

JOE & JUDY BOWMAN

📍 Fort Morgan, Colorado

We're heading out to the American West today as we pray for two of our missionaries named Joe and Judy Bowman. They have started a new church in Fort Morgan, Colorado, called The Mission.

Fort Morgan is a farming community in the flat part of the state, northeast of Denver. Farm and factory work in the area has drawn people from Central America, South America and Somalia.

Joe says many people there think they are Christians but have no relationship with Jesus Christ. He loves seeing people begin attending church and growing in their Christian faith.

Our church is supporting Joe and Judy in their ministry in Colorado through our Cooperative Program giving. Let's pray now that their church will grow and that many will come to faith in Jesus Christ, becoming growing disciples for Him.
