REVIVAL

 STUDENTS SUPER SUMMER 2026

Introduction Letter

Dear Youth Leader,

Thank you for your interest in Super Summer 2026, which features three weeks and two locations. Hannibal-LaGrange University hosts Week 1 (Monday, June 8 - Friday, June 12), and Southwest Baptist University hosts Weeks 2 & 3 (Monday, June 15 - Friday, June 19 and Monday, June 22 - Friday, June 26).

Super Summer is for students who have completed grades 6-12. It's designed to introduce students to Jesus Christ, encourage them in building relationships with other believers, and equip them to grow in their faith. We want you to feel comfortable bringing any student, regardless of where he or she is in their journey with Christ. Super Summer is a great place for students who are just beginning to investigate Christianity, students who are new to their faith, and students who are mature and eager to go deeper. Your students should look forward to sitting under the teaching of incredible leaders at Super Summer, during both the team times and the evening worship services.

We look forward to seeing you at Super Summer and are expecting God to do great things in the lives of your students. We're already joining you in prayer to this end.

Dan Gibson & the Missouri Baptist Convention's Prayer & Evangelism Group (P&E)

Form Details

Here are brief descriptions of some of the forms in this packet, and details about their use.

Contact Person Form Description

Before you register students and adults attending Super Summer, you must register your church and contact person. Your contact person is our primary point of contact about Super Summer. He or she also is the one responsible for completing registration for each attendee. This enables streamlined communication. Please choose someone attending Super Summer with your group as the contact person.

Registration Forms Description

Every student and leader attending must complete a Registration Form, Medical Release Form, and HLGU Waiver (for those attending Week 1 at HLGU). Please double-check each form prior to submitting. Some forms, such as the Medical Release Forms, are considered invalid if certain data is missing. You need to bring a signed paper copy of all releases to the event for every student and leader (i.e. Medical Release Form *all weeks*, HLGU Waiver *if attending week 1*)

Here are some examples of important details:

Date of Last Tetanus Shot

Medical facilities will not accept the words “Current” or “Don’t Know” on Medical Release Forms. They require a date, or the words “Not Current” (if applicable).

Insurance Information

Please include all requested insurance information. Students and adults are not required to have medical insurance to attend Super Summer. If a student or adult does not have insurance, please check “No” on the bottom portion of the Medical Release Form.

Sponsor Background Check Form Description

Every sponsor who attends Super Summer must have a background check on file at his or her church. The Sponsor Background Check Form verifies that all sponsors coming with your group have been properly vetted. You also need to bring a copy of each sponsor’s Background Check Form with you.

Church Roster Description

All attendees from your group must be listed on the Church Roster/Roommate Preference Form. This form enables you to choose roommates for the week. All attendees are housed according to their gender at birth.

Printed forms you need to complete online registration:

- Contact Person Form

Mandatory forms to bring to camp:

- Sponsor Background Check Form

Registration Procedure

Online Registration

Registration Signup

Initial signup on the Super Summer website includes information about your church and Contact Person. You must create a username and password to add sponsors and students to your list of attendees.

Individual Registration

After registration setup, you are given access to register your church's attendees. You may then input email addresses for other attendees or parents/guardians. Then, they're able to complete final registration and make payment. No registrations, changes, or additions are accepted after May 31, 2026.

When You Arrive

Your Contact Person (or representative) must come to the central registration table to pick up your group's registration packet. The Contact Person should have a copy of your Sponsor Background Check Form, along with all needed background check reports. In addition, the Contact Person should have all medications in hand and surrender them to the Super Summer nurse.

Next, your Contact Person is given materials, t-shirts, and lanyards for your group. After picking up your group's registration packet, your Contact Person should proceed to the Room Key Table (located in the same area) to pick up room keys from Campus Representatives.

Registration Times

Churches' registration times are assigned alphabetically according to the cities in which the churches are located. Registration times are as follows:

- Cities beginning with A – K register starting at 2:00 p.m. on Monday.
- Cities beginning with L – Z register starting at 3:00 p.m. on Monday.

Once your Contact Person has picked up your church's registration packet, he or she may distribute materials and room keys to students and accompany them to their respective dorms. Participants arriving at the dorms are greeted by small-group leaders who help unload their luggage. After vehicles are unloaded, students are free to settle into their rooms. They should return to the main auditorium by 3:55 p.m. for Orientation.

Orientation

There's only one orientation session for all participants. Orientation begins at 4 p.m. in the Roland Fine Arts Center (RFAC) at HLGU, and Pike Auditorium at SBU. Orientation is vital for a great week. All Super

Summer attendees must attend; Orientation is *not* optional. Immediately following Orientation, participants go to dinner.

Remember: your first Large Team Meeting begins at 6:45 p.m. Let's be on time for a great start!

Super Summer Rules

Please share with the parents/guardians of all participants the expected conduct for Super Summer. Their understanding of this code is essential. Should a student fail to follow the rules, he or she could be dismissed from Super Summer and sent home at the expense of the church/parent/guardian. We want to extend grace and walk with students who may experience challenging times. At the same time, all students are required to follow the rules below:

1. Every participant is required to attend Monday-Friday of the week registered. Super Summer is a precious process of starving the flesh and feeding the spirit. Therefore, late arrivals, departures and returns at any time, or early checkouts are not allowed.
2. Students are not permitted to leave campus at any time during the week.
3. Every participating church must have at least two adult sponsors attending, one male and one female.
4. Students are not allowed to ride in or on any vehicle. Students and small-group leaders are expected to walk everywhere while at Super Summer. All cars, vans, and buses must be parked and remain unused from Monday's registration through Friday's final session.
5. Every student is required to attend every session.
6. Students must go straight to their classrooms and then exit the building when each session is completed. Remember, Hannibal-LaGrange University and Southwest Baptist University are institutions of higher learning, conducting summer classes and regular business affairs. We must be sensitive to the needs of our hosts.
7. Students must be in the dorms and observe lights out at designated times. Breaking curfew at Super Summer is not allowed for anyone – including adults.
8. Squirt guns/super soakers, etc. are not allowed.
9. Drugs, alcohol, any form of tobacco, firearms, weapons, or fireworks are not permitted. Anyone possessing these at Super Summer faces the possibility of criminal charges from campus security and may expect to be sent home.
10. Leaders: please use discretion with cell phones and tablets. Super Summer is designed as a retreat for students. Cell phones may, at times, assist, but they often detract from the goal. Devices must be put away during large-team, small-group, and worship sessions. Beyond that, use of these electronic devices is at the discretion of each church and its leaders.
11. Students must dress appropriately. Permitted items of clothing: anything discrete and proper including, but not limited to, shorts, jeans, khaki/dress pants, t-shirts, polo, and button-down shirts. The following items are not permissible: tight or form-fitting clothing of any kind, sleeveless or cut-off shirts, halter or tank tops, anything with spaghetti straps, muscle shirts, shirts with alcohol, tobacco or questionable slogans or bands, and shorts/pants with writing on the back. Any participant wearing inappropriate attire will be referred to your youth leader.
12. Any form of public displays of affection (PDA) is not allowed.
13. Ordering food to be delivered on campus is not allowed.

14. Under no circumstances are guys to be near or in the girls' dormitories, and vice versa.
15. Students must always wear lanyards. If a lanyard is lost, there's a \$5 replacement fee.
16. Students must keep track of room keys and key cards. Due to the university's cost of replacing locks and keys, lost keys cost the participant \$25; lost key cards, an additional \$50. The church leader attending Super Summer with his/her students is responsible for the keys checked out to that church's participants. Payment must be made at time of checkout for any lost keys.
17. Students who are injured or ill should contact the Super Summer nurse immediately. For your safety and good health, a camp nurse is present around the clock.
18. Churches are responsible for damage to the campus and its facilities. If an area of the campus sustains damage (such as a dorm room), the individuals at fault are responsible. Because the university holds Super Summer responsible for all damages, any damage or loss is the responsibility of the churches involved. (If there is no determination of individual responsibility, each party in the room is billed an equal portion of the cost to make repairs.)
19. Students are to stay in their assigned rooms. This is of great importance, allowing all parties to know where each student is located. Any changes must be approved by the Super Summer office.
20. There is zero tolerance for any form of sexual harassment or abuse. Any individual found engaging in inappropriate sexual behavior is reported to campus security, which initiates an investigation.

Your cooperation is vital. With hundreds of students and adults involved in a week of activities, being on the same page with respect to behavior enhances everyone's safety and enjoyment. We want Super Summer to be the greatest week of every participant's life. Your cooperation is both necessary and very much appreciated.

Sponsor Recruitment

Contact Person

Each church is required to appoint a Contact Person. The Contact Person is responsible for the group and serves as the point of contact with Super Summer staff during the week. This person typically is the youth pastor/leader, senior pastor, or lay person designated as the youth leader at your church.

Sponsor Selection

Sponsors set the tone for the week. If sponsors have a great attitude, students tend to have a great week at camp. If sponsors are godly role models and use their influence wisely for the Kingdom, there is greater spiritual impact during the week. Thank you for bringing adult sponsors who encourage your students toward Christ.

By attending Super Summer, your church acknowledges that it is responsible for the selection and supervision of your adult sponsors. Further, you acknowledge that you have exercised due diligence in vetting the sponsors.

Who is considered a sponsor?

Sponsors must be at least 18 years of age and out of high school for at least one year.

Churches Must Provide:

- One male sponsor (if male students are attending)
- One female sponsor (if female students are attending)
- A ratio of one adult sponsor for every five students is strongly recommended

Sponsor Expectations

Adult sponsors attending Super Summer are expected to:

- Set the moral and spiritual example for the group
- Model and enforce the camp code of conduct and dress code
- Ensure the attendance of their students at ALL required sessions (Team Meetings, Morning Session, Recreation, and Evening Worship)
- Equip and encourage students to follow Christ in their daily lives
- Attend the first Leaders session on Monday after dinner

Properly Selecting Adult Sponsors

All churches are required to run background checks on their sponsors. However, background checks are only a small part of a thorough sponsor-selection process. Group leaders should consider the following questions when selecting sponsors for youth camp.

1) Is the sponsor associated with your church?

It's often tempting to select people you know well as sponsors, even if they have little or no connection to your church. It's much better to select qualified leaders from your congregation than to outsource this type of help. People who are not members of your church don't always act as responsibly as those who are significantly invested in your congregation.

2) How long has this person been a member of your church?

Has the sponsor recently joined your congregation? It may be wise for you to observe that person's life and character for at least six months before considering using him or her as an adult sponsor.

3) Have you known this person for at least a year?

This person may be a relatively new member of your church, but have you known him or her for a longer period, and can you vouch for that person's character? Do others speak highly of this person and testify that his or her character is above reproach?

4) Does the sponsor enjoy being around students?

Does this person work with students in your church and have a good rapport with students and adult workers? Does he or she observe good boundaries with students? Does this person seem too strict or too permissive? Has he or she agreed to abide by the requirements that leaders of your church and the Super Summer staff set forth?

Camper Safety Zero Tolerance Policy

At Super Summer, we're committed to a positive, uplifting, Christian environment. Super Summer does not tolerate – and expressly prohibits – sexual harassment or abuse. This policy applies to everyone at Super Summer, including executive staff, team leaders, small-group leaders, sponsors, and campers.

Suspected violations by campers are to be reported immediately to the Super Summer Director, who conducts a prompt investigation and may remove the violator from campus and prohibit his or her return.

Super Summer staff members suspected of violating this policy are subject to disciplinary action, up to and including termination of employment and criminal prosecution.

Suspected abuse or neglect of a minor, whether on or off campus or whether perpetrated by Super Summer personnel, leaders, sponsors, or others, will be reported to state authorities as required by law.

All Super Summer staff have completed and cleared a background check and have been screened and vetted in accordance with MBC child-safety and predator-recognition training.

Background Checks

Each church is required to perform background checks on all participants 18 years of age or older attending with its group. Super Summer honors background checks for 18 months from the date of the check.

Background check providers must produce a national criminal background check that includes:

- A check of the National Registry of Sex Offenders
- A county and/or state criminal court search

Please use reputable, specialized firms who provide the specific types of checks that Super Summer requires!

DO NOT use the following types of agencies, companies, or individuals to run your checks:

- Local, county, or state law enforcement agencies. These organizations are obviously reputable, but their checks are seldom, if ever, NATIONAL checks.
- Obscure providers found on a Google search.
- Friends or church members in law enforcement or connected in some way with law enforcement – especially when they promise you a good deal.

Recommended Reputable Background Check Providers

The following organizations are listed for easy reference. Each service provider charges a reasonable fee for its services; contact a provider for a precise quote. Churches are not required to use the recommended service providers, but they serve as examples of the types of organizations your church needs to use to run these checks.

These and other service providers run background checks on behalf of churches. Your church is responsible for the information contained in the reports and should maintain the privacy of those reports.

Churches must produce the following documents during on-site registration:

- Completed Sponsor Background Check Compliance Form
- A folder containing a copy of the background checks (specifically, the page of the background check that features the subject's name and any offenses listed) for all sponsors. Registration officials will verify that checks have been run on all required individuals. Some churches are randomly selected to have their checks further inspected to determine if all sponsors are in compliance with camper safety requirements.

Flagging Background Checks

Each church must review the background checks run on its leaders and sponsors and verify each person's suitability for service. To assist you, we're providing a list of **RED FLAG OFFENSES** on the next page. This list is thorough, but not exhaustive.

Red Flag Offenses

If any of the following offenses are reported on a potential sponsor's background check, you should *not* use that person as a sponsor:

- Providing alcohol, tobacco, drugs, or pornography to a minor

- Voyeurism (peeping Tom)
- Contributing to the delinquency of a minor
- Criminal solicitation of a minor
- Public Indecency
- Exhibitionism (flashing)
- Assault
- Sexual Assault (or any crime that is sexual in nature)
- Homicide
- False Imprisonment (imprisoning another person)
- Kidnapping

- Making a firearm accessible to a child
- Theft, including identity theft

Sponsor Background Check Form

The MBC has a policy that any individual over the age of 18, who is working with someone under the age of 18, must submit to a background check. To comply with this policy, every church sending sponsors to Super Summer must verify that the church has a **current** background check on file for these individuals.

A background check completed within the last two years is considered current. Please verify by completing the following:

I verify that every individual over the age of 18 we are sending as a sponsor to Super Summer has an up-to-date background check on file at the church and, to our knowledge, nothing is contained in the background report that disqualifies the person from serving as a sponsor. We also understand that we are required to bring a copy of all background check reports with us to Super Summer.

List the names of the sponsors you are sending to Super Summer:
