

THE PROJECT PRETEEN

Partner with MBC churches in a unique opportunity to encourage, equip and engage preteens to be on mission this summer. Lead your preteens deeper in their discipleship journey as you take them out of the church walls to share the gospel with peers and younger kids.

Who

Designed specifically for preteens ages 11-12 (by Aug 1, 2026.) Church Groups including preteens and their leaders work in cooperation with other churches to share the gospel through BackYard Kids Clubs.

Where

Greater St Louis Area. Church teams will lodge, eat, train and worship at our host church then launch out into ministry sites in surrounding communities.

When

July 12-17, 2026

How

We will partner with you to give you all the tools you need through monthly coaching and collaboration! Get kids ready for your trip through intentional weekly discipleship starting now. Then train preteens and sponsors on Backyard Kids Club lessons, gospel presentations and more months in advance.
