02 MBCollegiate Conference

“I had several productive conversations with two male UMKC student leaders about vocational ministry while at the conference.”

—Travis Hamm, Kansas City, Collegiate Impact

“Upon returning from the conference, one of our students invited four new students to our worship night. Three attended. Of these three, one has a solid relationship with God while the two remaining do not. That night we were practicing the 3 Circles of evangelism method which led to gospel conversations with the two young ladies who don't know God. The fourth student our student invited came the following week to Bible study.”

—James Mohler, Three Rivers BSU

“We had a great response of MACC students wanting to attend the MBCollegiate Conference. This weekend was a great chance for us to get to know students better. As we have built relationships with our students through events like this, we have been able to have spiritual conversations. Through these conversations we are planting gospel seeds and challenging believers to go deeper in their faith.” [Pictured on Current Page]

03 Salvation & Baptism Stories

“Luke, one of our student leaders, invited Jay, a football player, to his small group. Jay started coming and has been attending regularly all school year. Jay was raised as a cultural Hindu, as his family is from India, but through learning about Jesus in his small group, the Bridge, and attending church with Luke, he accepted Christ! He was baptized on February 16 at Relevant Church in Marshall.”

—Marita Avilez, Missouri Valley College, The Bridge Collegiate

“Taylor is a female basketball player and a regular attendee of the BSU. She was baptized recently at one of our local churches. Fifty college students and BSU staff showed up to see her baptism!!!” [Pictured on Page 1]

—Christina Boatright, North Central Missouri College, BSU

“Emmah came to Christ last semester and was baptized at Laura Street Baptist Church in February. She's super excited about her new faith.”

—Jason Yarnell, Northwest Missouri State University, Lighthouse

“One of my students gave her life to Christ! After sharing the gospel with her at a local coffee shop, she asked me to explain the gospel again. I did, and then we went through a bunch of Scripture. She asked me to lead her in putting her faith in Christ! We're meeting weekly to go through The Gospel According to John.”

—SJ Gottschamer, Park University, Collegiate Impact
