

## **MISSIONARY HIGHLIGHT:** June 18

---

### *Heath* **SOUTH ASIA**

One of our missionaries we'll call Heath was praying in a park.

A visiting volunteer asked why they were taking time to pray so long instead of just preaching about Jesus. Heath answered that they were asking God to show them where He was at work — that's where they wanted to be.

Heath reminded the worker what the Bible teaches about the Holy Spirit — He goes where He wants, like the wind.

Just then, a strong wind swept through the park. Immediately after a Muslim man came up and told Heath and the volunteer that someone had given him a tract about Jesus, and he had been reading it over and over. Now, he wanted to know more.

Heath was only too happy to talk to the man, of course.

We support Heath through our church's Cooperative Program giving. Let us pray he will continue being responsive to what the Holy Spirit directs him to do there in South Asia.
