

WILL YOU STAND FOR LIFE?

MISSOURIANS HAVE A HISTORY OF STANDING FOR THE PREBORN.

Efforts to end abortion in Missouri have saved the lives of countless children while also giving hope to mothers in crisis.

Unfortunately the abortion industry funded a deceptive effort to legalize abortion in Missouri.

Under the guise of a "Right to Reproductive Freedom," abortion advocates managed to enshrine abortion in Missouri's state constitution.

you knitted me together in my mother's womb.

I praise you, for I am fearfully and wonderfully made.

Wonderful are your works; my soul knows it very well."
