## 02 Salvation & Baptism Story

Lynnsey played soccer with one of our student leaders, Alondra, who invited her to small group. Lynnsey started attending and felt conviction. She grew up in a Catholic church and felt like she had just been following a list of rules. She saw the other girls talking about their relationship with Christ and wanted that. She gave her life to Christ and was baptized at Relevant Church on November 10, 2024.

On December 28th, the Lord called Lynnsey home. Before she passed, she shared with her friends at The Bridge that on one else in her family was saved and that her dream was for her family to be saved. God is answering that dream. As a result of her death, her father has come to know the Lord through several conversations with Pastor Paul. On January 26, he came to Marshall to be baptized at Relevant Church. While we still grieve the loss of an earthly life taken so young, we celebrate how God used the Bridge to bring Lynnsey to new life in Christ and used her passing to bring her family to Christ. We know she is rejoicing with Jesus over her father's salvation.

## 03 Ministry Wins

### CHURCH INVOLVEMENT WIN

Hopedale Baptist has been an answer to prayer. They have gone above and beyond to make the athletes of the football team feel at home in Missouri.

—Chris Wilson, Campus Missionary, Springfield BSU

### MISSIONAL LIVING WIN

I was able to have a gospel conversation and share my testimony with one of my fellow students as we drove together from a conference. She'd been exposed to the gospel before but is not a believer.

—Student Leader, University of Missouri-Kansas City, Collegiate Impact

### DISCIPLEMAKING WIN

This is the first year I've ever discipled anyone. I went into it thinking it would primarily be me pouring out to these girls and I would get filled up from my discipler. However, when I get to go to discipleship with my girls, the Lord uses those meetings to fill me up just as much as them. Seeing the eagerness for the Word in them, and just spending an hour of intentional time in the Word and with Jesus has been so sweet for me.

—Student Leader, Northwest Missouri State, The Lighthouse

### LEADERSHIP DEVELOPMENT WIN

I have challenged our student leaders on the power of prayer and living a life of spirit-filled prayer. We are now ending each Tuesday night of leader development with our student leaders on our knees in intentional prayer for their personal walk with Jesus and those they influence and excited to see how God starts to move.

—Clint Mahan, Campus Missionary, BSU, Lincoln University
