

DEIRDE CLAMAN

📍 South Asia

All over the world our missionaries look for persons of peace whom they can lead to Christ and then disciple so they can lead others to faith.

That's what our missionary in South Asia, Deidre Claman, prayed for recently. Soon after that prayer request, she met a woman named Angela at the daycare center where her son went every day. Angela also sent her son there. The two women talked and became friends.

One day Angela was coming to Deidre's home for the first time. Deidre asked friends to pray for the visit.

During the visit, Deidre shared about the death, resurrection and ascension of Jesus. She also told of forgiveness and her experience of being free from the burden of sin.

Angela responded! In fact, she said, "I am being changed as you speak!"

Today let's thank God for missionaries like Deidre who go to very difficult areas like South Asia to share the gospel. Our church supports her through the Cooperative Program. And let's ask that Angela can really become a person of peace who will know Christ and share Him with her people.
