MISSIONS MOBILIZATION
MISSOURI BAPTIST CONVENTION

Dear Missouri Mission Partner,

Thank you for considering partnering with a Montana church. Since 2020, Missouri Baptists have partnered with the Montana Southern Baptist Convention to strengthen churches, encourage pastors, develop leaders, and advance the gospel across one of the most spiritually underserved regions in North America. **Over the last two years, more than 450 Missouri Baptists have mobilized to serve in Montana,** providing encouragement, practical assistance, and gospel witness in communities across the state.

Montana is home to approximately 1.1 million people, yet **an estimated 91 percent of the population does not have a relationship with Jesus Christ**. The Montana Southern Baptist Convention consists of 110 churches averaging approximately 32 people in weekly worship attendance, and many pastors serve bi vocationally while ministering in isolated communities. Today, **nearly 50 Montana churches have expressed interest in developing a partnership with a Missouri Baptist church**. These opportunities range from Vacation Bible School and sports camps to construction projects, leadership development, prayer partnerships, and church planting support.

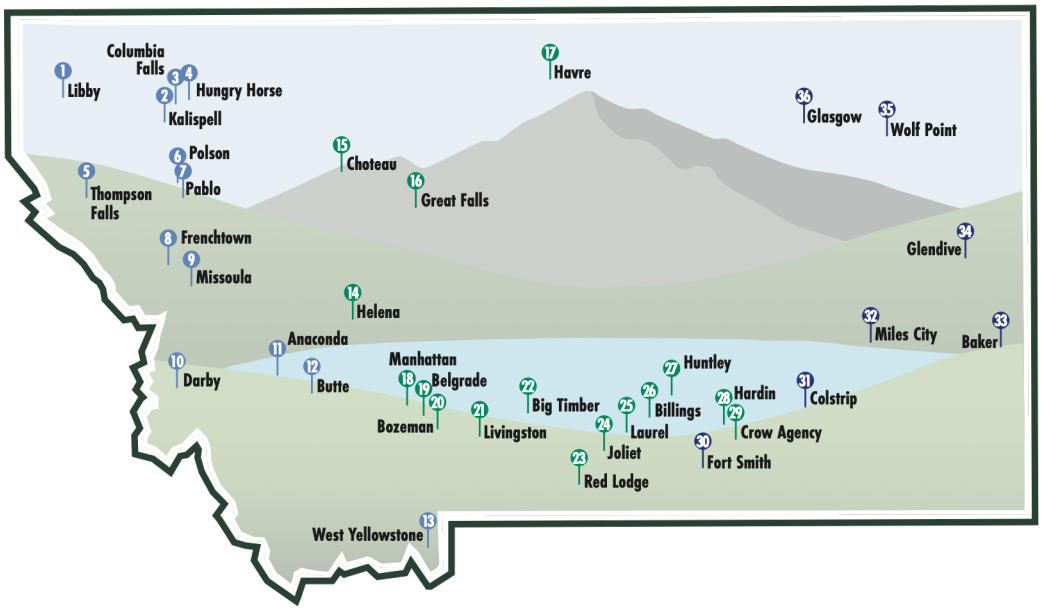

We are grateful for your willingness to explore how your church might serve alongside Montana Baptists. It is our prayer that these partnerships will strengthen local churches, encourage pastors, and **help transform lives and communities with the gospel**. Thank you for your commitment to the Great Commission and for considering how God might use your church to make an eternal impact in Montana.

Blessings,

Missouri Baptist Convention

Valley Life Church

Hungry Horse, Montana

Valley Life Church in Columbia Falls, Montana, is a former church property with a desire to see a new gospel work established in the community. While the church has closed, local leaders continue to pray for God to provide the right pastor, church planter, or ministry partner to help relaunch a vibrant gospel presence in the area.

At this stage, the greatest need is prayer and divine connections. Individuals, churches, and ministry leaders are encouraged to pray for wisdom, leadership, resources, and opportunities that could lead to a successful replant or restart. This represents a unique opportunity to help restore a gospel witness in a growing Montana community.
