. It became a reality just after the Louisiana Purchase of 1803. Old Bethel is being rebuilt from its original logs. This year will mark the 200th anniversary of Baptist life in Missouri. The actual rebuilding is progressing well, with a goal of having the site open for a special observance at the October 30—November 1 MBC annual meeting in Cape Girardeau.

August 15, 2006 has been designated "Church History Sunday". On this Sunday, the MBHC is asking our churches to take a few minutes to reflect on our Baptist heritage and history. The Executive Board has given permission for this day to also be used as a special Sunday to encourage each church to receive a love offering to assist in the rebuilding of Old Bethel Church. No Cooperative Mission dollars are being used. This rebuilding is being done with love offerings. Would you please consider a personal gift to the cause of preserving this historic 200 year old church and cemetery site? Its purpose is so our children and grandchildren do not forget the price that was paid to bring the gospel to this new land in America.

The MBHC has just launched a Pastoral Resource Library (PRL) as a research site for religious historians and Bible scholars to use. We welcome old, out-of-print or rare research volumes to be given to enhance this growing collection. The PRL will have the additional task of giving away duplicate materials from the collection to young pastors just starting their own personal libraries, and to pastors who might have lost their libraries through some personal disaster. We hope to supply the materials for the PRL through donations from retired pastors, or through gifts from their surviving family after their death. For additional information contact Mrs. Joanna Perkins at jperkins@mobaptist.org or call her at: 1-800-736-6227, ext. 205.

The Pathway

Editor: Don Hinkle
Writer: Allen Palmeri
Writer: Brian Koonce

The Pathway's readership topped 50,000 in 2006, with 15,000 paid subscriptions, and in March the Web site drew the largest number of visitors for one month in its four-year history. The print addition continues to be published 26 times a year and averages 20 pages per issue. The Pathway significantly improved its appearance by going full color in 2006.

Extensive coverage was devoted to the convention's evangelism, church planting and mission efforts. Particular attention was paid to the Romania, Puerto Rico and Colorado partnerships. The Pathway also was a leader in providing information in the convention's fight against human cloning in Missouri. Included in the newspaper's continuing in-depth coverage of moral issues facing the Missouri General Assembly was the paper's second exclusive interview with Governor Matt Blunt. Extensive coverage of the convention's legal battle with its five breakaway agencies was also provided.

The Pathway had one new staff member join the team in 2006. Emily Crutcher, a graduate of Texas A&M University, was hired as a writer and as the publication's Web site and advertising coordinator. Editor Don Hinkle, for the second straight year, continued to have his commentaries aired statewide over the Bott Radio Network.

The FreeWay Foundation

This year the FreeWay Foundation continued its mission of reaching children in public schools with a biblically based curriculum that encourages children to live a life free from drugs, alcohol, and violence. Working with Matt Kearns (MBC director of youth evangelism), this program has trained 14 MBC youth pastors from around the state to bring these proven successful programs to schools in their area.

This year Hannibal-LaGrange College surveyed over one thousand public school students in 12 different schools around the country. Their survey concluded that students who have gone through the FreeWay program are twice as likely to remain drug-free as those who have not.

This successful program provides our churches a bridge to children in their neighborhood schools and gives them an avenue to meet them where they are, and teach them principles of Jesus.

FreeWay has also developed a program that provides free tuition to Pillsbury College & Seminary for MBC bi-vocational pastors. This program allows a MBC bi-vocational pastors to earn an undergraduate degree in Biblical Studies. Nearly 500 MBC bi-vocational pastors have been contacted many of whom have already enrolled in the program.

FreeWay hopes to continue to provide leadership and partner with MBC to be able to accomplish our 2007 goals.

Missouri Baptist Medical Center St. Louis

Missouri Baptist Medical Center celebrated 122 years of successfully fulfilling the hospital's mission to improve the health of the people and the communities we serve by welcoming a new president, as Joan Magruder joined the organization on May 1.

We also have welcomed three new vice presidents Douglas Black, VP of program/campus development; Tony Noronha, VP of finance/CFO; and Rhonda Brandon, VP of human resources.

Progress continues on our five-story patient service building, which will serve as the new home for our Cancer Center, Emergency Department (with new Chest Pain Center), pediatrics unit and cardiovascular surgery recovery and progressive care units as of January 2007.

The Cancer Research Program was part of a partnership that secured the prestigious Community Clinical Oncology Program (CCOP) designation by the National Cancer Institute.

The Auxiliary raised $250,000 for the new Chest Pain Center during the "Home Is Where the Heart Is" fundraiser.

The Clinical Nursing Institute, the hospital's nursing education and practice program, continues to serve the needs of hundreds of St. Louis-area nurses.

And the Pastoral Care Department continues to work with area pastors to provide clinical internships, clinical pastoral orientation, community grief support groups and seminars for pastors and deacons.

The Ethics & Religious Liberty Commission

The Ethics & Religious Liberty Commission is dedicated to awakening, informing, energizing, equipping, and mobilizing Christians to be the catalysts for the biblically based transformation of their families, churches, communities, and the nation. We actively engage social, moral, and ethical concerns, including same-sex "marriage," judicial nominations, abortion, gambling, prison rape, sex trafficking and enslavement, pornography, racial reconciliation, religious persecution, substance abuse, the sanctity of life, and the environment. The ERLC was privileged to take to the frontlines in the fight to ensure our national leaders understand the values held by Southern Baptists. While the culture demands tolerance and rejects absolute truth, our mandate remains the same: to follow Jesus' instruction to be the "salt" of the earth and the "light" of the world (Matt. 5:13-16).

The Lord has granted us wonderful opportunities to equip

Christians and express our vision in multiple venues. Through our communications ministry, For Faith & Family, we are reaching untold numbers of people via the radio, Internet, and print resources. Our Washington, D.C., offices, positioned on Capitol Hill, remain vocal as "salt" and "light" by communicating concerns to our national leaders and relaying to Southern Baptists the actions of Congress. The following is a brief report of our ministry this past year. It demonstrates clearly our commitment to the vision God has given us and that Southern Baptists have entrusted to us.

Public Policy/Mobilization

From both our Nashville and Washington offices, we spoke to lawmakers and public officials through countless meetings, phone calls, and letters about ways in which public policy impacts families and individuals.

Dr. Richard Land was appointed to serve a third term on the United States Commission on International Religious Freedom. In this position of international prominence, Dr. Land was able to learn more about religious persecution around the world and share more effectively the historic Baptist perspective on religious liberty.

We were pleased to see passage of the Stem Cell Therapeutic and Research Act, and we continued working for passage of the Unborn Child Pain Awareness Act. Partnering with Carol Everett and the Heidi Group, the ERLC's Psalm 139 Project donated its third sonogram machine to a pregnancy resource center.

Passage of a Marriage Protection Amendment to the U.S. Constitution remained atop our list of priorities.

We continued to head the National Coalition for Religious Freedom and Human Rights. Passage of the North Korea Human Rights Act of 2004, a central issue to the coalition, enabled us to participate at a number of levels on the human rights front, including a North Korean Freedom Conference. To dismantle dictatorial regimes and encourage transitioning to democracies, we supported the ADVANCE Democracy Act of 2005.

Passage of the Trafficking Victims Protection Reauthorization Act of 2005 was a welcomed achievement of our efforts to mandate into law provisions to crack down on sex trafficking. The bill includes the End Demand Act, legislation designed to target U.S. solicitors of sex acts and suppliers of women and children.

We devoted much time to ensure the confirmation of strict-constructionist judges to the federal bench. We are pleased that U.S. Supreme Court nominees John G. Roberts and Samuel A. Alito and several judicial appointees, who were held up by the Senate for several years, now hold positions they rightly deserve.

Our 17 eSalt action alerts encouraged recipients to urge their congressmen and senators to support or oppose bills that would affect their families.

In conjunction with local church leaders, we continued to refine our local church mobilization strategy, which includes training, resource materials, and a communications network that will help local church Faith & Family Teams to impact their communities and the nation effectively.

Research

The Research Institute met twice last year to discuss current trends in American culture; to apply biblical truth to moral, public policy, and religious liberty issues; and to develop a comprehensive worldview model to equip Christians to face controversial issues in modern culture. The Research Institute held a roundtable discussion on same-sex "marriage," culminating in the release of the "Nashville Declaration on Same-Sex 'Marriage.'" The Fellows also released an FAQ project entitled "Homosexuality: Your Questions Answered" and awarded the winner of the first Call for Papers. Further, the Research Institute issued a "Resolution on Religious Liberty in Romania." North Greenville College professor Dr. Reginald Encarma and Southeastern Seminary student Andy Lewis both have been writing on a contract basis as needed.

Education/Equpping

Publishing & Product Development

The ERLC continued to publish new resources last year, including Dr. Richard Land's latest book entitled *Imagine! A God-Blessed America: How It Could Happen and What It Would Look Like,* which was released at the 2005 convention in Nashville.

We also redesigned and reprinted our tract Citizen Christians: Their Rights and Responsibilities. We streamlined our Culture Response Kits to make them more affordable. These monthly moral issues resource kits provide a complete set of tools to help someone understand or share with others the biblical perspective on current issues. The kits include our Faith & Family IMPACT bulletin inserts and posters, along with a CD containing fact sheets, the Sermon and Bible Study Guide, audio files, and other helpful resources. The kits, available through our online bookstore (www.familybookstore.net), also recommend books and other resources on the issues.

Each month, we produced a Sermon and Bible Study Guide which exegetes a Bible passage that speaks directly to major moral issues. Fact sheets accompanied the guides with the very latest information about many major issues in our day. Through a joint venture with the video production ministry Church Initiative, we offered a gambling awareness and recovery video resource entitled Chance to Change.

Media Relations and Public Speaking

Dr. Land and other ERLC staff were interviewed hundreds of times by local and national television, radio, and print news organizations. Media organizations such as Christianity Today, FOX News, NBC Nightly News, NBC's Meet the Press, MSNBC, BBC, National Public Radio, the New York Times, the Wall Street Journal, and the USA Radio Network called on Dr. Land for timely analyses of the issues. We had over 650 media interviews, quotations, and press release references from August 2004 through July 2005. The potential audience and impact from all forms of media exceeded 1.7 billion people. Dr. Land was named by Time magazine as one of the 25 most influential evangelicals in the nation.

Web-based Outreach

The ERLC's redesigned Web site (www.faithandfamily.com) is a place where visitors can find first-rate, Bible-based answers to

issues that affect their faith and families. We have strengthened our online resource center to reduce inventory expenses and increase the number of resources available on the issues.

Print and Editorial

The ministry's flagship publication, Faith & Family Values (formerly For Faith & Family) magazine, continued its successful ministry with a new design. The magazine's mission is simple but profound: to equip and encourage its readers and their families to think biblically and act Christianly.

Our monthly, four-color Faith & Family IMPACT bulletin inserts complement the magazine with an overview of selected moral, ethical, and social issues.

Our biweekly electronic newsletter, eSalt, provides subscribers with information on the latest developments in our nation's capital. As an e-mail document, eSalt provides embedded links to the Internet that afford readers the opportunity to react instantly to pending legislation or possible presidential decisions.

Broadcast Communications

Our For Faith & Family radio ministry remained a primary source of communication for the ERLC, reaching 1.5 million weekly listeners. The 30-minute For Faith & Family program and the 60-second For Faith & Family Insight commentary were carried on 561 outlets as well as via the Internet and XM Satellite Radio. Broadcasts were also made available for download to iPods.

Dr. Land's three-hour, live, call-in Saturday program, Richard Land LIVE! has grown from 59 to 133 stations in a single year and continued to air on the XM Satellite Radio Network. Salem Radio Network covers all costs associated with Richard Land LIVE!

Conclusion

The staff and trustees of the ERLC are honored to stand for truth in our nation's capital. As beacons of Christ's light, we experienced many victories for righteousness last year. We remain grateful for the sacrificial gifts and prayers of Southern Baptists. In the year to come, we look forward to God's continued blessing upon Southern Baptists and their ministry through the ERLC.

2005-2006 Higher Education Reports

Hannibal-LaGrange College

Hannibal-LaGrange College has had another busy and exciting year. In March, nine students from Hannibal-LaGrange attended the 47th annual Missouri Phi Beta Lambda (PBL) State Leadership Conference that was held in Jefferson City. Seven of the nine placed among the top four in their event. Four of the students placed first or second in an event making them eligible for the national competition in Nashville, TN. At the national convention in Nashville, TN, two students earned recognition by placing in the top ten in the nation in their respective categories.

A team of 13 HLG students spent their Christmas break in Las Vegas, NV to work with Life Baptist Church. They passed out breakfast to morning commuters, conducted prayer surveys, worked with a children's ministry, assisted the church with their coffeehouse ministry, and assisted with food, coffee, and clothing distribution at a local homeless shelter.

In the spring of 2005, the evaluation team from the Higher Learning Commission of the North Central Association of Colleges and Schools completed a thorough study and evaluation of Hannibal-LaGrange College. Upon completion of their visit and review, the decision was made to award HLG a ten-year continuance of accreditation.

Independent Auditor's Report

Board of Trustees
Hannibal - LaGrange College
Hannibal, Missouri

We have audited the accompanying Statements of Financial Position of Hannibal - LaGrange College (a non-profit organization) as of June 30, 2006 and 2005, and the related statements of activities and cash flows for the year and eleven months then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards and OMB Circular A-133 require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As explained in Note 12 to the financial statements, all fixed assets acquired before June 30, 1989 have been recorded at appraised values as of June 30, 1989 due to a fire that occurred June 22, 1989 destroying equipment and buildings at the college. In addition, no depreciation was recorded on any assets until June 30, 1994.

In our opinion, except for the effects of recording fixed assets as discussed in the preceding paragraph and the recording of related depreciation, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Hannibal - LaGrange College as of June 30, 2006 and 2005, and the results of its operations for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 22, 2006 on our consideration of Hannibal - LaGrange College's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audits were performed for the purpose of forming an opinion on the financial statements of Hannibal - LaGrange College taken as a whole. The accompanying supplementary information presented is not necessary for a fair presentation of the financial statements, as required by generally accepted accounting principles, but has been presented as additional analytical data. The accompanying schedule of expenditures of federal awards is also presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements mentioned above and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

1. Significant Accounting Policies

The significant accounting policies followed by Hannibal - LaGrange College are described below to enhance the usefulness of the financial statements to the reader.

State of Mission

The mission of Hannibal - LaGrange College is to provide an excellent liberal arts education in a distinctively Christian environment, thus preparing students for both personal and career effectiveness.

Statement of Purpose

In accordance with the Statement of Mission, Hannibal - LaGrange College, a coeducational, Christian institution in a covenant relationship with the Missouri Baptist Convention, seeks to achieve the following purposes:

To provide policies, programs, and facilities which will at every point give Christ the preeminence, and will help all Hannibal - LaGrange College students to acquire and use "knowledge for service."

To maintain high standards of academic excellence in a Christian environment, thus encouraging the highest development of the total person - intellectually, physically, socially, and spiritually.

To provide a strong liberal arts education, offering both baccalaureate and associate degrees in a wide range of subject areas with the baccalaureate-degree recipient being prepared to do graduate work, should he/she so desire.

To provide up to four years of instruction for those who have elected to enter church-related vocations, equipping them to serve effectively in pastoral, music, religious education, or other ministries.

To provide specific career education which will equip students, upon completion of the work at Hannibal - LaGrange College, to enter directly into certain areas of employment.

To provide a program of continuing education that will enhance vocational competency, satisfy personal and social goals, and contribute to community improvement.

To maintain a relationship with the local community that will best contribute to the total well being of both the college and the community.

History

Hannibal - LaGrange College continues the work and ideals of LaGrange College, which was located in LaGrange, Missouri for seventy years. LaGrange College was founded in 1858 by the Wyaconda Baptist Association, which was composed at that time of the churches in the four counties of the northeast corner of the state. For sixty-one years the college was controlled and chiefly maintained by this association; but in 1919, its charter was amended to enlist a large number of additional associations and churches in its support and control. Further provisions made in the charter of 1928 required that the Missouri Baptist General Association approve trustees.

In 1928, the citizens of Hannibal, Missouri, pledged $232,000 for the establishment of a Baptist college in Hannibal. The gift made it possible to acquire an adequate campus and to erect new buildings. The old college was merged with the new, and taking the name of Hannibal - LaGrange College, the institution was located at Hannibal.

In 1957, Hannibal - LaGrange College received a new charter which conveyed the ownership and control of the college to the Missouri Baptist Convention. Under the new charter, the college board, consisting of 33 members from Missouri Baptist churches, was nominated and elected by the Missouri Baptist Convention.

1. Significant Accounting Policies (Continued)

In 1967, Hannibal - LaGrange College consolidated with Missouri Baptist College of St. Louis. This consolidated college continued to operate the two campuses: Missouri Baptist College - Hannibal - LaGrange Campus and the Missouri Baptist College - St. Louis Campus.

In 1973, the Missouri Baptist Convention separated the two facilities and reestablished Hannibal - LaGrange College.

In 1975, Hannibal - LaGrange College was accredited as a four-year institution. Since that time the institution's accreditation has been reaffirmed at the bachelor's level by North Central Association of Colleges and Schools.

In 1981, the Missouri Baptist Convention gave its approval for the college to assume full senior college status and to add such baccalaureate degree programs as the trustees deem financially feasible and otherwise appropriate.

On June 22, 1989, the College experienced a devastating fire that destroyed the building that was considered the heart of the campus. The administrative offices, many faculty offices and classrooms, the chapel, the gymnasium, and the cafeteria were all lost. Classes were only canceled for one day. Through the grace of God and the support of friends, rebuilding began very quickly.

In the years since the fire the College has been able to rebuild all of the functional spaces that were lost. First came the Partee Center in January of 1990, which houses a cafeteria, classrooms, computer labs, and faculty offices. Then, in the fall of 1991, the Mabee Sports Complex was opened. The new Administration Building was placed in service August 1992. It contains administrative offices, classrooms, academic department offices, and a student center. In May 2003, the Roland Fine Arts Center was dedicated. This is a facility to house the Department of Art, Music, and Theatre. It includes the Parker Theatre and the Hagerman Art Gallery.

Also, within the decade of the 1990's the College built new student residential housing first with three four-unit apartment buildings (the "Quads") and then with Memorial Hall, a 94-bed women's residential complex. New athletic fields were also constructed for baseball, softball and soccer.

In 2005, the Carroll Missions Center was opened. This facility was needed to provide the necessary space for training students to be effective in their witness. The Center is the focal point for all campus ministries, providing resources for student groups serving local churches, on-campus Bible studies and mission work around the world.

Basis of Accounting

The financial statements of Hannibal - LaGrange College have been prepared on the accrual basis, except for depreciation accounting as explained in Note 4 to the financial statements in accordance with *Generally Accepted Accounting Principles*.

To the extent that unrestricted and temporarily restricted net assets are used to finance fixed assets, the amounts so provided are accounted for as (1) expenditures, in the case of normal replacement of movable equipment and library books; (2) mandatory transfers in the case of required provisions for debt amortization and interest and equipment renewal and replacement; and (3) as transfers of a non-mandatory nature for all other cases.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

During the year ended June 30, 2001 the College issued Missouri Health and Education Finance Authority Higher Education Revenue Bonds – Series 2001 in conjunction with the construction of a new Fine Arts Building. The amount of these bonds was $7,435,000.

13. Bonds Payable (Concluded):

In association with this financing, the College obtained a letter of credit. Pursuant to Section 301(a) of the indenture, an aggregate principal payment of $4,500,000 was due on or before July 1, 2004 and an additional $500,000 payment on or before July 1, 2005. The $4,500,000 payment was made July 1, 2004 and on July 30, 2004, the College paid off the remaining balance of these bonds using its investments and a loan obtained from HNB National Bank shown in Note 5 above. Therefore, the balance of these bonds at June 30, 2006 and 2005 is zero.

14. Student Financial Assistance:

The College administers financial assistance for its students from the Federal Government that is subject to annual review and audit. These reviews and audits could lead to requests for reimbursement or to withholding of future funding for expenditures disallowed under terms of programs.

The College is not aware of any noncompliance with Federal provisions that might require the College to provide reimbursement.

15. Donated Materials and Services:

Donated materials and equipment are not reflected as contributions in the accompanying statements. No amounts have been reflected in the statements for donated services, as no objective basis is available to measure the value of such services; however, a substantial number of volunteers have donated significant amounts of their time in the college's program services and in its fund-raising campaigns.

16. Taxes:

Hannibal - LaGrange College is a not-for-profit organization exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and has been classified as a publicly supported charitable organization under Section 509(a)(1) of the Internal Revenue Code. As such, Hannibal - LaGrange College qualifies for the maximum charitable contribution deduction by donors.

As a not-for-profit organization, Hannibal - LaGrange College is also exempt from state and local income and sales taxes on their purchases of goods and services. A Form 990, Return of Organization Exempt From Income Tax, has been filed for the year ended June 30, 2006. No tax was due on sales of unrelated business income.

17. Concentration of Credit Risk Arising from Cash Deposits in Excess of Insured Limits:

The College at various times of the year maintains cash balances in excess of FDIC coverage.

Concentration of Credit Risk:

The College is dependent on both various outside funding sources and gifts to maintain its present educational programs. A significant drop in either could adversely affect its programs.

Year Ended June 30, 2006 and Eleven Months Ended June 30, 2005

18. Gift Annuities:

In 1996, the College received $20,000 cash and a home in Moberly, Missouri, valued at $68,000. In consideration for these gifts, the College agreed to pay a total of $547.03 a month to the donor plus free use of the home over her life expectancy.

SFAS 116 states that the value of the contribution is recorded at the fair market value of the gifts less the present value of estimated annuity payments. That amount was determined as follows:

Fair market value of gifts	$ 88,000
Present value of annuity	(35,154)
Net Unrestricted Contribution	$ 52,846

The present value of annuity was based on annual payments of $6,564.30 over her life expectancy of 6.9 years.

From 1997 to 2003 various cash gifts have been received. The contributions were recorded as follows:

Fair Market Value of Gifts	$ 258,421
Present Value of annuities	(179,388)
Net Unrestricted Contributions	$ 79,033

At June 30, 2006 the total payable relating to the present value of annuities was $75,068 in the unrestricted fund and $131,506 in the unexpended plant fund.

19. Advertising Costs:

Advertising costs are expensed as incurred.

20. Commitments:

The College had committed to a one-sixth share, or $208,333.33, of the $1,250,000.00 revolving line of credit established by the Missouri Baptist Foundation to finance the startup phase of the convention-wide campaign. During the year ended June 30, 2003, the line of credit was called and the College was required to contribute their share of costs, as deemed by commitment, of $208,166.13.

The College has recorded a note receivable of $208,166.13 due from the Future Generations Fund, which is being administered by the Missouri Baptist Foundation. At June 30, 2006, planned gifts to this fund designated to Hannibal-LaGrange College totaled $306,485.00. The College's one-sixth share of undesignated planned gifts to Future Generations was $213,153.00. As of June 30, 2006, these assets have not been recorded by the College. Hannibal-LaGrange College intends for the $208,166.13 note receivable to be repaid from future earnings and direct gifts from these funds.

Report on Internal Control Over Financial Reporting and on Compliance And Other Matters Based on an Audit of Financial Statements Performed In Accordance With *Government Auditing Standards*

Board of Trustees
Hannibal - LaGrange College
Hannibal, Missouri

We have audited the financial statements of Hannibal - LaGrange College (a nonprofit organization) as of and for the year ended June 30, 2006 and eleven months ended Jun 30, 2005, and have issued our report thereon dated September 22, 2006 which was qualified because the financial statements do not reflect depreciation expense for assets acquired before June 30, 1994, and appraised values were used for assets acquired before June 30, 1989, due to a fire. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting
In planning and performing our audits, we considered Hannibal - LaGrange College's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level risk that misstatements in amounts that would be material in relation the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operations that we consider to be material weaknesses.

Compliance and Other Matters
As part of obtaining reasonable assurance about whether Hannibal - LaGrange College's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the use of the finance committee, board of trustees, management, and the U.S. Department of Education and is not intended to be and should not be used by anyone other than these specified parties.

Report On Compliance with Requirements Applicable to Each Major Program and Internal Control over Compliance in Accordance with OMB Circular A-133

Board of Trustees
Hannibal - LaGrange College
Hannibal, Missouri

Compliance
We have audited the compliance of Hannibal - LaGrange College (a nonprofit organization) with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the years ended June 30, 2006 and 2005. Hannibal – LaGrange College's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of Hannibal-LaGrange's management. Our responsibility is to express an opinion on Hannibal - LaGrange College's compliance based on our audits.

We conducted our audits of compliance in accordance with U.S. generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audits to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Hannibal - LaGrange College's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audits provide a reasonable basis for our opinion. Our audits do not provide a legal determination on Hannibal - LaGrange College's compliance with those requirements.

In our opinion Hannibal – LaGrange College complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the years ended June 30, 2006 and 2005.

Internal Control Over Compliance
The management of Hannibal-LaGrange is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Hannibal - LaGrange College's internal control over compliance with requirements that could have a direct material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the finance committee, board of trustees, management, and the U.S. Department of Education and is not intended to be nor should be used by anyone other than those specified parties.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Missouri Baptist Children's Home

We have audited the accompanying statements of financial position of the Missouri Baptist Children's Home as of December 31, 2006 and 2005, and the related statements of activities, and cash flows for the years then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Missouri Baptist Children's Home, as of December 31, 2006 and 2005, and the changes in its net assets, and its cash flows for the year then ended in conformity with generally accepted accounting principles in the United States of America.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. *Nature of Organization*

   a. *Scope and Purpose*: The Executive Board has charge of the missionary, educational, and benevolent work of the Missouri Baptist Convention. The corporate powers of the Convention are reposed in the Executive Board of the Convention. These financial statements reflect only the financial activities of the Executive Board of the Missouri Baptist Convention.

   b. *Relationship to Institutions and Agencies*: The Executive Board has general oversight, in accordance with the Convention's constitution, over all educational and benevolent institutions and agencies owned, operated or maintained in whole or in part by the Convention.

   c. *Revenue Sources:* The primary source of funding for the Executive Board is Cooperative Program revenue. The Cooperative Program is a financial channel of cooperation between the state conventions and the Southern Baptist Convention which makes it possible for all persons making undesignated gifts through their church to support the missionary, education, and benevolent work in their state convention and also the work of the Southern Baptist Convention. Another significant source is the Rheubin L. South Missouri Missions Offering.

   d. *Collection/Distribution of Funds:* The Executive Board serves as the collecting agent of Cooperative Program receipts and Missouri Missions Offering for the Missouri Baptist Convention. These receipts are then distributed according to the annual budget as approved at the annual meeting of the Missouri Baptist Convention. The distribution allocation typically includes the Executive Board, the Convention agencies, and the Southern Baptist Convention.

      Other special offerings and designated receipts are distributed according to the desires of the contributors. Most of these funds are not reported in the Executive Board's support and revenue since the Executive Board is acting as a collecting and disbursing agent. Instead, these funds are accounted for as custodial liabilities.

   e. *Custodial Funds:* The Executive Board serves as the collecting and disbursing agent for various Baptist causes not under the authority of the Executive Board. Funds held under these arrangements are classified as custodial liabilities on the balance sheet of the Executive Board.

2. *Basis of Presentation*

   Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Executive Board is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

   a. *Estimates:* The financial statements of the Executive Board of the Missouri Baptist Convention have been prepared on the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recognized when incurred. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

   b. *Net Assets:* The Executive Board reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Temporarily restricted net assets include time-restricted contributions received for the Missouri Missions Offering campaign, pledges receivable, and purpose-restricted contributions by other individual donors for missionary, educational and benevolent work. The Executive Board has no permanently restricted net assets. In addition, the Executive Board has divided its unrestricted net assets into designated for specific purposes based on the actions of the Executive Board and undesignated.

   c. *Contributions:* The Executive Board reports gifts of cash and other assets as unrestricted, temporarily restricted, or permanently restricted, depending on the existence and/or nature of any donor restrictions. Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. The Executive Board reports contributions that are temporarily restricted as unrestricted in the current year if the Executive Board meets the donor restrictions in the same reporting period as the receipt of the contributions.

   d. *Donated Materials and Services:* SFAS 116 covers requirements related to donated materials and services. Donated materials are recorded as contributions at their estimated value on the date of receipt. The Executive Board pays for most services requiring specific expertise. Volunteers have donated significant amounts of time in specific programs and solicitations. However, no amounts for these donated services have been reflected in the financial statements because these donations do not meet the criteria for recognition under U.S. generally accepted accounting principles. During 2006, donated services for the construction of the Baptist Student Center building at Truman state met the requirements of SFAS 116 and the value of donated services is reflected in the financial statements.

   e. *Promises to Give:* Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities or expenses depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

f. Funds: In order to ensure observance of limitations and restrictions placed on the use of the resources available to the Executive Board, the designated unrestricted net assets and temporarily restricted net assets of the Executive Board are further maintained in funds. All gains and losses arising from the sale, collection or other disposition of investments and other non-cash assets are accounted for in the fund that owns such assets. Ordinary income derived from investments, receivables, and the like, is not necessarily accounted for in the fund owning such assets.

3. Cash, Cash Equivalents, and Investments

For the purpose of presentation in the statement of cash flows, cash equivalents include all investments with an original maturity of three months or less. The Executive Board follows the policy of recording all investments at fair value. Gains or losses on investments are included as a component of investment return on the Statement of Activity.

4. Fixed Assets

Purchases of buildings and equipment, including betterment of existing facilities, are recorded at cost. Donated property and equipment are recorded at fair value at the date of the donation. Maintenance, repairs, and minor improvements are charged to expense as incurred. All land improvements, buildings, building improvements, and equipment are being depreciated. It is the Executive Board's policy to capitalize items purchased over $1,000.

Depreciation is calculated using the 200 percent declining-balance depreciation method. This change in depreciation method is described in Note P. Useful lives for calculating depreciation for the principal asset classifications are as follows:

Land improvements	10 - 31.5 Years
Buildings	27.5 - 39 Years
Building improvements	31.5 - 39 Years
Equipment	3 - 7 Years

5. Income Taxes

The Executive Board is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

1. First Mortgage Loans

The first mortgage loans are generally amortized by a monthly payment of interest and principal and are secured by a first mortgage on the church property. Site (maximum amount)	$ 125,000
Building (maximum amount)	250,000
Maximum to one church	250,000

Interest Rate	Number of Loans	Balance Outstanding

NOTE F – LINE OF CREDIT

In 2002, the Executive Board approved the establishment of a line-of-credit up to $500,000 due on demand to be used for cash flow requirements. The Board designated that any principal drawn is to be completely repaid annually prior to year-end. Interest is at prime rate (7.25% at December 31, 2006 and 2005) and the Baptist Building is used as collateral. During 2006 and 2005, no amounts were drawn against the line-of-credit.

NOTE G – NOTES PAYABLE

At December 31, 2006, the notes payable consisted of two items. The first note consisted of a multiple advance loan up to $1,000,000 with Exchange Bank to cover legal fees under the Agency Restoration Fund. The multiple advance loan was refinanced and credit extended to $1,500,000 during 2005. It is payable on demand. Interest was set at the prime rate of float (8.25% at December 31, 2006) and interest only payments will be paid the first eighteen months. After eighteen months, if the loan is not repaid, the remaining balance will be placed on 15 to 20 year amortization. After twenty four months, if the loan is not repaid, the remaining balance will be placed on 15-20 year amortization. Security on the note is provided by a deed of trust on the Baptist Student Center. At December 31, 2006, the note had an outstanding balance of $428,825. Interest paid on this note during 2006 was $-0-.

The note was set up in September of 2006 and was payable to Ford Motor Credit Company for the purchase of a company automobile. NOTE H – ANNUITY PLAN

The Executive Board participates in the defined contribution annuity plan through Guidestone Financial Resources of the Southern Baptist Convention Annuity Plan (CAP), which covers substantially all full time employees. Each employee begins participation in the CAP as of the first day of full time employment. However, all employees may make voluntary tax sheltered contributions pursuant to a written salary reduction agreement. Total pension expense for 2006 and 2005, respectively, totaled $319,593 and $299,203. All contributions are fully vested.

The Executive Board also participates in the Church Annuity Plan (CHAP). The CHAP is a tax sheltered annuity plan under IRC Section 403(b) designed for paid ministerial or non-ministerial employees with a church or association. If the church or association is recognized by the Missouri Baptist Convention, then the employee is eligible for convention benefits. These benefits include a contribution of $210 per year by the Executive Board to CHAP on the employee's behalf if the employee meets eligibility requirements. During 2006 and 2005, respectively, the Executive Board paid $277,959 and $276,374.

NOTE I – UNRESTRICTED, BOARD DESIGNATED NET ASSETS

The Executive Board has established a partial allocation of unrestricted net assets for various designated purposes. The designated funds are as follows:

The Missouri Missions Fund was established to provide designated operating funds during the early months of the fiscal year before the Missouri Missions offering is promoted and funds are received in the latter part of the fiscal year.

NOTE I – UNRESTRICTED, BOARD DESIGNATED NET ASSETS (Continued)

The **Building For Tomorrow Fund** was established to allow churches to participate in a lay-led capital fundraising campaign to use for building projects, debt retirement and other capital needs.

The **New Work Fund** was established to provide real estate loans to churches affiliated with the Missouri Baptist Convention. Income earned by this Fund provides resources for special ministries approved by the Executive Board of the Missouri Baptist Convention.

The **Adopt-an-Annuitant Fund** was established in 1994 (see note M) to assist Missouri annuitants with their retirement needs. The fund was re-named in 2000. Annual interest and dividends earned are used to assist needy annuitants. One half of the annual growth of the fund will be used to fund strategic initiatives of the Executive Board.

The **Agency Restoration Fund** was established in 1996 (see note N) as the Church Annuity Plan Fund. Earnings and one-half of the fund's annual growth will be used to fund strategic initiatives of the Executive Board. The Board later voted to use these funds for legal fees and other items. It has since been converted and re-titled to the Agency Restoration Fund and now represents designated money for repayment of legal fees incurred.

The **Reserves Fund** was established in 2003 to provide for November and December 2003 funds initially earmarked for William Jewell College. The Convention voted to de-fund William Jewell College for the last two months of the year and hold these funds in reserve. The funds are now held for general reserves.

The **Church Planting Fund** was established in 2003 from escrowed money held by the Missouri Baptist Convention from the five agencies in litigation. This fund was designated to assist with new church starts.

The **Cooperative Program Promotions Fund** was established in 2004 to maintain the 1% allocation of Cooperative Program receipts that will be used for Cooperative Program promotions. The receipts began to be collected in 2005.

The **Cooperative Program Endowment-Mission Fund** was established in 2004 for money collected from Cooperative Program allocations. This endowment fund is to be used for Missouri Baptist Convention missions.

The **Cooperative Program-Reserves Fund** was established in 2004 for money collected from Cooperative Program allocations. This fund is to be used for general reserves for the Missouri Baptist Convention. This fund was consolidated into the Reserves Fund.

The **Automobiles/Computer Fund** was established in 2004 from budget money set aside for future purchases of automobiles and computers. This reserve money will be used to fund purchases of vehicles and computers in the future.

NOTE K – COMMITMENTS AND CONTINGENCIES

1. Operating Leases

The Executive Board has entered into various non-cancelable operating leases for copiers. In the normal course of business, most of the leases were not renewed or replaced by similar leases once their terms expire. Future minimum payments due under operating leases as of December 31, 2006, were as follows:

2007	$ 30,640
2008	6,845
Total	$ 37,485

Rental expense for 2006 and 2005, respectively, was approximately $55,000 and $90,000.

2. Litigation

During 2001 and prior, five entities (Missouri Baptist University, Missouri Baptist Home, Missouri Baptist Foundation, Windermere Baptist Conference Center, and the Word & Way) modified their organizational structure in a manner inconsistent with the Convention's charter. During 2002, the Executive Board filed suit against these affiliates seeking injunctive relief to enforce various rights and privileges provided under the charter. The affiliates have filed a counterclaim seeking declaratory relief and an award of attorney's fees, expenses, and costs. On March 11, 2004, the judge made a ruling on a procedural issue requiring the Convention to either amend the petition or appeal the ruling. The ruling was appealed to the Court of Appeals of the Western District of Missouri and the Executive Board filed new petition in Cole County revising the plaintiffs. The Court of Appeals returned the case to Cole County for a ruling on the merits of the case and the case remains on the docket.

The outcome of this matter is not readily determinable and the Executive Board has no provision in the financial statements for any adverse outcome.

The Executive Board and the Convention has filed an answer and counterclaim against its insurance carrier seeking reimbursement of certain legal costs. The Executive Board received a ruling in its favor from the judge on the issue of liability. The Executive Board settled with the insurance carrier. The Executive Board received the settlement during 2006.

One of the defendants in the Cole County action, Windermere Baptist Conference Center, in Camden County, Missouri, sold nearly 1000 out of 1300 acres of its land to third party developers. In November 2006, the Convention filed a separate action in Camden County, naming the third party developers, lenders and title companies, to enjoin any development pending a final decision in the Cole County case.

NOTE L – RELATED ORGANIZATIONS AND TRANSACTIONS

The Executive Board is part of the Missouri Baptist Convention. The following agencies and commissions are also part of the Convention: Missouri Baptist Children's Home, Hannibal-LaGrange College, Southwest Baptist University, Missouri Christian Life Commission, and Missouri Baptist Historical Commission. These financial statements do not reflect the financial activities of these organizations. The following five entities are a part of the Missouri Baptist Convention: Missouri Baptist University, Missouri Baptist Home, Missouri Baptist Foundation, Windermere Baptist Conference Center, and the Word & Way. However, see Note J above for explanation of the lawsuit involved with these entities.

The Executive Board has entered into various arms length transactions with the Missouri Baptist Foundation as follows:

Virtually all of the investments of the Executive Board are invested with the Foundation, which holds the investments and makes investment decisions. The Foundation receives fees for these services based on their pool of investments, which includes Executive Board investments. The fees are based on 75 basis points up to $1,000,000 and 50 basis points over $1,000,000.

Under the terms of a lease agreement that expires March 26, 2019, the Foundation uses office space from the Executive Board at the Baptist Building. Under this arrangement, the office space is rent-free based on Board action. The Foundation also reimburses the Executive Board for general office related expenses. In 2006 and 2005, respectively, total reimbursements received were approximately $10,895 and $9,943.

NOTE M – PENSION AND OTHER POST-RETIREMENT BENEFITS

1. *Carry-out Life Insurance*

The Executive Board provides its employees group life insurance after retirement from the Organization. The premiums for the insurance are an expense to the Board.

2. *Supplemental Retirement*

In October of 1967, the Board adopted a policy to provide supplemental retirement benefits to its employees who began employment prior to July 1, 1974, and were born in or before 1929. The supplemental retirement program is not funded. The monthly retirement benefit is $10 per month for each year of service up to twenty years.

An endowment fund held by the Missouri Baptist Foundation benefits the Missouri Baptist Convention. Interest earned and distributed is designated toward the supplemental retirement benefits. Interest earned and distributed from this endowment for 2006 and 2005, respectively, was $12,764 and $12,973.

* Since there are no plan assets currently being set aside exclusively for postretirement benefits other than pensions, benefits actually paid on behalf of retired participants can be considered the only contributions.

4. *Additional Information*

Significant assumptions used in determining the above liability include the use of a 5.75% discount factor for unfunded benefits in both 2006 and 2005, respectively, and a weighted life expectancy for inactive participants of 11 years for 2006 and 10 years for 2005.

Information about the Executive Board's obligation as of December 31, 2006 and 2005:

	2006	2005

On September 29, 2006, the Financial Accounting Standards Board (FASB) issued Statement of Financial Accounting Standards (SFAS) No. 158, *Employers' Accounting for Defined Benefit Pension and Other Postretirement Plans—an amendment of FASB Statements No. 87, 88, 106, and 132(R)*. SFAS No. 158 requires an employer that sponsors a defined benefit postretirement plan to report the current economic status (the overfunded or underfunded status) of the plan in its balance sheet, to measure the plan assets and plan obligations as of the balance sheet date, and to include enhanced disclosures about the plan. The Executive Board will be required to adopt the recognition and disclosure provisions of SFAS No. 158 for the fiscal year ending December 31, 2007, and the measurement date provision for the fiscal year ending December 31, 2008. The Executive Board does not anticipate adopting the provisions of SFAS No. 158 prior to those periods.

NOTE N – ADOPT-AN-ANNUITANT FUND

In August of 1993, the Executive Board was notified by the Annuity Board of the Southern Baptist Convention that the Church Annuity Plan was over funded by $854,347. Beginning January 1, 1994, the Executive Board was allowed to use this over funding as a credit against current expenses to the Church Annuity Plan. An additional credit was received and utilized in 1994, totaling $43,862.

In December 1993, the Board of Directors of the Executive Board decided to use the over funding credits to establish The Missouri Annuitant Fund, a board designated fund to supplement the retirement pay of needy Missouri church annuitants. The Executive Board transferred an amount equal to the credits received into a separate quasi-endowment fund owned by the Executive Board. In 2000, the Board of Directors changed the name of the fund to the Adopt-an-Annuitant Fund.

The balance of this fund is held in Board designated net assets and was $915,847 and $877,605 at December 31, 2006 and 2005, respectively.

NOTE O – STRATEGIC INITIATIVES FUND/AGENCY RESTORATION FUND

In 1995, the Annuity Board of the Southern Baptist Convention agreed to fund the Executive Board of the Missouri Baptist Convention's portion of the cost of the Church Annuity Plan for five years. The benefit to the Executive Board of the Missouri Baptist Convention was expected to be approximately $350,000 annually, through 2004. The Board agreed to designate a portion of the annual savings into a separate fund for defraying the cost of the Church Annuity Plan in the future.

In 2000, the Board of Directors of the Executive Board changed the name of the fund from the Church Annuity Plan Fund to the Strategic Initiatives Fund. Earnings and one-half of the annual growth of the fund were to be used to fund strategic initiatives of the Executive Board. During 2002 and 2003, the Board elected to use the funds available for specific projects, legal costs and other items. The remaining balance was used to fund the Agency Restoration Fund (ARF). The ARF was established by the Board in November, 2003 to receive contributions from churches to cover the legal fees for the lawsuit with the five agencies. The balance of this fund is held in temporarily restricted net assets and was $128,449 and $226,600 at December 31, 2006 and 2005, respectively.

NOTE P – CHANGE IN DEPRECIATION METHOD AND USEFUL LIVES OF ASSETS

Effective January 1, 2006, as a result of a study made of the usage patterns and lives of long-lived depreciable assets, the Executive Board adopted the 200 percent declining method of depreciation and changed the useful lives of certain depreciable assets. Under the new provisions of SFAS No. 154 "Accounting Changes and Error Corrections", which became effective as of January 1, 2006, a change in depreciation methods and change in useful lives of depreciable assets is treated as a change in estimate. The effect of the change in depreciation method and useful lives will be reflected on a prospective basis, and prior period results will not be restated.

NOTE Q – PRIOR PERIOD ADJUSTMENT

During 2006, it was determined that pledges receivable and temporarily restricted contributions should have been recorded as of and for the year ended December 31, 2005. As a result, the financial statements for 2005 have been restated to correct the error. An increase in assets of $787,683 was recorded for pledges receivable on the statement of financial position with a corresponding increase in restricted contributions on the statement of activities and ending temporarily restricted net assets on the statement of financial position. There was no impact on 2004 net assets.

Independent Accountants' Report on Financial Statements

Board of Trustees
Southwest Baptist University
Bolivar, Missouri

We have audited the accompanying statements of financial position of Southwest Baptist University as of May 31, 2006 and 2005, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the University's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Southwest Baptist University as of May 31, 2006 and 2005, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

As discussed in *Note 8*, the University changed its method of accounting for conditional asset retirement obligations in 2006.

In accordance with *Government Auditing Standards*, we have also issued our report dated July 27, 2006, on our consideration of the University's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Note 1: Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

"Southwest Baptist University is a Christ-centered, caring academic community preparing students to be servant leaders in a global society." This statement serves as the University's mission statement. As a private liberal arts institution, the University offers associate, baccalaureate, masters and doctorate degree programs for various professions and the arts, as well as continuing adult education. The University is funded primarily by private gifts and grants, endowment income and student tuition and fees. The University also participates in the Federal Supplemental Educational Opportunity Grant, Federal Family Education Loan, Federal Work Study, Federal Perkins Loan, Federal Pell Grant and Federal Nursing Student Loan Student Financial Aid Programs.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. These estimates and assumptions also affect the reported amounts of revenues, expenses, gains, losses and other changes in net assets during the reporting period. Actual results could differ from those estimates.

Student Accounts and Notes Receivable

Student accounts receivable are stated at the amount billed to the students less applied scholarships and loan proceeds. The University provides an allowance for doubtful accounts, which is based upon a review of outstanding receivables, historical collection information and existing economic conditions. Tuition is generally due at the beginning of the semester unless the student has signed a payment plan. Charges that are past due without payments for 12 consecutive months, have had no response to the due diligence process and are assigned to third-party collection agencies are considered delinquent. Delinquent receivables are written off based on individual credit evaluation and specific circumstances of the student.

Notes receivable consist of amounts due under the Federal Perkins Loan Program, Federal Nursing Student Loan Program and institutional loan programs and are stated at their outstanding principal amount, net of an allowance for doubtful notes. Loans are made to students based on demonstrated financial need for Perkins, Nursing and institutional loans and satisfaction of federal eligibility requirements for the Federal Perkins Loan Program and Federal Nursing Student Loan Program. Principal and interest payments on loans generally do not commence until after the borrower graduates or otherwise ceases enrollment. The University provides an allowance for doubtful notes which is based upon a review of outstanding loans, historical collection information and existing economic conditions. Interest income is recorded as received which is not materially different from the amount that would have been recognized on the accrual basis. Loans that are

delinquent continue to accrue interest. Loans that are past due for at least one payment are considered delinquent. Delinquent loans are written off based on individual credit evaluation and specific circumstances of the student.

Inventories

Inventories are stated at the lower of cost or market, with cost calculated on the first-in, first-out method.

Investments

Investments in equity securities having a readily determinable fair value and investments in all debt securities are carried at fair value. All other investments are valued at the lower of cost (or fair value at time of donation, if acquired by contribution) or fair value. Investment income and gains that are initially restricted by donor stipulation and for which the restriction will be satisfied in the same year are initially recorded based on the donor restriction and then released from restriction during the year. Other investment income, gains and losses are reflected in the statements of activities as unrestricted, temporarily restricted or permanently restricted based upon the existence and nature of any donor or legally imposed restrictions.

329

Physical Plant, Equipment and Library Holdings

Physical plant includes land, buildings and the related improvements. Physical plant, equipment and library holdings are stated at cost or, if donated, at the fair value at the date of donation. Depreciation is recorded over the estimated useful life of each asset. Annual depreciation is primarily computed using the straight-line method.

The University capitalizes interest costs as a component of construction in progress based on interest costs of borrowing specific for the project, net of interest earned on investments acquired with the proceeds of a tax-exempt borrowing.

Deferred Bond Issuance Costs

Bond issuance costs incurred have been deferred and are being amortized over the life of the bonds using the straight-line method.

Life Income Agreements and Annuities Payable

The University has entered into agreements with individuals whereby funds are given to the University under life income agreements. Terms of these agreements generally call for all principal to be held intact and invested in income producing properties during the lifetime of the donor and any other named beneficiaries. The University pays stipulated amounts periodically to these parties during their lifetimes, and upon their death, any remaining principal is available for University use, subject to the restrictions, if any, of the annuity agreement. The annuity liability is valued on the University's financial statements at the present value of the expected payments based upon the life expectancy of the annuitants.

Contributions

Gifts of cash and other assets received without donor stipulations are reported as unrestricted revenue and net assets. Gifts received with a donor stipulation that limits their use are reported as temporarily or permanently restricted revenue and net assets. When a donor stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. Restricted gifts that are received and the restriction is satisfied in the same year are recorded as temporarily restricted and reclassified to unrestricted net assets when the restriction has been met.

Gifts of land, buildings, equipment and other long-lived assets are reported as unrestricted revenue and net assets unless explicit donor stipulations specify how such assets must be used, in which case the gifts are reported as temporarily or permanently restricted revenue and net assets. Absent explicit donor stipulations for the time long-lived assets must be held, expirations of restrictions resulting in reclassification of temporarily restricted net assets as unrestricted net assets are reported when the long-lived assets are placed in service.

Unconditional gifts expected to be collected within one year are reported at their net realizable value. Unconditional gifts expected to be collected in future years are reported at the present value of estimated future cash flows. The resulting discount is amortized using the level-yield method and is reported as contribution revenue.

Conditional gifts depend on the occurrence of a specified future and uncertain event to bind the potential donor and are recognized as assets and revenue when the conditions are substantially met and the gift becomes unconditional.

Note 3: Pledges Receivable

Pledges receivable are a credit risk to the extent donors choose not to complete their pledge payments. Pledges receivable consist of the following unconditional promises to give at May 31, 2006 and 2005:

	2006	2005
Due in less than one year	$ 120,000	$ 100,000

Funds in the amount of approximately $47,000 and $44,000 are being held in trust by Merrill Lynch Trust Company, FSB for the benefit of the University at May 31, 2006 and 2005, respectively. Additionally, funds in the amount of approximately $71,000

Southwest Baptist University
Notes to Financial Statements

and $54,000 are being held in trust by the Annuity Board of the Southern Baptist Convention as part of the University's 457(b) compensation plan at May 31, 2006 and 2005, respectively. Under the terms of these trusts, the University has the irrevocable right to receive all or a percentage of the income earned on the trust assets in perpetuity or for a specified term. For perpetual trusts, the University has recorded its interest in these trusts, based on the fair value of assets held in trust, which approximates the present value of income to be received from trust assets. For term trusts, an asset was recorded based on the present value of estimated future payments to be received. For annuity agreements, the present value was calculated as the fair value of the investment less the present value of future annuity payments based upon the life expectancy of the annuitant. During the years ended May 31, 2006 and 2005, gains on assets held in trust of $78,969 and $23,649, respectively, were recognized. The earnings of these endowment funds are transferred to the University semiannually or quarterly and are recorded as permanently or temporarily restricted revenue. Contributions of $17,266 and $15,678 were received during the years ended May 31, 2006 and 2005, respectively. Assets of $1,352,350 and $1,256,115 have been recorded on the University's financial statements at May 31, 2006 and 2005, respectively. The remaining funds have not been recorded due to the discretionary nature of the gift.

(A) Due December 17, 2011; payable $294,061 semiannually beginning June 17, 2005, with interest payable semiannually at the rate of 3.791% for the nontaxable portion and 5.27% for the taxable portion; secured by equipment.

(B) Educational Facilities Revenue Bonds issued by the Health and Educational Facilities Authority of the State of Missouri, which mature serially through October 1, 2008, with term maturities through October 1, 2023, and annual principal payments and semiannual interest payments at rates ranging from 4.150% to 5.375%. The Education Facilities Revenue Bonds are covered by a trust indenture agreement which requires quarterly deposits to a trust account bond fund in sufficient amounts to cover the principal and

interest payments next due. Required deposits may be reduced by current earnings on the trust account balance. The trust indenture requires a reserve fund to be maintained in sufficient amounts to cover principal and interest payments due within the following year.

(C) Variable Rate Demand Educational Facilities Revenue Bonds issued by the Health and Educational Facilities Authority of the State of Missouri, which mature annually beginning October 1, 2006, through October 1, 2033, and monthly interest payments at a fluctuating daily rate which was 3.63% and 3.02% at May 31, 2006 and 2005, respectively. The Education Facilities Revenue Bonds are covered by a direct-pay letter of credit with Bank of America, N.A.

Aggregate annual maturities of the long-term debt at May 31, 2006, are:

The University has a $2,981,245 operating line of credit available with Bank of America, N.A. which bears interest on outstanding amounts at LIBOR plus 1.75%. At May 31, 2006 and 2005, $18,755 and $1,468,620, respectively, was outstanding on this line of credit. The line of credit is part of a cash management and treasury services agreement the University entered into related to the direct-pay letter-of-credit agreement associated with the Series 2003 bonds issued on July 16, 2003.

Note 6: Pension and Benefit Plans

The University provides a defined contribution retirement plan covering all full-time employees. The University pays an amount equal to 10% of covered wages for each eligible employee. Pension expense was approximately $929,000 and $921,000, for the years ended May 31, 2006 and 2005, respectively.

The University provides group hospitalization, life and dental insurance for its eligible employees.

The University also provides certain postretirement health care and life insurance benefits to certain employees and their dependents. The liability for such benefits is unfunded. The expected costs of retiree health and life insurance benefits are charged to expense during the years that the employees render service. The University expects to contribute approximately $230,000 to the plan in 2007. Effective June 1, 2005, the University plan eliminated the postretirement drug care benefits which reduced the Unrecognized Transition Obligation (UTO) by $1,913,838. The UTO will be amortized over the average remaining service period of active participants expected to receive benefits under the plan.

The University uses a May 31 measurement date for the plan. Significant balances, costs and assumptions are:

	2006	2005
Benefit obligation	$ 4,683,332	$ 6,563,555
Accrued benefit cost recognized in the statements of financial position	5,907,224	5,817,347
Benefit cost	315,956	612,157
Employer contribution	226,079	234,012
Benefits paid	226,079	234,012
Weighted average assumptions used to determine benefit obligations and benefit costs		
Discount rate	6.25%	5.50%

The weighted average annual assumed rate of increase in the per capita cost of covered benefits, *i.e.*, long-term health care cost rate, is assumed to be 9.5% reducing to 5.0% over six years.

DESCRIPTIONS TAKEN FROM ACP

1. Undesignated Gifts—Total amount of all undesignated gifts given by individuals. Undesignated receipts are gifts which the congregation decides how the money will be spent (by its budget or some other means). This would probably include regular budget offerings & loose monies received in the collection plate.

2. Designated Gifts— Total amount of all designated gifts given by individuals for a specific use. Designated receipts are those gifts where the giver, not the congregation, decides how the money will be spent. Examples include special offerings designated to Lottie Moon Christmas Offering, Annie Armstrong Easter Offering, state missions, building funds, debt retirement, or any other offering/gift designated for a specific use.

3. Total Receipts— Total amount of money received by the congregation. This amount should be the total of undesignated gifts, designated gifts, and other receipts (may be income from rentals, day school or kindergarten fees, savings, pastoral aid, parking fees, etc.).

**All of the ACP Statistics include information from churches that were unseated at the MBC 2006 Annual Meeting.

* No authentic statistics.

NOTE: For the years 1917, 1918, 1919, and 1920, the statistics were compiled in the Headquarters Office at Kansas City. The report above records only the money sent by the churches to the Kansas City office, hence a much lower figure is given as compared to other years.

NOTE: In 1921, the present method of gathering statistics was adopted, viz., the statistical secretary of the Convention makes up the statistical tables from the church letters as sent in by the church clerks to the clerk of the district association who in turn forwards a church letter from each of the churches to the statistical secretary of the Convention.
