

MISSIONARY HIGHLIGHT: October 28

Darryl and Veronica Brunson **LIVINGSTON, MONTANA**

Montana is a beautiful state filled with mountains, rivers and wildlife. But only one in 10 people in the state know Jesus, so most people there don't praise God for Montana's beauty.

Today we want to pray for Darryl and Veronica Brunson, two of our North American missionaries, who moved to Livingston, Montana, to start a new church. Our church is supporting them through our Cooperative Program giving.

Before actually launching the church plant, Darryl and Veronica started by getting to know the town and its needs. They serve with two local food ministries, and they try to meet people around town every day. They're even going to work part time so they can get to know more people.

Let's pray that God will bless the Brunsons as they serve Him there in Montana and grant that a strong new church will grow.

Let's pray that through the Brunsons thousands of people will come to know Jesus Christ as Savior and understand that the beauty around them in Montana came straight from Almighty God.
