3. **Fulfillment House** – 115 W. Washington Street, Kearney, MO. Shelter workshop for special needs teens and adults. (5-6 women) We need women willing to get their hands dirty. They have asked us to **plant flowers in the front flower bed**, "since it will almost be spring". They will supply dirt, plants fertilizer, tools, etc. Several of the young special needs adults may want to help. *Of course this will depend on the weather!*
4. **Fulfillment House** – 115 W. Washington Street, Kearney, MO. Shelter workshop for special needs teens and adults. (6-10 women) **They have asked us to assemble boxes.** The employees do that and fill orders, but cannot stay ahead on boxes. They would be thrilled if we could make 200-300 that morning.
